

KLCCH Health, Safety and Environment Policy

KLCC (Holdings) Sdn Bhd (KLCCH) is committed to Health, Safety and Environment excellence in all its activities wherever it operates.

We shall identify and manage risk of injuries, occupational illnesses, and damage to properties.

We shall ensure that measures are taken to protect the environment and that natural resources are used sustainably.

We shall:

- Ensure that business activities are carried out in accordance with applicable statutory, legal and other requirements relating to Health, Safety and Environment which KLCCH subscribes.
- Provide necessary resources and organisation, and where appropriate, engage with key stakeholders on Health, Safety and Environment matters.
- Ensure that every reasonable and practicable step is taken to prevent and eliminate the risk of injuries, health hazards and damages to properties including adverse impact on People, Environment, Asset and Reputation.
- Integrate Health, Safety and Environment issues, practices, and performance in all business processes of the Company to protect the environment, prevent pollution and minimise environmental risk.
- Ensure that Contingency Response Planning is in place to deal with emergencies and crisis.

A handwritten signature in black ink, appearing to read 'Md Shah Mahmood', with a horizontal line underneath.
