

A Decade Defined by Excellence

This year, KLCCP Stapled Group reached a significant milestone, commemorating the 10th anniversary since its establishment as the largest internally managed Stapled Security in the country. As we pay tribute to our rich eclectic history, we reflect on a journey that symbolises a decade of unparalleled inventive growth and leadership. One that showcases our strength, built not only from the people within the Group, but also from our valued partners, customers and the community with whom we have collaborated extensively. Together with our tenants, we continuously upgrade our assets, from the tallest twin icons in the world to one of the city's largest green lungs - keeping them at the cutting edge with increasingly advanced innovation and technology.

By actively listening to our esteemed customers and guests, we have meticulously maintained the vibrancy of our malls, elevating the customer journey through immersive lifestyle experiences. We have refined our prestigious hotel to attract and enchant even the most discerning guests, ensuring unique unforgettable stays. Our resolute dedication to creating value for our stakeholders has not only propelled us to thrive during favourable times but also boosted our ability to endure and survive the most unprecedented challenges.

Keeping a pulse on evolving needs, we proudly maintain our stature as the largest REIT in the country, consistently providing sustainable returns to our valued shareholders. Thanks to all our stakeholders, and our visionary leadership, we continue to be the place for all.

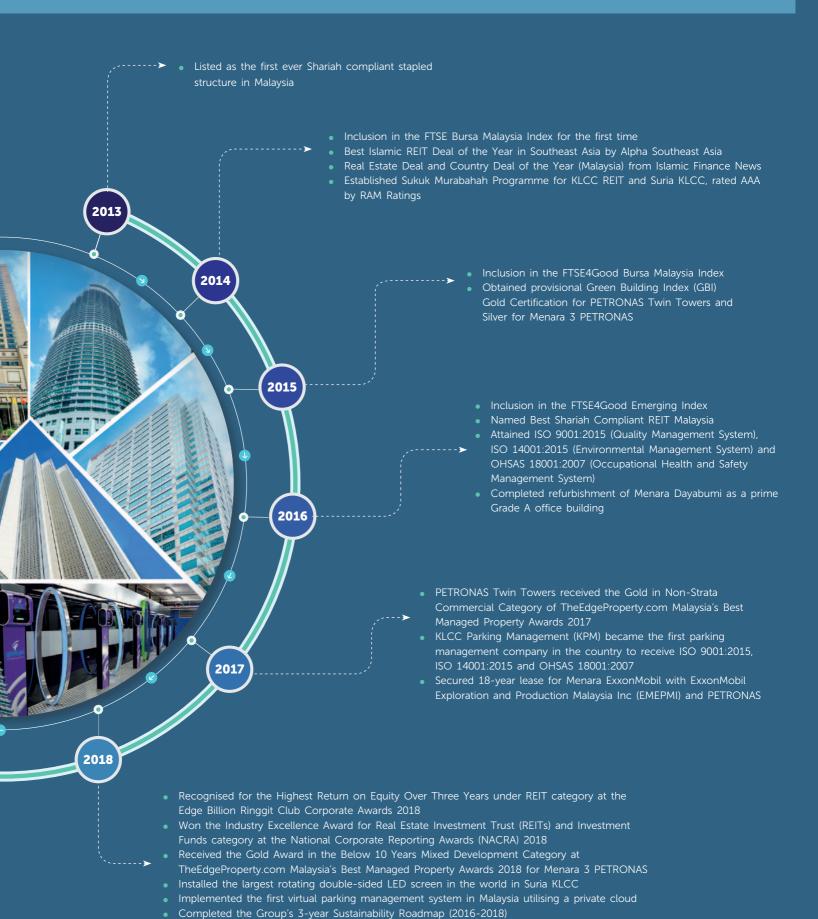

10 EXCEPTIONAL YEARS

- Launched the 5-year Strategy Blueprint for the next growth phase
- Rolled out KLCC Group Digital Roadmap, charting its digital journey
- Completed the Group's first 5-year Sustainability Roadmap (2019-2023)
- Embarked on Task Force on Climate-related Financial Disclosure (TCFD) recommendations journey towards climate change adaptation and management
- Launched the Sustainable September campaign with the mission to establish KLCC Precinct as Malaysia's first Sustainability Development Goal hub
- Secured GBI Silver certification for Menara Maxis
- Attained MSC status for PETRONAS Twin Towers and Menara ExxonMobil
- Installed over 900 LED lights on the external facade of PETRONAS Twin Towers
- Installed facial recognition devices for improved security and contactless access at PETRONAS Twin Towers
- Installed 57 EV chargers within KLCC Precinct, making it the venue with the largest number of EV charging points in Malaysia
- Launched pedestrian bridge connecting Menara Dayabumi and Central Market
- Achieved Green Hotel Standard and Sustainable Low Carbon Building 3-Diamond Rating for MOKUL Hotel
- KPM collaborated with Gentari Sdn Bhd to explore opportunities in green mobility and renewables within KLCC Precinct and its managed facilities
 - Established Integrated Building Command Centre (IBCC) to monitor building performance in real time
 - Established Integrated Security Operation Centre to enhance KLCC Precinct security
 - 100% elimination of Single-Use plastic in Mandarin Oriental, Kuala Lumpur hotel (MOKUL Hotel) operations
 - Launched 49 Premium Parking bays with 20 EV chargers at Suria KLCC parking for customers' convenience, towards carbon footprint reduction
 - Secured 15-year Triple Net Lease (TNL) extension for PETRONAS Twin Towers and Menara 3 PETRONAS up to 2042 & 2041 respectively
 - KLCC Park named World's Top 5 Best Urban Park by the International Large Urban Parks
 - Attained ISO37001:2016 Anti-Bribery Management System (ABMS) certification for KLCC Property Holdings Berhad (KLCCP), KLCC REIT Management (KLCCRM), KPM and KLCC Urusharta (KLCCUH)
 - Completed the anchor-to-specialty space reconfiguration involving
 72 tenants, many of which were among the pioneering stand-alone stores in
 Malaysia and exclusive to Suria KLCC

- PETRONAS Twin Towers featured in Top 50 Most Influential Tall Buildings of the Past 50 Years by Council on Tall Buildings and Urban Habitat (CTBUH)
- PETRONAS Twin Towers named the Top 10 Green Buildings of the Decade by Green Building Council Malaysia
- Secured GBI Gold for PETRONAS Twin Towers and Silver fo Menara 3 PETRONAS

From the time KLCCP Stapled Group was established as the first stapled REIT in Malaysia, we have journeyed not only to maintain the prestige of our premium portfolio, but add to its value as we also created value for our tenants, customers, guests, investors and the community at large. This is reflected in the string of awards won over the last decade as a Property and REIT group, and recognition gained as an organisation that has become progressively greener and increasingly in tune with changing trends as well as societal expectations. While we celebrate our 10th anniversary with a sense of pride, it is with even greater pleasure that we look forward to the next decade and more of working closely with all our stakeholders to shape a continuously dynamic and vibrant landscape.

Our Reporting Journey

We are pleased to present our Integrated Annual Report (IAR) as the primary source of information of our Group's financial and non-financial performance for year ended 31 December 2023. At KLCCP Stapled Group, we strive to continuously deliver a coherent, transparent, and balanced assessment of the Group's ability to create and sustain value to ensure short, medium and long-term viability for all our stakeholders.

SCOPE AND BOUNDARY

This Integrated Annual Report has been prepared by KLCCP Stapled Group to provide stakeholders with an understanding of the Group's business model, strategy, past performance and future prospects. The report is written primarily for shareholders and investors. It covers the activities of the Group for the financial year 1 January 2023 to 31 December 2023, and addresses the material financial and non-financial risks and opportunities that impact value creation and strategy development. Any material events after year-end, but before publication of this report, have been included.

OUR INTEGRATED REPORTING BOUNDARY

Covers the risks, opportunities and outcomes arising from our:

Statement of Purpose,
 Shared Values and Cultural Beliefs
 Prefer pages 24 to 25

 Value Creation @ KLCC
 Refer pages 36 to 50

 Business and Performance Review
 Refer pages 96 to 151

 Governance

MATERIALITY

This report provides information on all those matters that we believe are key to KLCCP Stapled Group's ability to create value over time and which are likely to have a significant impact on our business and stakeholders. These matters were identified, prioritised and validated via a four-step materiality assessment approach.

STATEMENT OF ASSURANCE

We employ a combined assurance model to manage various aspects of our business operations. The assurance for this report is provided by the management, our internal auditors, and independent external service providers, as well as oversight by our Board of Directors. Additionally, our financial statements are independently audited by Ernst & Young PLT, ensuring adherence to relevant accounting standards. This multi-layered approach guarantees the accuracy, reliability, and transparency of our reporting.

FORWARD-LOOKING STATEMENTS

This report includes forward-looking statements that involve inherent risks and uncertainties and, if one or more of these risks materialise, or should the underlying assumptions prove incorrect, actual results may be different from those anticipated. Words such as "believe", "anticipate", "intend", "seek", "will", "plan", "could", "may", "endeavour", "project" and similar expressions are intended to identify such forward-looking statements, but are not the exclusive means of identifying such statements. Forward-looking statements apply only as of the date on which they are made, and KLCCP Stapled Group does not undertake any obligation to update or revise any of them, whether as a result of new information, future events or otherwise.

BOARD RESPONSIBILITY STATEMENT

The Boards of Directors of KLCCP and KLCCRM acknowledge their responsibility in ensuring the integrity of this Integrated Report, in which to the best of the Boards' knowledge, addresses all key issues that are material to the Group's ability to create value and fairly present the integrated performance of KLCCP Stapled Group. This report has been prepared in accordance with the International Integrated Reporting Framework (IIRF) under the IFRS Foundation. This report was approved by the Boards on 7 February 2024.

Proxy Form

DEAR STAKEHOLDERS,

It is with great pleasure that I introduce KLCCP Stapled Group's Annual Report for the year 2023, a year that had added significance given that it was our 10th anniversary. Ten years mark a significant milestone for any organisation and it is befitting as we celebrate the occasion to reflect on the Group's journey to date.

PROFIT FOR THE YEAR*

RM853.8 million

(2022: 793.3 million)

DIVIDEND PER STAPLED
SECURITY

40.50 sen

(2022: 38.00 sen)

* excluding fair value adjustments

It has definitely been an interesting voyage marked by milestones as well as challenges, the latter including an unprecedented pandemic. It is with a measure of pride to note that the Group managed to overcome every obstacle that came in our way, and in so doing has become stronger and more resilient, increasing our capability to drive excellence while caring for our people and the community.

We have been privileged to have best-in-class assets such as the iconic PETRONAS Twin Towers. Nevertheless, our performance over the last decade stems not just from these assets but rather from the professionalism and dedication of our people in managing and maintaining them to retain their prestige and quality. Everyone, from our leadership to the most junior member of the team, has demonstrated a resolute commitment to upholding the highest integrity in executing all our business and sustainability strategies to see to the Group's steady and sustainable growth.

We have also continuously strengthened our relationships with our business partners and associates, working closely with them to create unique experiences in spaces that will stand the test of time. Driven by innovation, we have constantly refurbished and modernised our offices, retail malls and hotel. Investing in the best technologies, we have installed the latest digital systems for enhanced safety and efficiency in our buildings, car parks and surrounding areas. In the process, we have maintained our position at the cutting edge of property and asset management and retained our leadership as the largest REIT, growing our market capitalisation by 21.2% to constitute 31.0% of the Malaysian REIT industry.

This anniversary marks not just a milestone but is a testament to our collective commitment to shaping a future defined by excellence and meaningful contributions.

During the year itself, the Group delivered a solid set of results with top-line growth of 11.0%, and a 7.6% increase in profit excluding fair value adjustments of RM853.8 million. This was mainly due to increased footfall and spending in our malls as well as higher occupancy in the Mandarin Oriental, Kuala Lumpur Hotel (MOKUL Hotel). The hotel's Revenue per available room (RevPar) is, in fact, in its historical best and I would like to commend the team for their excellent work.

Reflecting the numbers achieved, the Boards of KLCC Property Holdings Berhad (KLCCP) and KLCC REIT Management Sdn Bhd (KLCCRM) approved four interim dividends totalling 40.50 sen per stapled security, 6.6% higher than from last year's distribution of 38.00 sen. This comprises 13.71 sen from KLCCP and 26.79 sen from KLCC REIT, translating to a full-year dividend payout of RM731.2 million compared to RM686.0 million in 2022, which is also the highest dividend payout since the Stapled Group's listing.

Letter From The Chairman

BOARD FOCUS IN 2023

The macroenvironment in 2023 was conducive to the property industry as it marked the first full year of recovery from Covid-19. Nevertheless, it was essential that KLCCP Stapled Group had the right strategies in place to fully leverage the economic upswing. The Boards' focus during the year was, therefore, to engage more intensely with Management on three key areas: recovery from the pandemic, growth strategies, and upskilling our people.

A key development to advance our pandemic recovery was the launch of a new 5-year Strategy Blueprint that serves to prepare the Group for our next phase of growth. Through this roadmap, we seek to further entrench our pole position by enhancing assets performance, fostering growth expansion and adapting to shifts in market demand that have been exacerbated by the pandemic. At the same time, we will continue to strengthen our operational and commercial excellence to keep delighting our tenants and customers.

In realising the goals set under our strategy blueprint, it is imperative that we continue to equip our employees with the skills they will need. This includes empowering them to fully leverage digital technologies to embrace an agile way of working. We envision a workplace that encourages a constant flow of ideas to innovate in order to deliver value for the Group. To realise this vision, we are working with Management on nurturing an environment that is constantly evolving towards a sustainable future.

BUILDING ESG VALUE

One of the Boards' core functions is to guide the Group towards increasingly more environmental, social and governance (ESG)-attuned practices to strengthen our stakeholder value creation.

Over the last five years, the Boards closely monitored progress on the Group's 5-year Sustainability Roadmap. Launched in 2019, the year 2023 marked the culmination of this guided programme. It is with a measure of pride to share that the Group achieved most of the goals and targets that had been set. We are now rolling out the next roadmap that will further solidify KLCCP Stapled Group's position as a leader in ESG. A comprehensive materiality assessment was conducted as part of the process, following which the Boards validated the resulting materiality matrix which ranks our material sustainability matters according to their priority.

As a leading player in the property industry, we are focusing intently on reducing our carbon emissions. We have set some ambitious targets towards this end, including the achievement of net zero emissions by 2050. Having committed to this goal, we will be working towards meeting it through a combination of emissions reduction and offsetting strategies. We have also embarked on our Taskforce on Climate-related Financial Disclosures (TCFD) recommendations journey, both to put in place mitigation and adaptation measures as well as to report our performance transparently.

Over and above environmental initiatives, KLCCP Stapled Group continues to strengthen the social aspects of our ESG commitments. The Boards have been pleased to see this reflected in the emphasis placed on understanding our stakeholders and not just meeting, but often exceeding, their needs.

The Group leverages the use of technology to facilitate transactions and create greater convenience for our retail tenants while partnering them to navigate any challenges. Similarly, we engage closely with our office tenants and welcome feedback on how we can contribute towards a working environment that promotes their well-being.

As a result of intensifying efforts to entrench ESG into our operations and business strategies, KLCCP Stapled Group won two Platinum awards this year. The first was for ESG and CSR Leadership at the 15th Annual Global CSR & ESG Summit & Awards 2023; and the second for overall ESG practices at The Asset ESG Corporate Award 2023.

While the Boards are very pleased with the Group's ESG achievements, we recognise that building and maintaining a sound ESG framework is an ongoing process. We are committed to this endeavour as we seek to guide the Group towards more meaningful value-creating outcomes. Accordingly, the Boards have undertaken to enhance our own sustainability capabilities and joined members of the Leadership Team in attending a half-day session on Creating Impactful Leadership for Sustainability.

MAINTAINING ROBUST CORPORATE GOVERNANCE

Good governance, and operating with integrity to protect our stakeholders, will always be the cornerstone of the Boards' oversight function. We already have a very sound governance framework, hence our primary objective is to keep our policies updated with best practices such as the guidelines in the Malaysian Code on Corporate Governance (MCCG) issued by the Securities Commission Malaysia, and the Main Market Listing Requirements (MMLR) issued by Bursa Malaysia.

This year, we ensured compliance with Bursa Malaysia's Enhanced Sustainability Disclosure requirements by reporting on all 11 of its identified common sustainability indicators. You will notice that we have also incorporated a Statement of Assurance in this Integrated Annual Report, as well as in our standalone Sustainability Report.

Succession planning is integral to good governance as it ensures leadership continuity. In this regard, it is encouraging to see that the Group has achieved our target of having two ready successors for each executive position. In strategising our succession planning, we are driven to achieve a good gender balance at the Management level, emulating the exemplary level of diversity on the Boards. Since 2021, the Boards have had 50% women directors and 63% independent non-executive directors, well exceeding the targets set by the regulators.

ACKNOWLEDGEMENTS

Our sustained growth over the last decade could not have been achieved if not for the support of our external and internal stakeholders. On behalf of the Boards of Directors, I would like to personally acknowledge all our business partners, associates, tenants and customers for staying true to the Group through the highs and lows of our operating environment. As for holders of our Stapled Securities, many of whom invested in us when KLCCP was listed in 2004, thank you for your trust in our ability to deliver.

Our people are equally important assets alongside our premium property and investment portfolio. I would like to take this opportunity to express my sincerest appreciation for the dedication demonstrated by the strong team we have here in the Stapled Group. Thank you for your commitment to our corporate objectives, and equally for internalising and living our shared values. It is my 10th anniversary wish that we continue to work efficiently as a united team to take our current successes several notches higher. The post-pandemic world, with all its changes, promises to be both challenging yet exciting. Together, we can create another *Decade Defined by Excellence*.

Tan Sri Ahmad Nizam Bin Salleh

Chairman

Although the pandemic is officially over, various challenges remain. For example, global GDP growth has slowed down as a result of dampened trade, high interest/profit rates and geopolitical unrest, among other factors. What has the situation been like in Malaysia, and for the KLCCP Stapled Group specifically?

It has been challenging with high inflation following several Overnight Policy Rate (OPR) hikes in response to increasing interest rates in the US, and an increase in electricity tariffs. What this means is that we have been living in a high-cost environment which has impacted our operations as well as consumer spending. The depreciation of the ringgit further exacerbated the situation as it increased the price of imported goods.

Nevertheless, KLCCP Stapled Group did very well. The leadership team had several strategic discussions with the Boards and, with their approval, we put into action key initiatives to enhance each of our businesses while mitigating the challenges to drive the business forward sustainably.

We have always positioned Suria KLCC as a people's mall. We offer a good mix of local and foreign brands across the price range spectrum - both in our retail and Food and Beverage (F&B) segments. By appealing to everyone, we continued to see footfall in the mall increase. More importantly, tenant sales grew 12.3% year-on-year (YoY).

In the Hotel segment, the depreciation of the ringgit was a boon as it made Malaysia more affordable to foreigners. Consequently, the country experienced an influx of visitors from all over the world with Singapore and Indonesia topping the list. Tourism growth to 26 million visitors from 19.1 million in 2022, was another triumphant factor for both our Hotel and Retail segments. On a related note, Meetings, Incentives, Conferences and Exhibitions (MICE) activities also picked up, with very encouraging spillover effects on our Hotel and Retail operations.

In the Office space, we are fortunate that we have long-term leases with our tenants and enjoy 100% occupancy rates. This segment therefore remains stable in the face of changes and challenges in the operating landscape. Our Management Services, meanwhile, expanded its portfolio of carparks and completed Workplace for Tomorrow office transformation amongst other projects, both of which contributed to significant revenue and profit growth.

Overall, it was a year we can be proud of, with each business segment showing improved performance. For the entire team, it was the best possible gift we could have to celebrate our 10th anniversary!

Driven by Committed Leadership

8

In Conversation with the CEO

The year also saw the completion of more commercial and retail buildings in Kuala Lumpur. Do you see this as a challenge?

While we acknowledge the competition, KLCC Precinct has unique advantages, namely office spaces and a mall located in the most iconic building in Malaysia, a world-class hotel, an international-standard convention centre and an award-winning 50-acre park – all located in the heart of Kuala Lumpur. What's more, these businesses collaborate and create synergies among each other, boosting profitability.

It is only natural that new developments attract people as consumers are always on the look-out for something new. Yet, our properties have been around for more than 25 years, and we continue to draw the crowds. If anything, the numbers keep increasing because of our unbeatable location, PETRONAS Twin Towers' timeless allure, the strong Mandarin Oriental brand, and Suria KLCC mall's mass appeal. Let's not forget, the Group's ability to maintain these properties at the highest standards of quality, comfort and safety using advanced and sustainable technologies.

We continuously upgrade our properties ensuring our customers' and tenants' comfort and well-being. In 2023 itself, we spent RM16.8 million towards the building control system upgrade in Menara Exxonmobil, refurbishment of the MOKUL Hotel and several digital technology upgrades within our properties. In the Office space, we completed the Workplace for Tomorrow 2.0 transformation in PETRONAS Twin Towers, Menara 3 PETRONAS and Permata Sapura spanning 19 floors and about 370,000 sq. ft. We have also been progressively retrofitting our office towers to be more sustainable with the installation of LED lights. Of note, during the year, Menara Maxis achieved a Silver GBI rating and Platinum LEED certification.

At the end of the day, the quality of our properties is reflected in their market value; and this has steadily increased in the last decade. At the end of 2023, our investment properties were valued at RM16.1 billion, placing them firmly in the premium range of the REIT sector.

Consumer tastes and preferences keep changing. How do you keep up, especially in the retail sector where so many new brands emerge all the time? How do you know what will be a hit and what a miss?

We have a dedicated team that conducts market research on retail as well as F&B trends, ensuring we stay up-to-date in every consumer demographic. More than that, we recognise that people don't go to malls just to shop. They want a lifestyle experience – somewhere to have coffee or lunch; to watch a film; or to read a book on a bench outdoors. And we provide all of this. The team is improving at orchestrating engaging experiences at the Concourse Mall and a variety of activities at the KLCC Park, from the newly introduced Picnic in the Park to The Arty Inflatable during the Mental Wellness Week, and Art in the Park during the Merdeka and New Year weeks.

Of course, we also keep reviewing our retail tenant mix and constantly refresh our F&B outlets. This year itself, we brought in 35 new tenants, 15 of which are in F&B including Bacha Coffee, a legendary coffeehouse from Morocco, and the local favourite Cili Kampung restaurant. The constant change that you see in Suria KLCC is what keeps us exciting and relevant, and is what brings people back.

Your business is very people-centric, requiring the Group to focus on customer centricity. What about your own people? How do you bring out the best in your employees and keep them wanting to work with the Group?

It goes without saying that our people are extremely important to us. We rely on them to execute our strategy and achieve our corporate objectives. We are therefore intensifying efforts to upskill and reskill our employees in core competencies. We have established a structured capability development framework while also designing individual capability development programmes for executives and managers in technical positions. To fast-track knowledge acquisition, we provide job mobility opportunities for talent, with 20% of staff enjoying cross functional postings and promotions this year. Meanwhile, we achieved an average of 41 learning hours per employee in 2023.

Another focus area is collaboration across boundaries where we work towards excellence cohesively as a Group. To enhance Group dynamics, we have launched programmes such as Iconnect and CeritaKITA, focusing on cementing trust and further strengthening collaboration and camaraderie across businesses within the organisation. We recognise the potential of 'crowdsourcing' using our pool of employees in the Group for ideas and input. We did this for the first time ever this year via a Hackathon to generate innovative customer solutions. The exercise attracted good response and generated solid ideas which we will be taking on board. Given its success, we will be organising more such activities to tap into the power of the collective as well as to create greater cohesion.

Efforts to engage employees to be part of the change we want to see are bearing fruit. We can already discern stronger teamwork and the adoption of new ways of working 2022.

As we reflect on the accomplishments and challenges of the Group in 2023, how satisfied are you with its overall performance?

Considering it was a very challenging year, the Group did exceptionally well financially and even broke a few records. We achieved a total revenue of RM1.6 billion, 11.0% higher than in 2022, and a profit for the year of RM1.1 billion, 17.0% higher YoY.

While all the segments performed well, MOKUL Hotel surpassed expectations, bouncing back from three years of losses during the pandemic to score a profit before tax (PBT) of RM3.0 million. This was due to a commendable occupancy rate of 55% (25 percentage points higher than in 2022) and a surge in revenue per available room (RevPar) capitalising on group stays and banqueting events. Room rates in December 2023, traditionally our peak season, was the highest ever since the hotel opened in 1998.

The Office sector anchored the Group's stability with revenue of RM582.5 million while PBT (excluding fair value adjustments) grew by 0.9% to RM523.4 million. Experiencing a 29.6% growth in footfall and 12.3% increase in tenant sales, hitting the highest sales value in the mall's 25-year history. Retail grew its revenue by 6.6% to RM516.1 million and recorded a 5.7% increase in PBT (excluding fair value adjustments) to RM392.9 million. Management Services also demonstrated a significant jump in revenue of 25% to RM309.7 million with PBT (excluding fair value adjustments) surging 68% to RM46.2 million. This was based on the additional facility management works and new parking lots secured.

The Group's stellar performance, supported by a prudent cost management, enabled us to offer a dividend of 40.50 sen, a remarkable 6.6% increase YoY and the highest dividend distribution in a decade.

In Conversation with the CEO

In light of the Group's excellent performance in 2023, what plans do you have for KLCCP Stapled Group going forward? Where and how do you see room for improvement?

Given the industry landscape today, there is no room for complacency. Yes, we have done well in 2023, but there is still work to be done to maintain our leadership and build a sustainable future. In this regard, we will be guided by our Strategy Blueprint 2023-2027. This blueprint is the result of intense discussions with the Leadership Team and our key business partners on challenges facing the industry and how best to strategise our recovery from the pandemic while capitalising on opportunities.

The blueprint borrowed from our enterprise model which emphasises Commercial Excellence, Project Excellence and Operational Excellence centred around Customer Centricity, supported by our culture, capability, digitalisation, HSE and sustainability. Together, this model shapes our Winning Formula. We recognise that, to win, we need to focus relentlessly on customer centricity while optimising efficiencies in resource utilisation, bringing down costs and enhancing our sustainability. There are two key aspects to this, namely digitalisation and enhanced competencies, which we have been investing into significantly.

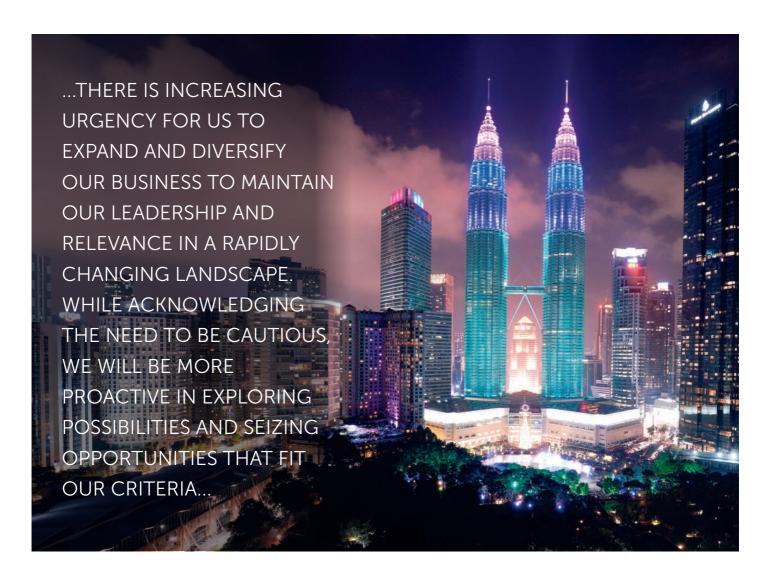

Ultimately, our Strategy Blueprint is to guide us to achieve our 3-pronged growth strategy, namely Maximising Cash Generator, Expanding Core Business, and Stepping Out. The first is about improving our cashflow from operations from sweating our assets, encompassing energy savings, the consolidation of operational procurement and prudent capital management. Here, our investments in digital technologies are key. To expand our business, we have been growing the number of facilities we manage. Our very recent acquisition of the remaining 40% equity interest in Suria KLCC reflects our commitment to expanding our core. This move offers KLCCP a strategic opportunity to boost the growth of Suria KLCC and align synergies within the ecosystem, providing both strategic and operational flexibility. Moving forward, we will continue to explore the opportunities to expand our property portfolio.

In terms of stepping out, we are actively exploring feasible opportunities. Any investments will need to be aligned with our target growth and profitability and most importantly, provide value for our holders of Stapled Securities.

A key part of our journey going forward is to become more sustainable as an organisation and to contribute to the management of critical issues such as climate change. As a member of the PETRONAS Group, we seek to become a net zero carbon emissions organisation by 2050. A milestone prior to reaching this goal is to reduce our emissions by 25% by 2030 from our 2019 baseline. Towards this end, we have established a Carbon Reduction Strategy and established targets for each operating and business unit Group-wide. Going forward, we will be enhancing efforts not only to mitigate climate change but also to identify and adapt to its risks as we adopt the recommendations of the Task Force on Climate-related Financial Disclosures (TCFD).

We are guided by the 5-year Sustainability Roadmap, and I am pleased to share that we met most of the targets set in the last roadmap which ended in 2023. The next roadmap will see our sustainability agenda reach another level, driven by the firm commitment of everyone across the Group to deliver impactful sustainability results.

Finally, what is the outlook for KLCCP Stapled Group? What can stakeholders expect in 2024?

The immediate outlook for the Group is looking bright. No doubt, certain economic and industry challenges will persist and new ones may arise. Yet, adhering to our strategic framework and leveraging enhanced Group synergies, KLCCP Stapled Group is set to maintain the momentum achieved into the coming year, with each business segment continuing to flourish, supported by robust fundamentals.

There is increasing urgency for us to expand and diversify our business to maintain our leadership and relevance in a rapidly changing landscape. While acknowledging the need to be cautious, we will be more proactive in exploring possibilities and seizing opportunities that fit our criteria.

As always, the Group will be guided in our growth by the sound counsel of our highly experienced Directors, and the strategic thinking of our Leadership Team; while all plans outlined will be executed by our driven and dynamic team. I would like to express my gratitude to everyone in this fantastic team for your commitment to our shared values and goals. At the same time, I would like to acknowledge the invaluable contributions of all our stakeholders over the last 10 years without which we would not be where we are today. Thanks to all our internal and external stakeholders, the Group has enjoyed *A Decade of Excellence*. With your continued support, we will extend this excellence well past another decade into the future.

Datuk Md. Shah Bin

Datuk Md. Shah Bin MahmoodChief Executive Officer

The year 2023 was another challenging year despite the recovery and stabilisation of the economy post pandemic. Geopolitical volatilities impacted global trade, increasing the cost of goods and supplies. The United States' Federal Reserve repeatedly raised its interest rates to supress inflation. In Malaysia, Overnight Policy Rate (OPR) hikes by Bank Negara Malaysia, a depreciating Ringgit together with a high-cost environment impacted consumer spending.

Exacerbating the situation, utility costs increased by 32.9% YoY as a result of the 300% hike in electricity tariff following the Imbalance Cost Pass Through (ICPT) review at end 2022. Meanwhile, the addition of 1,347 new 5-star hotel rooms and 1.4 million sq ft of retail space added further pressure in a market facing oversupply.

Amid this backdrop of weakened consumer spending, higher cost of doing business and heightened competition, we remained focused on improving our cash flow from operations (CFFO) whilst maintaining discipline in our capital management. The ultimate objective, as always, was to ensure growth in our bottom line and a strong balance sheet to meet our financial obligations with sufficient resources to capitalise on any opportunities that arise.

Our revenue achieved growth of 11.0% contributing 7.9% higher PBT (excluding fair value adjustments) than 2022. The collaborative efforts with KLCC precinct partners, innovative marketing initiatives, and a strong customer focus have propelled our revenue from the hotel and retail sectors. Simultaneously, our office segment continues to provide a stable return for the Group.

A significant focus in 2023 was to dive deeper into cost optimisation and create efficiencies across the value chain, from energy utilisation to procurement. Leveraging technology, we continue to improve our energy and water efficiencies and have even started the use of remote gondola monitoring with GPS technology, all managed from the IBCC. At the same time, we have centralised certain aspects of our procurement for more streamlined processes and to enjoy economies of scale. We are also enhancing our reporting and collaboration amongst divisions and business units with the use of digital tools. This includes the online access of financial

+1.1%

reports and Limit of Authority (LOA) which further improve performance monitoring and interaction capabilities for effective decision making.

Acknowledging the vital role of the finance function in advancing our Environmental, Social and Governance (ESG) agenda, our strategic approach not only supports but also aligns with the intricate interrelations between financial considerations and sustainability measures. This commitment is reinforced by our dedication to climate change adaptation and management, in accordance with the Task Force on Climate-related Financial Disclosures (TCFD) recommendations.

We have always been prudent in our capital management, with more than 80% of our financing on a fixed rate. This has protected us against the spike in interest/profit rates with our cost of debt within

the reasonable level of 4.6%. At the same time, we continue to adopt a diligent approach for potential investment to ensure satisfactory returns.

As a result of conscientious efforts to maintain the quality of our assets, their valuations continue to increase. For the year 2023, the investment properties held by the Group were valued at RM16.1 billion, RM172.3 million more than in 2022. This indicates healthy rental reversion, fortifying our leasing position and concurrently bolstering our overall profitability.

Of particular note, our performance enabled us to declare a dividend of 40.50 sen per stapled security compared to 38.00 sen in FY2022, marking a 6.6% or 2.50 sen increase. This is the highest dividend declared by KLCCP Stapled Group.

OUTLOOK

The immediate future is looking exciting as, during the year, we received the Board's mandate to expand our investment portfolio. This has spurred us to explore new property investments from 2024 onwards. In the meanwhile, we have also developed a framework for diversifying into new ventures. Our current gearing, at 18%, is very healthy and provides ample room for growth.

A key focus in 2024 will be to meet our financing obligations. We have two sukuk tranches totalling RM1.1 billion maturing in April and December. Our strong AAA/ Stable rating, together with an anticipated moderation in interest/profit rates in the coming year, lend us confidence to raise the funds required at optimal cost.

Nevertheless, the year will not be without challenges. Starting from March 2024, Malaysia's Sales and Service Tax (SST) is to be increased from 6% to 8%. This is to be followed by the introduction of a High Value Goods Tax (HVGT) effective 1 May. While the impact of these has yet to be seen, we will continue to provide exceptional service to our retail and office tenants as well as guests at MOKUL Hotel while looking at growth opportunities and stepping up our focus on ESG. We believe that in doing so, we will not only preserve but grow KLCCP Stapled Group's prestige and place ourselves on an even stronger footing to face any challenges that come our way.

Our Integrated Approach to Value Creation

At KLCCP Stapled Group, we have integrated value creation into our business model. This requires us to consider various elements that could impact our ability to create value for the Group as well as our stakeholders in the short, medium and long term. Through an assessment of our operating environment and the needs of our stakeholders, we are able to develop strategies to achieve our end goals.

ASSESSING OUR CONTEXT

IDENTIFY AND PRIORITISE OUR MATERIAL ISSUES

EVALUATE OUR OPERATING ENVIRONMENT See pages 78-81 Q

We analyse our operating environment and identify mega trends, risks and opportunities which have the greatest impact on our ability to create value in the short, medium and long terms. These include global and local economic activity, property trends, market volatilities, geopolitical tensions, competition, changing customer expectations, as well as increasing social, regulatory and environmental requirements.

STRENGTHEN STAKEHOLDER ENGAGEMENT See pages 42-49 Q

Proactive engagement with key stakeholders allows us to understand their needs and be responsive to their expectations, prioritising what each stakeholder group values the most. In the process of delivering sustained value to all our stakeholders, we develop quality relationships with them which contribute to the continued growth and sustainability of our business.

Shareholders, Investors and Business **Partners**

Employees

- Government, Local Authorities and Regulators
- Suppliers and Service Providers

Community

Tenants, Customers and Guests

Media

IDENTIFY RISKS & OPPORTUNITIES

See pages 82-91 **Q**)

Our ability to create value is impacted by risks that could derail the attainment of our goals; and opportunities that could accelerate or accentuate positive outcomes. We have in place a comprehensive risk management framework that allows us to identify these risks and opportunities, and manage them as we pursue our strategic and business objectives

- Financial Risk
- Security Risk
- Human Capital Risk

Health, Safety and

Environment Risk

- Facility Management Risk
- Market Risk

Supplier Risk

Asset Management Risk

IDENTIFY OUR MATERIAL SUSTAINABILITY MATTERS

See pages 51-59 Q

Material sustainability matters are those that could impact our ability to deliver value in the short, medium and long term. These are identified through an analysis of the macro-environment, our operating context, the resources we rely on, as well as feedback from our stakeholders. Our 13 material sustainability matters inform our strategy to manage our risks and leverage our opportunities.

CREATING VALUE

OUTLINE OUR STRATEGY

See pages 92-95 Q

Our 3-pronged growth strategy focuses on:

By concentrating on these three areas of focus, we will strengthen our business viability and performance through enhanced efficiencies across our operations and expansion of our asset portfolio to stay in tune with evolving needs and trends.

ALLOCATE OUR CAPITAL

See pages 40-41 Q

The execution of our strategy relies on the disciplined allocation of the six capitals:

Financial Capital

Human Capital

Social and Relationship Capital

Manufactured Capital

Intellectual Capital

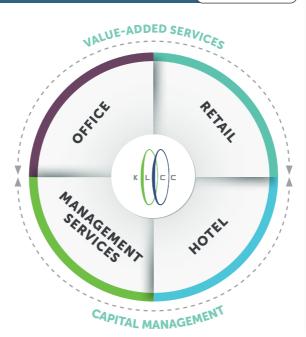

Natural Capital

We deploy our resources optimally and align our relationships to drive growth, reinforce resilience and deliver sustainable value for all our stakeholders.

INTEGRATE OUR BUSINESS MODEL

See pages 38-39 **Q**)

We seek to actively manage our activities and their impact to ensure we enhance the positive and minimise the negative outcomes of our business model, thereby sustaining value for all our stakeholders.

Enhance Our Value

Ultimately, KLCCP Stapled Group seeks to create longterm value for the Group as well as our shareholders and other stakeholders. We track our operational outcomes through various Key Performance Indicators which are measured against our strategies and strategic performance.

> A source of sustained growth in total returns for investors and shareholders

> > An employer of choice for employees

A preferred business partner for vendors and suppliers

OUTPUTS

OUR PRODUCTS

- KLCCP Stapled Group's core output is quality real estate assets. Through our business activities of developing and managing of these properties to recycle capital, we aim to create value across our capitals, while recognising that some capitals are negatively affected through this process, despite our best efforts.
- Quality real estate investments that add value to society and deliver sustained cash flow.

Our end products include:

- Office: 5.6 mil sq. ft. NLA
- Retail: 1.1 mil sq. ft. NLA
- · Hotel: 629 rooms

RISK . LIQUIDITY RISK

- Facilities managed: 25
- Car park bays managed: 16,495
- Total Directly and Indirectly held Portfolio GFA of **12.0** million sq. ft. (2022: **12.0** mil sq. ft.)

OUR WASTE AND EMISSIONS

- Total GHG emissions of: 100,362 tCO₂e (2022: 97,051)
- 6,392 tonnes of waste generated from the Group's operation, with 13% diverted from landfill. (2022: 4,768, 14%)

Financial Capital

- Ranked 1st in the MREITs industry
- By market capitalisation: RM12.8 bil (2022: RM12.1 bil)
- By property value: **RM16.0 bil** (2022: RM15.7 bil)
- Annual total return: 11.4% (2022: 8.1%)
- **RM1.6 bil** Revenue (2022: RM1.5 bil)
- RM0.9 bil Profit for the year (excluding fair value adjustments) (2022: RM0.8 bil)

TRADE-OFFS

We apply our financial capital to execute our growth strategy, which increases our manufactured capital, as well as to manage every aspect of our operations, hence increasing our human, intellectual and social θ relationship capitals. It is important to balance the allocation of our financial capital prudently to maintain healthy cash flow and capital position without impeding our growth aspirations.

Manufactured Capital

- Average occupancy rate
 - Office: **100%** Retail: **96%**
 - Hotel: **55%**
- Retail tenant sales growth out-performed pre-Covid levels
- Secured **1,680** car park bays

Investments into optimal maintenance of our physical properties decreases our financial capital in the short term but increases it in the long term, as reflected in their increased valuation. The short-term decrease in financial capital also results in enhanced energy efficiency and other environmentally-friendly initiatives (natural capital), increased tenant and customer satisfaction (social and relationship capital) and a stronger brand (intellectual capital).

Intellectual Capital

- Strong governance structure and transparency
- **84%** Managers upskilled with enhanced leadership competencies
- **80%** senior management upskilled with enhanced leadership competencies
- Enhanced IT security systems with zero incidents of cybersecurity breaches

Increasing our intellectual capital involves investing into our digital platforms and technologies, building the knowledge and expertise of our talents, and continuously enhancing our organisational processes and procedures. While draining our financial capital in the short term, this will be enhanced in the long term as we maintain quality assets (manufactured capital), satisfy customers' and tenants' needs (social & relationship), increase our organisational capabilities (human capital), and reduce our carbon footprint (natural capital).

ю Human Capital

- **41** employee training hours (2022: 28 hours)
- Enhanced employee skillset and capabilities
- Improvement on safety performance
- Improvement in Organisational Culture Survey Index Score to 78 (2022: 73)

Our people are key to our sustained success, hence it is important to channel sufficient resources into their training and development, engagement, remuneration and benefits in order to improve the quality of our assets (manufactured capital), reduce our footprint (natural capital) and develop better stakeholder relationships (social & relationship capital). This results in stronger organisational expertise and brand equity (intellectual capital) leading to enhanced profits.

SR

SR Social and Relationship Capital

- Analysis report coverage: 11
- **RM4.6 mil** spent on corporate social responsibility
- Organisational Culture Survey index score of 77 on integrity
- 90% average customer satisfaction score for Office, Car Park, and Hotel segment

We invest into building strong relationships with key stakeholders including our customers, tenants, suppliers and the community. This helps build our brand equity and maintaining tenant loyalty (intellectual capital). We are best in class in managing our facilities (manufactured and natural capitals) hence continuosly improving our property valuation (financial capital).

NC

Natural Capital

- Minimised environmental impact
- Achievement of sustainability roadmap 2023 targets
- Strategic collaboration towards green mobility and renewable energy

Through increased use of energy-efficient technologies (financial ϑ intellectual capital), we are able to reduce our energy consumption (natural capital) and therefore our carbon emissions in line with our corporate agenda to attain net zero carbon status by 2050. This demonstrates our commitment to the carbon transition, increasing our reputation (intellectual capital) while saving costs and enhancing our business in the long term (financial capital).

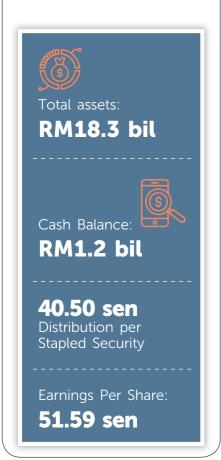

Our Key Capitals

Our capitals are the key resources we use to enhance our operations and grow our business. Broadly categorised as financial, manufactured, intellectual, human, social & relationship, and natural, these capitals are inter-related and play off each other. Our aim is to grow their stock optimally through effective capitals management as this is integral to value creation for the Group and our stakeholders.

FINANCIAL CAPITAL

This comprises the pool of funds available to us including debt, retained earnings and sukuk/equity funding. Our financial capital is used to maintain and upgrade our assets as we invest in best-in-class technologies, while enhancing the capabilities and competencies of our people. Our objective is to maintain strong cash flow and a robust balance sheet in order to execute our strategy while continuing to be agile in responding to opportunities and mitigating risks.

MANUFACTURED CAPITAL

This is represented by the physical assets that we own and use across our operations. It consists primarily of our diversified portfolio of properties in the sought-after KLCC Precinct and Dayabumi Kompleks. We maintain these assets optimally, meeting the needs of our tenants and customers while ensuring their value to retain their prestige over time.

INTELLECTUAL CAPITAL

This refers to our intangible assets such as the knowledge and capability intrinsic to our organisation, our systems and processes, as well as our reputation. We continue to build our intellectual capital through investments in digital technology, deepening our understanding of the property industry and enhancing our execution capabilities.

0

HUMAN CAPITAL

Our human capital comprises the 1,044 individuals who make up KLCCP Stapled Group, each of whom plays an important role in our day-to-day operations and in ensuring the success of our strategies. We invest significantly into empowering the team with new skills and capabilities while caring for their safety and wellbeing. Our objective is for them to realise their full potential to drive a high-performance culture in the Group.

Investment in **Employee Training** and Development: RM1.8 mil Total Employees: 1,044 Females Males 405 639 39% 61% 184 employee turnover Organisational Culture Survey Index Score: 78

SOCIAL AND RELATIONSHIP CAPITAL

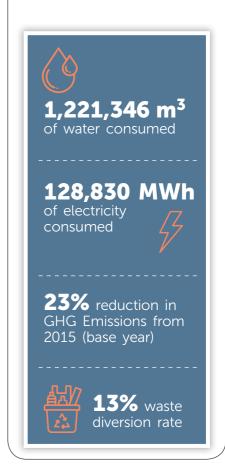

This comprises the multitude of relationships and partnerships we have developed with our wide network of stakeholders, including our tenants and customers, investors and business partners, suppliers and service providers, employees, the government and regulators, and the community at large. We seek to engage with, understand and meet the needs of each stakeholder group to build trust-based symbiotic relationships that engender the creation of twoway value, further entrenching our social licence to operate.

NATURAL CAPITAL

Our natural capital is represented by all the renewable and non-renewable resources that are used throughout the Group. It includes fuel, water and land, among others. We recognise the need to use these natural resources efficiently to manage environmental issues such as climate change while protecting the natural environment for the sustainability of our operations and, indeed, the planet.

Stakeholder Engagement and Value Creation

Our key stakeholders are those who have an impact on our operations and/or are impacted by what we do. Premised on their relationship with KLCCP Stapled Group, we seek to understand our stakeholders' expectations of us, and address their interests. This is integral to our value creation process.

Q

Q

Q

SHAREHOLDERS, INVESTORS AND BUSINESS PARTNERS

WHY WE ENGAGE

Our shareholders, investors and business partners define the trust, reputation and credibility of our organisation and provide access to funding to grow our business

ENGAGEMENT CHANNEL AND FREQUENCY

- Annual General Meetings (AGMs)
- Business partners' board meetings
- Investor and analyst briefings
- Results announcements

- Corporate website
- Annual Report
- Sustainability Report
- Press Releases

KEY TOPICS AND CONCERNS

- Financial management
- Environmental, Social and Governance (ESG) practices
- Business strategy and long-term growth

OUR RESPONSES

- Quarterly results announcements, analyst briefings, one-on-one
- Communication of our ESG practices through our Sustainability Report, corporate website, emails and online ESG World Platform
- Strong corporate strategies that provide clear business
- Engagement with investors though ESG themed site visits

VALUE CREATED FOR SHAREHOLDERS, **INVESTORS & BUSINESS PARTNERS**

- Stable returns to holders of Stapled Securities
- Strong brand positioning to sustain competitive advantage
- Enhance decision making due to Group's transparency and timely performance updates
- Strong ESG values to attract established and strategic business partners

VALUE FOR KLCCP STAPLED GROUP

- Access to funds/capital from shareholders and investors
- Provision of consistently high returns enhances KLCCP Stapled Group's credit rating and attracts more investors
- Business partners' technical skills and expertise strengthen the Group's intellectual capital, hence performance
- Recognition by the industry, e.g. The Asset Platinum Award on ESG Excellence

RISKS

- Underperformance resulting in lower share price
- Resistance from shareholders to corporate plans or strategies, hampering the attainment of corporate objectives
- Non-alignment in values or strategic objectives with business partners creating friction in operations

OPPORTUNITIES

- Reinforce the trust and confidence of shareholders, investors and business partners through transparency and integrity
- Engage constantly with shareholders, investors and business partners to share the Group's goals and objectives, and align their expectations with our objectives and strategies
- Conduct due diligence on business partners to ascertain their integrity and values, in addition to their skills and expertise

BUSINESS INITIATIVES

- Investor relations team engages frequently with investing community
- Participation in investor conferences
- Provision of timely and relevant information to shareholders, e.g. quarterly briefings and press releases, production of
- Maintenance of constantly updated IR site on corporate
- Strong governance and culture of integrity to enhance Group's performance

VALUE CREATION INDICATORS & HIGHLIGHTS

- Paid out RM723.9 million in 2023 based on total dividend of 40.50 sen, the highest for the Group
- Maintained our credit rating of AAA/Stable rating by RAM Ratings for Suria KLCC & KLCC REIT Sukuk Murabahah
- Increased property valuation to RM16.1 billion

TENANTS, CUSTOMERS AND GUESTS

WHY WE ENGAGE

Our tenants, customers and guests drive market dynamics that underpin the growth and success of our business

ENGAGEMENT CHANNEL AND FREQUENCY

- Hotline, surveys, and emails to manage gueries, customers/tenants' feedback
- Environmental campaigns, i.e., energy conservation, water use, promoting digital platforms
- Loyalty programmes for shoppers and hotel guests
- Dialogue and engagement sessions
- Social media and other online platforms to promote products $\boldsymbol{\vartheta}$ services
- Website

KEY TOPICS AND CONCERNS

- Product safety
- Condition of amenities provided in our properties
- Promotions and rewards

OUR RESPONSES

- Provide safe and comfortable environment
- Hold promotional and reward programmes at our hotel and malls to drive occupancy and footfall
- Improve customer/guest experience via digital lifestyle
- Continued the "Safe Space" initiative to address mental health issues; and "WeCareProgramme" to enhance high standards of hygiene awareness

VALUE CREATED FOR TENANTS, CUSTOMERS AND GUESTS

- Reliable professional services, safe shopping environment and innovative trendsetting products and services
- Higher footfall and tenant sales contributed by experiential reward programmes and campaigns
- Healthy hotel occupancy contributed by high level of hotel maintenance and regular upgrades

VALUE FOR KLCCP STAPLED GROUP

- Increased revenue and income from retail and hotel segments
- Safeguard reputation for premier office, retail and hotel spaces
- Continuously enhanced value of property portfolio

RISKS

- Failure to keep up with the rapid changes in customer expectations and digital revolution
- Loss of market leadership due to intensifying competition and disruption to business trends

OPPORTUNITIES

- Reimagine office spaces to meet evolving tenant needs
- Re-strategise retail with refreshing tenant and trade mix to
- Differentiate consumer offerings with a focus on experience
- Innovate hotel's services and offerings to adapt to the new norm and provide quality guest experience
- Partnership and collaboration with retail tenants to understand shopper's behaviour and preferences
- Boost shopper traffic, guest arrivals and sales upon re-opening of businesses

BUSINESS INITIATIVES

- Excellent tenancy management, marketing support and customer/facilities management services
- Increasing digitalisation, automation and adoption of smart
- Adoption of energy and water saving practices to lower our environmental impact
- Employment of a waste management hierarchy to prevent, reduce and minimise waste

VALUE CREATION INDICATORS & HIGHLIGHTS

- for office, hotel and parking operations respectively
- to RM16.1 billion
- Achieved record occupancy (66.9%) for MOKUL Hotel in October 2023

How We Distribute Value Created

In fulfilling our promise to our stakeholders, KLCCP distributes value created in relevant and meaningful ways - and for some stakeholder groups, beyond financial means. Stakeholders receive intangible benefits ranging from employee upskilling programmes to diverse community initiatives, in our effort to enable a more sustainable future. Value created in 2023 was distributed as follows:

We rewarded and paid both shareholders & bank RM970.3 million during the year.

A total of RM112.2 million of corporate taxes.

RM249.1 million retained to fund future growth across our diversified portfolio.

Salaries and rewards to KLCCP's employees amounted to RM145.1 million.

Material Sustainability Matters

At KLCCP Stapled Group, sustainability is deeply embedded within our strategic planning, risk management, and is a fundamental aspect across all facets of our business and value chain. As a diversified entity engaged in property development, investment, and management services, we identify prospects to generate enduring value while mitigating external trade-offs associated with our operations and value chain.

We formulate our sustainability agenda to tackle issues that hold significance for both our internal and external stakeholders. Consequently, obtaining input and addressing sustainability matters considered material to our key stakeholders is an essential component of our sustainability management strategy.

APPROACH

Step 1 Identification

- In 2019, we strategically conducted a horizon scanning exercise, benchmarking against industry standards and identifying key risks and opportunities, resulting in the identification of 12 material sustainability matters for the company.
- In 2022, the list was realigned to include the Bursa Malaysia Prescribed Common Sustainability Matters. A total of 13 material sustainability matters were listed for the Group.
- In 2023, a meticulous review and scrutiny process was undertaken to finalise our materiality matrix.

Step 2
Prioritisation

- The company examined the material sustainability matters identified in Identification Phase.
- The process considered two main factors:
 - The size of their impact (economic, environmental, or social) following KLCC Enterprise Risk Management guidelines.
 - Influence on stakeholders' assessments and decisions, based on a survey towards appropriate stakeholder groups.

In addition, stakeholder prioritisation was conducted based on their influence and dependence on KLCCP Stapled Group business, as per Bursa Guideline.

Step 3 Validation

• Both the process and outcome of the materiality assessment undertaken are reviewed and approved by the KLCCP Stapled Group Sustainability Steering Committee and the Board.

Step 4
Matrix

- The results of all prior processes culminates in the Materiality Matrix for KLCCP Stapled Group.
- The Materiality Matrix will undergo subsequent limited review annually, while a full scale
 materiality assessment will be done at least once every 3 years or if there are major
 changes to its business model or operating context.

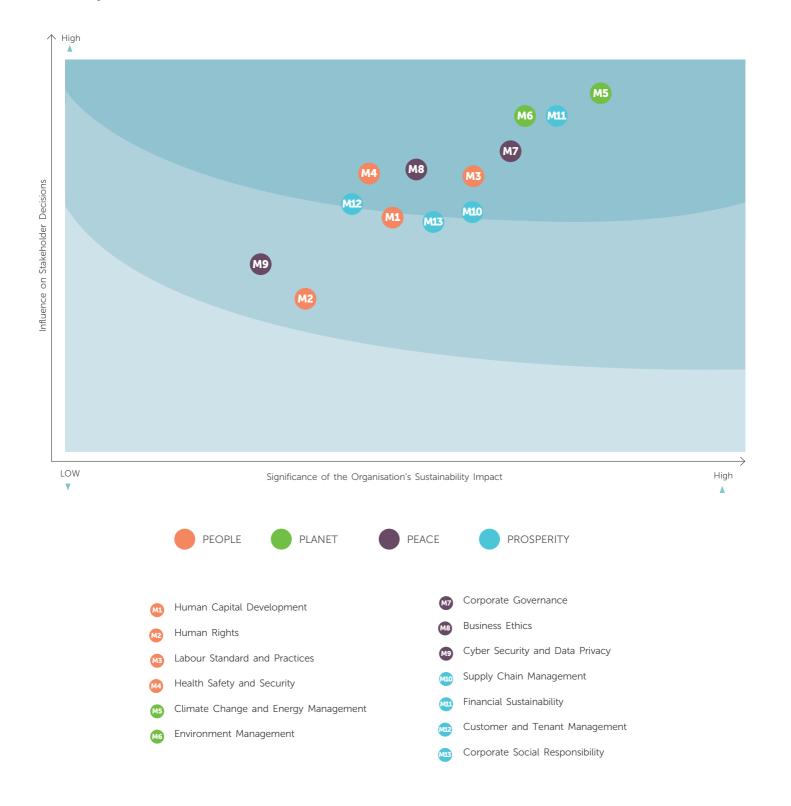

Material Sustainability Matters

Based on the result of the assessment for each material sustainability matter, a materiality matrix was plotted as shown in the following figure.

Materiality Matrix

PEOPLE

Human Capital Development

DESCRIPTION

Our unwavering dedication to developing human capital drives our strategy to maintain a perpetually prepared and highly skilled workforce.

WHY IS IT MATERIAL

Human capital development is pivotal in ensuring competence to execute essential strategies, underlining business sustainability across all facets of the triple bottom line.

RISKS

- Failure to retain employees
- Failure to equip employees with skillsets required with advancements in technology
- Failure to address financial and emotional stress leading to lack of productivity

OPPORTUNITIES

- Transforming our workforce with the right mindset and culture
- Keeping a resilient organisation with satisfied and competent employees
- Reduced cost due to employee turnover

OUR APPROACH

Health, Safety and Security

DESCRIPTION

KLCCP Stapled Group recognises the vital role that Health, Safety and Security management plays in fostering a resilient and responsible corporate environment. Our steadfast commitment to the wellbeing of all stakeholders, be they employees, partners, customers or the communities we operate in, underscores our dedication to creating lasting value.

WHY IS IT MATERIAL

We understand that our success hinges on the well-being of our people and the security of our operations. As such, we strive continually to elevate our Health and Safety (H&S) standards, ensuring our practices exceed industry benchmarks.

The KLCCP Stapled Group believes that by prioritising Health, Safety and Security, we not only mitigate risks but also fortify the foundation upon which sustainable business resilience is built.

RISKS

- Threats to employees' Health and Safety - work related illnesses, and occupational hazards
- Threats to security of our guests, tenants, customers, and assets in relation to any global security threats
- Threats to employees' mental health due to work stress, job security and other personal issues

OPPORTUNITIES

- Maintaining a healthy workforce and safe workplace for a sustainable business
- Ensuring leadership commitment in heightening safety and health standards
- Providing support to improve health and well-being for a sustainable work-life balance

OUR APPROACH

PLANET

Climate Change and **Energy Management**

DESCRIPTION

The effects of climate change are becoming more evident in increasing climate events such as floods, typhoons, heat waves, forest fires and droughts, among others. These necessarily have a negative impact on communities, often damaging homes as well as livelihoods.

OPPORTUNITIES

- Supporting the government's efforts to transition to a lowcarbon economy by 2050
- Reducing energy usage by adopting energy efficient practices
- Assessing climate risk helps to future proof our business operation
- Attracting investments by being a climate resilient business

WHY IS IT MATERIAL

For the KLCCP Stapled Group, climate change, which is exacerbated by carbon emissions (from energy consumption among others), has the potential to damage our assets and communities and needs to be mitigated.

OUR APPROACH

- Accounting and

RISKS

- Potential worsening of global warming
- Potential business disruption due to severe weather conditions
- Failure to meet increase in operation costs due to material/resource scarcity because of climate change
- Threats to human health physical and psychological well-being
- Failure to meet increase in demand by investors for low carbon/climate resilient companies

MAP TO Capitals: FG

Stakeholders: S1 S2 S3

Environmental Management

DESCRIPTION

Our commitment to environmental management goes beyond strategy; it is a profound recognition of our role in building a sustainable future. Through conscientious eco-friendly practices, we actively reduce our ecological footprint, positioning our properties as symbols of modernity and environmental responsibility.

WHY IS IT MATERIAL

Engaging stakeholders in environmentally conscious practices empowers individuals to contribute actively to global environmental preservation. Our commitment to improving the environmental quality of surrounding communities reflects a deep-seated belief that our actions today shape tomorrow's world. In summary, our environmental management strategy serves as a testament to our dedication to creating a sustainable and responsible future.

RISKS

- Degradation of environment quality caused by our operations
- Financial and reputational loss due to legal non-compliance
- Environmental pollution causing negative impact to the community

OPPORTUNITIES

- Implementing good waste management practices
- Promoting circularity in environmental management
- Enhancing our credibility by being certified to ISO 14001 Environmental Management System
- Saving costs by resources conservation

Corporate Governance

DESCRIPTION

Corporate governance is crucial in shaping the trajectory of a company. Through well-structured corporate governance frameworks, companies are able to ensure that policies and procedures are adhered to across the entire value chain, protecting the organisation's financial and non-financial wellbeing while protecting stakeholders' interests and contributing positively to sustainability.

WHY IS IT MATERIAL

The Group's sustained growth is reliant upon maintaining a robust and effective corporate governance, which include identification and proactive management of risks that could impact the company's ability to achieve its strategies, as well as transparent communication of these strategies fostering stakeholder trust and confidence.

RISKS

- Heightened legal, regulatory and reputational risks
- Business disruption due to lack of preparedness to face crisis/ emergencies

OPPORTUNITIES

- Promoting governance practices that contribute to growth and management stability.
- Engaging shareholders on investment decisions and promoting management transparency
- Ensuring business continuity and resilience

Business Ethics

DESCRIPTION

True to our commitment to transparency and responsible business practices, KLCCP Stapled Group places paramount emphasis on upholding rigorous standards of business ethics.

WHY IS IT MATERIAL

In an ever-evolving business landscape where stakeholders increasingly prioritise social responsibility, our commitment to business ethics becomes a key differentiator. As we strive for sustainable growth, we recognise that ethical behaviour is not just a compliance requirement but an essential element that ensures the resilience and longevity of the Group.

RISKS

- Lack of control and strategic alignment leading to corruption, negligence, fraud, and lack of accountability
- Potential corporate legal liability
- Reputational loss if perceived as a corrupt corporate

OPPORTUNITIES

- Improving organisational efficiency and effectiveness in managing bribery and corruption risks to foster trust and integrity.
- · Enhancing credibility of anticorruption practices in the organisation by being certified to ISO37001 ABMS

OUR APPROACH

- Integrity and Corruption Management
- Top Leadership Commitment
- Anti Bribery Management System

PEACE

Cyber Security and Data Privacy

DESCRIPTION

Cyber Security and data privacy encompass the measures and protocols implemented by KLCCP Stapled Group to safeguard its digital infrastructure and sensitive information from unauthorised access, breaches, and exploitation. These encompass robust technological defenses, procedural guidelines, and adherence to regulatory standards, forming the foundational pillars of the company's operational integrity.

WHY IS IT MATERIAL

KLCCP Stapled Group prioritises the protection of our systems and data, recognising the critical role that cybersecurity and data privacy play in sustaining our business operations and fostering trust with our stakeholders. Our commitment to these principles underscores our dedication to maintaining the highest standards of security and privacy, ensuring the longevity and resilience of our Group.

RISKS

- Threat to data security
- Financial loss due to failure on recovery of system
- Potential corporate legal liability due to data leakage

OPPORTUNITIES

- Engaging with stakeholder and employees to create awareness on data protection and accountability
- Creating awareness on network and data protection to minimise cyber risks

Financial Sustainability

DESCRIPTION

Financial sustainability goes beyond mere financial metrics. It reflects the Group's resilience in navigating economic uncertainties, market fluctuations, and industry challenges, thus safeguarding its operational continuity, stakeholder confidence, and ability to pursue broader sustainability objectives effectively.

WHY IS IT MATERIAL

Financial sustainability is not merely a financial metric for KLCCP Stapled Group; it is a strategic imperative that underpins our commitment to responsible and enduring business practices. By prioritising financial health, we ensure not only our survival but also the continuity of our sustainability efforts, translating aspirations into tangible results that benefit our company, stakeholders, and the world at large.

RISKS

- Unexpected increase in costs due to global uncertainty and volatile market
- Insufficient working capital leading to financial insolvency
- Inability to compete in a challenging market
- Lack of efficiency and competitiveness to survive in the digital era

OPPORTUNITIES

- Reducing operating costs to conserve cash for survival
- Unlocking value through asset portfolio optimisation
- Leveraging core competencies to promote economic and industry growth.
- Improving operational efficiency and cost effectiveness through digitalisation and new technology

Customer and Tenant Management

DESCRIPTION

Being a multifaceted concept, sustainability is addressed not only through environmental initiatives but also by emphasising strong relationships with customers and tenants. By understanding their needs, KLCCP Stapled Group builds trust and collaboration, positioning ourselves as reliable partners in the communities we serve.

WHY IS IT MATERIAL

Keeping customer and tenants, engaged and satisfied not only fosters brand loyalty but also contributes to positive social impact, creating vibrant and inclusive communities. Our dedication to providing the best customer experience ensures satisfaction, reinforcing our position as a responsible corporate citizen and driving positive change in the business ecosystem.

RISKS

- Failure to keep up with the rapid changes in customer expectations and digital revolution
- Failure to maintain market leader position due to intensifying competition and disruption to business trends

OPPORTUNITIES

- Reimagining office spaces to meet the evolving needs of our tenants
- Re-strategising retail with refreshing tenant and trade mix to drive footfall
- Differentiating the consumer offering with a focus on experience
- Innovating hotel's services and offerings to adapt to the new norm to provide quality guest experience
- Boosting shopper traffic, guest arrivals and sales with experiential and exciting new promotional events

OUR APPROACH

Capitals: FC MC

Supply Chain Management

DESCRIPTION

Beyond operational excellence, our supply chain is a vehicle for social impact. We actively seek suppliers who share our commitment to fair labour practices, diversity and ethical standards.

RISKS

- Potential conflict of interest, corruption and unethical practices
- Failure to ensure quality and safety of products and services
- Failure to mitigate ESG risks in the supply chain
- Overdependence on foreign suppliers may result in cost escalation and increase in carbon emissions

WHY IS IT MATERIAL

A more sustainable network of supply chain, contributes to positive outcomes for workers and communities, in line with our broader goal of being a responsible corporate citizen. Moreover, our streamlined and sustainable supply chain is designed to provide the best customer experience, exceeding expectations and reinforcing our reputation for excellence.

OPPORTUNITIES

- Creating a database of reputable and reliable suppliers
- Collaborating with suppliers
- Enhancing the pool of suppliers for procurement of quality products and services
- Building capability in ESG practices amongst local suppliers

Corporate Social Responsibility

DESCRIPTION

Community enrichment and well-being emphasise a company's role in enhancing the communities it serves.

Corporate Social Responsibility (CSR) through investments in local infrastructure, education and healthcare not only foster sustainable growth but also cultivate positive relationships with stakeholders, demonstrating a genuine commitment to community development.

WHY IS IT MATERIAL

Corporate Social Responsibility (CSR) is crucial to sustainable operations as it encompasses a commitment to social impact and community wellbeing. Social impact initiatives, such as philanthropy and sustainable practices, address societal challenges and contribute to community hetterment

RISKS

- Unfavourable Group reputation due to lack of involvement in corporate social responsibility initiatives
- Preference to charitable beneficiaries may lead to perception that the Group is not genuine in their CSR intentions

OPPORTUNITIES

- Enhancing brand visibility to the wider community
- Increasing employee awareness and involvement
- Giving back and creating a positive and lasting impact on the community
- Creating value for society

RETAIL MARKET OVERVIEW

The retail industry in Malaysia had a solid start for 2023 with a convincing number of retail sales and a more exciting retail scene. Shopping malls constantly host events and festive celebrations throughout the year to increase footfall. However, the second half of the year showed moderate retail sales, mainly attributed to economic factors. In 2023, the total retail supply in KL City was 13.7 million sq ft with the addition of The Exchange TRX mall. The average occupancy rate of shopping malls in KL City increased from 72.3% in 2022 to 77.5% in 2023, indicating a growing demand and vibrancy in the city's retail market. KL City continues to be a premier shopping destination with a diverse retail landscape with a blend of local and international brands.

HOTEL MARKET OVERVIEW

The tourism industry has rebounded, surpassing pre-pandemic levels with a notable increase in tourist arrivals. The hospitality sector is set for resurgence, driven by factors such as a depreciated Ringgit attracting international travellers and a surge in tourism. The number of 5-star hotels in Kuala Lumpur increased from 35 in 2022 to 40 in 2023, with new hotels strategically entering the market and improving travel policies. The Average Occupancy Rate (AOR) increased from 34.3% in H1/2022 to 53.6% in H1/2023, indicating a positive trend. The industry anticipates a thriving market, offering a cost-effective and seamless experience for visitors, with hotel performance expected to improve in the coming future gradually.

Operating Landscape Economic & Market Review and Outlook

ECONOMY OVERVIEW

Gross Domestic Product (GDP)

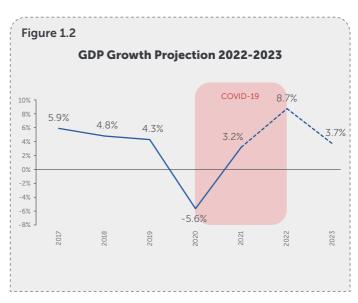

Source: Bank Negara Malaysia (BNM) & Department of Statistics Malaysia (DOSM)

Malaysia's economy grew by 3.0% in the fourth quarter of 2023, slightly lower than the previous quarter's 3.3%. Household spending remained robust, supported by improving labour market conditions and easing cost pressures. The unemployment rate declined to pre-pandemic levels of 3.3%, while the labour force participation rate reached a historic high.

Investment activity saw growth, driven by multi-year projects and capacity expansions by firms, although exports remained subdued due to weak external demand. Malaysia's position as a global electronics hub has attracted substantial investments from multinational companies. For example, Intel invested RM30 billion into a new semiconductor packaging plant in Penang, slated for completion by 2024. Similarly, Infineon Technologies constructed a cutting-edge wafer fab module in Kulim with an investment of approximately RM8 billion. This initiative is expected to enhance the manufacturing capacity of power semiconductors upon its completion in 2024.

In 2023, significant initiatives such as the Madani Economic Framework (MEF), the Mid-Term Review of the 12th Malaysia Plan (MTR of 12MP), the National Energy Transition Roadmap (NETR), and the New Industrial Master Plan (NIMP) 2030, have all been introduced. Together, these initiatives present extensive investment opportunities in the trillions of Ringgits, reinforcing Malaysia's standing in the regional investment landscape. In 2024, a startup fund worth RM200 million will be allocated to act as a catalyst in accelerating the mission of establishing the New Industrial Master Plan (NIMP).

Source: Bank Negara Malaysia (BNM), World Bank & Department of Statistics Malaysia (DOSM)

The continuous multi-year investment projects are positioned to offer supplementary assistance for economic growth. Moreover, there is a gradual recovery in tourism-related activities involving both domestic and international travellers. The growth in foreign tourist arrivals and spending is anticipated to continue. Investments are being reinforced by the ongoing progress of multi-year infrastructure projects and the implementation of catalytic initiatives. The measures outlined in the 2024 budget will contribute to additional stimulation of economic activity.

The government's efforts to enhance the country's tourism are evident through attractive strategies, including initiatives such as the revised and more flexible Malaysia My Second Home (MM2H) scheme. Furthermore, the initiative to provide visa-free entry to China for Malaysians reflects a deliberate attempt to encourage increased travel among Malaysians and individuals from mainland China. In 2022, Malaysia saw a decline of -61.4% in tourist arrivals, totalling 10,070,964, and a -67.2% decrease in tourism receipts, amounting to RM28.23 billion, compared to the corresponding period in 2019.

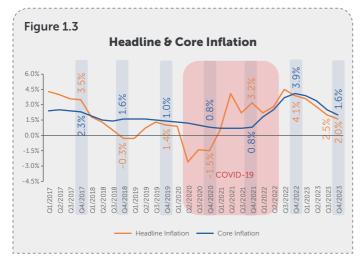

Launching the New Industrial Master Plan (NIMP) 2030 aims to drive industrialisation and position Malaysia as a regional economic leader, with a targeted total investment of up to RM95 billion. Several states have demonstrated appeal to investors, notably Kuala Lumpur, Penang, Selangor, Kedah, and Johor. These states collectively represent a substantial 79.1% of the total committed investments. Besides that, the 2024 Budget aims to foster domestic economic growth by

offering cash assistance to alleviate the cost of living to the public and provisional aid to micro, small, and medium enterprises. This approach aims to inject economic stimulus directly into the domestic economy. An example is the Rahmah Cash Aid (STR), which is one of the most beneficial incentives provided by the government as the public currently needs cash for daily necessities.

The Malaysian government has also anticipated establishing the Central Database Hub (PADU) initiative, representing a crucial step towards enhancing the monitoring of individual and household data through a centralised, near real-time database. This initiative is anticipated to strengthen the distribution of subsidies and facilitate monitoring activities at intervals over the medium to long term.

Overall, Malaysia's economic growth for 2023 normalised to 3.7%, following strong growth in the previous year. Growth moderated due to challenging global economic conditions, including geopolitical tensions, ongoing disruptions in the supply chain, the implementation of stringent monetary policies to counteract global inflation, and the varied growth outlooks of major economies—several of which are key trading partners for Malaysia. Domestically, despite the tapering of large policy support as the economy reopened in 2022, the growth in 2023 stems from the expansion of domestic demand, bolstered by stable employment and income prospects, particularly in industries oriented toward the domestic market. This growth trajectory, coupled with other favourable economic trends, is anticipated to contribute to the strengthening of the value of the ringgit.

Headline & Core Inflation

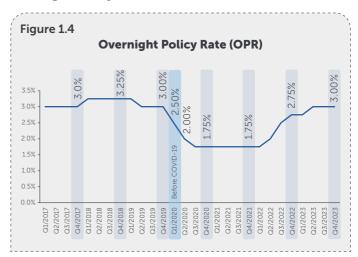

Source: Bank Negara Malaysia (BNM)

Note: p=preliminary

Both headline and core inflation decreased throughout 2023 (Figure 1.3), primarily influenced by more favourable cost conditions. The declining trajectory of headline inflation continued, reaching 1.6% in the fourth guarter of 2023, marking a decrease from the third quarter's 2.0%. This diminishing trend was observed in both non-core and core inflation. The reduction in non-core inflation was influenced by declines in fresh food and fuel prices. Core inflation also experienced a decrease to 2.0% (compared to 2.5% in Q3/2023), stabilising at its long-term average observed during 2011-2019, with an average of 2%. The moderation in core inflation was primarily attributed to specific services, including spending on food away from home, dining in restaurants and cafés, and personal transport repair and maintenance. Inflation is projected to remain modest in 2024, subject to changes in domestic policy and global commodity prices.

Overnight Policy Rate (OPR)

Source: Bank Negara Malaysia (BNM)

With the improvement in Malaysia's economic activities buoyed by domestic expenditure, low unemployment and wage growth coupled with the convalescence in trade surpluses and the moderation of inflationary pressures, Bank Negara Malaysia (BNM) has opted to keep the overnight policy rate (OPR) unchanged.

As of 31st December 2023, OPR is maintained at 3.0%. This commitment is made with the assurance that the monetary policy stance is geared towards supporting sustainable economic growth while upholding price stability.

The central bank also forecasts modest inflation whilst anticipating sustained investment activities from infrastructure projects and national masterplans in 2024. The government's review of price controls and subsidies and BNM's commitment to safeguard the orderly functioning of the foreign exchange market will also complement the improvement of economic activities.

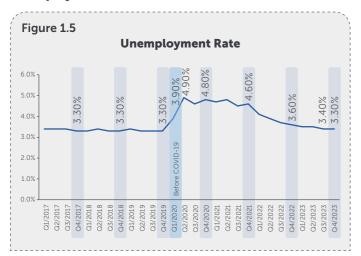

Operating Landscape Economic & Market Review and Outlook

Unemployment Rate

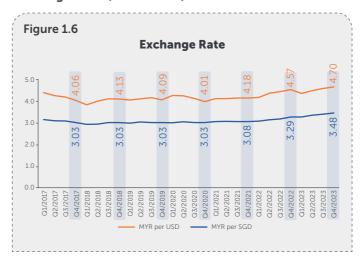

Source: Department of Statistics Malaysia (DOSM)

Note: p=preliminary

Labour market conditions have consistently improved since the government declared the transition to the endemic phase in April 2022. In the fourth quarter of 2023, the unemployment rate returns to pre-Covid levels, stabilising at 3.3%. This rate is also the lowest recorded since the onset of the pandemic, aligning with pre-pandemic figures that ranged between 3.3% and 3.4% (refer to Figure 1.5).

The services sector has consistently experienced growth in terms of employment, especially in the food and beverage sector, wholesale and retail trade, and administrative and support service activities. As we transition into 2024, the labour market is anticipated to persist in maintaining its recovery momentum in alignment with positive economic trends. The Employees Provident Fund (EPF) has revealed that the Progressive Wage Policy (PWP) trial phase will take place from June to September 2024, with the official implementation expected at the earliest in late 2024. The introduction of the Progressive Wage Policy (PWP) is intended to supplement the existing minimum wage and Productivity-Linked Wage System.

Exchange Rate (USD & SGD)

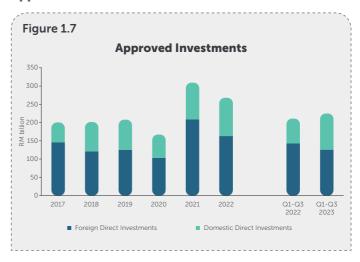

Source: Bank Negara Malaysia (BNM) & Department of Statistics Malaysia (DOSM)

The ringgit has consistently followed a downward trajectory, influenced by the inflation outlook in developed countries (refer to Figure 1.6). By Q4/2023, the value of the Ringgit against the US dollar and Singapore Dollar dropped to its lowest to RM4.70 and RM3.48, respectively.

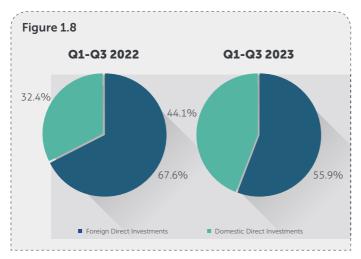

The US Federal Reserve has re-adjusted the policy rate by a total of 100 bps in the last nine months. The Malaysian Ringgit (MYR) is facing pressure due to anticipations of prolonged elevated interest rates set by the U.S. Federal Reserve. The decline in the value of the Ringgit against the Singapore Dollar can be attributed to variances in economic growth, inflation, and interest rate differentials.

Approved Investment

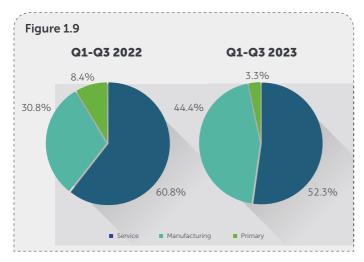

Source: Malaysian Investment Development Authority (MIDA)

Malaysia attracted RM225.0 billion of approved investments in the primary, manufacturing and services sectors involving 3,949 projects in January-September 2023, an increase of 6.7% compared to the same period in 2022 (RM210.9 billion) (Figure 1.7).

Source: Malaysian Investment Development Authority (MIDA)

Foreign Direct Investments (FDI) remained the major contributor to the total approved investments (55.9% or RM125.7 billion) between Q1/2023 and Q3/2023. A decrease of 12% compared to the same period in the previous year in 2022 (Figure 1.8). In comparison, Domestic Direct Investment (DDI) contributed 44.1% or RM99.3 billion.

Source: Malaysian Investment Development Authority (MIDA)

Between January and September 2023, the majority share of approved investments in Malaysia was predominantly towards the service sector (see Figure 1.9). Specifically, the services sector garnered 52.3%, amounting to RM117.7 billion, while the manufacturing and primary sectors secured 44.4% (RM99.8 billion) and 3.3% (RM7.4 billion), respectively.

Among the significant approved investments, the Netherlands took the lead in foreign investments with a total of RM35 billion, followed by Singapore with RM20.4 billion, the United States with RM18.9 billion, China with RM11.6 billion, and Japan with RM11.2 billion.

OFFICE MARKET OVERVIEW

The demand for office space in KL City has steadily improved in 2023. Office leasing activities have maintained momentum in the post-pandemic market as business activities return to normal. This trend is supported by stable rental rates and flight-to-quality tenant movements, driving demand for high-quality office spaces with sustainable building features. Overall, strong demand for newer, green-rated buildings is anticipated to be the main driver of office market activity.

As of 2023, KL City recorded a cumulative office space of 53.8 million sq ft, with no new office completions noted in the region this year. Current future supply projections expect another 2.3 million sq ft of office space in KL City by 2024, indicating a 4.3% Year-on-Year (Y-o-Y) growth from this year. Notable office development in the future supply pipeline includes Merdeka 118 in the Central Business District (CBD) area, with an estimated net lettable area (NLA) of 1.65 million sq ft, which accounts for about three-quarters of KL City's future office space.

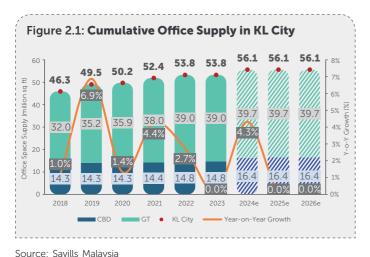

Collectively, the Golden Triangle area hosts the highest share of office space in KL City, as illustrated in Figure 2.2, which amounts to 72.5% (39.0 million sq ft) of the total space in 2023. Moving forward, the Golden Triangle area expects another 0.68 million sq ft of office space by 2024, most of which are green-rated, Grade A office buildings, equipped with state-of-the-art sustainable building features.

Central Business District (CBD)

Selected Upcoming Office Developments in KL City

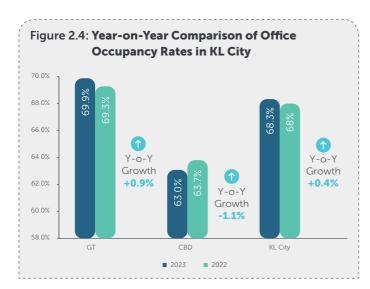

Selected Major Office Buildings	Area	Location	Estimated Net Lettable Area (NLA) (sq ft)	Expected Completion Year
PNB 1194	GT	Jalan Sultan Ismail	169,000	2024
The Exchange TRX Campus Office	GT	Tun Razak Exchange (TRX)	197,000	2024
Merdeka 118	CBD	Jalan Hang Jebat	1,650,000	2024
Office @ Oxley Tower, KLCC	GT	Jalan Ampang	315,700*	2024

Note: *Oxley Tower 3 KLCC forms part of the mixed-use Oxley Rising development situated along Jalan Ampang. Comprising a 29-storey building, Oxley Tower 3 features strata offices spanning from levels 6 to 29, with NLA of 315,700 sq ft. Additionally, there are 4 retail lots on the Ground and Level 1, covering a total NLA of 9,569 sq ft, along with some hotel units on Level 5. The building also includes a car park facility, extending from Basement 5 to Level 4. Source: Savills Malaysia

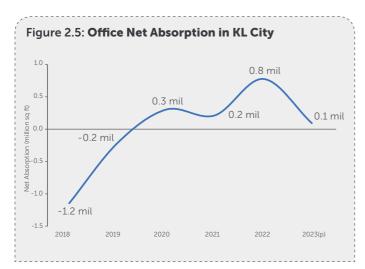

Source: Savills Malaysia

The KL City office market recorded about 68.3% occupancy rate as of 2023 (Figure 2.3), which is a slight Y-o-Y increase of about 0.4% (2022: 68.0%) (Figure 2.4). This slight improvement can be attributed to the relatively active office leasing market, driven by tenants' demand for high-quality and green-rated office space. Exchange 106 at Tun Razak Exchange (TRX), with about 2.4 mil sq ft of NLA, noted a series of new set-ups and relocation movements, including expansions from existing tenants, mainly by tenants from the Financial Services sector. As a result, the premium Grade A GBI Gold office development achieved approximately 45% of the occupancy rate so far this year.

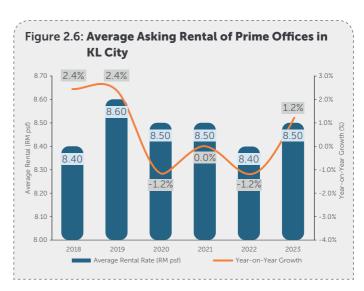

Source: Savills Malaysia

Source: Savills Malaysia

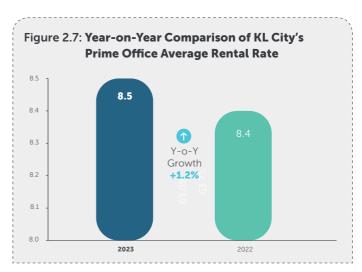

The office net absorption in KL City maintained a positive figure since 2020, with a record of about 0.1 million sq ft of net absorbed space in 2023 (Figure 2.5). Given the absence of new office completions in KL City this year, the net absorbed space decreased by about 88% compared to last year (2022: 0.8 mil sq ft). Although certain individual office buildings, particularly new Grade A offices, have shown improved occupancy rates, the overall net absorbed space in KL City was hindered by low occupancy rates observed in older buildings within the region.

A notable instance of flight-to-quality tenant movement this year involved the rightsizing and consolidation of Liberty Insurance with AmGeneral Insurance. Liberty Insurance vacated its older HQ Office at Jalan Sultan Ismail. It consolidated the new office with AmGeneral at a newer, green-rated office building in Pusat Bandar Damansara, located in the KL Suburban region.

Source: Savills Malaysia

KL City's prime office market has maintained stable gross asking rentals since 2018, averaging about RM8.40 per sq ft (Figure 2.6). Minimal Y-o-Y changes have been observed in recent years. The stability in average gross asking rentals within the prime office market is attributed to landlords' motivation to offer competitive rental rates and leasing incentives—mainly in the form of rent-free periods, albeit to a lesser extent than those offered during the pandemic, to maintain rental revenue.

Source: Savills Malaysia

As of 2023, the prime offices in KL City recorded an average gross asking rental of RM8.50 per sq ft, reflecting a slight yearly increase of 1.2% from RM8.40 per sq ft in 2022 (Figure 2.7). With the availability of newer, high-quality office buildings on the rise, landlords of older buildings are expected to continually seek upgrades in functionality, façades, amenities, and more to maintain a competitive edge. However, many will be constrained by the limits of what is both cost-effective and feasible within the confines of these older developments.

Operating Landscape Economic & Market Review and Outlook

Major Office Transactions in 2023

Year	Quarter	Region	Buildings	Location	NLA	Price (RM mil)	Price (RM psf)	Buyer
2023	Q1	KL City	Menara HSBC	Leboh Ampang	173,000 sf	RM55 mil	RM318	Pact REIT Managers Sdn. Bhd.
2023	Q3	KL Sub	Menara TM Semarak	Jalan Raja Muda Abdul Aziz	324,158 sf	RM72 mil	RM222	Titijaya Land Berhad

2023	Q4	KL Sub	Wisma Rapid	Desa Sri Hartamas	60,884 sf	RM32 mil	RM532	Segi Permai Sdn. Bhd.

Source: Savills Malaysia

Note: *Transaction value includes 4 adjoining retail lots on levels G and 1 at The Boulevard (a 2-Storey retail podium), with NLA of 9,569 sq ft and 24 floors of office suites at Oxley Tower 3 (29-storey office tower), with NLA of 315,700 sq ft

Kuala Lumpur's office market showed some signs of improvement in 2023 after a relative period of quiet since the onset of the pandemic. Four en-bloc office transactions were noted in 2023. Notable transactions within the KL City and KL Suburban submarkets include the purchase of Menara TM Semarak at RM222 psf by a developer to be reused as a data centre. Additionally, Alliance Bank acquired 24 floors of office suites (Levels 6 to 29) at Oxley Tower 3, along with four retail units spanning 9,569 sq ft, for RM406 million. The 0.32 mil sq ft of office suites purchased will serve as their future headquarters upon completion by Oxley Holdings in Q4/2023.

Office Market Key Trends

The office market has proven resilient, showcasing continuous improvements since the onset of the pandemic. The gradual improvements are attributed to the adaptability of landlords and developers who have aligned with key trends observed in the office market, influenced by the evolving habits, awareness levels, and preferences of office occupiers.

As for KL City's supply market, office occupiers have developed a distinct preference for ESG-compliant office buildings equipped with state-of-the-art green technology and health and wellness features. This is to ensure their choice of workspace is aligned with the business practices' ESG goals and incorporate well-being as a talent management strategy. The upcoming Merdeka 118 office development is designed to comply with three platinum green ratings—Leadership in Energy and Environmental Design (LEED), Green Real Estate (GreenRE) and Green Building Index (GBI). It also targets to achieve the WELL certification, as the development is designed to create a healthy work environment for its occupants. This building is on track to establish new standards for the next generation of Grade A office buildings.

Conversely, older office buildings lacking sustainable features and amenities may struggle to attract or retain tenants. Hence, efforts are being made to refurbish or repurpose these buildings to maintain a competitive edge in the market. Landlords are exploring initiatives to enhance the façades, amenities, and sustainability features of older office buildings to keep competitive rental rates.

Moreover, office market demand trends show a great deal of remote working culture being adopted by organisations. Consequently, landlords have begun offering flexible office leasing options with short-term leases and multifunctional office spaces to support organisations adopting hybrid work models.

Market outlook

Kuala Lumpur Office Market Outlook

As office leasing activities maintain momentum in 2023, prospects for KL City's office market indicate a positive outlook. With sustainability and health and wellness trends shaping business practices, the demand for high-quality, green-rated, and sustainable buildings is expected to remain strong and become the primary driver of market activity. Flight-to-quality tenant movements are expected to persist as newer office buildings with sustainable features become more prevalent in the office market, aligning with most corporations embracing their internal or external Environmental, Social and Governance (ESG) obligations.

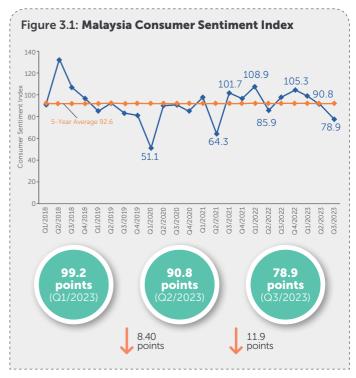

At present, remote working habits, such as hybrid models and work-from-home arrangements, have become the norm for employees — a cultural shift that originated with the onset of the Covid-19 pandemic. Consequently, many corporations have embraced this trend, aiming to creatively enhance their employees' work experience, among other objectives. While the demand for office space persists, more rightsizing movements from older buildings are anticipated. Organisations are looking to adopt hybrid working models while occupying smaller office spaces equipped with state-of-the-art green features and other health and wellness elements. This underscores the sustained demand for office spaces with ESG-compliant features.

In 2023, KLCCP Stapled Group's office portfolio exhibited stability and remained a significant contributor to the Group's revenue. This is primarily attributed to the offices' excellent occupancy and rental rates, which are maintained above KL City's prime office market average. Part of KLCCP's office portfolio success is owed to the office's prime location within the Golden Triangle in KL City, along with the offices' accreditations, namely MD-status and Green Building Index certifications, that have proven to be beneficial in attracting high-quality tenants with long-term lease arrangements, particularly for the PETRONAS Twin Towers, Menara 3 Petronas, and Menara ExxonMobil.

Overall, KL City's office market is expected to progress steadily towards achieving a more balanced office supply and demand levels. Concurrently, more green-rated, ESG-compliant office buildings will continue to be in demand, sustained by rightsizing and flight to quality tenant movements from older buildings. Furthermore, landlords will continue to offer leasing incentives to maintain rental revenue. Meanwhile, efforts to upgrade older buildings' facilities, amenities, and sustainability credentials will be undertaken but will be limited to the necessary budget and structural constraints.

RETAIL MARKET OVERVIEW

The Consumer Sentiment Index (CSI) in Malaysia has experienced a notable decline over the first three quarters of the year, reflecting a shifting landscape of consumer confidence (Figure 3.1). In the first quarter, the CSI stood at a relatively optimistic 99.2 points, suggesting a positive consumer outlook. However, a discernible downturn became apparent in the second quarter, with the index plummeting to 90.8, indicating a considerable drop in confidence. As of Q3/ 2023, the CSI witnessed a further decline, reaching a notable low of 78.9 points in relation to future job opportunities, income growth and inflation worries.

Source: Malaysia Institute of Economic Research (MIER)

The Department of Statistics Malaysia (DOSM) reported that Malaysia's retail sales registered a growth of 10.0% Y-o-Y to RM597.0 billion in the first 10 months of 2023 (Figure 3.3, a slight, albeit small, increase compared to the same period of 2022. In response to the changing market dynamics from the previous year's sales, the total retail sales seem stagnant, with only slight changes.

According to the Retail Group Malaysia (RGM), the retail industry achieved a growth rate of 2.7% in retail sales compared to the previous period – the same period last year saw the retail industry increase by 96%. The vast difference in growth rates also indicates that the market is undergoing a correction, as the previous year's growth rate was attributed to a low base rate. Spending power was also observed to be weak, partly from the higher cost of living. RGM estimates a 2.8% growth rate in retail sales for 2023.

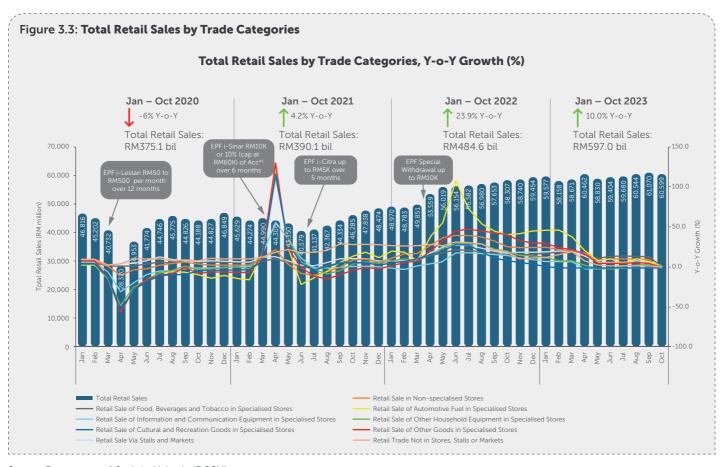

Operating Landscape Economic & Market Review and Outlook

RM55,566

Source: Department of Statistic Malaysia (DOSM)

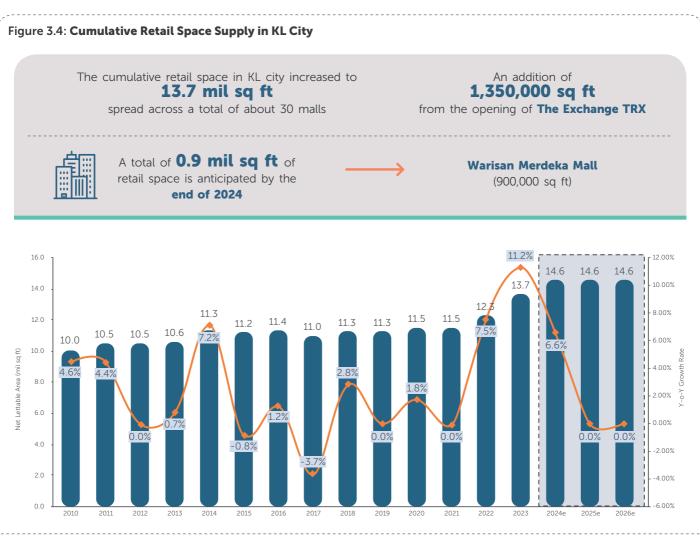

RM122,464

Source: Department of Statistic Malaysia (DOSM)

As of Q4/2023, the cumulative retail space supply in KL City is registered at 13.7 million sq ft of net lettable area (NLA) spread across about 30 retail malls (Figure 3.4). Given the increasing premium of land in KL City, developers are inclined towards upscale malls, resulting in a longer construction period and a slower growth of retail spaces in KL City.

Opened during the last quarter of the year is The Exchange TRX mall with an NLA of approximately 1.35 mil sq ft, which houses several new-to-market brands such as Gentle Monster, Alo Yoga, Maison Kitsune and a department store, Seibu. Moving forward, the expected completion of Warisan Merdeka Mall with an NLA of 900,000 sq ft will be a new addition to the exciting retail scene in KL City.

Source: Savills Malaysia Note: e = estimate

Note: KL City Region consists of two areas, i.e., Golden Triangle (GT) and Central Business District (CBD)

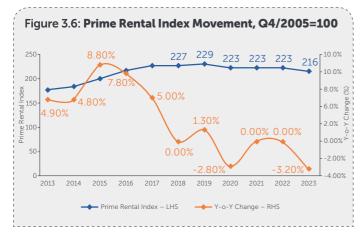

Operating Landscape Economic & Market Review and Outlook

Figure 3.5: The Average Occupancy Rate of Retail Malls in KL City The Average Occupancy Rate of Retail Malls in KL City The Average Occupancy Rate of Retail Malls in KL City, 2022-2023 10.0% 931% 95.03 89.1% 85.2% 77.5% 85.03 87.4% 87.4% 79 9% 85.5% 80.03 75.03 72.3%

Source: Savills Research

The increase in average occupancy rates in KL City from 72.3% (2022) to 77.5% (Figure 3.5) is attributed to several business expansions and increases in business confidence. The increasing trend positions KL City as an attractive retail hub, reflecting a belief in the sustained growth of the local economy. Occupancy in prime malls such as Suria KLCC and Pavilion KL remains high, whilst Sungei Wang Plaza, Berjaya Times Square and Mitsui Lalaport have shown an improvement in occupancy rates.

On the other hand, the vacancy rate for retail malls has seen a substantial decrease to 22.5% in reduction, a drop from 27.7% in 2022. The observed decline in vacancy rates indicates an increased occupancy and a more robust utilisation of retail spaces in KL City.

Source: Savills Research

The rental index has shown a slight decline in 2023, possibly due to the opening of new malls, which have put downward pressure on rental rates (Figure 3.6). The availability of more retail spaces will provide more choices for retailers, hence giving them an upper hand in negotiating rentals.

Retail Market Key Trends

In the ever-evolving world of retail, staying ahead of the curve is not just a strategy; it's an imperative. Navigating challenges like the pandemic has proven that retailers are innovative and quick to adapt to changes and meet the ever-changing consumer preferences.

The exclusivity and quality of malls in KL City have allowed movie retail partnerships to increase sales and encourage collaboration. Shopping malls with cinemas have taken the chance to organise events and premiere of certain movies, where local influencers will be invited to the premiere. Brands have also leveraged social media marketing, engaging with local influencers to promote their products. Another noteworthy trend involves fashion brands integrating coffee bars into their retail spaces, transforming the act of shopping into a captivating and immersive experience. Uniqlo in Fahrenheit Mall has recently undergone renovation and revealed its café concept.

Recently completed malls have demonstrated that shopping malls serve not only as shopping destinations but also as lifestyle and experiential spaces for consumers. These malls provide open areas for the public and organise events, enhancing the overall consumer experience.

Kuala Lumpur Retail Market Outlook

As the retail market adapts to changing consumer preferences and embraces technology and the changing economic dynamics, KL City continues to have sustained growth and a vibrant retail landscape. The pre-pandemic energy is resonating once again, and the retail market is observed to undergo a market correction, especially in retail sales.

Generally, the retail industry pivots towards a moderate growth in total retail sales as we enter the second half of 2023, mainly attributed to lower domestic consumption due to rising costs and the absence of major festival celebrations. Consumers are also holding back unnecessary spending as the interest rates increase. However, the moderate growth in total retail sales is more significant for mid/ mass segments than for luxury and premium segments. KL City, known to cater primarily to high-end luxury brands, is less likely to be affected.

The average occupancy rate in KL City has shown improvement as businesses expand, especially within the Food & Beverages sector. It is foreseeable that the occupancy rate will experience a slight increase as there are retail spaces yet to be filled up from the opening of new malls (Ie, The Exchange TRX and Warisan Merdeka Mall). Rental rates are also predicted to remain stable in the coming months.

The opening of The Exchange TRX mall will intensify competition within the KL City retail scene, especially with Suria KLCC and Pavilion KL, considering the proximity and high accessibility by public transport (MRT). However, Suria KLCC will remain resilient, considering its exclusive tenant mix and strategic location as one of Kuala Lumpur's primary landmarks.

The retail market outlook for KL City is characterised by a blend of challenges and opportunities. As announced in Budget 2024, the increment of service tax to 8% (excluding F&B and telecommunications) will result in more cautious consumer spending. Higher electricity tariffs and labour shortages will result in higher business costs, posing a threat to retailers.

HOTEL MARKET OVERVIEW

In the wake of the pandemic, the hospitality market is witnessing a dynamic resurgence of tourism arrivals. A pivotal factor contributing to this trend is the current depreciation of the Malaysian ringgit, making the country an even more attractive destination for international travellers seeking value for their currency.

In the unveiling of Budget 2024, Visit Malaysia has been postponed to 2026 from 2025. This extension provides ample opportunity for planning and execution of promotional strategy. The targeted tourist arrivals and receipts for 2026 align with pre-pandemic levels in 2019 at 26.1 million but with a higher anticipated receipt of RM86.1 billion, reflecting a 13% increase

As Malaysia gears up for the Visit Malaysia Year in 2026, the hospitality industry adopts a forward-thinking strategy, introducing a streamlined visa-free policy and improving flight connectivity to ensure smooth travel experiences for the anticipated influx of tourists.

Source: Tourism Malaysia Note: e = estimate

As of Jan-Sep 2023, Malaysia welcomed 14.5 million tourists, with Singapore, Indonesia, Thailand, China and Brunei as the top five contributors, collectively representing 75% of the total international arrivals. The tourism sector's recovery aligns with the pre-pandemic levels, reaching 72% of the Jan-Sep 2019 figures (14.5 million vs 20.1 million). Following a significant increase to 14.5 million arrivals in the first nine months of 2023, Malaysia has upwardly revised its full-year forecast by 18.63% to 19.1 million. (Figure 4.1).

As of Jan-Nov 15, 2023, tourist arrivals have exceeded the revised year-end target of 19.1 million, reaching 26.1 million. Singapore leads with 12.6 million arrivals, followed by Indonesia at 3.2 million, Thailand at 2.1 million, China at 1.4 million, Brunei at 0.9 million, and India at 0.8 million, with the remaining arrivals from various countries. The current depreciation of the Malaysia ringgit against the US dollar, coupled with robust connectivity and infrastructure, is driving increased tourism, particularly from neighbouring countries like Singapore and Brunei. (Figure 4.2).

Operating Landscape Economic & Market Review and Outlook

Source: Tourism Malaysia

As of 2023, the overall 5-star hotel rooms in Golden Triangle and CBD area increased to 9,866 rooms, marked by the completion of new establishments, namely Crowne Plaza KL (318 rooms), Hotel Indigo on the Park (180 rooms), Imperial Lexis (272 rooms) and The Face Style (327 rooms) (Figure 4.3).

In addition to these new developments, the Renaissance Hotel, which has undergone refurbishment and rephasing, now operate under two brands, the Renaissance and Four Points by Sheraton.

Note: e = estimate

Figure 4.4: Future Supply of 5-Star Hotels in KL City

Future Supply of 5-Star Hotels in KL City

Expected Completion, 2024

- Hvatt Regency @ KL Metropolis (410 rooms
- Core Hotel @ TRX (Wyndham Hotel) (120 rooms)

Expected Completion, 2025

The resurgence in hotel room supply is poised to accelerate, with the bulk of upcoming developments in the pipeline slated for completion in 2025. The overall supply of 5-star hotel rooms in Golden Triangle + CBD is anticipated to grow to 12,363 rooms by 2025. (Figure 4.5).

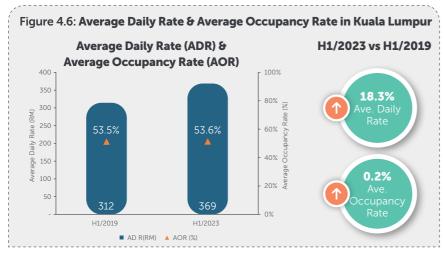

Source: Savills Research Note: e = estimate

Operating Landscape Economic & Market Review and Outlook

The Average Daily Rate (ADR) for 5-star hotels in Kuala Lumpur has seen a positive trajectory, reaching RM369 in H1/2023 compared to the pre-pandemic level of RM312 in H1/2019. This growth represents an uptick of 18.3%, reflecting both recovery and possibly a shift in demand for 5-star accommodations.

The Average Occupancy Rate (AOR) in H1/2023 stands at a commendable 53.6%, marginally surpassing the pre-pandemic level of 53.5% recorded in H1/2019. This growth signifies a modest increase of 0.2%. The recovery momentum will likely be sustained into 2024 with positive tourism figures.

Source: MAH

Note: The chart for ADR and AOR includes only 5-star hotels in KL

Hotel Market Key Trend

In the unfolding landscape of the hospitality market trend, more new completions are set to resume post-Covid period, with mixed developments making the bulk of it. The hospitality sector is experiencing market growth and expansion with the emergence of new brands making their debut in Malaysia including Kempinski, Kimpton and Waldorf Astoria.

Another noteworthy international chain is the expansion of Thailand-based operator Onyx Hospitality Group. The group will operate over 50 properties by 2025, up from 44 and target 70 properties by 2028. It currently hosts all three ONYX brands in Malaysia – Amari (upscale hotel), OZO (hotel) and Shama (serviced apartments).

The Covid-19 pandemic, coupled with a shortage of workers and rising costs, has accelerated technology adoption in the hospitality sector, i.e: contactless check-in, mobile keys, mobile payments and ordering, as well as adoption of social media and online reputation management tools to leverage for customer engagement and feedback.

Nimble restaurants and green initiatives have also been incorporated within the hotel developments and have made it to the centre stage. These include innovative green initiatives, from sustainable sourcing ingredients to energy-efficient practices. Hotels and restaurants of all sizes are also prioritising eco-friendly practices in all aspects of their operations, from eco-friendly packaging to energy-efficient lighting and waste reduction initiatives.

Hotel Market Outlook

The tourism industry is witnessing a dynamic resurgence, marked by a substantial uptick in tourist arrivals surpassing pre-pandemic levels. The current depreciation of the Malaysian ringgit has added an enticing allure for international travellers, making the country an even more cost-effective destination.

This favourable currency dynamic and a surge in tourist arrivals sets the stage for a thriving hospitality market. Adding to this optimistic outlook are new hotels that are swiftly emerging and strategically positioned to capitalise on the anticipated surge in demand.

The positive momentum is further reinforced by introducing a new streamlined visa-free policy and enhanced flight connectivity, signalling a concerted effort to facilitate seamless travel experiences for visitors.

Mandarin Oriental, Kuala Lumpur Hotel (MOKUL Hotel) experienced a notable upturn, achieving a 55% occupancy rate for 2023. This growth was fuelled by the return of Chinese tourists, its MICE market leadership, recognised luxury brand value and strategic collaboration with Suria KLCC mall for a unique "shop & stay" experience.

MOKUL Hotel has further solidified its standing in the industry. In 2023, the World Travel Award awarded MOKUL Hotel as Malaysia's Leading City Hotel 2023 and Malaysia's Leading Hotel Suite 2023. Additionally, the hotel has received Forbes Travel Guide 2023 as the Forbes Four-Star Spa.

The convergence of favourable currency dynamics heightened tourism interest, a surge in new hotel developments, and a forward-looking approach to accommodate the Visit Malaysia 2026 collectively creates an optimistic outlook for the hospitality market.

This section is intended to delineate areas within the report, emphasising boundaries in Kuala Lumpur and KL City.

KL City includes the Golden Triangle (GT) and Central Business District (CBD). The Golden Triangle (GT) is bounded by Jalan Tun Razak, AKLEH and Bukit Bintang area, while the Central Business District (CBD) is bounded by Jalan Yew, Jalan Istana and Jalan Kuching.

These areas are visually distinguished in shades of violet for the Golden Triangle (GT) and fuchsia for the Central Business District (CBD), respectively. Kuala Lumpur is represented by a hue of pale yellow.

Operating Landscape

Key Market Trends

DESCRIPTION

ACCELERATED DIGITAL **TRANSFORMATION**

POTENTIAL IMPACT:

Businesses must be agile and adapt to changes or lose their competitive edge. Digital transformation lays the foundation for long-term resilience in this day and age. From modernising supply chains to prioritising cybersecurity, digital has become a necessity and a license to operate in today's market, ultimately adding value for its customers.

HOW WE RESPONDED:

- Implemented SMART GEP, a one-stop procurement platform, which has contributed to man hour savings of up to 33%
- Implemented an Integrated Workplace Management System, to track the performance of operational-related processes
- Implemented Disaster Recovery for business continuity in the Parking Management System to ensure minimal service disruption
- Implemented security baselines across KLCC Group Digital systems for new and existing ICT infrastructure to prevent cyber security attacks
- Implemented strategic digital marketing at MOKUL Hotel. Marketing is targeted to drive business from focused emerging markets with relevant apps for each market e.g. Fliggy and WeChat for China market
- KPM implemented cashless payment for motorcycle at NWD, Lot D1 and other lots at KLCC

OUTLOOK:

As digital technologies advance,

experience across all sectors.

DESCRIPTION

EXPERIENTIAL AND IMMERSIVE **CUSTOMER EXPERIENCE**

POTENTIAL IMPACT:

By effectively blending digital innovations with physical spaces, businesses can create deeply engaging, memorable encounters that resonate with customers. These experiences go beyond mere transactions, they foster emotional connections, build brand loyalty, and set businesses apart in a competitive market. In embracing these digital transformations, businesses are not only meeting current customer expectations but are also paving the way for future innovation and growth.

HOW WE RESPONDED:

- Suria KLCC seamlessly integrated entertainment, events, and interactive installations which drove foot traffic and extended the duration of customer visits, amplifying sales opportunities for retailers
 - Unparalleled shopping experience through Picnic in the Park campaign which won the Best Experiential Marketing Award 2022-2023;
 - Inaugural Arty Inflatable Experience, immersive wonderland of illuminating inflatable flowers, reinforcing the mall's commitment to mental health
 - Experiential festive decoration set-up to delight shoppers and drive footfall
 - Engaging pop-up events offering exciting experiences
- MOKUL Hotel collaborated with Michelin-starred celebrity chefs and prominent beauty brands, curated seasonal holiday celebrations, and various culinary festivities throughout the year
- MOKUL Hotel became the proud host of one of Malaysia's two Peter Burwash International tennis centers, specialising in coaching beginners and as part of the Kuala Lumpur Lawn Tennis Association Development
- Lighted up of PETRONAS Twin Towers and the illumination of KLCC Park at national & festive events
- Expanded the Parking Management System to enable seamless entry into Suria KLCC parking, utilising Licence Plate Recognition (LPR), to enhance customer experience and extended unified parking system for seamless experience across all parking facilities within the Group

DESCRIPTION

SUSTAINABILITY - THE NET **ZERO RACE**

POTENTIAL IMPACT:

Businesses are no longer viewing sustainability as a burdensome obligation but rather as a long-term catalyst for costefficiency. Sustainability promotes trust, and companies that create truly sustainable brands that make good on their promises to people and the planet, will seize the advantage from those who have not invested sufficiently in sustainability.

HOW WE RESPONDED:

- Strengthened culture of sustainability through robust governance and nurturing sustainability mindset - series of talks, communications, activities, e-learning modules
- Towards our Climate Action aspiration, we established a Carbon Reduction Strategy based on energy efficiency and the adoption of renewable energy. We are also establishing reduction targets for each operating and business unit, ensuring a higher level of responsibility and accountability Group-wide
- · Conducted comprehensive materiality assessment which the Boards validated, culminating in the establishment of the group's materiality matrix
- Complied with Bursa Malaysia's Enhanced Sustainability Disclosure requirements - enhanced disclosures on common sustainability indicators, and the incorporation of a Statement of Assurance within this year's Sustainability Report
- Launched Sustainable September Campaign, designed to interconnect sustainability and ESG related activities across the Group to position KLCC Precinct as Malaysia's first SDG Hub
- Expanded our reduction initiatives to encompass Scope 3 indirect emissions
- Embarked on our Taskforce on Climate-related Financial Disclosures (TCFD) journey, to put in place mitigation and adaptation measures and report our performance transparently

DESCRIPTION

THE TALENT CHALLENGE

POTENTIAL IMPACT:

Investing in people can create a virtuous cycle that improves the ability to attract, advance and retain talent. Fostering a growth mindset among leaders and employees, by providing training and internal advancement opportunities is a cornerstone of effective organisations.

HOW WE RESPONDED:

- Established a structured capability framework. Designed individual capability development programmes for executives and managers in technical positions
- Rolled out the EDGE Leadership Competencies Program, Capability Development workshops, and the Lean Six Sigma program to build strong talent capabilities
- Intensified assessment and development to ensure competent and credible talents are recognised
- Acquired new talent through hiring and secondment to strengthen capabilities from the market into the Group
- Empowered our talents to self-drive their own performance and growth, aligned to individual aspirations and organisational goals to ensure fair and equitable matching of opportunities
- Drove staff towards digital native mindset with online learning platforms such as MyLearningX and SWITCH
- Teambuilding Instilled sense of belonging to leverage each other's strength and deepening understanding & collaboration in KLCC Integrated Team Alignment programme (CeritaKITA)
- Strengthened senior management capabilities in applying the new leadership competencies as part of evaluating staff performance and progression
- Conducted talent assessment to ascertain potential matching and readiness in enriching pool of successors
- Implemented Hackathon, a generative solution environment based on crowdsourcing by leveraging internal capabilities and creativity
- Achieved an increased engagement score of 78, surpassing the 73 (2022) recorded in the Organisational Culture Survey, highlighting a thriving work environment and robust organisational health across various dimensions

Understanding Our Principal Risks

The country's economic growth momentum continues for 2023 albeit at a slower rate as compared to 2022 after rebounding from the pandemic induced economic shock. With the current global situation, the World Bank has in October 2023 cut its economic growth projection for Malaysia to 3.9% from 4.3% previously. The downward revision was due to sustained weakness in external demand as the global economy continues to decelerate owing to prolonged monetary tightening and China's fragile recovery exacerbated by the stress in the real estate sector. Malaysia's export contracted by 3.3% and 9.4% in the Q1 and Q2 2023.

Amidst easing of inflation and moderating growth outlook, the overnight policy rate was maintained at 3.0% in July and September 2023. However, the weakening of the ringgit against the US Dollar drives up the price of imported goods and services which impacts the cost of running a business and adversely affects local spending power. The weakened ringgit may nevertheless spur the coming of international tourists. The labour market will continue to strengthen based on encouraging momentum in the domestic economy.

Global growth continues to slow down and projected at 2.9% for 2024 by the IMF. Inflationary pressure exacerbated by Russia's invasion of Ukraine last year is rekindled by the Gaza war. If this conflict widens into neighbouring countries, commodity prices could become more volatile again amid climate and geopolitical shocks which will drive up gasoline prices, higher inflation, and slower growth.

The Malaysian property market is anticipated to remain challenging with continuous oversupply concerns for office, retail and hospitality sectors.

The Work From Home trend has weakened demands for offices and also created a competitive environment in the search for better office quality. In the current challenging economic situation, tenants are more concerned about the cost of running their businesses, leading to a search for more competitive rental rates. This puts pressure on building owners to achieve occupancy targets.

Although the retail segment has recovered back to prepandemic level, the sustenance of performance remains to be seen due to the potential opening of new malls in the Klang Valley with floor space of over 3 million sq.ft, the introduction of revised service tax rate from 6% to 8%, new luxury tax and targeted subsidy for diesel commencing next year.

The revival of international travel is key for the hospitality segment to reach its pre-pandemic level. However, the arrival of tourists is below expectation since the reopening of the economy and cumbered by the oversupply, the price wars are still prevailing. This could be overcome by the announcement of a '30 day travel visa free exemption' by the Government for travellers from China and India from 1 December 2023. This could increase tourism potential from those countries and boost the hospitality industry.

KLCCP Stapled Group's risk assessment has taken into consideration the challenges and their impact to the business objectives especially to the hospitality and retail sectors.

Our overall strategy of managing risks covers three areas of business resiliency:

Reducing the likelihood and impact of potential risks on our business operation;

Responding to and managing crisis impacting our people, environment, assets and reputation;

Recovering to ensure business continuity, which helps reinforce our resiliency in this dynamic economic landscape moving forward.

OUR APPROACH TO RISK MANAGEMENT

Risk is a key strategic tool which forms an integral part of the management of the KLCCP Stapled Group's business that supports delivery of our strategy and underpins our business model. Our risk management policy and procedures are designed to embrace best practices for risk management, reduce the potential of financial and non-financial risk exposure and to protect our assets and reputation.

The principal risks and opportunities in managing KLCCP Stapled Group are assessed and evaluated against our risk appetite and tolerance levels whilst mitigation plans and key risk indicators are identified to reduce the risk exposure and monitor performance of the risks.

RISK STRATEGY AND APPROACH

Our risk strategy is based on the belief that risk management is everyone's responsibility and that it must be integrated into strategy formulation, capital allocation, decision making and day-to-day operations.

Our Management is fully committed to fostering a robust risk culture, setting the appropriate tone from the top, and demonstrating strong support for risk management. KLCCP and KLCC REIT risk policy is to equip KLCCP Stapled Group towards the next level of preparedness in facing the volatility, uncertainty and complexity of the industry. The risk policy is imperative for risk management to be in line with the organisation's aspirations for the future and evolving industry landscape.

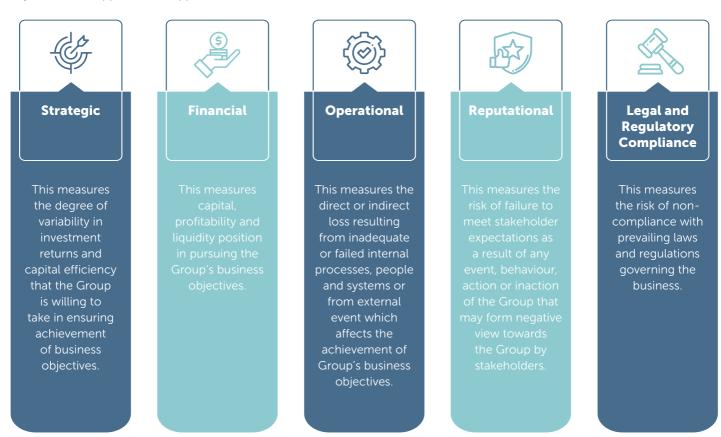

KLCCP Stapled Group is committed towards becoming a risk resilient organisation, and we strive to implement risk management best practices as well as risk-based decision making, to protect and create value within the set boundaries.

Governance, Risk and Assurance Department is committed towards inculcating risk management knowledge and concepts by conducting training and upskilling programmes for all levels and functions. This is to promote a culture of risk awareness and embed risk management principles in decision making and business processes.

RISK APPETITE

KLCCP Stapled Group's risk appetite reflects the nature and extent of risks the Group is willing to pursue to achieve its strategic objectives. The approved risk appetite covers 5 main areas which flows across our business.

Risk appetite is reviewed annually to ensure the risk exposure and type of risk to pursue or retain by the Company in achieving its strategic objectives are reflective to the internal and external changes. Upon review, the risk appetite statement, risk tolerances and risk threshold are presented to the Risk Management Committee, Board Risk Committee and the Boards of KLCC Property Holdings Berhad and KLCC REIT Management Sdn. Bhd. by Governance, Risk & Assurance Department.

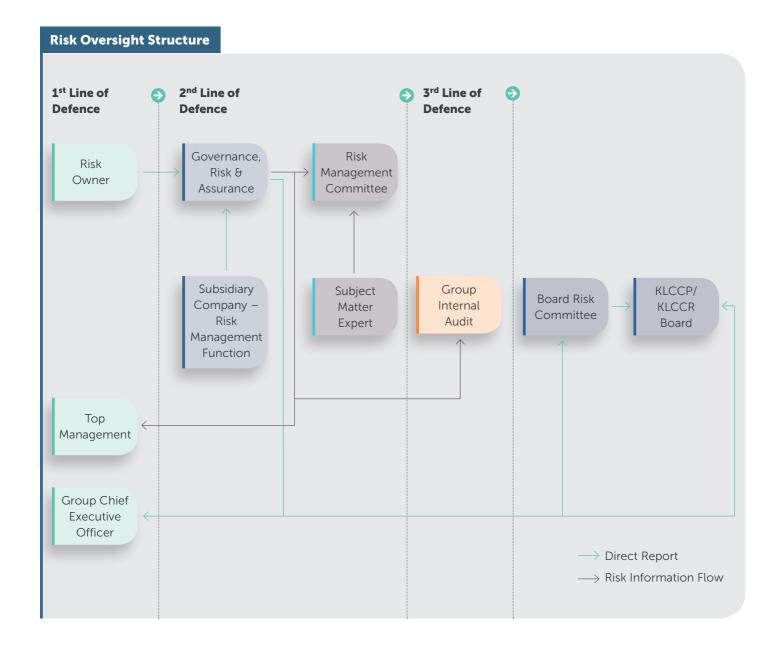

Understanding Our Principal Risks

RISK GOVERNANCE STRUCTURE

The risk governance structure is organised such that risk management is institutionalised and becomes a culture. The mechanism ensures that the risk information flow is comprehensive and timely for each respective authority to manage risks effectively at all levels.

KLCCP Stapled Group takes on a three-line of defense model which propagates clear demarcation of roles, responsibility and accountability, as displayed in the Risk Oversight Structure.

▶ Management Discussion and Analysis

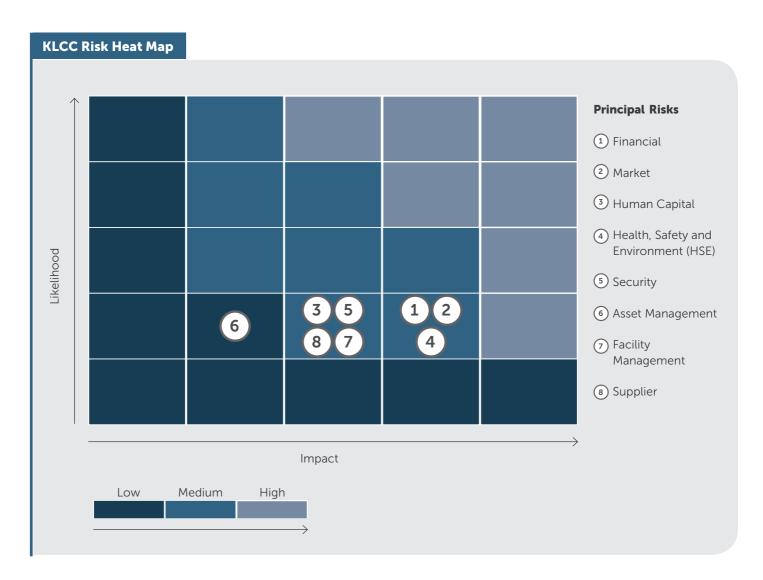

Strategic Review

PRINCIPAL RISKS AND ASSESSMENT

We actively review and manage the risks faced by our businesses over the short, medium and long-term duration, under the guidance of the Risk Management Committee and Board Risk Committee.

The principal risks and opportunities for KLCCP Stapled Group are assessed by the Boards and evaluated against our risk appetite and tolerance levels whilst mitigation plans and key risk indicators are identified to reduce the risk exposure and monitor performance of the risks. The risk management is operationalised through the Enterprise Risk Management Framework and is monitored via our Interisk system, a dedicated web-based risk management tool.

In this section we outline our key risks, KLCCP Stapled Group's approach in responding to them, the opportunities arising from the identified risk as well as how the key risks link to our material matters and key resources.

Understanding Our Principal Risks

(1) FINANCIAL

Change in **Impact**

Change in Likelihood

links

Risk Management Strategy

We have put in place all practical measures to ensure any potential financial risk exposures which may impair the ability to provide adequate return on investment.

We have an established Integrated Financial Risk Management Guidelines consisting of 5 principles of financial risks.

Opportunities Arising from this Risk

Our ability to keep our financing cost low despite the increase in Overnight Policy Rate ("OPR") in May 2023 to 3.00% from 2.75% is due to the fact that a significant portion of KLCCP Stapled Group's debt is fixed and not subjected to any OPR

Principal mitigation

We maintain strong capital, profitability and liquidity position in pursuit of business objectives to support sustainability and growth of the business operation and activities.

Our gearing ratio is one of the lowest in the Malaysian REIT industry which provides us a sizeable debt headroom and greater financial flexibility, as excessive debt could lead to financial risk exposure.

We maintain adequate cash and bank balances to meet the working capital requirements. We maximise the return from cash balances via fund placements in the money market whilst minimising counterparty risk exposure. We diligently manage trade receivables to avoid trapped liquidity. We deal with approved counterparties with minimum A-rating for fund investment on best terms and limits.

Key Initiatives 2023

- Continued diligence on monitoring our financial, operational and cost optimisation efforts towards driving sustainability of
- Available funds are placed with financial institutions that are financially sound and spread across various financial institution to mitigate concentration risk.

MARKET

Change in **Impact**

Change in Likelihood

links to:

M7 M10 M13

Risk Management Strategy

We undertake a comprehensive and robust study on the viability of potential investment proposals in line with the Group's business

A structured process for new investment and ventures is in place, encapsulating feasibility and market studies, analysis report, development of terms and conditions and execution of agreement.

Opportunities Arising from this Risk

Our vigorous marketing strategy in getting the right tenant mix, and collaboration with tenants on robust promotional activities resulted in an upward trajectory performance despite operating in a dynamic market condition.

Principal mitigation

A structured risk assessment process as part of decision making is to be carried out prior to any decision point to allow decision makers to have richer risk reward trade-off conversations resulting in better informed decision making

All proposed capital investment shall meet the business return risk appetite threshold and maximise capital efficiency through a healthy portfolio distribution.

Key Initiatives 2023

- Continue to unlock value through the repositioning of our assets, taking into consideration the tougher market conditions and operating landscape, the change in tenant-customer dynamics and the need to stay ahead of intensifying competition.
- Continue to seek yield accretive assets for opportunistic acquisitions.

(3) HUMAN CAPITAL

Change in Impact

Change in Likelihood

to:

Risk Management Strategy

Enhance KLCCP talent pool availability and readiness to support the succession planning for key and critical positions.

Opportunities Arising from this Risk

Our extensive talent development program, as well as the enhancement of the company's branding and perception as best employer, contribute to the acceleration of the readiness of available talent pool and talent retention.

Principal mitigation

- Formulate HR Strategic Workforce Planning in acquiring high potential and competent talents towards meeting business' goals.
- Rigorous succession management to ensure consistent and timely supply of leaders to sustain operation and meet business growth requirements.
- Intensify capability building by enhancing talents' readiness through various capability development programs.
- Foster a positive work culture that promotes engagement
- and prioritises employee well-being. This involves crafting various wellness programs, and implementing strategies to elevate overall employee satisfaction, contributing to a thriving work environment.
- Annual review of compensation and benefits to maintain the level of competitiveness against competitors. This is to ensure the ability to continuously attract external and retain internal talents.

Key Initiatives 2023

- 67 nos. of talents were assessed during the year 2023, of which 13% of them have been identified as potential top talent. Talent review is continuously being conducted to ascertain their potential matching and readiness in enriching the successor
- Skills gaps were identified, and intervention plans were developed through the Technical Competencies Assessments (TCAs).
- Various talent development programs and initiatives were conducted such as Career Management, Industrial Relation for Leaders and Leadership EDGE competencies upskilling to enhance talent capability and leadership with desired competencies, values, and behaviour.
- Holistic compensation and benefits review in 2023 that includes the philosophy and policy for the group to address challenges in attracting and retaining talents across industries.
- Proactively championed employee well-being by spearheading a series of impactful initiatives featuring bi-monthly Pound Fit sessions, sports competitions, informative wellness webinars and periodical congregational prayers.

87

Understanding Our Principal Risks

HEALTH, SAFETY AND ENVIRONMENT (HSE)

Change in Impact

Risk Management Strategy

Zero tolerance towards fatality and major fire that could lead to damage of assets and business disruption.

A progressive HSE program in place to maintain HSE performance and steer towards Generative HSSE Culture, ensuring safe working environment for KLCC workforce through the governance of HSE Management Systems (HSEMS).

Opportunities Arising from this Risk

Our comprehensive HSE Management System which is integrated into various stages of KLCC Group value chain in assuring, safeguarding and mitigating HSE Risk minimises any potential disruption to business operation.

Principal mitigation

Scheduled HSE assurance program (first line assurancecompliance functional and management system) to ensure compliance to the relevant HSE regulatory requirements such as Department of Occupational Safety & Health (DOSH), Department of Environment, Energy Commission and other HSE related regulatory bodies.

Undertake all reasonable, practicable and proactive steps to prevent and eliminate the risk of injuries, occupational illness, damage to properties and to protect the environment wherever we operate.

Key Initiatives 2023

- Conducted KLCC internal HSE Culture Maturity Survey to assess the baseline Cultural Maturity for KLCC.
- Conducted Call-to-Action on focused HSE subject for KLCCUH, KPM, MOKUL Hotel, and Suria KLCC to boost compliance on legal requirements.
- Established and rolled-out KLCC Technical Standards (KTS) as a customised and fit-for-purpose governance document for KLCC businesses.
- Eliminated the use of single-use plastic items such as disposable cups, plates, utensils, and water bottles at company meetings and events, with a quantifiable reduction in the amount of plastic waste generated.

(5) SECURITY

Change in **Impact**

Change in Likelihood

links

Risk Management Strategy

We put in place all practical and precautionary steps to safeguard our assets and people against crime.

Our KLCC Precinct Site Security Plan 2022 details out the overall precinct security overlay where security control and crisis response measures are identified and implemented to safeguard our assets.

Implementation of 'Crime Prevention Through Environmental Design (CPTED)' in the design maintenance of our buildings as an additional security measure.

Close networking with the respective security team of each building, PETRONAS Group Security and Polis DiRaja Malaysia (PDRM) for security intelligence updates.

Opportunities Arising from this Risk

Our continuous enhancement of building & surrounding area security as well as close liaison with the authorities have created a safe environment in KLCC precinct and Dayabumi area, which in turn contribute to positive public perception and encourages footfall.

Principal mitigation

KLCC Precinct Security Management Working Group sits every quarter to discuss and co-ordinate security matters with all stakeholders.

KLCC Precinct Security Management Centre was established as a security focal point for all facilities within the KLCC Precinct, in collaboration with Local Authorities.

Key Initiatives 2023

- Establishment of KLCC Group Security Management System (SeMS), a Level 2 governance document which describes how security risk is to be governed and managed at all levels as well as providing clear line of sight through top down - bottom up approach by managing compliance and exercising governance.
- Standardisation of Staff ID card across KLCC Group which enables controlled access to company premises.

Management Discussion and AnalysisStrategic Review

Change in Impact

Change in Likelihood

links to:

Risk Management Strategy

As it is our office triple net lease (TNL) represents 93% of the total space of the office portfolio of KLCCP Stapled Group.

Our properties and assets are properly managed with the aim of creating value and maximising returns.

Robust procedures and guidelines for selection of operators and asset management are in place and currently all our assets are managed by well accredited international operators to ensure tenant sustainability.

Opportunities Arising from this Risk

Our ability to continuously secure good tenants via Triple Net Lease and long term lease agreements resulted in generation of steady income stream for the Company.

Principal mitigation

- The majority of the lease and tenancies are with renewal options at market rates. For PETRONAS Twin Towers, Menara 3 PETRONAS and Menara Dayabumi, the lessee has agreed to renew the triple net lease.
- Constant engagement with our retailers and tenants to understand their needs and keep them updated on the evolving trends.

Key Initiatives 2023

• Dynamic review and enhancement of tenant mix and placement to ensure a balance of retail spaces between the new brands with younger market appeal and luxury brands with exclusive services.

Understanding Our Principal Risks

Change in **Impact**

Change in Likelihood

M4 M5 M11

Risk Management Strategy

Our assets are professionally managed to ensure effectiveness and efficiency of the performance and integrity sustenance of the assets.

Our facility management arm is accredited with ISO 9001, ISO 14001, ISO 45001, ISO 37001 and ISO 41001.

Our facility management team is involved in the implementation of operations & maintenance programs and subscribe to continuous efforts on improvement measures as a risk mitigation to ensure the long-term sustainability of the assets for preservation of its value.

The facility management team also conducts annual building technical audits for continual improvement and provides assurance that the buildings are maintained in pristine condition.

Opportunities Arising from this Risk

Our prudent cost optimisation exercises allow us to continue providing superior facilities management services despite the rising cost.

Principal mitigation

Implementation of predictive, preventive, and corrective maintenance strategies and initiatives to provide high level of service standard with minimal service interruption.

100% compliance with agreed Service Level Agreement (SLA) with customers:

• Emergency Power Supply Availability:

To provide alternate power supply during disruption from service provider by using generator.

Mechanical system for Air-Conditioning:

To control Indoor Air Quality for room temperature, humidity, and airflow, not only for the comfort of the tenants/occupants but also to protect sensitive electronic equipment at data center, electrical and telecommunication rooms.

Vertical Transportation:

To facilitate smooth movement of building occupants.

Mechanical Systems for Domestic Water:

To ensure 24 hours supply for drinking, domestic use, and fire-fighting system by utilising water storage tank.

Compliance to statutory and regulatory requirements.

Key Initiatives 2023

- Establishment of Reliability Centered Maintenance (RCM).
- Enhancement of asset/equipment performance through Centralised Performance Monitoring.
- Embarking on digitalisation initiatives towards technology enhancement in FM.
- Continuous cost reduction initiative through energy conservation measures.
- Asset Rejuvenation Modernisation of assets/systems.

Change in Impact

Change in Likelihood

to:

Risk Management Strategy

The performance of supplier in meeting the deliverables commitment is important to mitigate disruption and support sustainability of the business.

For supplier registration, the prospective suppliers are encouraged to register with the Group by furnishing information that is needed as a potential supplier in a particular category. Suppliers must comply with the registration prerequisite before they can be considered for registration. Supplier's eligibility to be determined via the evaluation process based on the set criteria.

Procurement of goods and/or services shall be sourced through suppliers that are registered with the Group.

The tender participation for the recommended suppliers shall be reflected in the Screening/Pre-qualification exercise, Overall Contracting Strategy (if required), Tender Plan, Invitation to Bid, Technical Evaluation Report, Contractor Risk Assessment (if required) and Techno-Commercial Evaluation & Award Recommendation Report.

Opportunities Arising from this Risk

Our effort to explore alternative suppliers, negotiate for better terms, discover the "best-fit" supplier based on category, diversifying the supply chain and improving overall resilience through innovation and strategic partnerships.

Principal mitigation

Review of suppliers' performance on bi-annual basis for continual improvement.

Monitor supplier performance and conduct regular evaluations to ensure compliance with contractual obligations and meet quality standards.

Maintain a record of registered suppliers based on category according to product and/or services.

Implement effective digital tools in work process such as tender documents submission by Bidders through Supplier Management Module in SMART GEP.

Carry out Third Party Risk Management assessment as part of due diligence process to enable detection of possible red flags of our potential third-party business.

Key Initiatives 2023

- Established SMART GEP as an end-to-end digital procurement systems for the Group. All registered suppliers are able to view and act on the Request for Information/Quotation/Proposal, Contracts and PO which are applicable to them. This leads to visibility of supplier base and efficiency in transaction processing.
- Supplier Management Module in SMART GEP is capable to simplify, streamline the supplier registration process and create a centralised database.
- Implemented standard Contractors/Consultants Performance Appraisal assessment criteria.
- Implemented Consequence Management Framework for the management of non-performing contractors/consultants and non-compliance to the Group registration requirement criteria.
- Implemented Appeal Management Framework to cater to the reinstatement of blacklisted/suspended supplier's registration.
- Tightened procurement policies in shortlisting bidders and implemented guidelines for separate tender evaluation teams for Technical and Commercial Evaluation.
- Implemented Anti-Bribery assessment for Contractor's Risk Assessment for all projects.
- Assessed all suppliers' (including service providers) preparedness on the measures to be taken in managing crisis for continuous support to the Group business operation without disruption.
- Assessed existing and potential suppliers to meet standards of operational excellence.
- Established pool of suppliers based on category/trade.

Our Strategy

Our 3-Pronged Growth Strategy has guided and aligned us to deliver on our Group's purpose and create sustainable value for our customers and stakeholders. This strategy is underpinned by our Winning Formula focusing on customer centric mindset and approach to value creation supported by Commercial Excellence, Project Excellence and Operational Excellence as we strengthen our portfolio to future-proof our organisation and ensure the Group's long-term survivability.

3-PRONGED GROWTH STRATEGY

Maximising Cash Generator

Our high-quality investment portfolio provides strong and stable cashflows. Protecting and maximising these assets provide a solid base for profitability and a foundation for growth.

Sustain investments to maximise our current cash generators

Expanding Core Business

Property investment and development remain our core business. We are defining opportunities for further growth and value enhancement.

Invest to broaden the resource base and build the next line of cash generators

Stepping Out

Accelerated key global and industry trends are reshaping the real estate landscape, customer behaviour and expectations. We continue to build our capabilities in order to allocate resources to better position ourselves for the future.

Invest to future proof our overall portfolio

SUSTAINABILITY ASPIRATION: CLIMATE ACTION

2023

- Craft carbon reduction strategy
- Establish carbon targets for business units
- Institutionalisation of sustainability in KLCC business units

2023 - 2030

- Decarbonisation:
 - Reduce energy consumption in assets
 - Energy efficient equipment
- Use renewable energy
- Green/low carbon investment portfolio
- Circular economy

2030

25% Reduction in Carbon Emissions

Note:

- 2019 as reference base year
- Targets are set on equity based
 approach for scope 1 and 2 emissions

2030 - 2050

- Continue decarbonisation
- Circular economy
- Plant electrification
- Carbon offset (2040 onwards)

2050

MEASURING OUR STRATEGIC PROGRESS IN 2023

COMMERCIAL EXCELLENCE

PILLAR

01

KEY PRIORITIES/ FOCUS AREAS

Increase value through:

- Optimising business portfolio to improve business performance and adapt to ever-changing market needs
- Pursuit of growth agenda
- Strengthening capabilities

RESOURCE ALLOCATION

- Financial: Allocate financial resources efficiently for strategic initiatives that enhance commercial performance.
- Manufactured: Portfolio of diverse iconic assets in office, retail, hotel and management services in facilities and car park.
- Intellectual: Promote a culture of continuous learning to stay relevant in the market.
- Human Capital: Empower commercial teams via training and development.
- Social and Relationship: Collaborate with strategic partners to optimise asset performance, business growth and engage in community and corporate social responsibility to enhance the Group's reputation.
- Natural: Align business strategies with environmental stewardship to meet evolving market expectations.

INITIATIVES

1. Optimise asset performance to enhance profitability

ACHIEVEMENTS

- Experiential retail experience and increased foot traffic at Suria KLCC with refreshed tenant mix
- Asset modernisation (upgraded escalators and mall-wide facilities)
- Strengthened offerings, capitalised on business, leisure and MICE segments at MOKUL Hotel contributed to a record high > 50% RevPar YoY growth
- Enhanced customer experience through KLCC Parking Management's licence plate recognition (LPR)
- KLCC Park activation spurring business and economic activities in KLCC Precinct (e.g. New Year's Eve and Merdeka celebrations, Sustainable September)

HEADLINE KPIs

- Revenue Profit Before Tax
- Net Yield

PRIORITIES FOR 2024

- Curate tenant partnerships for future success
- Modernise asset aesthetics and functional improvements to heighten shopping experience
- Focus on key markets in leisure, business and MICE segments to drive MOKUL Hotel's RevPar growth
- Intensify KLCC Park activation to foster a sense of community and spur economic activities within KLCC Precinct

- 2. Expansion of facilities management and car park management services
- Secured additional revenue from facilities
 Revenue growth management and car park management services
- Secure new business

- 3. Strengthen capabilities to enhance commercial excellence
- Completed competency inventories review and achieved 100% completion of capability assessment of target executive population
- % completion of capability assessment
- Establish pool of competent Subject Matter Experts (SMEs) that contribute to business excellence

Business Review

WHO WE ARE AND WHAT WE DO

The segment comprises premium Grade-A offices located strategically within the Kuala Lumpur City Centre. PETRONAS Twin Towers, Menara ExxonMobil and Menara 3 PETRONAS are held under KLCC REIT, whilst Menara Dayabumi, under KLCCP, is located within the former Central Business District of Kuala Lumpur. KLCCP Stapled Group also has a 33% stake in Menara Maxis, another prime office building in the KLCC Precinct.

Three of our buildings have high Green Building Index (GBI) credentials -PETRONAS Twin Towers (Gold), Menara 3 PETRONAS (Silver) and more recently Menara Maxis (Silver), affirming our dedication to environmentally sustainable practices. Additionally, PETRONAS Twin Towers and Menara ExxonMobil have been recognised with Malaysia Digital Status, underscoring our commitment to embracing digital innovation and technology.

The strength of these premium assets together with our defensive lease structure, which affords future cashflow visibility and solid full occupancy in all the office buildings, anchors the office segment as our secured income generator. The Triple Net Lease arrangement for PETRONAS Twin Towers, Menara 3 PETRONAS and Menara Dayabumi also shields us from soft market conditions, with minimal impact on earnings.

Revenue Contribution by Segment

- Enhance tenants' experience and satisfaction
- Improve operational efficiency
- Digitalisation and automation of processes

BUSINESS PERFORMANCE REVIEW

Initiatives Results

Tenant-focused strategies to enhance workplace experience

- Completed Workplace for Tomorrow for our tenants to promote collaborative work spaces as a strategic lever for innovation and idea
- Achieved 96% tenant satisfaction score.

Continued commitment to sustainable operations

- Monitored energy and water consumption through IBCC for sustainable and resource-efficient operations.
- Completed the installation of LED lights in common areas and mechanical floor at PETRONAS Twin Towers.
- Completed the installation of LED lights with motion sensors in Menara Dayabumi staircase.

Digitalisation of work order and complaint management system

- Launched STREAM-X (digitalised automated dashboard) for PETRONAS Twin Towers and Menara 3 PETRONAS to optimise service delivery, ensuring timely responses and providing personalised interactions.
- Equipped Menara Dayabumi and Menara ExxonMobil with a digitalised complaint management system, providing a streamlined platform for tenants to submit and track issues while ensuring effective communication and accountability.

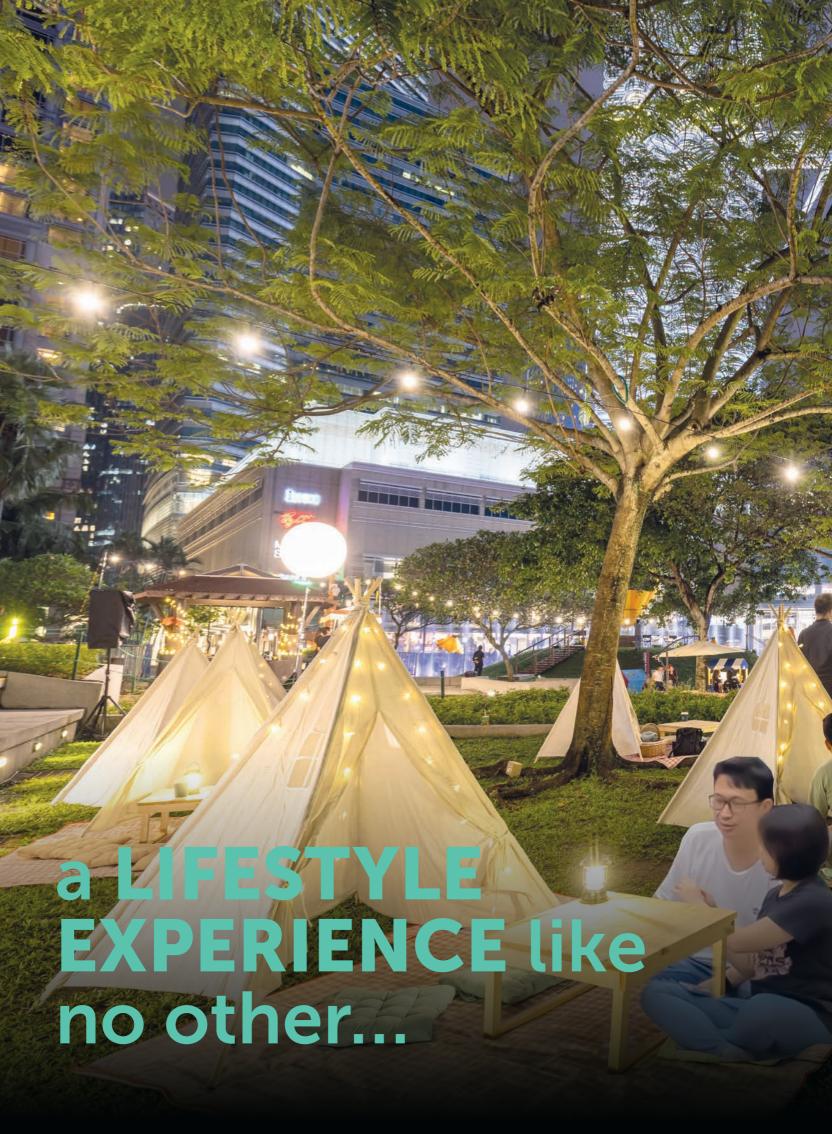

AWARDS & ACHIEVEMENTS

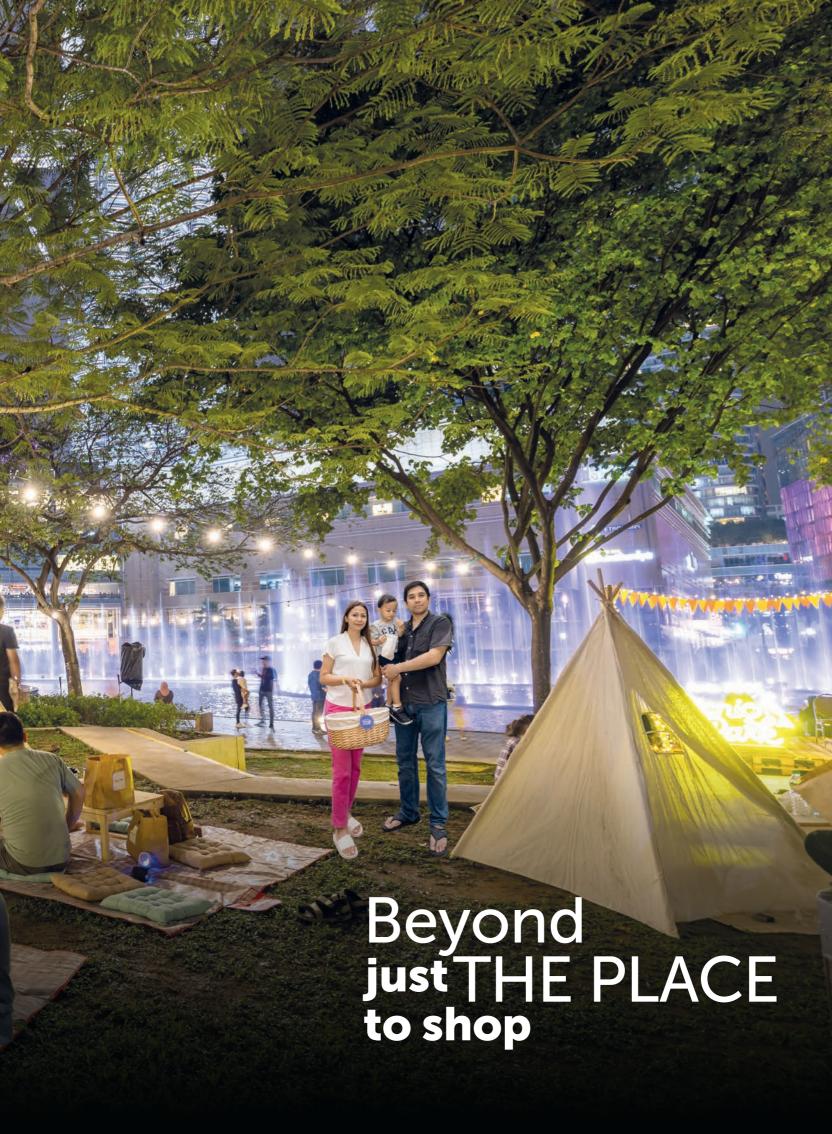

• Green Building Index - Silver (Menara Maxis)

OUTLOOK & PROSPECTS

- A gradual increase in activity is anticipated in the office sector despite the oversupply in Kuala Lumpur putting pressure on rent levels. The return-tooffice observed in 2023 is expected to persist. Nevertheless, we recognise the importance of ensuring that office spaces cater to flexible work arrangements by incorporating collaborative areas and suitable meeting spaces for both in-person and hybrid use. This strategic approach would allow our office spaces and our tenants to adapt seamlessly to the evolving dynamics of the new world of work.
- At KLCC, our commitment extends to continually enhancing and differentiating our office buildings through targeted asset management initiatives. With a specific focus on value, amenities, quality, efficiency and sustainability, we provide tenants with exceptional workspaces in amenity-rich settings, supported by excellent service. By embracing sustainability as a core element of our strategy, we aim not only to meet the immediate needs of our tenants but also to contribute to a greener and more resilient future. Deeply committed to collaborating with our tenants, we strive to deliver workspaces that engage and inspire, supporting our tenants' prosperity.

Business Review

WHO WE ARE AND WHAT WE DO

KLCCP Stapled Group's retail portfolio is represented by Malaysia's landmark mall, Suria KLCC, and the retail podium of Menara 3 PETRONAS. Nestled in the heart of Kuala Lumpur, Suria KLCC, Malaysia's iconic experiential shopping destination, boasts a diverse array of tenants with over 350 specialty stores that cater to a broad spectrum of brand preferences. From global fashion brands to flagship stores to beloved local hangouts, there is always something for everyone.

Successfully overcoming pandemic challenges, our retail segment has not just rebounded, it has fortified its standing, reinforcing its prominence and momentum towards pre-pandemic vibrancy. Throughout the years, Suria KLCC has continually transformed, taking the lead in the retail industry by adapting to customer needs and orchestrating engaging shopping experiences in harmony with its tagline, "Always Something New."

The mall remains the preeminent destination for shopping, dining and socialising and, with its unique mix of tenants, location, facilities and atmosphere, will continue to be a strong contender for retail dollars well into the future

- Experiential retail
- Intensify efforts on ESG

BUSINESS PERFORMANCE REVIEW

Initiatives

New, varied and exciting tenants infusing the mall with fresh and diverse offerings that contribute to an enriched and vibrant shopping experience

Results

- · Attracted 35 new tenants in 2023, adding to the almost 600 new tenants introduced since its opening.
 - Bacha Coffee Malaysia's first full concept outlet of the Moroccan brand featuring a boutique, takeaway counter, and coffee room, all within a single captivating space.
 - Lojel, Marimekko & Camper and Sushi Azabu (a distinguished Michelin-starred brand) and The Oriental Park by ISETAN.

- Reconfigured the previous food court at Level 4, creating 12,000 sq. ft. of additional space with new dining options - Tien, the world's first Muslim-friendly restaurant by Putien Group, TGI Fridays, Pak John Steamboat & BBQ Restaurant and famous local eatery, Cili Kampung.

Business Review

RETAIL

BUSINESS PERFORMANCE REVIEW

Initiatives

Enhanced marketing with immersive experience embodying the spirit of "Always Something New"

Results

- · Rewarded shoppers with an elevated experience, boosting footfall and enhancing overall business.
 - Presented the first-ever Picnic in the Park experience exclusively for Suria KLCC Shoppers. This unique event took place against the breathtaking backdrop of the PETRONAS Twin Towers and the enchanting musical fountains of KLCC Lake Symphony.
 - Ran the Golden Ticket Campaign for the fourth consecutive year, rewarding lucky shoppers with Suria KLCC vouchers worth RM5,000 or the Purple Ticket worth RM50 each. Over the past years, Suria KLCC has given away over RM1.0 million in shopping vouchers.
- · Delighted shoppers with experiential festive decoration setups, complemented by engaging pop-up events that offered exciting experiences and drove footfall.
- Footfall improved by 29.6%, and tenant sales grew by 12.3%, marking its highest tenant sales ever.

Prioritising ESG through community wellbeing

- Safe Space @ Suria KLCC Your Mind, Your Journey campaign
 - The mall's Centre Court offered a myriad of engaging and interactive activities for holistic wellbeing, supported by Suria KLCC's valued tenants and partners.
 - Collaborated with NGOs namely Green Ribbon Group, Malaysian Mental Health Association, Befrienders KL, Mental Illness Awareness Support Association, and Nyawa Organisation on the mental health awareness campaign.
 - The sale of "Suria Ribbon Pin" with over RM50,000 proceeds contributing to this cause.
 - 'Arty Inflatable' Experience Giant inflatable flowers symbolising different aspects of mental health were displayed at Esplanade KLCC, creating a novel and engaging experience for shoppers.

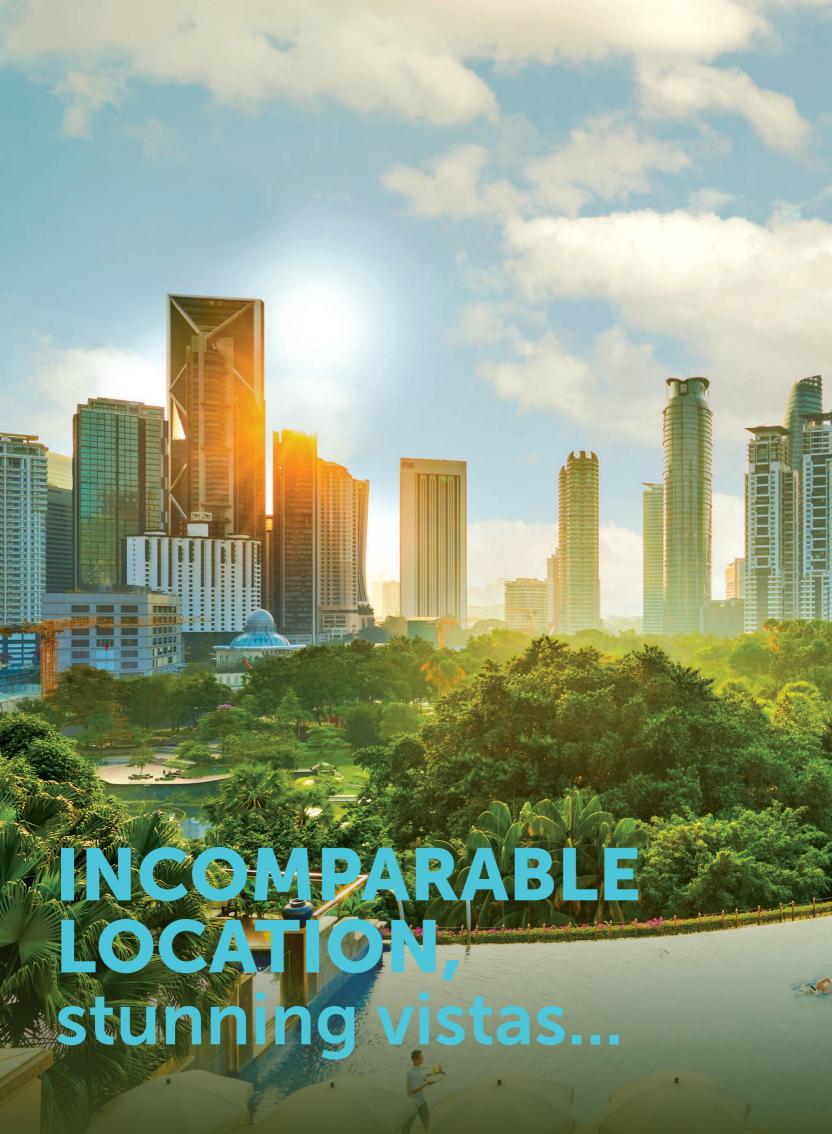

AWARDS & ACHIEVEMENTS

• Picnic in the Park won the Platinum Award for Best Experiential Marketing in the 2022-2023 Malaysia Shopping Malls Association Awards, recognising its excellence and contribution to enhancing the shopper experience at Suria KLCC.

OUTLOOK & PROSPECTS

- The retail segment's outlook has been positively influenced by increasing inbound tourism. However, recent announcements including an 8% service tax hike, higher electricity tariffs and ongoing labour shortages, pose challenges.
- Suria KLCC is dedicated to constant evolution for enhanced experiences, aligning with customer expectations and global retail partners. Isetan KLCC, a major anchor tenant, initiated a 24-month renovation project in July 2023, including opening a Japanese fusion cuisine restaurant. TGV Cinemas, another anchor tenant, also plans a significant revamp to offer moviegoers a premium cinematic experience with state-of-the-art facilities and technology.
- · Leveraging its proven success and high footfall, Suria KLCC will continue to selectively curate tenant partnerships, embracing both established and innovative brands. The aim is to cultivate a thriving retail ecosystem for future success.
- · Beyond shopping, Suria KLCC will be taking the lead in the retail industry by orchestrating engaging shopping experiences, seamlessly integrating entertainment, events and interactive installations.

Business Review

WHO WE ARE AND WHAT WE DO

The hotel segment for KLCCP Stapled Group is represented by Mandarin Oriental, Kuala Lumpur (MOKUL Hotel). MOKUL Hotel is a luxurious urban resort with unrivalled location, next to the iconic PETRONAS Twin Towers, Kuala Lumpur Convention Centre, and the prestigious Suria KLCC shopping mall.

The hotel's stylishly appointed rooms, suites and executive apartments overlook the city's magnificent skyline and KLCC Park. MO Club facilities and suites offer access to MO Club Lounge, a sophisticated venue that combines prestige, convenience and impeccable service.

The hotel's accommodation is complemented by several award-winning restaurants as well as state-of-the-art meeting and event facilities, including one of the largest pillarless ballrooms in the city. Guests can also enjoy spectacular leisure and recreation facilities, including tennis courts, an award-winning spa, a kids club and an infinity swimming pool that overlooks the lush 50-acre KLCC Park.

BUSINESS PERFORMANCE REVIEW

Initiatives

Maintain competitiveness and strengthen market position

Results

- · Remarkable rebound following three consecutive years of losses to deliver a stellar performance with PBT of RM3.0 million, capitalising on group stays, driven by the return of corporate and MICE events as well as leisure bookings.
- · Focused on emerging market segments, leveraging from the visa-free entry. International travellers composition improved to 66.1% vs 52.6% last year, mainly from Singapore, China and the United Kingdom.
- Achieved more than 50.0% growth in revenue per available room (RevPar) compared to 2022, even surpassing pre-Covid levels by 22.7%.
- · Expanded banquet and catering through outside catering and room services with revenue close to RM2.0 million.
- · Achieved sales over RM2.0 million from Mooncake promotion, highest revenue since the hotel's opening.
- Hosted over 600 events, including 29 weddings, and was panel of listed hotels for 23 events/ exhibitions held within KLCC Precinct.

Creating tailored exceptional offerings to elevate guest experience

- · Created virtual rooms that combine Park Suite rooms with the connecting unit, for families and used as alternative to apartments. Since its introduction in August 2023, MOKUL Hotel has generated the equivalent of 333 room-nights in additional revenue.
- · Houses one of only two Peter Burwash International (PBI) tennis centers that adds distinctive touch to the hotel offerings, enticing customers to explore more unique experiences that define MOKUL Hotel.
- Collaborated with celebrity chefs of award-winning Michelin Star Restaurants and prominent beauty brands.

BUSINESS PERFORMANCE REVIEW

Initiatives

Technology-driven marketing approach for targeted growth segments

Results

- Targeted emerging customer segments families and premium holiday seekers through MO.com and OTA channels yielded remarkable results. Notably bookings via MO.com improved by 53.0% yoy.
- Leveraged Mandarin Oriental Hotel Group's (MOHG) distribution channel to drive more business from focused markets - India, Australia, Indonesia, Middle East and United States, with China market through MOHG's official stores-Fliggy and WeChat apps.
- MOKUL Hotel exceeded expectations by securing an impressive 22,000 enrollment for "Fans of MO", the hotel's recognition program, surpassing the target by 40%.

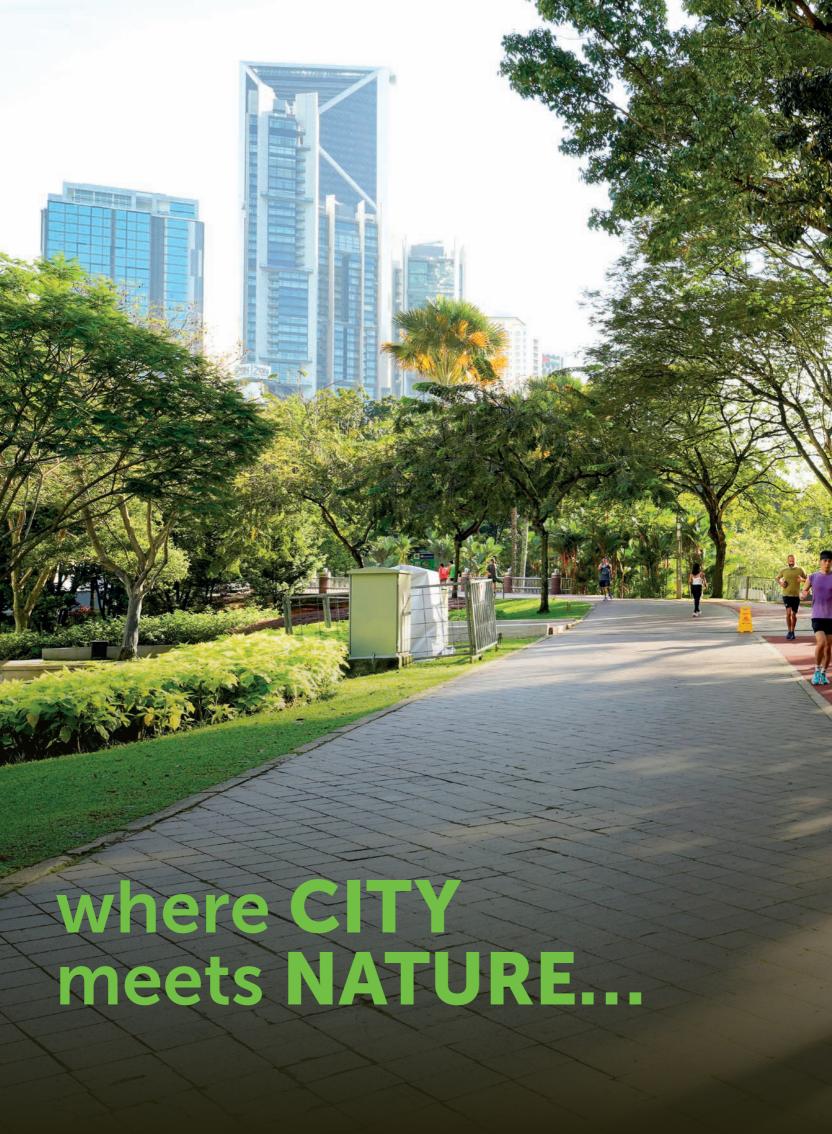

AWARDS & ACHIEVEMENTS

- Voted the 2nd Best Hotel in Malaysia in DestinAsian Readers' Choice Awards 2023.
- Named one of 2023 Most Preferred Graduate Employers to Work For at the Graduates' Choice Award.
- Rated Four Stars by Forbes Travel Guide Rating Evaluation for Hotels and Spas.

OUTLOOK & PROSPECTS

- The tourism industry is experiencing a dynamic resurgence, evident in a substantial increase in tourist arrivals surpassing pre-pandemic levels. The current depreciation of the Malaysian ringgit adds an enticing dimension for international travellers, enhancing the country's appeal as a cost-effective destination.
- · Leveraging technology, MOKUL Hotel will strategically deploy personalised digital marketing efforts to promote retail and package offers, highlighting distinct local offerings that reflect our destination's vibrant essence and unique experiences.
- The hotel will also prioritise the renovation of the Grand Ballroom and MO Club Lounge to refresh its offerings and maintain its competitive edge.

Business Review

WHO WE ARE AND WHAT WE DO

The Management Services segment comprises facilities management and car park management, which serve to complement the property portfolio of KLCCP Stapled Group.

KLCC Urusharta (KLCCUH), our facilities management company, oversees a portfolio of over 25 diverse assets within KLCC Development, including the 50acre KLCC Park and various facilities under PETRONAS and KLCC (Holdings). KLCCUH is committed to meeting the complete spectrum of owner and user needs via a comprehensive suite of facilities management services. With over 25 years of expertise, KLCCUH stands proud as an industry leader in assets and facilities management. Exemplary service delivery at the PETRONAS Twin Towers sets a benchmark for other skyscrapers, solidifying our reputation for excellence in the field.

KLCC Parking Management (KPM) specialises in managing and operating parking facilities, extending its expertise to encompass advisory services covering practical, functional and aesthetic aspects of parking operations. This comprehensive approach ensures KPM covers all bases related to parking solutions, providing users with an enhanced and streamlined parking experience. Reflecting its commitment to meeting evolving demands, KPM has expanded its parking services beyond the KLCC Precinct to include areas such as Putrajaya. This enables KPM to address the parking needs of a broader geographical region, showcasing its adaptability and responsiveness to the growing demands of different communities.

Initiatives

Results

Integrating sustainable technology in operations

- Gondola operations remotely monitored with GPS technology via the IBCC, allowing real-time oversight of buildings' cleaning operations.
- Introduced robotic pool cleaning and IoT sensors for the water feature system at KLCC Park.
- Installed soil moisture sensors in the irrigation system at KLCC Park which prevents overwatering, conserving water resources and fostering healthier vegetation.
- KPM implemented cashless payment for motorcycles at NWD, Lot D1 and other lots at KLCC.

Business Review

AWARDS & ACHIEVEMENTS

 KLCCUH and KPM each bagged a Gold Award in The Royal Society for the Prevention of Accidents (RoSPA) Health & Safety Awards 2023.

OUTLOOK & PROSPECTS

- The outlook for management services is characterised by a strategic blend of adaptability, technological integration, sustainability and a client-centric approach.
- KLCCUH will continue to play a pivotal role in maintaining the prestigious status of the facilities under its management. With PETRONAS Twin Towers marking its 25th anniversary, KLCCUH recognises the importance of asset rejuvenation and modernisation to sustain the premium quality and cutting-edge facilities that define one of Malaysia's most iconic structures.
- The upcoming years will witness more dedicated focus on elevating our facilities management approach, ensuring our services align with tenants' unique needs, evolving industry standards, and technological advancements. Asset rejuvenation will not only enhance the aesthetic appeal but contribute to the facilities' overall functionality and sustainability.
- In a strategic move, KLCCUH is extending its facilities management services beyond traditional office settings and venturing into the retail sector. This signifies a significant step forward to meet the diverse needs of the retail environment.
- Our car parking services are also poised for expansion into new territories, particularly in Putrajaya and vacant lands within KLCC, driven by a commitment to providing accessible and efficient parking solutions to a broader audience.
- KPM is dedicated to adopting the latest technological advancements in the field of car parking, including innovative solutions such as smart parking systems, contactless payment options, and the incorporation of electric vehicle charging infrastructure. These technologies will play a crucial role in elevating the user experience and streamlining operations, contributing to a more connected and convenient parking environment for all.

KLCCP STAPLED GROUP

Financial Review

KEY HIGHLIGHTS

01

Recorded RM1.6 billion in revenue for the financial year ended 31 December 2023, attributed mainly to the stable Office segment and stellar performance by all the other segments.

02

Distributed 40.50 sen per Stapled Securities, the highest payout in a decade, testament to the Group's commitment to creating value for our holders of Stapled Securities.

03

MOKUL Hotel rebounded with strong revenue growth of

44%, generating profit before tax of RM3.0 million, marking a significant improvement from the loss before tax of RM23.5 million in 2022.

	2023 RM'mil	2022 RM'mil	Variance %
Revenue	1,619.2	1,459.3	11.0
Operating Profit	1,020.2	958.8	6.4
Profit Before Tax*	965.5	894.5	7.9
Profit for the year*	853.8	793.3	7.6
Profit attributable to equity holders*	735.7	690.8	6.5
Operating Profit Margin*	63%	66%	(4.1)
Profit Before Tax Margin*	60%	61%	(2.7)
Earnings per Stapled Security* (sen)	40.24	37.92	6.1
Distribution per Stapled Security (sen)	40.50	38.00	6.6
Payout ratio (%)	92%	92%	0.5

^{*} Excluding fair value adjustments

The Group delivered a resilient set of financial results with increased revenue from RM1.5 billion to RM1.6 billion while profit for the year (excluding fair value adjustments) increased by RM60.5 million to RM853.8 million. This commendable performance was attributed to improved results across all business segments.

The Group saw remarkable rebound in the hotel segment, achieving new heights in revenue and establishing solid footing in its post pandemic recovery. The higher year-to-date occupancy rate of 55% (44% in 2022), commendable RevPar and F&B growth, culminated to a steady profit before tax of RM3.0 million. This marks a significant improvement from last year's loss before tax of RM23.5 million.

Driven by an unwavering commitment to customer experience, the retail segment achieved an impressive 96% occupancy rate. This success was bolstered by robust tenant sales and a consistent stream of refreshed offerings, resulting in an improved bottom line despite rising utility costs during the year.

During the year, the Group also realised a gain in value from its Investment Properties, amounting to RM221.9 million. This stands as a testament to the strengthened rental position, significantly contributing to the overall profit before tax of RM853.8 million.

The Group's low effective tax rate of 10.7% was primarily due to KLCC REIT distributing more than 90% of its distribution income, thereby exempting income from KLCC REIT from tax. This favorable tax regime enables the Group to uphold its commitment to delivering value for our holders of Stapled Securities.

Q

Distribution per Stapled Security

Reflecting on its sterling financial performance, the Group declared a dividend of 14.40 sen for the final fourth quarter of 2023, which brought the total dividend for the year to 40.50 sen per stapled security, a 92% payout of the Group's distributable profit and realised income. The dividend declared is the highest in the Group's 10-year history.

^{*} share of results of associates

The Office segment remained the top revenue contributor to the Group at RM582.5 million or 36% of the Group's total revenue. This was mainly a result of resilience and stability afforded by the Triple Net Lease (TNL) secured for PETRONAS Twin Towers, Menara 3 PETRONAS and Menara Dayabumi. The long-term leases with two anchor tenants in Menara ExxonMobil further adds to the stability of the Office segment.

Among the office properties, PETRONAS Twin Towers was the largest revenue contributor at 69% or RM401.4 million, followed by Menara 3 PETRONAS at 16% or RM92.7 million. Menara ExxonMobil's contribution grew by 4.4% YoY due to increased rental rate during the year.

Under the TNL arrangement with PETRONAS, all property expenses are borne by the tenant which allows us to safeguard the overall PBT.

KLCCP STAPLED GROUP Financial Review

RETAIL

	REVENUE			PRO (Excluding	PBT contribution		
Property	2023 RM'mil	2022 RM'mil	Variance %	2023 RM'mil	2022 RM'mil	Variance %	2023 %
Suria KLCC Menara 3 PETRONAS	475.9	445.2	6.9	369.8	349.3	5.9	94
(Retail Podium)	40.2	38.9	3.3	23.1	22.3	3.6	6
Total Retail Segment	516.1	484.1	6.6	392.9	371.6	5.7	100

The Retail segment, representing 32% of the Group's total revenue, recorded a 6.6% increase in revenue and 5.7% increase in PBT driven by higher occupancy, improved tenant sales and advertising income. The average occupancy rate at Suria KLCC throughout the year was 96%, marking an increase from 92% in 2022 with additional 35 new tenants. In December, the mall achieved an impressive 98% occupancy, a remarkable feat considering the market challenges and the presence of newly opened malls.

The robust revenue generated in the retail segment contributed to the improvement in PBT despite increase in utility cost by 28.1% from the rise in ICPT from 3 sen/kWh to 17 sen/kWh, resulting in a resilient performance for the segment for the year.

HOTEL

	REVENUE			PRO	FIT BEFORE T	-AX
Property	2023 RM'mil	2022 RM'mil	Variance %	2023 RM'mil	2022 RM'mil	Variance %
Mandarin Oriental, Kuala Lumpur	210.9	146.9	43.6	3.0	(23.5)	>100

In 2023, the hotel's significant recovery was evidenced by a notable increase of revenue by 43.6% to RM210.9 million and PBT of RM3.0 million.

Capturing the more dynamic tourism market and the recovery of MICE, the hotel's ongoing collaboration with its precinct partners and enhanced guest touchpoints were pivotal to the bolstering performance. Higher occupancy of 55% was recorded during the year compared to 44% in 2022 coupled with higher average room rates and growth in the F&B, reflected a successful transition from period of losses to a profitable position in 2023.

Facilities Management	224.5	171.9	30.6	19.5	10.4	87.6	42
Car Park Management	66.4	59.8	11.0	29.2	25.6	14.3	63
Others	18.8	15.7	19.7	(2.5)	(8.5)	70.1	(5)
Total Segment	309.7	247.4	25.2	46.2	27.5	67.8	100

Management Services generated a total revenue of RM309.7 million, marking an increase of 25.2% YoY and contributed to 19% of KLCCP Stapled Group's total revenue.

Facilities Management recorded a 30.6% increase in revenue attributed to the expanded scope as well as the additional works carried out during the year in the facilities under its management.

Car Park Management also recorded an increase in revenue of 11.0%. This increase was attributed to the additional car park management in new locations, the rise in foot traffic at Suria KLCC and events hosted within the KLCC Precinct. These factors synergistically contributed to the robust growth in transient parkers.

'Others' represents mainly the interest/profit income earned as well as general management services provided by the Company to the entire KLCC Group of Companies.

The Group's Management Services segment includes providing management services to KLCC REIT under KLCC REIT Management Sdn Bhd. The stapled structure of our Group ensures no leakage of management fees. All management fees charged as part of KLCC REIT's expense are recycled back into KLCCP Stapled Group's income stream, hence does not impact the Group's profitability. Income earned by KLCC REIT Management is channelled towards dividends offered to the holders of our Stapled Securities.

FINANCIAL POSITION REVIEW

	2023 RM'mil	2022 RM'mil	Variance %
ASSETS			
Investment properties	15,953.1	15,722.8	1.5
Property, plant and equipment	547.8	570.9	(4.1)
Right-of-use assets	2.5	3.9	(36.2)
Receivables	371.4	441.8	(15.9)
Cash and bank balances	1,192.1	1,105.0	7.9
Others	266.7	265.1	0.6

Total equity attributable to equity holders of KLCCP and KLCC REIT	13,339.1	13,131.7	1.6
Net asset value per stapled security (NAV) (RM)	7.39	7.27	1.6

Backed by a solid portfolio of assets, the Group's financial position remained healthy with sufficient cash and low gearing for future development and long-term stability. The Group's total assets grew 1.2% from RM18.1 billion to RM18.3 billion mainly from the gain in fair value of the investment properties during the year.

Net asset value (NAV) per stapled security improved from RM7.27 to RM7.39, while total equity attributable to equity holders strengthened to RM13.3 billion, exemplifying strength and robust operational efficiency.

KLCCP STAPLED GROUP Financial Review

	Market Value		Carrying Value		
Property	31 Dec	31 Dec	31 Dec	31 Dec	
	2023	2022	2023	2022	
	RM'mil	RM'mil	RM'mil	RM'mil

	290.0	278.0	312.7	300.8	
Total	16,086.3	15,914.0	15,953.1	15,722.8	

^{*} Carrying value of Dayabumi and Lot D1 includes the IPUC, which was valued at cost.

Investment Properties and Fair Value Adjustments

The Investment Properties of KLCCP Stapled Group represent 87.0% of the Group's total assets and encompass some of the most prestigious premium assets in Kuala Lumpur. These include PETRONAS Twin Towers, Menara 3 PETRONAS and Menara Exxonmobil, which are included in KLCC REIT, as well as KLCCP's assets, Suria KLCC, Menara Dayabumi, the City Point land and vacant land of Lot D1.

The market value of these properties increased by 1.1% to RM16.1 billion as at 31 December 2023, driven mainly by the increase in value of both the Retail and Office segments. This signifies the stability of our assets despite prevailing competitive rates and incentives in the office market.

Under MFRS 140 Investment Properties, accounting adjustments were made to exclude the accrued operating lease income and capital expenditure incurred during the year to avoid double counting of assets. Taking the above into consideration, RM221.9 million was recognised as fair value adjustments in FY2023.

Property, Plant and Equipment

The Group's property, plant and equipment (PPE) comprises mainly the cost of MOKUL Hotel's building.

During the year, KLCCP Stapled Group spent RM8.4 million mainly for the refurbishment of the hotel, as well as upgrading of the parking management system in the North West Development (NWD) carpark facility. The capital expenditure was set off against depreciation charged and write-offs/disposal of assets no longer in use.

Receivables

The Group's receivables was 15.9% lower in 2023 at RM371.4 million compared to RM441.8 million in 2022 along with a decrease in accrued rental revenue due to the straight lining impact of leases under MFRS 16 in KLCC REIT and Suria KLCC.

Q

CASHFLOW REVIEW

	2023 RM'mil	2022 RM'mil
Operating activities	1,052.8	1,026.4
Investing activities	(2.0)	4.0
Financing activities	(963.9)	(884.1)
Change in cash and cash equivalent	86.9	146.3
Cash with PETRONAS IFSSC	836.8	783.9
Deposits with licensed banks	348.4	308.2
Cash and bank balances	6.9	12.9
Cash and cash equivalents	1,192.1	1,105.0

Operating Activities

The higher net cash generated from operating activities of RM1,052.8 million compared to RM1,026.4 million was mainly due to better performance in all segments coupled with greater interest/profit income received from fund placements.

Investing Activities

The Group spend was higher during the year due to the payment for the premium to extend the land lease period from 59 years to 99 years for Dayabumi.

Financing Activities

The financing activities of the Group consists of servicing the interest/profit for KLCC REIT's Sukuk Murabahah Programme (Sukuk) and the hotel's term loan.

The Group continuously manages its available cash with prudence through placement in fixed deposits or with PETRONAS Integrated Financial Services Centre (IFSSC) whereby the balance is interest/profit bearing.

Capital Management

As set out in the KLCC Group Corporate Financial Report, the Group's objective in managing capital is to maintain an optimal capital structure and ensure the availability of funds for businesses and operations whilst maximising shareholder value.

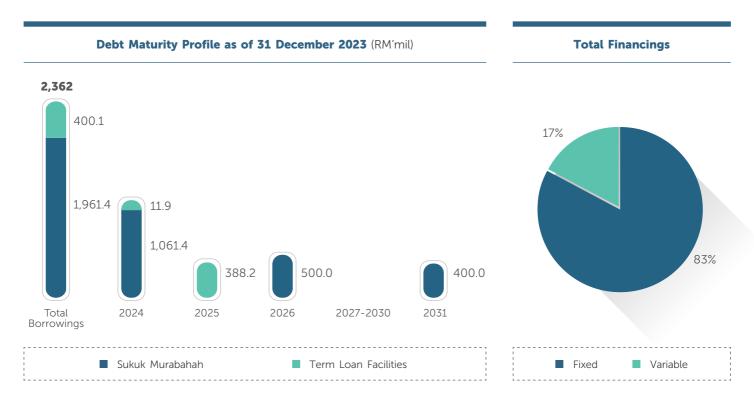

During the year, the Group remains disciplined in managing its capital structure to provide a solid foundation to withstand near-term uncertainties.

	2023	2022	2021	2020	2019
Total financing (RM'mil)	2,362	2,375	2,370	2,340	2,335
Average cost of debt (%)	4.6	4.6	4.3	4.4	4.6
Fixed : Floating ratio	83	83	83	84	84
Average maturity period (years)	2.3	3.3	4.3	3.6	4.6
Gearing ratio (%)					
- Gross	17.7	18.1	18.2	18.0	17.8
- Net	8.8	9.7	10.8	11.3	11.1

(Note: Total financing excludes arrangements accounted for as leases under MFRS 16)

As at 31 December 2023, the Group's financing stood at RM2.4 billion, with 83% of total financing on a fixed rate. The average maturity period was shortened to 2.3 years as the next tranche of financing shall be due in April 2024. The Group's gearing ratio stands at 17.7%, indicating ample room for growth.

In the volatile interest/profit rate environment, the defensiveness of our balance sheet has positioned us positively. Meanwhile, the Group anticipates minimal impact from any further increase in the Overnight Policy Rate (OPR) by Bank Negara Malaysia given that 83% of the total financing is at fixed rates.

KLCCP STAPLED GROUP Capital Management

In 2014, KLCC REIT and Suria KLCC restructured their facilities, establishing Sukuk Murabahah with a combined limit of RM3.0 billion and RM600 million, respectively. These facilities were rated AAA/Stable by RAM Ratings. In 2021, KLCC REIT successfully renewed its third tranche of Sukuk Murabahah amounting to RM400 million. The next repayment is due in April 2024 and the Group is currently assessing the market to secure the most favorable terms.

Overall, the Group has sufficient capital support with its RM3.0 billion Sukuk Murabahah. With more than 50% of the unutilised programme together with the mandate granted by the holders of Stapled Securities to issue new shares up to 10% of the approved share capital, the Group has the financial flexibility to tap into the debt-equity markets to gear up further, to fund future acquisitions.

Capital Expenditure

The Group's capital expenditure during the year totalled RM16.8 million, with a large portion channelled towards improving building improvements, system upgrades and the land lease extension in Kompleks Dayabumi.

FINANCIAL RISK MANAGEMENT

Guided by PETRONAS' Integrated Financial Risk Management (IFRM) Guideline, the Group is cognisant of financial risks inherent in the course of its day-to-day business.

As part of prudent financial risk management, the Group has reviewed, appraised and deliberated identified financial risks to an acceptance level, taking into consideration the current economic factors. All identified risks will be continuously monitored and regulated with proper mitigation plans in accordance with the Group's view of the balance between risk and reward.

Credit Risk

Credit risk is the possibility of default in payments owing to us, which could adversely impact the Group's financial performance. Although the credit risk appetite differs from one business segment to another, the Group strives to minimise our overall credit risk by entering into contracts with high credit-rated counterparties, and also requiring collaterals or other forms of credit enhancements.

During the year, trade receivables increased in line with the better performance Group-wide, especially the Hotel and Retail segments.

The Group's Trade Receivables as of 31 December 2023 stood at RM9.1 million.

Trade Receivables' Ageing	RM'000
Not past due	5,769
Past due 1 to 30 days	2,367
Past due 31 to 60 days	604
Past due 61 to 90 days	104
Past due more than 90 days	6,452
	15,296
Less: Allowance for impairment losses	(6,197)
	9,099

To reflect the current credit risk profile and economic condition, the Group decreased the allowance for impairment losses on trade receivables from RM7.6 million to RM6.2 million during the year.

⊗

Q

Nevertheless, the Group's retail operators continue to carry out thorough credit evaluation using qualitative and quantitative criteria on new tenants and follow up with the tenants to ensure collectability. Constant monitoring of tenants' affordability of the rental charges is also part of the credit risk mitigation.

Similarly, the hotel conducts thorough reviews and assessments of the credit worthiness of customers who are provided credit limits to ensure timely collection of payment when it is due.

Liquidity Risk

Liquidity risk is the possibility of the Group encountering difficulties in meeting financial commitments in a timely manner.

The Group maintains adequate cash and bank balances to meet its working capital requirement as part of its overall liquidity management. A periodic cash flow forecast is undertaken to determine optimal cash requirement, taking into consideration all receivables, payment of suppliers and other capital and financial obligations. This proactive cash management ensures that any idle monies are placed in interest/profit bearing accounts.

The Group's current net liabilities position of RM67.2 million is due to the reclassification of RM455.0 million and RM600.0 million Sukuk Murabahah to current liabilities as the maturity dates are on 25 April 2024 and 31 December 2024 respectively. The Group has plans in place for the repayment of the Sukuk Murabahah on these maturity dates.

Based on the reaffirmed AAA/Stable ratings from RAM Ratings on 2 June 2023 and 4 December 2023 for the RM455.0 million and RM600.0 million Sukuk Murabahah, the Group is confident of the ability to refinance these upon maturity.

In addition, KLCCP Stapled Group has significant headroom allowing it to tap into financing as and when required.

Foreign Currency Risk

Foreign currency risk is the risk that the fair value or future cash flows of financial instruments will fluctuate because of changes in foreign exchange rates. As KLCCP Stapled Group operates predominantly in Malaysia and transacts mainly in the Malaysian Ringgit, it is not exposed to any significant foreign currency risk.

Annual General Meeting

Amidst the dynamic economic backdrop of 2023, the Group stayed committed to engaging with our shareholders. We continued to conduct our AGM virtually, using advanced digital platforms to create an interactive experience for stakeholders complete with a virtual voting system, online Q&A sessions, and multimedia presentations. The virtual setting not only ensured our shareholders' safety and convenience but also allowed for enhanced flexibility, making the AGM more accessible to an even wider audience. Since transitioning to virtual meetings, the number of participants has increased, reaching our highest attendance of 1,965 shareholders (who had logged on) at the AGM held.

Our CEO, Datuk Md. Shah Mahmood, delivered a comprehensive review of the year, updating the attendees on key events including the Group's 2022 achievements, business segment highlights and focus for 2023.

During the Q&A session, all pre-submitted and live questions raised by holders of our Stapled Securities, EPF Equity Research and the Minority Shareholders Watch Group (MSWG) were addressed, showcasing our commitment to transparency and open communication. We noticed increased engagement levels throughout the meeting, with many attendees posing questions and seeking clarification from the management. Subsequent to the AGM, these Q&As together with the minutes were published on KLCCP Stapled Group's corporate website at **www.klcc.com.my**. Following the AGM, we held a press conference which was attended by media representatives namely The Star, The Edge and Bernama. The press conference garnered coverage in 22 digital, print and social media platforms.

KLCCP STAPLED GROUP Investor Information

2) Quarterly Analyst Meetings

The Group conducts quarterly analyst briefings immediately post the release of the financial results announcement to Bursa Malaysia. For the financial year 2023, the second and fourth quarter briefings were held physically, while the remaining sessions were virtual. Led by our CEO, CFO, Head of Group Strategy & Sustainability and the IR Team. These briefings and Q&A sessions provided in-depth insights into our operational and financial performance, strengthening a collaborative rapport with analysts. These engagements play a crucial role in ensuring the investment community remains wellinformed about our progress, challenges and prospects, while also serving as a valuable platform for the IR Team to receive constructive feedback. All presentation materials and recordings from the briefings were made available on our corporate website following the briefings to enhance accessibility and transparency.

3) Sustainability and Industry Engagements

In our unwavering commitment to industry collaboration, sustainable practice and advancing presence in the REIT sector, the Group hosted the CTBUH international conference in Kuala Lumpur and a site visit to PETRONAS Twin Towers. Attended by 260 delegates from Brazil, Japan, China, the United Kingdom and United States, the conference themed "Humanising High Density – People, Nature and the Urban Realm", served as global platform for multi-faceted discussions centred around integrating people, nature and urban spaces within high-density settings.

Our CEO delivered the opening keynote on "Kuala Lumpur City Centre and PETRONAS Twin Towers and its Urban Context", revolving around the evolution of the KLCC Precinct over the past 25 years. While accentuating pioneering technological advancements, he also highlighted the Group's commitment to sustainable practices, outlining the eco-conscious initiatives undertaken in line with the United Nations' Sustainable Development Goals (UN SDGs). Notable among these efforts was the Sustainable September campaign, a collaborative effort towards a more sustainable future for all.

Sustainable September was established in 2022 by the Kuala Lumpur Convention Centre Business Events Alliances (KLCCBEA) to promote sustainable operations within KLCC Precinct. In 2023, the Group scaled up the initiative by collaborating with our KLCC Precinct Partners to showcase the Precinct's status as Malaysia's first SDG hub. This campaign aligns with the Malaysian Government's SDGs encompassing objectives such as No Poverty,

Zero Hunger, Good Health and Well-being, Sustainable Cities and Communities, Responsible Consumption and Production, Climate Action and Partnerships for the Goals. Additionally, it aligns with the sustainability agendas of our KLCC Precinct Partners.

With the overarching goal of positioning the KLCC Precinct as an SDG hub for both leisure and business, the month-long Sustainable September campaign entails community engagement-focused activities. The aim is to build momentum and raise awareness among our stakeholders of ongoing year-round efforts undertaken at the KLCC Precinct to contribute to sustainable outcomes.

In addition, the Group participated in the MSWG's Asean Corporate Governance Scorecard (ACGS) assessment, enabling us to evaluate our corporate governance quality and identify areas of improvement. Furthermore, our ongoing membership in the United Global Compact Network Malaysia (UNGCMY) provides access to sustainability content, tools and best practices. This year, we embarked on the TCFD recommendation. We undertook a comprehensive gap analysis to identify disparities within our sustainability framework, approach and disclosures in relation to the TCFD recommendations. We plan to include TCFD-aligned disclosures, including a climate risk assessment, in our report for the financial year 2024.

We have continued to be active members of the Malaysian REIT Managers Association (MRMA), enabling us to enhance transparency and provide high-quality research and information to investors. MRMA fosters an environment for its members to coordinate investment activities and promote REIT as an investment asset class among retail investors.

These engagements, whether in physical or virtual form, underscore our dedication to thought leadership, knowledge-sharing and collaborative efforts contributing to the growth and sustainability of the broader REIT industry.

Analyst coverage and recommendations

As of 31 December 2023, KLCCP Stapled Group was under the coverage of 11 analysts, representing both local and international research houses. Our stock's overall current target price is RM7.65, with 5 Buy and 6 Hold recommendations. The analysts' optimistic outlook underscores confidence in the Group's performance, reflected by the 8.7% upside in the share price as of 31 December 2023.

Manager's Financial and Operational Review

KLCC REIT Management Sdn Bhd (the Manager), the Manager of KLCC Real Estate Investment Trust (KLCC REIT or the Fund), is pleased to submit the Manager's financial and operational review for the financial year ended 31 December 2023 (FY2023).

PRINCIPAL ACTIVITY AND INVESTMENT OBJECTIVES

KLCC REIT is an Islamic Real Estate Investment Trust established to own and invest primarily in Shariah compliant real estate for office and retail purposes.

The Fund was constituted by the Trust Deed dated 2 April 2013 and an Amended and Restated Trust Deed dated 3 September 2019 entered into between the Manager and Maybank Trustees Berhad (the Trustee). The Amended and Restated Trust Deed was registered and lodged with the Securities Commission (SC) on 16 October 2019 and 17 October 2019 respectively. The Fund was listed on the Main Board of Bursa Malaysia Securities Berhad on 9 May 2013.

The key objective of the Fund is to provide unitholders with stable distributions of income supported by KLCC REIT's strategy of improving returns from its property portfolio and capital growth.

INVESTMENT STRATEGIES

The Manager is focused on active asset management and acquisition growth strategy to provide regular and stable distributions to unitholders and ensure capital growth and improved returns from its property portfolio.

Active asset management strategy

Continue to optimise the rental and occupancy rates and the Net Lettable Area (NLA) of the properties in order to improve the returns from KLCC REIT's property portfolio

Acquisition growth strategy

Acquire real estate that fit with KLCC REIT's investment policy and strategy to enhance the returns to the unitholders and capitalise on opportunities for future income and Net Asset Value (NAV) growth.

OVERVIEW OF PROPERTY PORTFOLIO

KLCC REIT is an office-centric diversified REIT with a portfolio of three unique prime commercial assets with strong and stable asset performance – the iconic PETRONAS Twin Towers, Menara ExxonMobil and Menara 3 PETRONAS. The retail podium of Menara 3 PETRONAS represents the retail segment of KLCC REIT, which capitalises on Suria KLCC's reputation as a premier shopping destination in Malaysia.

The properties with a combined NLA of over 3.2 million sq. ft. are located in the prime area of Kuala Lumpur City Centre, popularly known as KLCC, within the 100-acre KLCC Development. The internationally renowned integrated commercial development within the KLCC Precinct is a combination of prime Grade A offices, premier retail outlets, 4 to 5 star hotels, highend residential, MICE facilities and world-class entertainment fronting a lush KLCC Park.

Financial Review

Key Highlights

KLCC REIT demonstrates sustained resilience, backed by its long-term, locked-in leases that contribute stability to KLCCP Stapled Group, contributing 45.8% of the Group's PBT.

Upward rental revisions for Menara Exxonmobil and Menara 3 PETRONAS, which took effect in April and December 2023.

^{*} Excluding fair value adjustments

2023 was a steady year for KLCC REIT with a resilient office centric portfolio, anchored by its long term lease arrangement. The retail segment continued to show encouraging improvement in the overall performance following the recovery of retail industry.

In 2023, KLCC REIT recorded profit for the year (excluding fair value adjustments) of RM450.8 million at the back of revenue of RM582.1 million. The YoY increase in both profit and revenue by 0.7% and 0.6% respectively contributed by the improvement in retail segment and the upward rental revision in Menara ExxonMobil.

KLCC REIT continues to contribute the major portion of KLCCP Stapled Group's revenue at 36.0%, with net asset value of RM4.47 sen per unit as at 31 December 2023. The increase in the NAV is attributed to the robust and well-performing assets.

During the financial year 2023, KLCC REIT distributed a total amount of RM483.6 million to the unit holders with DPU of 26.79 sen.

^{*} Excluding fair value adjustments

KLCC REIT is an office focused REIT with 93% of the revenue contributed by PETRONAS Twin Towers, Menara ExxonMobil and Menara 3 PETRONAS.

The performance of the three office investment properties generated net property income of RM521.6 million at the back of revenue RM541.9 million. The increase in Menara ExxonMobil during the year was mainly due to the higher rental revision. PETRONAS Twin Towers remained KLCC REIT's highest revenue contributor at 69.0% and contributed 72.9% of the total net property income (NPI).

Menara 3 PETRONAS Retail Podium also recorded an improvement in Revenue and NPI compared to 2022 by 3.3% and 2.3% respectively mainly due to better tenant sales captured during the year. Customer count improved by 7.8% compared to 2022.

Office segment

Despite the competitive market, our high-quality office portfolio delivered stable performance. We successfully navigated industry challenges by leveraging our robust office lease portfolio with reputable tenants.

The Triple Net Lease for PETRONAS Twin Towers and Menara 3 PETRONAS act as a shield for KLCC REIT in the face of soft market conditions. In these arrangements, all property expenses and outgoings are borne by the tenants, thereby limiting the impact on earnings. These leases, contributing to 91% of the office segment, provide a steady income stream for the REIT, further bolstered by their full occupancy. During the year, rental uplift was observed for Menara ExxonMobil and Menara 3 PETRONAS, taking effect in April and December 2023, respectively.

Retail segment

The retail podium registered steady momentum, with revenue of RM40.2 million, 3.3% higher than last year. The mall heightened its festive decorations, held engaging pop-up events and offered unparalleled shopping experience through Picnic in the Park campaign to drive footfall and amplify sales opportunities for retailers. The retailers in Menara 3 PETRONAS recorded higher sales compared to 2022 by 10.6%.

During the year, the mall welcomed the arrival of Healthland Premium, a one-stop wellness centre providing premium wellness treatments. The new space offers an exceptional dual-floor experience on levels 3 and 4. Footfall for the retail podium, Menara 3 PETRONAS increased by 7.8% year-on-year driven by promotional campaigns and refreshed tenant mix.

Assets and Liabilities

KLCC REIT's balance sheet remained in a healthy and robust position with unitholders' funds of RM8.1 billion and net asset per unit of RM4.47.

	2023 RM'mil	2022 RM'mil	Variance (%)
ASSETS			
Investment Properties	9,271.9	9,175.3	1.1
Receivables	260.3	321.2	(19.0)
Cash and Bank Balances	142.0	111.1	27.8
Others	0.4	0.8	(50.0)
	9,674.6	9,608.4	0.7
LIABILITIES			
Financings	1,361.4	1,363.9	(0.2)
Others	242.2	226.1	7.1
	1,603.6	1,590.0	0.9
Unitholders Fund	8,071.0	8,018.4	0.7
Net Asset Value per unit (NAV per unit) (RM)	4.47	4.44	0.7

The receivables balance primarily constitutes accrued lease income recognised and varies over the lease term. The accrued revenue results from the straight-lining effect in the recognition of the step-up rates of the triple net lease arrangements whereby all future revenue of the tenancy locked-in period is accounted for in constant amounts across the entire lease period.

The decrease of RM60.9 million in receivables from RM321.2 million last year means that rental received is now higher than the revenue recognised during the year, representing the unwinding of the built up of accrued lease income in the previous years.

Higher cash balance was noted at RM142.0 million compared to RM111.1 million mainly due to increase in rental rate for Menara ExxonMobil and better rental performance for the retail podium Menara 3 PETRONAS.

NAV per unit increased to RM4.47 during the year, backed by the higher properties value.

KLCC REIT

Manager's Financial and Operational Review

MARKET VALUE OF INVESTMENT PROPERTIES

KLCC REIT's portfolio of investment properties remained resilient throughout the year locked-in by the long-term tenancies. The market value increased by RM35.0 million, driven by the positive valuation in both the office portfolio and retail podium. This growth is attributed to a favorable rental reversion compared to the previous year.

Market value as of 31 December 2023 at RM9.5 billion was adjusted under the requirements of MFRS 140 Investment Property to account for accrued lease income and additions during the year. Due to the unwinding impact of accrued lease income, RM93.2 million gain on fair value adjustment was recognised in the income statement.

The market value by property and the changes in value is as below:

	Market	Value	Changes in Value		
	31 Dec 2023 RM'mil	31 Dec 2022 RM'mil	RM'mil	%	
PETRONAS Twin Towers Menara ExxonMobil Menara 3 PETRONAS	6,950.0 540.0 2,038.0	6,940.0 532.0 2,021.0	10.0 8.0 17.0	0.1 1.5 0.8	
Total Less: Adjustments* Fair value gain FY2023	9,528.0	9,493.0	35.0 58.2 93.2	0.4	

 $^{^{\}star}$ changes in accrued operating lease income and capital expenditure during the year

OPERATIONAL REVIEW

Asset Management

The Manager takes a proactive stance on asset enhancement initiatives (AEI), aiming to secure a leading market position within its segment and locale. Simultaneously, the focus is on preserving the iconic stature and performance of our premium grade-A portfolio of assets.

It is crucially important to establish high-performing workplaces that cater to the changing needs of our tenants. These spaces should encourage enhanced communication, collaboration, flexibility, and adaptability to rapid technological changes. Over the past year, we have actively collaborated with our tenant, PETRONAS, to transform their office spaces into a "Workplace for Tomorrow." 10 floors across approximately 180,000 sq. ft. were completed for PETRONAS Tower 2 and Menara 3 PETRONAS during this period.

In addition, the Manager prioritises asset preservation to enhance value and promote greener, more sustainable buildings exemplified by the implementation of LED energy-conserving technologies and water-efficiency initiatives. The Integrated Building Command Centre (IBCC) continues to play a major role in enabling the Manager to undertake sustainable and resourceefficient operations by using GPS technology to monitor gondola operations remotely, allowing real-time oversight of buildings cleaning operations.

Capital Management

As part of our vision to maximise the value of the investment and returns to our unitholders, the Manager maintains a strategy of actively monitoring and maintaining an optimal capital structure.

KLCC REIT's borrowing remained at RM1.4 billion, representing a gearing ratio of 14.1%. The significant debt headroom supports financing for future growth and is kept well below the 50% gearing cap as imposed by the SC. To-date, KLCC REIT's remains one of the lowest geared M-REITs in the country.

	2023	2022
Total borrowings (RM'mil)	1,361.4	1,363.9

RAM Rating of Sukuk	AAA	AAA

Income Distribution

The Manager distributed 95.0% of its distributable income for the financial year 2023, as we remained committed to enhance value to its unitholders.

Based on the total income available for distribution of RM508.9 million, the Manager had recommended, and the Trustee had approved a total income distribution of 26.79 sen for the year ended 31 December 2023.

KLCC REIT

Manager's Financial and Operational Review

OUTLOOK

Bank Negara Malaysia (BNM) reported that Malaysia's GDP expanded by 3% in 2023, supported by continued growth in household spending, a further recovery in tourism activities, and higher investment growth. Looking ahead, economic growth will benefit from resilient dosmetic expenditure, improvement in external demand, and continued progress in tourist arrivals. The Malaysian real estate investment trusts (REITs) market is anticipated to experience healthy growth, particulary in the retail segment, supported by sustained occupancy and positive rental reversions.

Amidst the increasing influx of new office supply, our office portfolio is poised to maintain stability with secured long-term leases from high-quality tenants. The Manager's unwavering commitment to enhancing property value remains steadfast, achieved through strategic AEI and organic growth.

Looking ahead, the Manager is dedicated to further enhancing property value and upholding the prestige of its assets. This commitment is evident through proactive asset enhancements and top-tier asset management practices, aimed at optimising returns for unitholders.

The retail podium of Menara 3 PETRONAS will continue to leverage Suria KLCC's position as a dynamic and engaging destination for shoppers and visitors alike. This commitment is underscored by its experiental retail model, continuous revitalisation of its offerings and ability to move with market dynamics.

MATERIAL LITIGATION

The Manager is not aware of any material litigation since the balance sheet date as at 31 December 2023 up to the date of this report.

CIRCUMTANCES WHICH MATERIALLY AFFECT THE INTERESTS OF UNITHOLDERS

The Manager is not aware of any circumstances which materially affect the interests of unitholders.

DIRECTORS OF THE MANAGER'S BENEFITS

During and at the end of the financial period, no Director of the Manager has received or become entitled to receive any benefit, by reason of a contract made by the Fund or a related corporate with the Director or with a firm of which the Director is a member, or with a company in which the Director has substantial financial interest.

There were no arrangements during and at the end of the financial period, which had the object of enabling Directors of the Manager to acquire benefits by means of the acquisition of units in or debentures of the Fund or any other body corporate.

MANAGER'S FEE

For the financial year ended 31 December 2023, the Manager's fee comprised the following:

- 1. Base fee of RM28.6 million, calculated at 0.3% per annum of Total Asset Value
- 2. Performance fee of RM16.5 million, calculated at 3.0% per annum of Net Property Income

The Manager's total management fee of RM45.1 million represents 0.6% of NAV of KLCC REIT.

Except for expenses incurred for the general overheads and costs of services which the Manager is expected to provide, that falls in the normal expertise of the Manager, the Manager has the right to be reimbursed the fees, costs, charges, expenses and outgoings incurred by it that are directly related and necessary to the business of KLCC REIT.

SOFT COMMISSION

During the year, the Manager did not receive any soft commission from its broker, by virtue of transactions conducted by the Fund.

A City Park Like No Other

For 25 years, as Kuala Lumpur transformed into a metropolis pulsing with commercial activity, its very centre has remained green, an oasis of calm and serenity. This is KLCC Park, a 50-acre urban botanical treasure that has taken natural conservation to the highest level while serving the needs of local communities. Designed by renowned Brazilian landscape artist Roberto Burle Marx, the park — boasting world-class facilities for people of all ages, has been meticulously maintained as a masterpiece of social and environmental intersection. While contributing to carbon capture and biodiversity, it also creates social cohesion and heightens people's well-being.

Its exceptional systainability attributes have led to the park winning a series of awards, the most notable being a Silver at the 2020 Large Urban Parks Awards presented at the World Urban Park Congress. We at KLCCP Stapled Group are proud of this nature wonderland and are committed to maintaining it as the stunning green emerald in our crown.

Sustainability a KLCC

As the country's largest internally managed Stapled Security, engaged in investment holding, property investment and the provision of management services, we bear the responsibility of showcasing leadership not solely within our business domains but also in our interactions with growth and future of our organisation and stakeholders. It is imperative that our actions have a

Aligned with the UN2030 Agenda, our strategic framework revolves around the critical dimensions of Prosperity, Planet, People, and Peace. Beyond mere compliance, our approach is geared towards delivering financial prosperity, environmental protection,

Our organisational commitment encompasses

- Pragmatic management of material sustainability matters, encompassing a comprehensive assessment of risks and opportunities inherent in our industry.
- Fostering lasting and sustainable business values that align with stakeholders, customers, and the wider community.
- Reduction of environmental impacts and carbon emissions arising from our operations.
- Prioritisation of stakeholder well-being, safety, and security as a fundamental operational philosophy.
- Adherence to the highest standards of governance in all aspects of our business operations.

This commitment is further manifested through a meticulously formulated 5-Year Sustainability Roadmap (2019-2023). This roadmap is designed to fortify our organisational purpose and accomplish three overarching goals:

As the current roadmap concludes in 2023, we are poised to continue our journey to enhance our impact and sustainable value by continuing with an improved roadmap.

Our unwavering dedication is underscored by a rigorous measurement of our sustainability performance against the UNSDG. This commitment propels us toward contributing meaningfully to environmental sustainability, fostering a secure and vibrant environment for our community, creating growth opportunities, and upholding the highest standards of integrity and human rights.

ESG AT THE

KLCCP Stapled Group has always believed in operating responsibly in order to create value for our stakeholders while protecting the environment. Over the years, the Group has adopted a more structured approach to sustainability, conducting a materiality assessment to determine the issues that are most pertinent for us to address (our material sustainability matters), and benchmarking these against global frameworks such as the United Nations' Sustainable Development Goals (UNSDG).

Office: 12.0% Retail: 18.0% Hotel: 15.0%

100% removal of single use plastics in hotel

Key Achievements in 5 Years (2019-2023)

- Carbon emissions has been reduced beyond the target set with the following achievement of reduction in 2023:
 - Office: Reduced by 19.8%
 - Retail: Reduced by 33.6%
 - Hotel: Reduced by 13.0%
- Energy consumption has been reduced beyond the target set with the following achievement of reduction in 2023:
 - Office: Reduced by 8.5%
 - Retail: Reduced by 31.4%
 - Hotel: Reduced by 7.9%
- The following water consumption reduction was achieved in 2023:
 - Office: Reduced by 9.2%
 - Retail: Reduced by 24.2%
 - Hotel: Reduced by 8.6%
- The following waste generation reduction was achieved in 2023:
 - Office: Reduced by 46.0%
 - Retail: Reduced by 23.0%
 - Hotel: Increased by 5.5% (due to higher occupancy)
- 100% removal of single use plastics in hotel has been achieved.

DEAR SHAREHOLDERS,

KLCCP Stapled Group has always adopted a responsible stance in balancing our financial performance with the creation of positive Environmental, Social and Governance (ESG) outcomes. As climate change and energy management issues are becoming more critical, we have stepped up to the challenge of reviewing our operations and re-setting our sustainability priorities.

▶ Together towards a

2023 was pivotal for KLCCP Stapled Group's sustainability agenda, as the year marked the completion of our first 5-Year Sustainability Roadmap and preparations for its successor. During the year, we also conducted an extensive review of our material sustainability matters and, for the first time, ranked them according to their significance. both internally and externally.

Not surprisingly, Climate Change and Energy Management emerged as our topmost sustainability priority. According to the United Nations Environment Programme (UNEP), about 37% of global carbon emissions are from commercial buildings, hence our responsibility to ensure the most efficient use of energy in our portfolio of assets. Cognisant of this, one of the three sustainability goals we outlined along with our first sustainability roadmap was "Combating Climate Change and Reducing Environmental Impacts".

Various targets were set for this and the other two sustainability goals, namely "Building a Smart, Safe and Sustainable KLCC Precinct" and "Building an Agile, Inclusive and Sustainable Workforce in a Volatile, Uncertain, Complex and Ambiguous (VUCA) World".

In terms of our environmental performance, our total carbon emissions and energy consumption increased by 3% and 5% year-on-year respectively, mainly due to higher occupancy rates in our hotel. Towards achieving the 25% emissions reduction target by 2030 (from a 2019 baseline), we have established a Carbon Reduction Strategy based on energy efficiency and the adoption of renewable energy. We are also establishing reduction targets for each operating and business unit, ensuring a higher level of responsibility and accountability Group-wide.

"

2023 WAS PIVOTAL FOR KLCCP STAPLED GROUP'S SUSTAINABILITY AGENDA, AS THE YEAR MARKED THE COMPLETION OF **OUR FIRST 5-YEAR** SUSTAINABILITY ROADMAP AND PREPARATIONS FOR ITS SUCCESSOR. J.

Our longer-term goal is to become a net zero carbon organisation by 2050. This requires even greater commitment including enhanced transition investment. As a start, we are expanding our reduction initiatives to encompass Scope 3 indirect emissions, such as emissions from employees' commute and business travel. Monitoring and measurement of these emissions will begin in 2024.

Underlining our commitment to climate change adaptation and management, we have engaged the services of a consultant to help establish a framework for reporting based on Task Force on Climate-related Financial Disclosures (TCFD) recommendations. The process began in 2023 with a capacity building workshop for our leadership team and other key sustainability players. A gap analysis is ongoing and we hope to start reporting based on the recommendations in our next annual report, a year ahead of the deadline set by Bursa Malaysia.

Just as we are increasing our focus on environmental issues, we are pressing ahead with our social and governance commitments. Globally, there has been increasing focus on diversity and inclusion at the workplace as well as the observance of human rights. We recognise these as areas where there is scope for more structured policies and procedures, and are working to fill the

gaps. In 2024, we will be launching our Human Rights Policy along with enhanced due diligence processes including social risk assessments.

We are further strengthening a culture of sustainability through more robust governance and by nurturing a sustainability mindset across the Group. Towards the former, we have embarked on sustainability training for our Board of Directors. Our directors as well as our leadership team participated in a half-day session on "Creating Impactful Leadership for Sustainability" on 5 December 2023. In addition, our leadership team attended a Net Zero Carbon Emissions masterclass facilitated by PETRONAS' Corporate Sustainability Office. To promote sustainability awareness among all employees and encourage the adoption of sustainable choices as well as lifestyles, a series of talks and activities was organised throughout the month of September. Our employees were also required to complete two sustainability e-learning modules

As an organisation, we subscribe to and are committed to sustainability because we firmly believe sustainability issues will shape our future. Nevertheless, it is always heartening to be recognised for our initiatives. This year, we were very pleased to receive top awards at two industry events. We won Platinums in the ESG and CSR Leadership category at the 15th Annual Global CSR & ESG Summit & Awards 2023: as well as at the Asset ESG Corporate Awards 2023.

These awards are the result of the efforts put in by the entire KLCCP Stapled Group team, and I would like to thank each member for your commitment to our sustainability journey. Rather than rest on our laurels, we are aiming for more and achieve even greater success. The objective is not only to future-proof KLCCP Stapled Group, but also to contribute towards a better, more equitable and sustainable future for everyone.

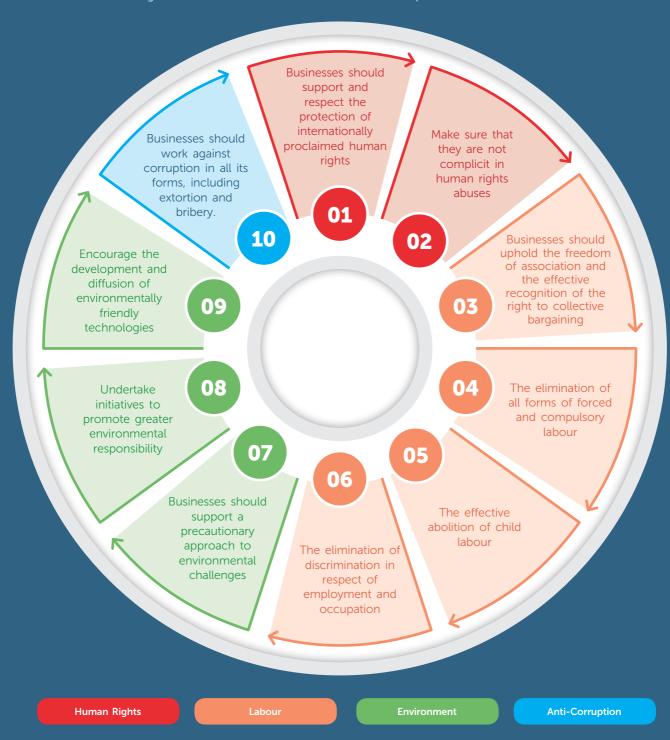

Our Contribution to UNSDG

KLCCP Stapled Group remains dedicated to advancing the United Nations Sustainable Development Goals (UNSDG) by actively pursuing goals and targets that align with our business purpose and strategies. Our 2023 Sustainability Report follows the guidance of the World Economic Forum's Stakeholder Capitalism Metrics, harmonising with the UN2030 Agenda for Sustainable Development and its 17 UNSDG.

We consistently update the UN Global Compact on our progress through the Communication on Progress (CoP) platform, endorsing The Ten Principles on Human Rights, Labour, Environment, and Anti-Corruption. This reinforces our commitment to the UNSDG and reflects our global vision for inclusive and sustainable development.

Ensure healthy lives and promote wellbeing for all at all ages

UNSDG Targets

3.9

By 2030, substantially reduce the number of deaths and illnesses from hazardous chemicals and air, water and soil pollution and contamination

Our Contribution

Responsible hazardous waste management in all our assets and operations, in compliance with the Environmental Quality (Scheduled Waste)
Regulations 2005

Zero cases of occupational illness or disease recorded in 2023

Achieve gender equality and empower all women and girls 5.5

Ensure women's full and effective participation and equal opportunities for leadership at all levels of decision-making in political, economic and public life 50% women directors on the Boards

44% of management level staff and above, are women

39% of our employees are women

Ensure availability and sustainable management of water and sanitation for all 6.4

By 2030, substantially increase water-use efficiency across all sectors and ensure sustainable withdrawals and supply of freshwater to address water scarcity and substantially reduce the number of people suffering from water scarcity

KLCCP Stapled Group has continually implemented water conservation efforts in our assets. In 2023, we achieved the following reductions from our base year 2015 data, in the following segments:

Office: 9.2% Retail: 24.2% Hotel: 8.6%

Ensure access to affordable, reliable, sustainable, and modern energy for all 7.1

By 2030, ensure universal access to affordable, reliable, and modern energy services

7.2

By 2030, increase substantially the share of renewable energy in the global energy mix 57 Electric Vehicle (EV) Chargers at car parks available within KLCC Precinct to date

440,468 kWh of renewable energy was generated from solar PV panels installed at Suria KLCC's rooftop

Promote sustained, inclusive, and sustainable economic growth, full and productive employment, and decent work for all 8.8

Protect labour rights and promote safe and secure working environment for all workers, including migrant workers, in particular women migrants, and those in precarious employment KLCCP HSE policy commits and strives to provide a safe working environment for all employees.

We recorded zero fatalities in 2023

Our Occupational Safety and Health management system is ISO45001 certified, audited annually by an external certification body. We also achieved Zero Non-conformity Report (NCR) from the assurance process

Our Contribution to UNSDG

Make cities and human settlements inclusive, safe, resilient, and sustainable

UNSDG Targets

11.6

By 2030, reduce the adverse per capita environmental impact of cities, including by paying special attention to air quality and municipal and other waste management

Our Contribution

In 2023, the Group attained notable waste diversion rates through a combination of initiatives focused on waste prevention, reduction, recycling, and composting:

Office: 3% Retail: 12% Hotel: 31%

Ensure sustainable consumption and production patterns

12.2

By 2030, achieve the sustainable management and efficient use of natural resources

Eliminated 100% of single-use plastic in hotel operations

We managed to achieve the following waste diversion rates:

Office: 3% Retail: 12% Hotel: 31%

12.3

By 2030, halve per capita global food waste at the retail and consumer levels and reduce food losses along production and supply chains, including post-harvest losses

12.4

By 2020, achieve the environmentally sound management of chemicals and all wastes throughout their lifecycle, in accordance with agreed international frameworks, and significantly reduce their release to air, water and soil to minimise their adverse impacts on human health and the environment

12.5

By 2030, substantially reduce waste generation through prevention, reduction, recycling, and reuse

12.6

Encourage companies, especially large and transnational companies, to adopt sustainable practices and to integrate sustainability information into their reporting cycle

MOKUL Hotel composted 239 tonnes of food waste (25% of total waste generated)

Responsible hazardous waste management in all our assets and operations, in compliance with the Environmental Quality (Scheduled Waste) Regulations 2005

We managed to achieve the following waste diversion rates:

Office: 3% Retail: 12% Hotel: 31%

The Group discloses our sustainability data in the ESG World Platform on our corporate website

The Group was recognised by The Asset with a Platinum Award for excellence in Environmental, Social and Governance practices for four consecutive years

UNSDG Targets

13 CLIMATE ACTION

Take urgent action to combat climate change and its impacts 13.1

Strengthen resilience and adaptive capacity to climate-related hazards and natural disasters in all countries

13.3

Improve education, awarenessraising and human and institutional capacity on climate change mitigation, adaptation, impact reduction and early warning

Our Contribution

Engaged an external consultant to pursue disclosures aligned with the TCFD Recommendations. We are currently under the process of gap analysis

Conducted training for Senior Management on the company's Net Zero Carbon Emissions Pathway in 2023.

Inclusion of climate related information in the Sustainability Awareness Talk, as part of KLCC Sustainable September 2023 campaign

Promote peaceful and inclusive societies for sustainable development, provide access to justice for all and build effective, accountable, and inclusive institutions at all levels

16.5

Substantially reduce corruption and bribery in all their forms

Zero corruption cases in 2023

Profile of Shariah Adviser

ABOUT THE SHARIAH ADVISER, CIMB ISLAMIC BANK BERHAD (CIMB ISLAMIC)

As the Shariah Adviser to KLCC REIT, CIMB Islamic is providing necessary advice to ensure that KLCC REIT business is Shariah compliant.

CIMB Islamic is CIMB Group's global Islamic banking and finance services franchise. It is headquartered in Kuala Lumpur and offers innovative and comprehensive Shariah-compliant financial solutions in consumer banking, wholesale banking, investment banking, private banking, as well as wealth and asset management products and services. It is part of the fifth largest banking group in ASEAN.

CIMB Islamic is licensed under the Malaysia's Islamic Financial Services Act 2013 and is an approved Shariah Adviser as per the Guidelines for Shariah Advisers issued by Securities Commission.

This enables CIMB Islamic to provide a wide range of products and services to commercial, corporate, and institutional customers across ASEAN, the Middle East, South Asia, North Asia, and major international financial centres. Its products and operations are managed in strict compliance with Shariah principles under the guidance of the CIMB Islamic Shariah Committee, which comprises the industry's leading Islamic Scholars.

CIMB Islamic is free from any conflict of interest with KLCC REIT, which could impair their objectivity and independence. CIMB Islamic has not been convicted for offences within the past 7 years or been imposed with any penalty by the regulatory bodies relevant to the REIT during the financial year.

PROFILE OF DESIGNATED PERSON RESPONSIBLE FOR SHARIAH MATTERS RELATING TO KLCCP STAPLED GROUP

AHMAD SUHAIMI YAHYA

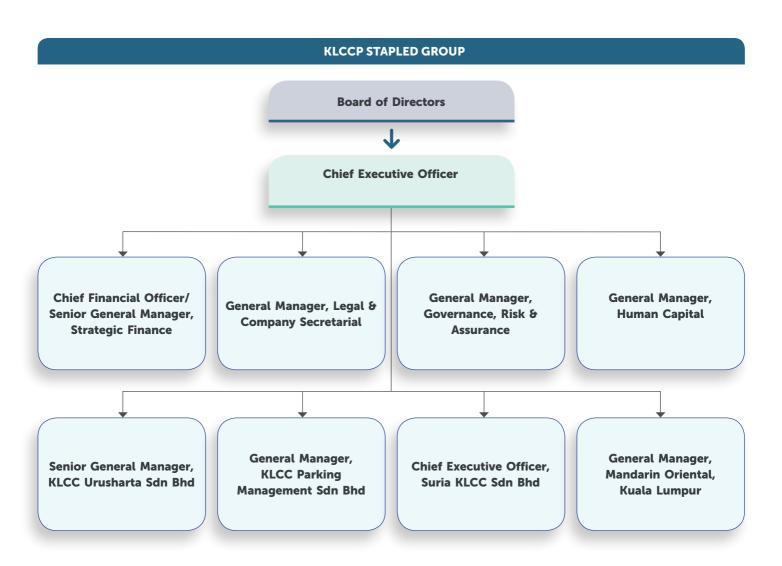

Director & Regional Head

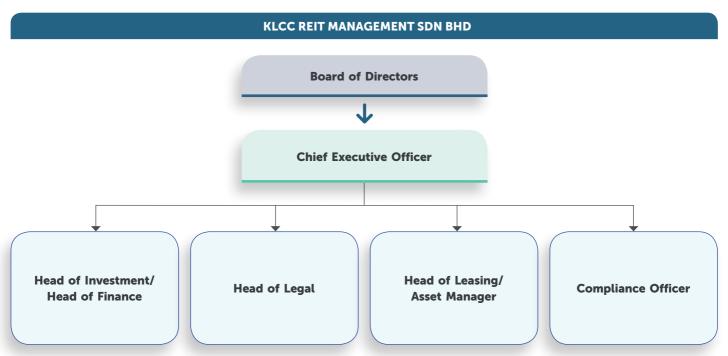

Ahmad Suhaimi is currently the Regional Head, Shariah Advisory & Governance, CIMB Islamic Bank and brings with him over 29 years worth of experience in figh al-muamalat (Islamic commercial law) and Islamic finance. Prior to joining CIMB, he was the Chief Shariah Officer of Hong Leong Islamic Bank Berhad ("HLISB"), Chief Regional Shariah Officer of Kuwait Finance House (Malaysia) Berhad ("KFHMB"), Senior Vice President and Head of Shariah of RHB Islamic Bank Berhad ("RHBIB"). Before joining RHBIB, he was the in-house Shariah Advisor and the Director of Shariah Division of KFHMB. He was one of the pioneer staff of KFHMB, the first foreign Islamic bank licensed by Bank Negara Malaysia ("BNM"). Before joining KFHMB, he had served the Securities Commission Malaysia ("SC")'s Islamic Capital Market. He also has experience in teaching Shariah (Islamic Law) and lectured at the International Islamic University Malaysia ("IIUM") before joining SC.

He is currently a member of the High Shariah Supervisory Board of Central Bank of Oman ("CBO"), Exco member (Secretary) of Association of Shariah Advisors in Islamic Finance (ASAS), a member of Accreditation and Exemptions Review Panal (AEP) for the CIIF'S Chartered Professional in Islamic Finance (CPIF) Programme and a member of Board of Studies, Kolej Pengajian Islam Johor ("MARSAH"). He was appointed as a member of the Shariah Advisory Council of Securities Commission Malaysia from 2010-2012, a member of Panel Pakar Muamalat JAKIM, a member of BNM's Industry Committee for Shariah Standard Review 2013, Board of Studies, IIUM Institute of Islamic Banking and Finance ("IIiBF") in 2011 and the Chairman of Shariah Governance Committee, Association of Islamic Banking Institutions Malaysia ("AIBIM"). He was also the Shariah Advisor of KFH Investment Co. in Kuwait 2014-2015.

He holds a degree in Shariah from the Al-Azhar University, Egypt and Master degree in Shariah from Cairo University, Egypt with First Class Honours. He also holds a professional certification as a Certified Shariah Advisor and Auditor (CSAA) by Accounting and Auditing Organisation for Islamic Financial Institutions ("AAOIFI") in Bahrain and Certified Shariah Advisor (CSA) by ASAS.

Organisation Structure

CHAIRMAN'S CORPORATE GOVERNANCE OVERVIEW STATEMENT

DEAR SHAREHOLDERS,

On behalf of the Board of Directors (Boards), I am pleased to present the KLCCP Stapled Group (Group) Corporate Governance Overview Statement (CG Statement) for the financial year ended 31 December 2023.

The Boards are collectively responsible for the sustainable long-term performance, economic value and growth of the Company. The Boards remains committed to building resilience through the adoption and strengthening of corporate governance policies and practices of the Group to ensure long-term business sustainability in a fast-evolving and transforming business landscape.

As a Group, we are resolved in delivering long-term returns to our shareholders. We are able to do this premised largely on the important principles of good governance, accountability, transparency and integrity. We embrace these principles and ingrain them in our shared values, goals and practices to enable us to drive responsible growth and robust business performance.

Our corporate governance framework encompasses a rigorous, and diligent decision-making process which provides clarity to decisions being made. It helps to ensure that a strong level of governance is maintained, enabling the Company to embed the governance culture that exists within the organisation as part of building a sustainable business for all our stakeholders.

This Statement gives a general overview of the activities of the Boards and the Board Committees throughout the year under review and how the Boards continues to pay high regard to corporate governance and internal control in all aspects of the organisation.

Comprising a majority of Non- Executive Directors, the Boards' structure is designed to ensure there is a clear balance of responsibilities between the executive and non-executive functions. As Chairman, I am responsible for reviewing and approving strategies and monitor its implementation and performance, in conjunction with the Boards, and for ensuring the effective operation of the Boards. Additionally, my colleagues at the Boards play a critical role in further championing efforts to strengthen the governance practices of the Group.

The Group believes that the highest standards of corporate governance are critical for delivering consistent performance, reflective of its belief that robust governance processes and culture are fundamental to inspiring investor confidence, ensuring long-term shareholder value and protect the interest of stakeholders.

THE BOARD WILL CONTINUE TO PROVIDE GUIDANCE TO THE GROUP FOCUSING ON RESILIENCE AND AGILITY, STRENGTHEN COLLABORATION WITH MANAGEMENT AND BUILD ON IMPROVED GOVERNANCE PRACTICES AND PROCESSES THAT WE HAVE IN PLACE.

As a responsible corporate citizen, the Group acknowledges the need to balance our healthy economic performance with responsible environmental and social considerations that accentuate the Group's sustainable development practices. As we continue our sustainability journey, our ultimate aim is to deliver a sustainable performance while ensuring long-term value creation for our stakeholders.

The Boards will continue to focus on further improving governance practices, strengthening oversight of sustainability risks and opportunities and integrating sustainability goals with business strategy and operations as well as promoting meaningful engagement with stakeholders.

In the year ahead, the Boards will continue to provide guidance to the Group focusing on resilience and agility, strengthen collaboration with Management and build on improved governance practices and processes that we have in place.

I am pleased to report that the Group has complied with the relevant provisions of the Listing Requirements of Bursa Securities, the Corporate Governance Guide – 3rd Edition issued by Bursa Securities and the Companies Act 2016. The status and the Company's application of the Practices of the MCCG 2021 (MCCG) are explained in the Corporate Governance Report which is available to the public on the Company's corporate website at www.klcc.com.my. I am pleased to inform that we have substantially applied the Practices enumerated in the MCCG.

Tan Sri Ahmad Nizam Bin Salleh

Chairman

Corporate Governance Overview Statement

The Board is pleased to introduce the 2023 Corporate Governance Overview Statement ("CG Statement") describing the governance practices relating to operations of the Board and its Committees and how the Board has discharged its responsibilities during the year under review.

The purpose of this statement is to explain how the Board assessed the Group's governance environment with informed decisions to secure a commitment to high standards of corporate governance.

The strength of the Board's leadership is assessed through the clarity of the actions it takes and transparency surrounding the standards, processes and culture it ultimately sets.

This CG Statement manifests how Board measures are aligned with the principles of good governance of the Malaysian Code on Corporate Governance ("MCCG") specifically the following key corporate governance principles in the MCCG: PRINCIPLE **PRINCIPLE PRINCIPLE Effective Board** Integrity in leadership audit and corporate and risk reporting effectiveness management and meaningful relationship with stakeholders

The CG Statement also reports on the manner the Group has adopted and applied the principles and best practices set out in the following requirements/guides:

- Guidelines on Conduct of Directors of Listed Corporations and the Subsidiaries published by the Securities Commission ("SC")
- Companies Act 2016
- Malaysian Code on Corporate Governance 2021
- Main Market Listing Requirements ("Listing Requirements") of Bursa Malaysia Securities Berhad ("Bursa Securities")
- Guidelines on Listed REIT
- Developments in market practice and regulations
- Other applicable rules and regulations

The Group has applied the Practices encapsulated in the MCCG for the year under review with the exception of Practice 8.2 and Practice 8.3 – Step Up.

This statement is to be read with the Corporate Governance Report ("CG Report") which contains details on the application of each of the Practices as well as the departures and alternative measures established within the Group. The CG Report is available on the KLCCP Stapled Group's corporate website at www.klcc.com.my.

An important role of corporate governance is to ensure sustainable long-term performance, maximise returns for our stakeholders and create long-term economic value and growth.

Amidst an increasingly challenging business environment, the Board is committed to strengthening the Group's corporate governance practices and processes to effectively meet growing operating challenges.

Prudent leadership of the Board coupled with strategic management guidance define how the Group safeguards stakeholders. The governance framework supports this approach and its emphasis on diligent and effective controls. The Board inspires its Leadership Team to drive robust business performance and strategies execution upon effective governance and financial practices.

The Board works to ensure that the Group's governance structure continues to remain appropriate and that it keeps abreast with relevant corporate governance and regulatory requirements.

The Governance Framework, its structure and processes, are built upon the Terms of Reference ("TOR") of the Board Committees which are complemented by Limits of Authority and supported by the various management committees, policies and procedures.

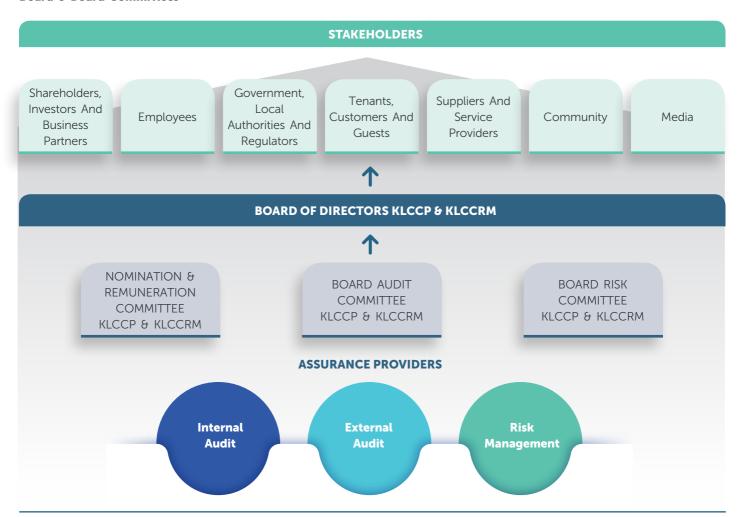

^{*} Note: In this report, unless the context otherwise requires any reference to singular number shall be deemed to include the plural number and vice versa

Q

The Governance Framework is depicted below:

THE GOVERNANCE FRAMEWORK

Board & Board Committees

Corporate Governance Overview Statement

BOARD LEADERSHIP AND EFFECTIVENESS

Board Responsibilities

The Board is responsible for the overall leadership of the Group and for promoting its long-term sustainability and success by providing leadership within a framework of prudent and effective controls.

The Board safeguards stakeholder value-creation. The Board ensures that the strategic plan of the Group supports long-term value creation and includes strategies on economic, environmental, social and governance ("ESG") considerations thereby strengthening the sustainability in the Group's operations. Through sustainability practices, the Group is more flexible, able to create durable and sustainable value and eventually maintains the confidence of its stakeholders.

The Board is entrusted with the responsibility to promote the success of the Group by directing and supervising the Group's affairs in a responsible and effective manner. Each Director has a duty to act in good faith and in the best interest of the Company. The Directors are aware of their collective and individual responsibilities to all shareholders for the manner in which the affairs of the Company is managed, controlled and operated. The Board is satisfied that it has fulfilled these duties and obligations during the year under review.

In discharging the Board's duties and responsibilities effectively, the Board is guided by KLCC Property Holdings Berhad ("KLCCP")'s Board Charter, which provides the framework for the performance of the Board's functions and duties vis-a-vis Management and the Group. The Board Charter has been developed to give prominence to the Board's commitment to high standards of corporate governance. It adopted best practices, applicable rules and regulations, process and procedure to guide the Board in discharge of its duties and functions.

The roles of Chairman and CEO are held by separate individuals, and their responsibilities are also well defined in the Board Charter. The Chairman of the Board is not a member of the Board Committees. This is to ensure the objectivity of the Chairman and the Board is not impaired, particularly during deliberation on the recommendations put forth by the Board Committees.

The Board has a schedule of matters specifically reserved to it for decision and has approved the TOR of the various Board Committees, namely the Board Audit Committee ("BAC"), Nomination and Remuneration Committee ("NRC") and Board Risk Committee ("BRC"). The Board has delegated its authority in certain matters to these Board Committees to support the Board in the performance of its duties and responsibilities.

While appropriately delegating its authority to Board Committees and Management, each Board does not abdicate its responsibility and exercises at all times, collective oversight of them. Each Board further ensures that it does not leave the management of the Company's affairs to the Board Committees without committing a breach of duty and that the Directors remain responsible for the exercise of such powers.

The constitution of KLCCP. Board Charter as well as the respective TOR of the BAC, NRC and BRC are available on the KLCCP Stapled Group's corporate website at www.klcc.com.my.

👣 To read more on leadership and effectiveness of the Board, please refer to the NRC Report, BAC Report, Statement of Risk Management and Internal Control, and Sustainability Report of this Integrated Annual Report.

ii) Board Conduct

All Directors commit themselves to ethical business and lawful conduct, including proper use of authority and appropriate decorum when acting as Board members.

All Directors discharge their fiduciary duties and responsibilities at all times in the best interests of the Group.

In directing or managing the Group's business and affairs, the Board exercises reasonable care, skill and diligence by applying the members' knowledge, skill and experience.

The Board ensures that key transactions or critical decisions are deliberated and decided by the Board in a meeting. The Board also ensures that decisions and basis for those decisions, including any dissenting views are made known and properly minuted.

CHAIRMAN/ NON-INDEPENDENT NON-EXECUTIVE **DIRECTOR**

EXECUTIVE DIRECTOR

INDEPENDENT NON-EXECUTIVE DIRECTORS

NON-INDEPENDENT NON-EXECUTIVE DIRECTOR

MALE Directors

FEMALE Directors

iii) Board Composition and Diversity

The Board recognises the need for it to strategically evolve as a dynamic board in accordance with the strategic direction of the Group. Hence, the Board actively reviews its composition to ensure the right balance of independence and diversity to effectively discharge its collective responsibilities. Diversity is important to ensure the Group remains relevant and sustainable in the rapidly transforming and evolving business environment. In this regard, the NRCs are responsible for reviewing the Board composition periodically and to make recommendations to the Board. Further activities of the NRC are provided in the NRC Report.

As of the date of this report, the Boards of KLCCP and KLCC REIT Management Sdn Bhd (KLCCRM) consist of 63% Independent Non-Executive Directors ("INEDs"). Each Board currently consists of eight (8) members, led by a Non-Executive Chairman, and supported by one (1) Executive Director as well as six (6) Non-Executive Directors. Five (5) of the Non-Executive Directors fulfil the criteria of independence, as defined in the Listing Requirements of Bursa Securities, while the remaining two (2) Non-Executive Directors [including the Chairman] are Non-Independent Non-Executive Directors ("NINEDs").

The current overall Board composition is diverse in terms of age, gender including varied skills, experience and knowledge enabling them to provide effective oversight, strategic guidance and constructive challenge, examines proposals on strategy and empowers the CEO to implement strategies approved by the Board. This is to ensure diversity and inclusiveness of views as well as to facilitate effective decision-making and constructive deliberation during its meetings. The Board Diversity Policy aims to achieve 30% women directors in line with the country's aspirational target of 30% representation of women directors. To-date, the representation of women directors on the Board is 50%.

The Board Diversity Policy, which is approved by the KLCCP Board and applicable to KLCCRM, is available on the KLCCP Stapled Group's corporate website at www.klcc.com.my. Further details on the Board Diversity Policy are described in the CG Report.

Corporate Governance Overview Statement

BOARD LEADERSHIP AND EFFECTIVENESS

iv) Directors' Independence

The Board recognises the important contributions of INEDs to good corporate governance. The INEDs play a significant role in providing unbiased and independent views, advice and judgement which bring objective and scrutiny to the Board's deliberation and decision-making. Their role is also important to protect the interests of minority shareholders. All Directors, regardless of their independent status, are required to act in the best interests of the Group and to exercise unfettered and independent judgement. Thus, the Board is also of the view that all Directors have exercised independent judgement at all times.

In line with the Listing Requirements of Bursa Securities, none of the INEDs of KLCCP and KLCCRM would exceed a cumulative term limit of nine (9) years. The Board has adopted the policy to limit the tenure of INEDs up to nine (9) years as recommended by the MCCG.

Board decisions are made taking into account the views of the INEDs which carry substantial weight. The INEDs fulfil their roles in ensuring that strategies proposed by Management are deliberated and examined taking into account the interests of the shareholders and stakeholders. Their role is also particularly critical for related party transactions as these require independence of judgement and objective impartiality to protect the interests of minority shareholders.

To date all the INEDs satisfy the following criteria:

- a) Independent from Management and free from any business or other relationship which could interfere with independent or the ability to act in the best interests of the Company.
- Not involved in the day-to-day operations of the Company other than when collective Board approval is required.
- c) Declared their interest or any possible conflict of interest in any matter tabled prior to the commencement of Board meetings.

Based on the outcome of the BEE for the year under review, all the INEDs had scored highly and there was no conflicts of interest that could have affected their independent judgement.

The Board also believes that each INED has retained his/her independence throughout his/her tenure and had not under any circumstances formed any association with Management that might compromise his/her ability to exercise independent judgement that could ultimately affect the interest of stakeholders.

v) Directors' Appointment, Resignation and Reelection

The appointment, resignation and re-election of Directors are governed by the Companies Act 2016, Listing Requirements of Bursa Securities, Guidelines on Listed REIT, other applicable rules and regulations as well as the best practices of MCCG. The NRC reviews the size, structure, diversity and composition of the Board and makes recommendations on new appointments by taking into consideration the Board Skills Matrix and the Board Diversity Policy and ensures that the appointment process is rigorous and transparent. The re-election of Directors is recommended by the NRC based on the satisfactory performance of the Directors concerned and their contribution to the Board.

In addition, the Group practices a formal and transparent process on the appointment of new Directors. The nomination of NINED to the Board is made by major shareholder of the Group. The nomination of INEDs to the Board is made through external sources to find the most suitable candidates to fill the vacant positions or via recommendations by the Board members.

In order to promote objectivity and independent judgement in line with the best practices of the MCCG, the Board ensures that no person is to be appointed, reappointed, elected or re-elected as a director of the Board, or continue to serve as a director if the person is or becomes an active politician.

Further, the Board also observes a cooling-off period of three (3) years before any appointment of any professional advisors or consultants, including former audit partners and its affiliates, as independent directors to the Board. 🧷 To read more on the appointment, resignation, re-election of Directors, and directors' appointment process, please refer to the NRC Report

the Board.

Pursuant to the Listing Requirements and the respective Constitutions of KLCCP and KLCCRM, one-third of the Directors for the time being shall retire from office once at least in each three (3) years and shall be eligible for re-election at the Annual General Meeting ("AGM").

In addition, the Director appointed via a casual vacancy or an addition to the existing Board shall hold office only until the conclusion of the next AGM and shall be eligible for re-election at such meeting.

contained in this Integrated Annual Report.

vi) Board Meetings and Access to Management, Company Secretaries, Information and External Experts

All Directors are encouraged to declare their time commitment to the Board and to notify the Chairman of each Board before accepting any new directorship in other public listed companies and that the new directorship would not unduly affect their time commitments and responsibilities to the Board. The Board believes that all members must be equally responsible for their overall core responsibilities.

The Board meets at least quarterly to approve, inter alia, the strategic plans and direction for KLCCP Stapled Group, the annual business plans and budgets, operational and financial performance reports, investment and capital expenditures, and quarterly reports and to review the business performance of the KLCCP Stapled Group.

Management proposes the agendas for upcoming meetings of Board Committees and Board. Once the agendas have been finalised, all meeting papers are uploaded onto an electronic Board paper system, which provides immediate and secured access by the Board members. The Agendas and meeting papers are uploaded into the electronic Board paper system at least six (6) days prior to the meetings.

The Board will be continuously updated by the CEO on the business and operations of the Group through CEO briefings to the Board which forms part of the Board agendas.

At each Board meeting, the Chairman ensures adequate time is allocated for thorough deliberation on key issues, including the Committee Chairs to report on the contents of discussions and any recommendations to the Board which require approval and the actions to be taken by

Board meetings for the year are scheduled in advance before the start of the financial year. Additional meetings are convened on an ad hoc basis to deliberate on urgent and important matters. Sufficient notices are duly given for all scheduled and additional meetings of the Board.

To avoid any conflict of interest, all Board members must immediately declare their interests in transactions to be deliberated by the Board. The nature of their interest should be disclosed at a Board meeting or as soon as practicable after the Board member become aware of the conflict of interest. The interested Board member must abstain from participating in the deliberation and Board decision on the matter as he/she is an interested party.

During the year under review, four (4) Board Meetings of KLCCP and four (4) Board Meetings of KLCCRM were held respectively. The proceedings of all meetings of the Board including all issues raised, enquiries made and responses thereto, were also presented and recorded in the minutes of the respective Boards meetings. Where necessary, decisions have been taken by way of circular resolutions. The respective Chairmen of BAC, NRC and BRC also update the Board on the proceedings of their respective Committee meetings.

The Directors' commitment in carrying out their duties and responsibilities is reflected by their attendance at the Board and Board Committees meetings held during the year under review. The Board is satisfied that each Director has devoted sufficient time to effectively discharge his/her responsibilities.

Corporate Governance Overview Statement

BOARD LEADERSHIP AND EFFECTIVENESS

KLCCP and KLCCRM Board Meetings attendance for the year under review is as follows:				
	No. of Meetings Attended			
Directors	KLCCP	KLCCRM		
Executive				
(i) Datuk Md. Shah bin Mahmood (Chief Executive Officer)	4/4	4/4		
Non-Executive				
(ii) Tan Sri Ahmad Nizam bin Salleh (Chairman)	4/4	4/4		
(iii) Liza binti Mustapha	4/4	4/4		
(iv) Farina binti Farikhullah Khan	4/4	4/4		
(v) Dato' Jamaludin bin Osman	4/4	4/4		
(vi) Chong Chye Neo	4/4	4/4		
(vii) Dato' Sr. Mazuki bin A Aziz	4/4	4/4		
(viii) Datin Noor Lily Zuriati binti Abdullah	4/4	4/4		

The Board members are supported by Company Secretaries who provide advisory services to the Board, particularly on corporate governance and compliance issues, including compliance to the relevant rules/procedures, laws and regulatory requirements. The details of the Company Secretaries relating to qualifications, training programmes attended, and others are disclosed in the CG Report. All Directors have unrestricted access to the advice and services of the Company Secretaries.

The Directors also have direct access to Management and unrestricted access to any information relating to the Group in discharging their duties. The Board seeks advice from Management concerned as they may require and are able to interact directly with Management regarding any aspect of the KLCCP Stapled Group's operations or businesses under its purview. Management is invited to attend Board meetings to give an update and report to

the Board on matters pertinent to their respective areas of responsibility, to present new proposals or to brief on actions implemented pursuant to recommendations made by the Board.

Additionally, the Directors may obtain independent professional advice at the Company's expense through an agreed procedure on specific issues that would aid in their deliberations and determination of a decision that would benefit the KLCCP Stapled Group.

The deliberations at the Board Committees and Board meetings are properly recorded and communicated to Management for necessary action. Minutes of Board Committees and Board meetings, which include records of the Board Committees and Board decisions, are properly maintained by the Company Secretary.

vii) Sustainability

The Board deems it fundamental that the Group acts immediately to make a meaningful difference in delivering the future value of the Group's business towards positive environmental and society impact by working with tenants, customers, suppliers, communities and sector peers to achieve the common sustainability goals. The Group also owns those buildings that are energy efficient and resilient to climate change and promote the health and well-being of the occupants and the surrounding areas.

At the Group, sustainable development is viewed as a business imperative, looking beyond financial profitability by balancing ESG considerations in making sound and sustainable business decisions. The Group drives sustainability practices across its business activities, the environment and the wider community. The Group's sustainability framework outlines the Group's cumulative effort to better respond to changing stakeholder concerns, and market conditions.

As testament to the Group's commitment on ESG management, the Group has established a department dedicated to ESG matters, responsible to oversee and steer the day-to-day management on material sustainability matters in the Group.

Being the country's largest Stapled Securities, the Board has the responsibility to demonstrate leadership not only in the business areas but also with the environment and community. It is about investing for the long-term growth and future of the Group and stakeholders, and ensuring that the Group's efforts make a positive and lasting impact on the community, economy and nation.

The Group's sustainability strategy draws guidance from the Listing Requirements, reporting standards such as Global Reporting Initiative Standards and World Economic Forum Stakeholder Capitalism Metrics Index, and the critical dimensions in the 2023 agenda of the United Nations Sustainable Development Goals for sustainable development. The Group is committed to deliver financial value and societal benefits in a responsible and holistic manner, by balancing the economic, environment and social needs of the stakeholders.

The Board represents the highest authority and is ultimately accountable for managing and overseeing sustainability matters (including climate change) of the Group, supported by the Board Risk Committees which receive quarterly updates from the Management who in turn is responsible for strategies on sustainability matters. Together with Management, the Board takes responsibility for the governance of sustainability in setting the Group's sustainability strategies, priorities and targets.

🧷 To read more on the sustainability, please refer to the Sustainability Report of this Integrated Annual Report.

viii) The Boards' 2023 Activities and Priorities

The Boards of KLCCP and KLCCRM are responsible for the long-term success of the Group and are accountable to the holders of Stapled Securities as well as other stakeholders in ensuring that the Group is appropriately managed and achieves the strategic objectives that have been set.

The table below shows the key focus areas for each Board which appear as items on its Board agenda at the respective Board meetings throughout the year under review.

KLCCP

- Reviewed and approved business plans and budget for FY2024 and forecast from FY2025 to FY2028.
- Reviewed projected cash flows and distribution for the KLCCP Stapled Group.
- Oversaw the proper conduct of the KLCCP Stapled Group's business
- Reviewed and approved quarterly results for FY2023 and the audited financial statements of KLCCP for the financial year ended 31 December 2022.
- Reviewed and approved recurrent related party transactions of the KLCCP Stapled Group.
- Reviewed and approved the proposed revision to the Board Charter.
- Reviewed and approved the revision to the Nomination and Remuneration Committee's Terms of Reference.
- Reviewed and endorsed the evaluation findings of the Board, Board Committees and Individual Directors.
- Reviewed and endorsed the re-election of Directors retiring pursuant to KLCCP Constitution and recommended the same for holders of the Stapled Securities' approval.

- Reviewed and recommended Directors' remuneration for the holders of Stapled Securities' approval.
- Reviewed and approved the reports and statements for inclusion into the Annual Report 2022.
- Ensured the implementation of policies, procedures and practices relating to operational and corporate governance.
- Reviewed and approved KLCCP's principal risks with their proposed mitigations, and ensured appropriate measures were implemented to manage these risks.
- Reviewed the adequacy and integrity of the KLCCP Stapled Group's management information and internal control system.
- Determined and approved dividends.
- Reviewed the KLCC Group sustainability matters update and enhancement.
- Reviewed the updates on ISO37001 Anti-Bribery Management System for FY2023.
- Reviewed the Digital Roadmap for KLCC Group.
- Approved the appointment of Joint Company Secretary.
- Approved Sustainability Materiality Assessment 2023.

Corporate Governance Overview Statement

BOARD LEADERSHIP AND EFFECTIVENESS

KLCCRM

- Reviewed and approved budget for FY2024 and forecast from FY2025 to FY2028.
- Reviewed projected cash flows and distributions for KLCC REIT.
- Discussed business strategy.
- Oversaw the proper conduct of KLCC REIT's business.
- Reviewed and approved the quarterly results of KLCC REIT for FY2023 and the audited financial statements of KLCC REIT and KLCCRM for the financial year ended 31 December 2022.
- Reviewed and approved recurrent related party transaction of KLCCRM.
- Reviewed and approved the revision to the Nomination and Remuneration Committee's Terms of Reference.
- Reviewed and endorsed the evaluation findings of the Board, Board Committees and Individual Directors.
- Reviewed and endorsed the re-election of Directors retiring pursuant to KLCCRM's Constitution and recommended the same for shareholder's approval.

- Reviewed and recommended Directors' remuneration for shareholder's approval.
- Reviewed and approved the reports and statements for inclusion into the Annual Report 2022.
- Ensured the implementation of policies, procedures and practices relating to operational and corporate governance.
- Reviewed and approved KLCCRM's principal risks (in respect of KLCC REIT's business activities) with their proposed mitigations, and ensured appropriate measures were implemented to manage these risks.
- Reviewed the adequacy and integrity of KLCC REIT's management information and internal control system.
- Determined and approved income distributions to the holders of Stapled Securities and payments of management fees to the Manager.
- Approved the appointment of Joint Company Secretary.
- Approved Sustainability Materiality Assessment 2023.

ix) Training and Professional Development of Directors

The Board recognises the importance of attending and participating in training and development activities in order to broaden Directors' perspectives and to keep abreast with developments in the marketplace, as well as new statutory and regulatory requirements which would enable them to fulfil their responsibilities.

In this regard, the Company Secretaries provide assistance in Directors' training and development, and to facilitate the onboarding programme for newly appointed Directors.

🧷 To read more on Directors' Training and Professional Development, please refer to the NRC Report of this Integrated Annual Report.

x) Board Effectiveness Evaluation

The Board Effectiveness Evaluation ("BEE") is to evaluate the performance of the Board, Board Committees, individual members of the Board, as well as identifying any gaps or areas of improvement, where required.

The Board is aware of the importance for an externally facilitated BEE as recommended in the MCCG. The Board continues to uphold this best practice, with the inclusion in the Board Charter of a statement that the BEE shall be conducted by independent experts at least once every three (3) years.

For the year under review, the BEE, which is under the purview of the NRC, was conducted externally by the Institute Corporate Directors Malaysia as the independent expert. In promoting openness in communication between the Board and Management thereby fostering a trust culture, the BEE for FY2023 not only required the Board to complete the survey, but also the Management.

The findings from the BEE were presented to the NRC for deliberation and appropriate recommendations were made to the Board. Details on the process and parameters of the BEE are provided in the NRC Report contained in this Annual Report.

xi) Integrity and Ethics

The Board acknowledges its roles in establishing a corporate culture of integrity and ethical conduct within the Group. The Board is guided by the PETRONAS Code of Conduct and Business Ethics ("CoBE") and the Anti-Bribery and Corruption Manual (including No Gift Policy), which were adopted by the Group. The Group has also adopted the enhanced PETRONAS' Whistle-blowing Policy which provides and facilitates whistleblowing communication and feedback channels between the Group and its employees, directors and members of public. The CoBE, enhanced PETRONAS' Whistle-blowing Policy, and the Anti-Bribery and Corruption Manual, are described in the CG Report and is available on the KLCCP Stapled Group's corporate website at www.klcc.com.my.

The Board places emphasis on combatting bribery and corruption. As part of the KLCCP Stapled Group's implementation of adequate procedures, the Board of KLCCP and its subsidiaries (including KLCCRM) has executed an Integrity Pledge in combatting bribery and corruption. In addition, KLCCP, KLCCRM and other subsidiaries of the Group have issued a Policy Statement on Anti-Bribery and Corruption with zero tolerance to any form of bribery and corruption culture.

During the year, the Board was updated with the implementation progress of ISO 37001:2016 Anti Bribery Management System ("ABMS"). The Board reviewed and endorsed the ABMS Action Plan throughout 2023 based on TRUST Principles (Guidelines on Adequate Procedures) pursuant to subsection (5) of Section 17A of the Malaysian Anti-Corruption Commission Act, 2009. The ABMS Recertification Audit was conducted for KLCCP from 30 October to 3 November 2023 by SIRIM, following which, KLCCP successfully obtained the ISO 37001:2016 ABMS Recertification.

The Group continues the implementation of the Memorandum on Insider Trading whereby Directors and employees of the KLCCP Stapled Group are prohibited from trading in the Stapled Securities, particularly when they are in possession of price-sensitive information and knowledge of facts which have not been publicly announced.

To read more on CoBE, Anti-Bribery and Corruption Manual, enhanced Whistleblowing Policy, Policy Statement on Anti-Bribery and Corruption, ISO 37001:2016 ABMS certificate, please visit www.klcc.com.my.

xii) Directors' Remuneration

In determining Directors' fees and meeting allowances as well as meeting allowances for the Board Committees (collectively "Directors Remuneration"), the Board adheres to the Remuneration Framework for KLCC Property Holdings Berhad Non-Executive Directors. Directors' Remuneration for Non-Executive Directors is subject to approval of the holders of Stapled Securities during the AGM of KLCCP.

Members of the Board and Board Committees of KLCCRM are entitled to meeting allowances only if meetings are held on a different date from the meetings of the Board and Board Committees of KLCCP.

Further details on Directors Remuneration for the year under review are provided in the NRC Report of this Integrated Annual Report as well as in the CG Report.

Corporate Governance Overview Statement

EFFECTIVE AUDIT AND RISK MANAGEMENT

Board Audit Committees i)

The Board is responsible for ensuring that the Group's audited financial statements comply with the relevant financial reporting standards and any other applicable legislations and regulations. The statement by the Directors, the Manager's Report, and the statement by the Manager in relation to the preparation of the financial statements of the KLCCP Stapled Group are set out in this Annual Report.

In this respect, the Board had established the BAC for KLCCP and KLCCRM with the objective of assisting the Board in fulfilling its responsibilities primarily relating to financial management, financial accounting and internal control systems of the Group. The Board is assisted by the BAC to provide independent scrutiny of the processes in place to monitor the Group's financial and non-financial reporting, and the quality of the same.

The Chairperson of the BAC as well as its members are professionals. Collectively, they have vast experience and skills in accounting and finance as well as other fields of expertise and are highly qualified to formulate and review the integrity and reliability of the Group's financial statements prior to recommending the same to the Board for approval.

KLCCP and KLCCRM adopted the Framework on External Auditors and established a formal policy and procedure to assess the suitability, objectivity and independence of the external auditors in tandem with the practice of the MCCG.

The BAC meets with the external auditors to discuss their audit plans, fees, audit findings and their reviews of the Group's financial statements. The meetings are held in the presence of the CEO and relevant Management staff. From time to time, the external auditors will highlight matters that require further attention of the BAC and the Board. The Board has obtained assurance from the external auditors on their independence in discharging their duties throughout the conduct of the audit engagement.

During the year under review, the BAC also met with the external auditors twice without the presence of the CEO and Management. In addition, the external auditors were also present at the AGM to provide their professional and independent clarification on issues and concerns raised by the holders of Stapled Securities.

In respect of the Internal Audit function, the BAC is responsible to review and approve the appointment of the Head of Group Internal Audit ("GIA"). The Head of GIA has unrestricted access and reports directly to the BAC to support the BAC in discharging its oversight responsibilities.

The BAC is also responsible to review the internal audit programmes, processes, audit plans and investigations as well as the results of the same that were undertaken, and whether or not appropriate actions have been taken based on the recommendations of the internal auditors.

During the year under review, the BAC met formally with internal auditors five (5) times to review the findings and recommendations arising from internal control reviews conducted by the internal auditors. A declaration of organisational independence of the internal audit activity, followed by a private session with the BAC without the presence of the CEO and Management were also conducted.

🦪 To read more on the BACs and a summary of their work, please refer to the BAC Report contained in this Integrated Annual Report as well as the CG Report

Board Risk Committee ii)

Pursuant to MCCG Step-Up Practice, the BRC was established on 9 December 2021. The BRC assists the Board in ensuring effective risk oversight across the Group. In addition to matters pertaining to risk policies, strategies, principal risks and risk practices, the scope of the BRC also encompasses environmental, social and governance ("ESG") compliance and sustainability matters.

During the year under review, the BRC reviewed the updates on ESG management of the Group as well as

status of compliance with the Listing Requirements of Bursa Securities including Practice Note 9 of the Listing Requirements. The BRC also endorsed the Sustainability Materiality Assessment 2023 and the resulting Materiality Matrix, which was conducted in accordance to the process recommended by Bursa Malaysia in its Sustainability Reporting Guide 3rd Edition (2022).

Moving into 2024, the Board will continue to diligently monitor risks associated with the business, as well as overall financial and operational risk.

iii) Risk Management and Internal Control Framework

The Board through the Board Committees has overall responsibility for maintaining a sound system of risk management and internal control for the Group that provide reasonable assurance of effective and efficient business operations, compliance with laws and regulations as well as internal policies, frameworks and guidelines.

The Board has implemented KLCC Group Enterprise Risk Management Framework ("ERM Framework") which outlines the risk policy, risk governance and structure, risk measurement and risk operations and system. The Board has implemented the ERM processes to identify, assess, monitor, report and mitigate risks impacting the KLCCP Stapled Group's business and supporting activities in accordance with ISO 31000:2018 – Principles and Guidelines on Implementation.

The Group's risk appetite is reviewed annually by the Board to ensure that the risk exposure and type of risk to pursue or retain by the Company in achieving its strategic objectives are reflective to the internal and external changes.

Annual review of the Corporate Risk Profiles were also carried out in compliance with the ERM Framework where the principal risks were reviewed, assessed and updated to safeguard the KLCCP Stapled Group's investment and key business activities and to ensure the risk exposures are relevant and up to date taking into account of the current and emerging risks.

The status of the principal risks, key risk indicators and risk appetite performances are deliberated at the BRC and Board meetings on a quarterly basis to safeguard business interests and ensure risks are being managed effectively.

The Group has an effective internal control system which sets out the processes and frameworks required to

ensure effective and efficient delivery of the Group's strategic objectives. The internal control system is designed to identify and mitigate the potential risk of failure to achieve business objectives and can only provide reasonable but not absolute assurance against material financial misstatement or loss.

In this respect, the internal audit function assists the Group in accomplishing its goals by bringing a systematic and disciplined approach in evaluating the effectiveness of governance, risk management and control processes which includes anti-corruption and whistle-blowing. This function serves as an important source of advice for the BAC concerning areas of weaknesses or deficiencies in internal processes to facilitate appropriate remedial measures by the Group. GIA adopts a systematic and risk-based approach in reviewing the KLCCP Stapled Group's governance, risk management and internal controls, guided by the COSO (i.e. The Committee of Sponsoring Organizations of the Treadway Commission) Internal Control – Integrated Framework.

The internal audit function is undertaken by the GIA of KLCC (Holdings) Sdn Bhd ("KLCCH"). To support the BACs in discharging their responsibilities, the Head of GIA of KLCCH reports directly to the BACs.

The GIA is led by Puan Julika Ishak, who is certified in Committee of Sponsoring Organizations of the Treadway Commission ("COSO") Internal Control – Integrated Framework, and is a member of the Institute of Internal Auditors Malaysia (IIAM).

GIA undertakes its activities in accordance with the Institute of Internal Auditors (IIA) International Professional Practices Framework ("IPPF") and its IA Charter. GIA appoints a qualified and independent external assessor to conduct Quality Assessment Review ("QAR") at least once every five years as per IIA IPPF and its IA Charter. The QAR was conducted in 2021 with the result of "Generally Conforms" to the Standards

Turther details on the risk management and internal control practices as well as the internal audit activities are set out in the BAC Report and Statement on Risk Management and Internal Control contained in this Integrated Annual Report.

Corporate Governance Overview Statement

INTEGRITY IN CORPORATE REPORTING AND MEANINGFUL RELATIONSHIP WITH STAKEHOLDERS

Engagement with Stakeholders

The Board is committed to continuous improvement in corporate governance principles, policies and practices, and does so by remaining abreast of evolving regulations and best practices. This is further enhanced through engagement with regulators and industry bodies, and through seeking regular feedback from other stakeholders.

The Group establishes and maintains proactive dialogue with all stakeholders. In doing so, the Group recognises the evolving needs of its stakeholders and the Group responds dynamically to the needs. During the year under review, a number of events were held to maintain an open communication with the investors, holders of Stapled Securities, business partners and other communities, with the presence of the CEO, the Chief Financial Officer and the Head of Investor Relations. By partnering with various stakeholders, understanding their challenges and managing risks, the Group can find solutions for the Group's shared success.

As such the Group has consistently maintained an open dialogue with relevant stakeholder groups such as regulatory agencies, employees, shareholders, investors, holders of Stapled Securities, business partners and the general public, non-governmental associations and suppliers. Their views and concerns on the Group's business, its policies on governance, the environment and social responsibility are given due consideration in our decision-making process.

🧷 To read more on Investor Relations, please refer to the Stakeholder Management Report contained in this Integrated Annual Report.

Annual General Meetings

The Board considers the annual general meeting as the principal forum for effective open dialogue with the holders of Stapled Securities.

The twentieth (20th) Annual General Meeting of KLCCP and tenth (10th) Annual General Meeting of KLCC REIT (AGMs) were convened virtually via remote participation and voting facilities.

The 20th AGM of KLCCP and 10th AGM of KLCC REIT, were attended by all Directors, Senior Management and holders of Stapled Securities. The respective Chairman, who chaired the proceedings provided fair opportunity and time to all shareholders to exercise their rights to raise questions and make recommendations.

The notice and agenda of the AGMs together with the Forms of Proxy were given to holders of Stapled Securities thirty-seven (37) days before the AGMs. Each item of special business included in the notice of the AGMs was accompanied by an explanatory note on the effects of the proposed resolutions.

Before the AGMs, the holders of Stapled Securities were encouraged and given sufficient opportunity as well as time by the Board to submit questions pertaining to the Integrated Annual Report, resolutions being proposed and the business of the Group in general prior to seeking approval from the holders of Stapled Securities on the resolutions.

During the AGMs, the CEO presented a comprehensive review of the Group's performance initiatives and value created for the holders of Stapled Securities. The Board, Senior Management and external auditors were also present at the AGMs to provide answers and clarification to the holders of Stapled Securities.

KLCCP and KLCC REIT received one-hundred and fourty seven (147) pre-submitted and live questions from the holders of Stapled Securities. The questions from the Employees Provident Fund and Minority Shareholders Watch Group and the responses by Management were shared with all the holders of Stapled Securities for their information.

KLCCP and KLCC REIT had engaged Tricor Investor and Issuing House Services Sdn Bhd as the Poll Administrator and BDO Consulting Sdn Bhd as Independent Scrutineer for the AGMs.

Minutes of the AGMs, which included issues raised by the holders of Stapled Securities and responses by the KLCCP and KLCC REIT Boards, were made available on the KLCCP Stapled Group's corporate website within thirty (30) business days after the AGMs.

To read more on matters relating to the proceedings of the AGM, please refer to the CG Report.

GOVERNANCE INITIATIVES AND OUTLOOK

The Boards believe that good governance is essential in supporting the realisation of business objectives of the KLCCP Stapled Group.

Moving forward, the Boards will continue to strengthen their application of the corporate governance practices and procedures throughout the Group, in pursuit of safeguarding the interests of all the Group's shareholders and stakeholders.

This Statement is made in accordance with the resolution of the Board of Directors on 7 February 2024.

201

Nomination and Remuneration Committees Report

"

THE NRCs OF KLCCP AND KLCCRM HAVE BEEN ESTABLISHED SINCE 27 NOVEMBER 2012 AND 21 AUGUST 2013 RESPECTIVELY. AS COMMITTEES OF THE BOARDS, THE NRCs CONTRIBUTE TO THE BOARDS' IMPLEMENTATION OF NOMINATION AND REMUNERATION GOVERNANCE.

TERMS OF REFERENCE

The Terms of Reference describing the roles and functions of the respective NRCs of KLCCP and KLCCRM are available for public access, especially by holders of Stapled Securities on the KLCCP Stapled Group's corporate website at www.klcc.com.my.

COMPOSITION

The NRCs consist of three members each, all of whom are Independent Non-Executive Directors. Members of the NRCs (members) possess objectivity, management experience, professionalism, integrity, knowledge and sound judgement of the industry.

MEETINGS AND ATTENDANCE

During the year under review, three meetings of the NRC of KLCCP and KLCCRM were held. The attendance of the members of the NRCs for the meeting is as follows:

		Meeting Attendance		
Coi	mmittee Members	KLCCP	KLCCRM	
Cha	airperson			
(i)	Chong Chye Neo Independent Non-Executive Director	3/3	3/3	
Me	mbers			
(ii)	Farina binti Farikhullah Khan Independent Non-Executive Director	3/3	3/3	
(iii)	Dato' Jamaludin bin Osman Independent Non-Executive Director	3/3	3/3	

The agenda and a set of meeting papers encompassing information relevant to the business of the meetings were distributed to the members via a secured board meeting automation system no less than six days from the dates of the meetings.

All the proceedings and resolutions of the meetings were recorded by the Company Secretary. Minutes of the meetings were circulated to all members and tabled for confirmation at the next NRCs meetings, after which the said minutes were circulated to the Boards for notation.

The Chief Executive Officer ("CEO"), General Manager of Human Capital Department and other representatives of the Group were also invited by the NRCs to attend and deliberate on specific matters which required their input or advice.

Nomination and Remuneration Committees Report

ACTIVITIES CONDUCTED WITHIN THE PERIOD 2023 UNDER REVIEW

The NRCs performed as part their duties, the following activities during the period 2023 under review:					
Categories	Activities Activities				
Board membership	 Reviewed and endorsed the re-election of Directors standing for re-election at the AGM 2023 contingent upon the performance of the Directors stated in the FY2022 Board Effectiveness Evaluation results and Directors' Fit and Proper assessments. 				
Board fees & benefits	 Reviewed the fees payable to Non-Executive Directors for the holders of Stapled Securities' approval. 				
Board Performance Evaluation	 Discussed the evaluation results of the annual Board Effectiveness Evaluation conducted for FY2022 and recommended necessary actions for board effectiveness enhancement. Deliberated and endorsed appointment of an Independent Expert to conduct annual board evaluation for FY2023. Assessed the effectiveness of the Boards, Board Committees, and Individual Directors through annual Board Effectiveness Evaluation. 				
Succession Planning	 Deliberated and reviewed suitability of the proposed talent as pool of successors to the identified Key Positions, resulting in achieving a good ratio of Successor to the Key Positions. Reviewed and deliberated on the Company's established talent management initiatives and/or programmes. 				
Governance	 Reviewed and endorsed the Nomination and Remuneration Committees' Report for inclusion in the KLCCP Stapled Group Integrated Annual Report FY2022. Reviewed and endorsed the revisions on NRCs Terms of Reference. 				

BOARD AND BOARD COMMITTEES' COMPOSITION REVIEW AND SUCCESSION PLANNING

The NRCs continuously evaluate current Boards and their Committees' composition as part of the Boards' endeavour to enhance the mix of Board's skills and competencies.

Both KLCCP and KLCCRM practice a formal and transparent procedure for appointment of new directors which is led by the NRCs.

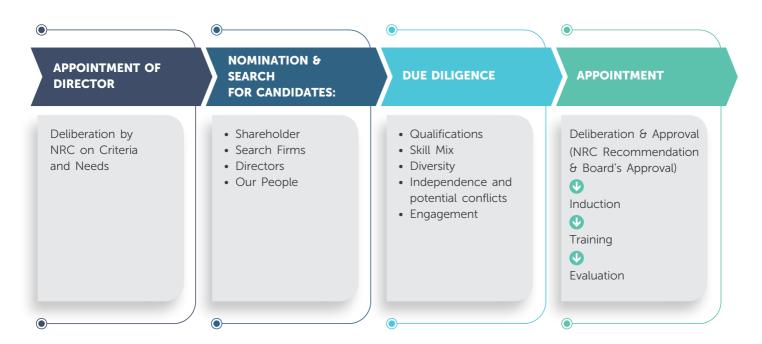

Prior to any appointment, all nominees to the Boards are first considered by the NRCs. The NRCs will then recommend the nominees for the Boards' approvals. The search and selection process for any appointment of additional directors will take into consideration the mix of skills, competencies, experiences, integrity, time commitment, age, ethnicity, gender, and other qualities required to effectively discharge the role of a director which are guided by the following:

- (i) Board Skills Matrix
- (ii) Board Diversity Policy
- (iii) Directors' Fit and Proper Policy

Newly appointed Directors will then be invited for an induction programme which is designed to assist the new Directors to understand the business and operations of the Group. Each induction programme includes the following:

- (a) Key Business Operations and Financials
- (b) Sustainability matters of the Group
- (c) Corporate Governance
- (d) Compliance and Ethics
- (e) Future outlook and Growth of the Group

The appointment process of a Director is set out in the diagram below:

The NRCs assessed that both the Boards and Board Committees had maintained appropriate compositions.

During the year under review, KLCCP and KLCCRM Boards, with the recommendation of the NRCs, endorsed the reelection of Directors who are subjected to retirement in accordance with the provisions of the respective Constitutions of KLCCP and KLCCRM.

The following Directors are due for retirement and are eligible for re-election pursuant to the respective Constitutions:

- (i) Tan Sri Ahmad Nizam bin Salleh
- (ii) Datuk Md. Shah bin Mahmood, and
- (iii) Puan Chong Chye Neo

The three retiring Directors had indicated their willingness to seek re-election at the forthcoming AGM of KLCCP to be held in April 2024. The retiring Directors were also assessed on their appropriateness and compliance to the Directors' Fit and Proper Policy.

Prior to recommending the re-election of the Directors, the NRCs also reviewed the individual retiring Director's performance and contribution. Based on the outcome of the Board Effectiveness Evaluation FY2023, the NRCs are of the opinion that the Directors had individually discharged his/her duties effectively and had provided valuable contribution to the leadership of the Group.

SENIOR MANAGEMENT SUCCESSION PLANNING

During the year under review, KLCCP NRC deliberated on the proposed talent suitability and readiness as successors to the Identified Key Critical positions for KLCCP.

KLCCP NRC was also updated on the talent management initiatives that have contributed to the enhanced pool of successors. These included adoption of enhanced screening criteria for top talent identification, increased number of talents sent for external assessment resulting in a higher success rate of talent identified as top talents. Intensified collaboration with PETRONAS on identification of the Group suitable talent coupled with a series of talent review exercises to validate and categorise talent also contributed to the initiative. Leadership Learning Series for talent development has also been established to harness their leadership capabilities.

Nomination and Remuneration Committees Report

BOARDS AND INDIVIDUAL DIRECTORS' EFFECTIVENESS EVALUATION

The effectiveness of the Boards and their Committees is reviewed annually. For the FY2023, the effectiveness evaluation of the Boards, Board Committees and individual Directors was carried out by an independent expert, namely, the Institute of Corporate Directors Malaysia ("ICDM"). ("FY2023 Board Effectiveness Evaluation").

The criteria agreed by the NRCs for the FY2023 Board Effectiveness Evaluation are as follows:

Individual Board committee member assessment by members of the committee

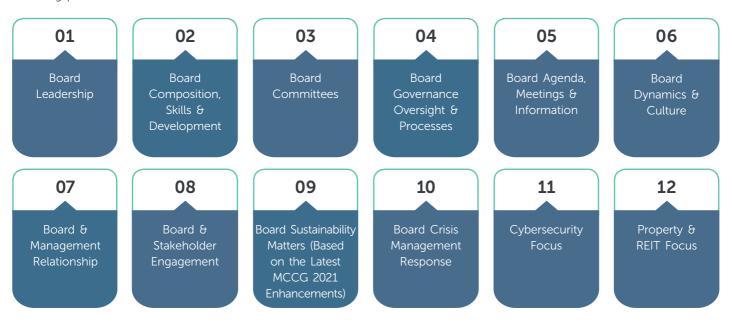

360 degree assessment of the Board by key selected members of Management

BEE 2023 report including recommendations and action plans

The FY2023 Board Effectiveness Evaluation was conducted via a combination of interviews and online survey based on the following parameters:

In conducting the FY2023 Board Effectiveness Evaluation, ICDM carried out the following process:

- 1. Documentation review.
- Online questionnaires.
- 3. Confidential interviews.
- 4. Compliance assessment.
- 5. Observation & evaluation.

The FY2023 Board Effectiveness Evaluation Report prepared by ICDM, which encapsulated the key observations and recommendations was tabled to the Boards for deliberation on the proposed recommendations by ICDM for improvement.

Based on the analysis on the findings from the FY2023 Board Effectiveness Evaluation Report, the key strengths of the Board are visible in the following areas:

- (01) The Board is engaged and provided strong leadership in formulating and driving long term strategic goals.
- **O2** The current board composition is well-balanced and meets the threshold of good governance standard.
- The Board Committees meet the needs of the Board and are in line with best practices.
- O4) The Board and senior management work effectively together and there is a healthy relationship between the parties.
- The Board actively ensures the readiness and resilience of the Group in crisis management.

The result of the FY2023 Board Effectiveness Evaluation Report for the year under review has enabled the Board to put in place actions to address areas for improvement for the coming year.

TRAINING AND PROFESSIONAL DEVELOPMENT OF DIRECTORS

Any Director can request further information to support their individual duties or collective Board roles. The arrangements are overseen by the Company Secretary and can be internally or externally facilitated, with sessions typically originating from technical Board discussions, an identified training opportunity or area of general interest relating to the Group. To remain abreast of, and connected to broader societal and economic trends, Directors are encouraged to participate in seminars and events hosted by external organisations. Discussions with peers, professionals from other sectors and individuals in various situations promote the development of broader perspectives and additional insights, which would promote non-group think and more robust debate at Board discussions.

The list of training programmes attended by the Directors are set out below:

Tan Sri Ahmad Nizam bin Salleh

- Refresher of 5 Critical Legal Areas for Board of Directors of KLCC Property Holdings Berhad
- Board Strategic Away Day: Portfolio Review and Strategic Conversation
- Directors' Conflict of Interest
- Building a Sustainable Legacy Empowering Leaders for a lasting impact
- ESG for Construction and Property

Q

(a) Directors' Remuneration

During the year under review, the NRCs ensured the transparency of remuneration matters and that decisions on remuneration made by the NRCs supported the strategic direction of the business. The remuneration of the Boards is based on the KLCCP Non-Executive Directors' (NEDs) Remuneration Framework which is available on the corporate website of KLCCP at **www.klcc.com.my**.

A summary of KLCCP NEDs Remuneration Framework is set out below:

Element	How it operates
Retainer Fee	The NEDs are to be paid a fixed retainer fee.
Special Fee	Special Fee is payable to the NEDs with special experience and skills critical for the company's success.
Meeting Allowance	The NEDs shall be paid attendance allowance for every meeting of the Board and attendance of the different meetings of the Board Committees.
Petrol Allowance	The NEDs are each given petrol card with a fixed maximum amount per annum.
Others	The NEDs of KLCCRM are only entitled to Meeting Attendance Allowance as well as Special Fee (where applicable). The said allowance/fee become payable only when meetings of the Board or the Board Committees of KLCCRM are held on a different date than the meetings of the Board or Board Committees of KLCCP.

For the financial year ended 31 December 2023, a total of RM1,216,500 was paid to the Board members of KLCCP as Directors' Remuneration.

The payment was made following the approval of the resolution tabled at the AGM of KLCCP held on 6 April 2023 where the holders of Stapled Securities had approved the payment of directors' fee and benefits with effect from 7 April 2023 until the next AGM to be held in 2024.

For the year under review, the breakdown of Directors' Remuneration incurred by KLCCP is disclosed below:

(i) KLCCP

	Director's Fee (RM)	Board Meeting Allowance* (RM)	Audit Committee Meeting Allowance* (RM)		Board Risk Committee Meeting Allowance* (RM)	Petrol Allowance (RM)	Total (RM)
Executive Director Datuk Md. Shah bin Mahmood	n/a	n/a	n/a	n/a	n/a	n/a	n/a
Non-Executive Directors Tan Sri Ahmad Nizam bin Salleh	240,000	14,000	n/a	n/a	n/a	6,000	260,000
Farina binti Farikhullah Khan	120,000	14,000	17,500	10,500	10,500	6,000	178,500
Dato' Jamaludin bin Osman	120,000	14,000	n/a	10,500	14,000	6,000	164,500
Liza binti Mustapha#	120,000	14,000	n/a	n/a	n/a	n/a	134,000

Nomination and Remuneration Committees Report

	Director's Fee (RM)	Board Meeting Allowance* (RM)	Audit Committee Meeting Allowance* (RM)		Board Risk Committee Meeting Allowance* (RM)	Petrol Allowance (RM)	Total (RM)
Non-Executive Directors Chong Chye Neo	120,000	14,000	17,500	10,500	n/a	6,000	168,000
Datin Noor Lily Zuriati binti Abdullah	120,000	14,000	n/a	n/a	14,000	6,000	154,000
Dato' Sr. Mazuki bin A Aziz	120,000	14,000	17,500	n/a	n/a	6,000	157,500
Total	960,000	98,000	52,500	31,500	38,500	36,000	1,216,500

Note:

- * Meeting allowances depend on the number of meetings attended by the Board/Audit Committee/NRC/Board Risk Committee Members.
- # Fees paid directly to PETRONAS in respect of Directors and appointees of PETRONAS.

The Directors' Remuneration tabulated above reflects what was incurred on a group basis whereby no meeting allowance was paid to the members of the Board and Board Committees of KLCCRM, as their meetings were held on the same date as the meetings of the Board and Board Committees of KLCCP.

The details are also disclosed in KLCCP Stapled Group Corporate Governance Report, which is accessible at KLCCP Stapled Group's corporate website at **www.klcc.com.my**.

The Executive Director cum CEO of KLCCP and KLCCRM, Datuk Md. Shah bin Mahmood is the Group CEO of KLCC (Holdings) Sdn Bhd ("KLCCH"). He is assigned to KLCCP and KLCCRM to undertake all responsibilities of the Executive Director and CEO. KLCCP reimbursed KLCCH for the services rendered by Datuk Md. Shah bin Mahmood in the form of management fees with an amount of RM1,570,871.

The NRCs had reviewed and endorsed the proposed NEDs' Remuneration for 2024/2025 for consideration by the Boards prior to recommending for approval by the holders of Stapled Securities at the forthcoming AGM of KLCCP to be held in April 2024 and the shareholder of KLCCRM.

(b) Senior Management Remuneration

The overall structure of Senior Management remuneration in accordance with the remuneration policy approved by the Board anchored on the performance capability, experience and requirements based on the level of job grades.

This Statement is made in accordance with the resolution of the Board of Directors on 7 February 2024.

Strength of Our Governance

Board Audit Committees Report

"

THE BOARD AUDIT COMMITTEES (BACs) OF KLCCP AND KLCCRM WERE ESTABLISHED ON 9 JULY 2004 AND 12 DECEMBER 2012 RESPECTIVELY.

TERMS OF REFERENCE

The Terms of Reference describing the roles and functions of the respective BACs of KLCCP and KLCCRM are available for public access, especially by holders of the Stapled Securities on KLCCP Stapled Group's corporate website at **www.klcc.com.my**.

COMPOSITION

The BACs consist of three members each, all of whom are Independent Non-Executive Directors. Members of the BACs possess sound judgement, objectivity, management experience, professionalism, integrity and knowledge of the industry.

MEETINGS AND ATTENDANCE

During the year under review, five meetings of the BAC of KLCCP and KLCCRM were held respectively. The details of attendance are set out below:

		Meeting Attendance		
Co	mmittee Members	KLCCP	KLCCRM	
Cha	airperson			
(i)	Farina binti Farikhullah Khan Independent Non-Executive Director	5/5	5/5	
Me	mbers			
(ii)	Chong Chye Neo Independent Non-Executive Director	5/5	5/5	
(iii)	Dato' Sr. Mazuki bin A Aziz Independent Non-Executive Director	5/5	5/5	

The agenda and a set of meeting papers encompassing information relevant to the business of the meetings were distributed to the members of the BACs via a secured board meeting automation system no less than six days from the date of the meetings.

All the proceedings and resolutions of the meetings were recorded by the Company Secretary. Minutes of the meetings were circulated to all members of the BACs and tabled for confirmation at the next BACs meeting, after which the said minutes were circulated to the respective Boards for notation.

The Chief Executive Officer ("CEO"), Chief Financial Officer, Group Internal Audit of KLCC (Holdings) Sdn Bhd, representatives from the external auditors, and other representatives of the Group were also invited by the BACs to attend and deliberate on specific matters which required their input or advice.

Board Audit Committees Report

SUMMARY OF THE WORK OF THE BOARD AUDIT COMMITTEES

The BACs are collectively responsible in assisting the Boards on matters relating to corporate governance and compliance of the KLCCP Stapled Group. A summary of the work and key matters considered by the BACs during the financial year ended 31 December 2023 are described below:

Internal Audit

- (a) During the first quarter of 2023, the BACs reviewed and approved the Performance Report of the GIA's Strategy and Balanced Scorecard ("BSC") for 2022. The BSC for 2023 was also reviewed during the first quarter of 2023 with comments, and the revised BSC 2023 was approved in the second quarter of 2023. Subsequently, the half-year Performance Report of the GIA's 2023 BSC was also reviewed and approved by the BACs in the third quarter of 2023;
- (b) Deliberated and approved the internal audit reports which highlighted major findings, agreed mitigation actions and management's responses;
- (c) Deliberated and approved the Quarterly Audit Status Reports which highlighted the outstanding agreed mitigation actions to ensure all audit issues are resolved within the agreed stipulated period;
- (d) Deliberated and approved the revised Annual Audit Plan for 2023 which included a Review of KLCCP's Sustainability Reporting; and
- (e) Deliberated and approved the Annual Audit Plan for activities to be undertaken for 2024.

Financial Statements and Reporting

- (a) Reviewed and discussed the unaudited quarterly financial results of the KLCCP Stapled Group with the Management and recommended the same for the Boards' consideration and approval before releasing to Bursa Malaysia Securities Berhad ("Bursa Securities"). The review was to ensure compliance with the Main Market Listing Requirements ("MMLR"), Malaysian Financial Reporting Standards, Companies Act 2016, Listed REIT Guidelines and any other applicable legislations and regulations;
- (b) Reviewed and discussed the audited financial statements with the external auditors and the management. Having been satisfied that the financial statements and reports complied with the relevant accounting standards and other applicable laws and regulations, the BACs recommended the same for the respective Boards' consideration and approvals;
- (c) Discussed the key audit matters raised by the external auditors with the Management and the disclosure thereof in the Auditors' Report for the financial year ended 31 December 2023 for KLCCP, KLCC REIT and KLCCRM which is in line with the requirements of the new International Standards on Auditing 701; and

(d) Recommended to the Boards of KLCCP and KLCCRM (as approved by the Trustee) for approvals on dividends and income distributions respectively for payment to the holders of Stapled Securities.

External Audit

- (a) Reviewed the external auditors' scope of work, audit plans and fees for the year under review. Prior to the audit, representatives from the external auditors presented their audit strategies and plans;
- (b) Discussed with the external auditors on the Audited Financial Statements for the financial year ended 31 December 2023, particularly on the major issues that arose during the course of the audit and their resolution, key accounting and audit adjustments, as well as the unadjusted differences identified during the audit;
- (c) Discussed with external auditors on issues arising from financial audits and other matters in the absence of the Management, twice this year; and
- (d) Reviewed the independence and objectivity of the external auditors and their services rendered including non-audit services:
 - For KLCCP, the BAC made recommendations to the Board for the re-appointment of the external auditors and approvals of their audit and non-audit fees.
 - In respect of KLCCRM, the BAC recommended the appointment and remuneration of the external auditors of KLCC REIT upon the approval of the Trustee of KLCC REIT.

The details of fees paid/payable to the external auditors for the year in respect of statutory audit and other services rendered to KLCCP Stapled Group are set out below:

	KLCCP Stapled Group RM'000*	KLCCP RM'000	KLCC REIT RM'000#
Statutory Audit	706	249	104
Non-Audit Fee	16	16	-
Total	722	265	104

Note

- * inclusive of fees paid by subsidiaries of KLCCP
- # inclusive of fees paid by Midciti Sukuk Berhad

The Boards of KLCCP and KLCCRM considered the provision of other services by the external auditors to the KLCCP Stapled Group as cost effective and efficient due to their knowledge and understanding of the operations of KLCCP Stapled Group, with no undue compromise to their independence and objectivity.

Related Party Transactions

- (a) Reviewed and recommended to the Boards for approval on the recurrent related party transactions to be entered into by KLCCP Stapled Group based on the following requirements:
 - The MMLR, Listed REIT Guidelines and other applicable laws and regulations;
 - On arm's-length basis under normal commercial terms and to be in the best interest of the holders of Stapled Securities;
 - Interested Directors are to abstain from voting at Board Meetings;
 - Disclosure via Bursa Announcements, Quarterly Reports and Annual Report (if applicable); and
 - Approval by the Trustee (for KLCC REIT only).
- (b) Reviewed the quarterly report on recurrent related party transactions of KLCCP Stapled Group.

Corporate Governance and Regulatory Compliance

- (a) Reviewed and recommended to the Boards on the following:
 - Corporate Governance ("CG") Overview Statement and CG Report;
 - Statement on Risk Management and Internal Control;
 - BACs' Report; and
- (b) Reviewed and recommended to the Boards on the proposed compliance actions on the recent amendments of the MMLR issued by Bursa Securities pertaining to Conflict of Interest ("COI") and Others Areas

INTERNAL AUDIT FUNCTION

The BACs are supported by Group Internal Audit ("GIA") of KLCC (Holdings) Sdn Bhd ("KLCCH") in their oversight over governance, risk management and controls established and implemented by the management of KLCCP Stapled Group. GIA provides an independent and objective risk-based assurance and advisory activity designed to add value and improve KLCCP Stapled Group's operations in achieving its goals. This is accomplished by adopting a systematic and disciplined approach in evaluating and improving the effectiveness of governance, risk management and control processes within the Group.

The GIA is led by Puan Julika Ishak, who is certified in Committee of Sponsoring Organizations of the Treadway Commission ("COSO") Internal Control – Integrated Framework, and is a member of the Institute of Internal Auditors Malaysia ("IIAM").

The GIA is governed by its Internal Audit Charter approved by the respective BACs which establishes a framework for its effective and efficient functioning. The GIA of KLCCH adopts a risk-based approach in executing the planning and assurance activities, guided by internal policies, procedures, the COSO Internal Control – Integrated Framework and the International Professional Practices Framework ("IPPF") promulgated by the IIAM

For the financial year ended 31 December 2023, the GIA of KLCCH had executed the following activities:

- (1) Conducted assurance activities based on the approved annual audit plan 2023 covering:
 - Audit on Facilities Management of ExxonMobil
 - Audit on Facilities Management of Dayabumi
 - Audit on Cybersecurity for KLCC Group of Companies
 - · Audit on KLCC Parking Management
 - Audit on Post Implementation of Diamond+
 - · Review of KLCCP's Sustainability Reporting

The resulting audit reports, including findings, recommendations and Management responses, were presented to the BACs except for the Audit on Post Implementation of Diamond+ and the Review of KLCCP's Sustainability Reporting which would be presented to the BACs in the first guarter of 2024.

- (2) Conducted periodic monitoring and reporting on the implementation status of agreed mitigation action items by the managements of KLCCP and KLCCRM to ensure key risks and control weaknesses were addressed effectively and timely, where the status of implementation of the said agreed mitigation actions were reported to the BACs on a quarterly basis.
- (3) Re-evaluated the annual audit plan for 2023 to include Review of KLCCP's Sustainability Reporting to address the requirements imposed by Bursa Securities.
- (4) Prepared annual audit plans for 2024 to ensure that all high-risk areas in significant businesses and support units were assessed and identified for the BACs' deliberations and approvals.

The total costs incurred for the internal audit activities of the KLCCP Stapled Group for the year under review amounted to RM1.145,152.

Further details of the activities of GIA of KLCCH are set out in the Statement on Risk Management and Internal Control of this Integrated Annual Report.

This Statement is made in accordance with the resolution of the Board of Directors on 7 February 2024.

Board Risk Committees Report

"

THE BOARD RISK COMMITTEES OF KLCCP AND KLCCRM ("BRCs") WERE ESTABLISHED ON 9 DECEMBER 2021 BY THE BOARD OF DIRECTORS OF KLCCP AND KLCCRM RESPECTIVELY.

TERMS OF REFERENCE

The Terms of Reference ("TOR") of the BRCs sets out the direction, guidance, and oversight of all aspects of the risk policies, strategies, principal risks, risk practices as well as relating to the Environment, Social & Governance Compliance including sustainability matters which are aligned with the requirements of the Malaysian Code on Corporate Governance.

The TOR for the respective BRCs are available on the KLCCP Stapled Group's corporate website at **www.klcc.com.my**.

COMPOSITION

The BRCs consist of three members each, all of whom are Independent Non-Executive Directors. Members of the BRCs posses sound judgement, objectivity, management experience, professionalism, integrity and knowledge of the industry.

MEETINGS AND ATTENDANCE

The BRCs met four times during the year and details of attendance are set out below:

		No. of Meeting Attended		
Coi	nmittee Members	KLCCP	KLCCRM	
Cha	airman			
(i)	Dato' Jamaludin bin Osman Independent Non-Executive Director	4/4	4/4	
Mei	mbers			
(ii)	Farina binti Farikhullah Khan Independent Non-Executive Director	3/4	3/4	
(iii)	Datin Noor Lily Zuriati binti Abdullah Independent Non-Executive Director	4/4	4/4	

The agenda and a set of meeting papers encompassing information relevant to the business of the meetings were distributed to members of the BRCs via a secured board meeting automation system no less than six days from the date of the meetings.

All the proceedings and resolutions of the meetings were recorded by the Company Secretary. Minutes of the meetings were circulated to all members of the BRCs and tabled for confirmation at the next meeting of the BRCs, after which the said minutes were circulated to the respective Boards for notation.

The Chief Executive Officer ("CEO"), Chief Financial Officer, Head of Governance, Risk and Assurance, Head of Group Strategy and Sustainability and other representatives of the Group were also invited by the BRCs to attend and deliberate on specific matters which required their input or advice.

ANNUAL REPORTING

The BRCs reviewed the BRCs Reports and SORMIC for the financial year ended 31 December 2023 to ensure that the reports are prepared in compliance with the requirements and guidelines of the MMLR of Bursa Securities.

BRC'S ACTIVITIES 2023

A summary of the key matters considered during the year is as follows:

Risk Management

- (a) Reviewed quarterly updates on KRI and risk appetite results to gain early insights of any potential risk exposure to the Group.
- (b) Annual review of risk appetite to provide comprehensiveness to the current risk appetite statement in ensuring the financial and non-financial risk exposure and type of risk to be pursued or retained by the KLCCP Stapled Group in achieving its strategic objectives are properly defined. The annual review is crucial to ensure that the risk exposure and type of risk to pursue or retain by the Company in achieving its strategic objectives are reflective to the internal and external changes.
- (c) Annual review of risk profiling exercise to review, assess and update the principal risks to safeguard the KLCCP Stapled Group's investments and key business activities and to ensure the risk exposures are relevant and up-to-date taking into account of the current and emerging risks.

Environmental, Social & Governance ("ESG")

- (a) Reviewed and endorsed the KLCCP Stapled Group Sustainability Report 2022.
- (b) Reviewed and assessed the readiness of the KLCCP Stapled Group to comply with the Main Market Listing Requirements ("MMLR") of Bursa Malaysia Securities Berhad ("Bursa Securities") on Enhanced Sustainability Disclosure, which the gaps closure progress has been reported to the Boards quarterly.
- (c) Reviewed and endorsed the Sustainability Materiality Assessment 2023, which will form part of the Sustainability Report 2023.

Statement on Risk Management and Internal Control

66

THE BOARDS OF KLCCP AND KLCCRM ARE RESPONSIBLE FOR AND COMMITTED TO MAINTAIN A SOUND AND EFFECTIVE RISK MANAGEMENT AND INTERNAL CONTROL SYSTEM OF THE KLCCP STAPLED GROUP. IN THE KLCCP STAPLED GROUP, RISK MANAGEMENT IS INTEGRATED INTO OUR BUSINESS PLANNING, INVESTMENT DECISIONS, INTERNAL CONTROL AND DAY-TO-DAY OPERATIONS TO ENHANCE OWNERSHIP AND AGILITY IN MANAGING RISKS.

The system encompasses risk management, organisation policies and processes, corporate governance, financial information integrity, operational and regulatory controls. The system is designed to manage and not to eliminate all inherent risks associated with the business as well as any weaknesses in the processes and policies of the KLCCP Stapled Group. An effective and sound risk management and internal control system is important for the KLCCP Stapled Group to achieve its business strategies and objectives.

The Management is accountable to the respective Boards to ensure effective implementation of risk management and internal controls. The Management formulates and endorses the risk management policy, frameworks and guidelines including their implementation across the Group. The risks are reviewed and additional course of action to mitigate the identified risks are then recommended. The Management also assigns accountabilities and responsibilities at appropriate levels within the Group as well as ensures that all the necessary resources are efficiently allocated to manage risks.

RISK MANAGEMENT

The Boards have established sound risk management practices guided by the KLCC Group Enterprise Risk Management Framework ("ERM Framework") to safeguard the KLCCP Stapled Group's business interest from risk events that may impede the achievement of its business strategies and growth opportunities besides providing assurances to all stakeholders.

The ERM Framework outlines the risk policy, risk governance and structure, risk measurement and risk operations and system for the KLCCP Stapled Group. The Boards have implemented the ERM processes to identify, assess, monitor, report and mitigate risks impacting the KLCCP Stapled Group's business and supporting activities in accordance with ISO 31000:2018 – Principles and Guidelines on Implementation.

In supporting the risk governance structure and effective implementation of the ERM, the KLCCP Stapled Group has established appropriate risk operations mechanism covering the areas of system, processes, reporting of risks, knowledge management and assurance activities.

The Risk Management Oversight Structure sets out the structure used to assign responsibility for risk management and facilitates the process for assessing and communicating risk issues from operational levels to the Boards. The structure consists of the Boards, BRCs and the Management, represented by the Risk Management Committee ("RMC") and Top Management. The structure enables effective strategic risk communication to take place between the Boards, BRCs and Management on a quarterly basis.

The Boards are responsible for the overall risk oversight for the KLCCP Stapled Group. The Boards' roles include identifying and approving the key principal risks for the KLCCP Stapled Group and ensuring the implementation of appropriate and prudent systems to manage the identified risks.

The BRCs provide advice to the Boards on risk matters. This includes reviewing the adequacy and effectiveness of risk

management, internal control system and key control processes as adopted by the KLCCP Stapled Group.

The RMC serves as a central platform of the KLCCP Stapled Group to assist the Management in identifying principal risks, reviewing and recommending frameworks, methodologies, measurement, providing guidance and direction in the implementation and institutionalisation of risk management practices and providing assurance on effective implementation of risk management on a group wide basis.

The RMC comprises key personnel from the respective disciplines within the KLCCP Stapled Group to undertake the review process of all risk management matters before submission to the BRCs and the Boards for deliberation and approval.

The RMC in discharging its risk management function, is assisted by the Governance, Risk & Assurance department of KLCCP in managing the principal risks, providing assurance on effectiveness of the risk management framework for the KLCCP Stapled Group and also promotes sound risk management practices to enhance risk management culture across the KLCCP Stapled Group.

Concerns on all principal risks are shared with Group Internal Audit (GIA) of KLCC (Holdings) Sdn Bhd which then uses the risk assessment reports as reference to develop the annual audit plans for the KLCCP Stapled Group. Risk awareness sharing sessions are regularly conducted for all levels of staff as part of the ongoing initiative to sustain risk awareness and risk management capabilities to inculcate risk management culture within the KLCCP Stapled Group.

Statement on Risk Management and Internal Control

Risk Profiling

Risk profiling exercise was conducted to ensure that the KLCCP Stapled Group's risk exposures are properly mitigated and updated to reflect the current economic environment and new regulations imposed by the government which impacted the KLCCP Stapled Group's risk exposures.

The likelihood and impact of the risks have been assessed and evaluated against the KLCCP Stapled Group's risk appetite and tolerance level while appropriate key risk indicators and mitigation plans have been identified for the risks. The status of the principal risks and key risk indicator performances are then reported to the RMC, BRCs and the Boards for their deliberation and guidance on a quarterly basis.

During the year under review, the Boards carried out the following:

01

quarterly update
on KRI and risk
appetite results to
gain an early
insight of any
potential risk
exposure to the
Company.

02

Annual review of the Risk Appetite to ensure that the risk exposure and type of risk to pursue or retain by the Company in achieving its strategic objectives are reflective to the internal and external changes.

03

Annual review of Corporate Risk Profile in compliance with the ERM Framework where the principal risks were reviewed, assessed and updated to safeguard the KLCCP Stapled Group's investment and key business activities and to ensure the risk exposures are relevant and up to date taking into account of the current and emerging risks.

04

Annual review of Risk Profile for entities under the KLCCP Stapled Group namely KLCC Parking Management Sdn. Bhd. and KLCC Urusharta Sdn. Bhd. 05

Analyse the risk assessment on business proposals, new initiatives and any other Board decision papers for deliberation and decisionmaking.

The Corporate Risk Profile is monitored via the INTERISK system, a risk management tool which provides complete risk overview of the organisation for reporting to the Boards. It is a web-enabled system where users are able to access the organisation risk profile on a real-time basis anytime and anywhere.

Crisis Management

Crisis Management Plan ("CMP") was established to address and respond to incidents where risk mitigation fails or when full prevention of the risk occurring is unlikely.

The CMP is to ensure preparedness in managing and responding in HSE and areas beyond HSE which are Human Capital, Financial, Digital, Facility Management and Legal and Regulatory in the event of emergency/crisis.

The CMP includes the objective and scope, roles and responsibilities, activation thresholds and procedures, notification and communication process, strategies and actions for responding pre, during and post emergency/crisis, escalation process and resource requirement.

During the year under review, the KLCCP Stapled Group conducted the following exercises:

- Briefing on fire & life safety programme including evacuation procedure with floor safety managers and tenants at PETRONAS Twin Towers, Menara 3 PETRONAS and Kompleks Dayabumi;
- Integrated Emergency Exercise at PETRONAS Twin Towers and Menara 3 PETRONAS (Ex SIAGA 6); and
- Tabletop exercise with PETT Emergency Management Team (EMT) at PETRONAS Twin Towers.

These exercises are to ensure the readiness and effectiveness of the evacuation and communication processes together with the recovery action plan in responding to the crisis whereby risk owners are made aware of their roles and response preparedness in the event of emergency/crisis.

Based on the above exercises, staff and tenants were trained and familiarised themselves with the respective roles and responsibilities in the event a crisis occurs.

Business Continuity Management

Business Continuity Management was established to provide guidance in resuming key business functions in the event a crisis occurs and has a major or catastrophic impact on business in terms of financial, operation and reputation.

During the year under review, the KLCCP Stapled Group conducted an update review of the Business Impact Analysis ("BIA") to identify the critical business functions ("CBF"). The BIA is to assess the impact of unavailability of the functions over time, set prioritised timeframes for resuming these functions and specify Minimum Resources Requirements for people, equipment, technology, asset and interdependencies to be allocated to recover and resume these functions.

The testing and exercising for Call Tree Verification exercise to validate that phone numbers and contact lists of relevant personnel and stakeholders are accurate and up to date, was conducted to ensure effectiveness of communication to CBF staff upon activation of BCP. This is to ensure that the CBF staff are contactable to carry out their designated roles accordingly. Based on the call tree verification exercise, CBF staff were trained to respond promptly to the activation of BCP.

INTERNAL CONTROL PROCESSES

The Boards continue to uphold and implement strong control structure and environment with the following key control processes to identify, evaluate and manage weaknesses of the KLCCP Stapled Group's internal control system:

- The Boards meet at least quarterly and have set a schedule of matters, which is required to be deliberated and approved by the Boards, thus ensuring that the Boards maintain full and effective supervision over the control processes.
- 2) The CEO of KLCCP and KLCCRM leads the presentation of board papers and provides comprehensive information and explanation for each discussion paper. In arriving at any decision, on recommendation by the Management, a thorough deliberation and discussion by the Boards is a prerequisite.
- 3) Updates on the KLCCP Stapled Group's operations and performance are provided to the Boards at every meeting and the CEO also reports on any significant changes in the business operations and risk profiles of the KLCCP Stapled Group. In addition the CEO and the Chief Financial Officer ("CFO") of KLCCP (who is also the Head of Finance/Head of Investment of KLCCRM) assure the Boards that adequate processes and controls are in place for the preparation of quarterly and annual financial statements.
- 4) KLCCP Stapled Group has an organisational structure with defined lines of responsibilities, delegation of authority and accountability. A hierarchical reporting structure has been established to provide documentary and auditable trail of accountability. In this respect, Limits of Authority Manuals are in place to define the lines of accountability and responsibility in relation to the KLCCP Stapled Group's operations and functions.

Statement on Risk Management and Internal Control

5) KLCCP Stapled Group adopts the PETRONAS Code of Conduct and Business Ethics (CoBE), Anti Bribery and Corruption Manual, enhanced Whistle-Blowing Policy to ensure that Directors, Management and employees, and third parties, when performing any work or services for the KLCCP Stapled Group, will act ethically and remain above board at all times and their individual behaviour is in line with the PETRONAS Shared Values, i.e. Loyalty, Professionalism, Integrity and Cohesiveness.

The detailed policy statements on Zero Tolerance against Bribery and Corruption Culture including the standards of behaviour and ethical conduct of the CoBE can be accessed at KLCCP's corporate website.

- 6) KLCCP Stapled Group undertakes an annual planning and budgeting exercise including development of business strategies for forthcoming years and establishes key performance indicators for each business segment to achieve. Variance against budgets are analysed and reported on a quarterly basis to the Boards.
- KLCCP Stapled Group's strategic directions are also reviewed annually taking into consideration changes in market conditions and significant business risks.
- 8) The CFO (who is also the Head of Finance/Head of Investment of KLCCRM) report to the BAC of KLCCP and BAC of KLCCRM respectively that the accounting policies and procedures as set out in the Accounting Procedures Manual are in place and applied consistently to ensure that the financial statements are in compliance with the Malaysian Financial Reporting Standards and the relevant regulatory disclosure requirements.
- 9) For the associate company, it is done via representation on the associate company's board. Information on the financial performance of the associate company is provided monthly.

INTERNAL AUDIT

The GIA of KLCCH provides an independent and objective assurance on the efficiency and effectiveness of governance, risk management and internal controls implemented by the KLCCP Stapled Group, to the BACs of KLCCP and KLCCRM. This is to support the BACs in the discharge of their oversight over governance and internal controls responsibilities. The BACs have full access to the services of GIA and receive reports on all audits that are performed via quarterly BACs meetings.

Governed by the Institute of Internal Auditors (IIA) International Professional Practices Framework (IPPF) and its Internal Audit Charter, the GIA of KLCCH is independent of the activities being audited and performs its duties with integrity, objectivity, confidentiality and competency. The GIA of KLCCH is also a corporate member of the IIA Malaysia chapter.

GIA adopts a systematic and risk-based approach in reviewing the KLCCP Stapled Group's governance, risk management and internal controls, guided by the COSO (i.e. The Committee of Sponsoring Organisations of the Treadway Commission) Internal Control – Integrated Framework.

GIA also performs a risk based annual audit plan by assessing the risk profile, materiality, past audit history, business developments, feedbacks and requests, organisational changes, new regulations, result of reviews by other assurance providers and any other significant changes and developments within and outside the organisation.

MANAGEMENT ROLE

The respective Boards have received assurances from the CEO and CFO that the KLCCP Stapled Group's risk management and internal control system is operating effectively in all material aspects based on the processes as approved by the Boards.

The Boards are of the view that the KLCCP Stapled Group's internal control system is sound and effective to safeguard the stapled securities holders' investment, the interests of customers, employees and other stakeholders, and the KLCCP Stapled Group's assets.

REVIEW OF THIS STATEMENT

The External Auditors have performed limited assurance procedures on this Statement on Risk Management and Internal Control (Statement) in accordance with Malaysian Approved Standard on Assurance Engagements, ISAE 3000, Assurance Engagements Other Than Audits or Reviews of Historical Financial Information and Audit and Assurance Practice Guide 3, Guidance for Auditors on Engagements to Report on the Statement on Risk Management and Internal Control included in the Annual Report.

They have reported to the Boards that nothing has come to their attention that causes them to believe the Statement intended to be included in the Annual Report is not prepared, in all material respects, in accordance with the disclosures required by Paragraphs 41 and 42 of Statement on Risk Management and Internal Control: Guidelines for Directors of Listed Issuers nor is the Statement factually inaccurate.

This Statement is made in accordance with the resolution of the Board of Directors on 7 February 2024.

Additional Compliance Information

The information set out below is disclosed in compliance with the Main Market Listing Requirements of Bursa Malaysia Securities Berhad and Guidelines on Listed Real Estate Investment Trusts issued by Securities Commission Malaysia.

(i) Material Contracts

There were no material contracts or loans entered into by KLCCP or KLCCP's subsidiaries involving the interests of the Directors or major Stapled Securities holders, either still subsisting at the end of the financial year ended 31 December 2023 or entered into since the end of the previous year, except as disclosed in the Prospectus of Stapled Securities dated 7 May 2013 and the audited financial statements of KLCCP.

(ii) Utilisation of Proceeds

KLCCP and KLCC REIT did not raise funds through any corporate proposals during the financial year.

(iii) Sanctions and/or Penalties

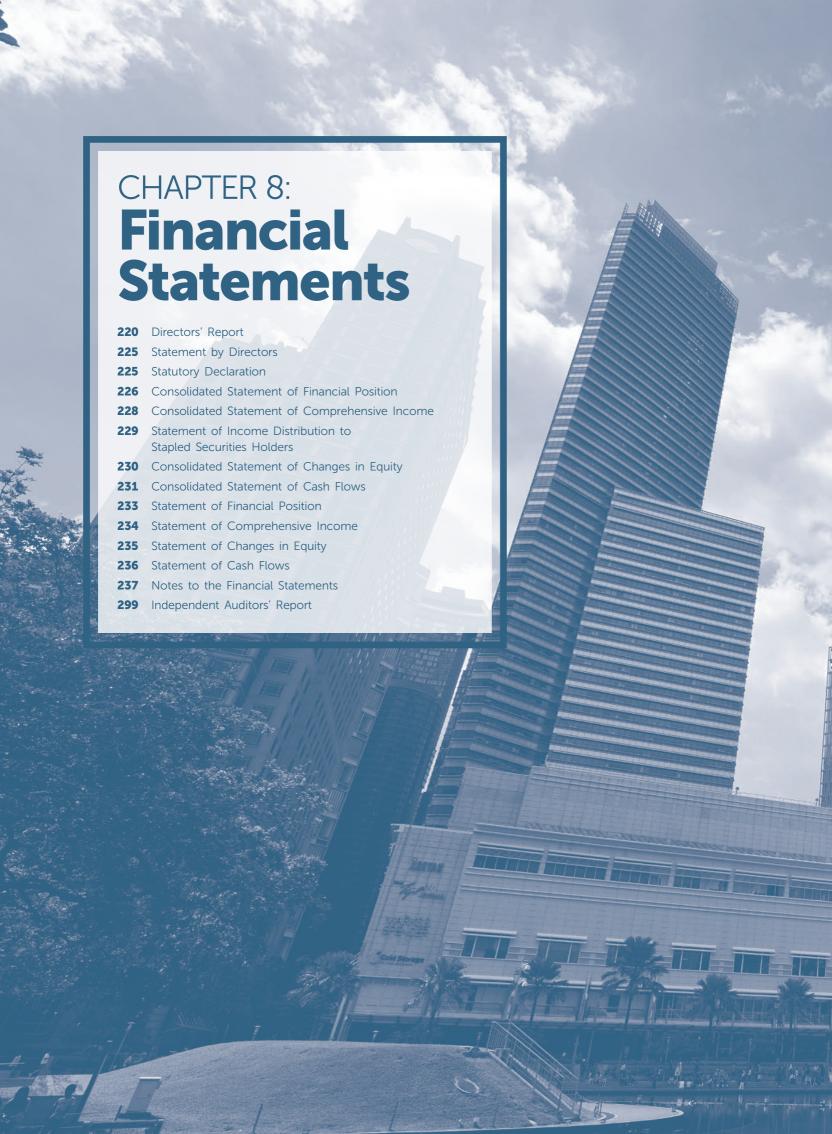

During the financial year, there was no public sanction or penalty imposed by the relevant regulatory bodies on the management company of KLCC REIT.

(iv) Recurrent Related Party Transaction ("RRPT")

Both KLCCP and KLCC REIT did not seek any mandate from the holders of Stapled Securities on RRPT during the financial year.

(v) List of Property Development Activities

During the financial year, there were no property development activities including acquisition of vacant land carried out by KLCC REIT.

Directors' Report

For The Year Ended 31 December 2023

The Directors have pleasure in submitting their report and the audited financial statements of the Group and of the Company for the year ended 31 December 2023.

PRINCIPAL ACTIVITIES

The principal activities of the Company in the course of the financial year remained unchanged and consist of investment holding, property development management and the provision of management services.

The principal activities of subsidiaries and an associate are stated in Note 5 and Note 6 to the financial statements respectively. The Board of Directors deems such information is included in the Company's Directors' Report by such reference and shall form part of the Company's Directors' Report.

CORPORATE INFORMATION

The Company is a public limited liability company, incorporated on 7 February 2004 and domiciled in Malaysia and is listed on the Main Market of Bursa Malaysia Securities Berhad.

Upon the completion of the listing of stapled securities on 7 May 2013, the Group now comprises:

- (a) KLCC Property Holdings Berhad ("KLCCP") Group, being the Company, its existing subsidiaries and associate company; and
- (b) KLCC Real Estate Investment Trust ("KLCC REIT") Group.

HOLDING COMPANIES

The immediate and ultimate holding companies of the Company are KLCC (Holdings) Sdn. Bhd. ("KLCCH") and Petroliam Nasional Berhad ("PETRONAS") respectively, all of which are incorporated in Malaysia.

SUBSIDIARIES

The details of the Company's subsidiaries are disclosed in Note 5 to the financial statements.

RESULTS

	Group RM'000	Company RM'000

Fees	1,217	1,217
	1,217	1,217

^{*} The remuneration of the Executive Director is paid to KLCCH as disclosed in Note 26.

223

Q

ISSUE OF SHARES

There were no changes in the issued and paid up capital of the Company during the financial year.

OPTIONS GRANTED OVER UNISSUED SHARES

No options were granted to any person to take up unissued shares of the Company during the financial year.

INDEMNITY AND INSURANCE COSTS

During the financial year, PETRONAS and its subsidiaries (hereinafter referred to as "PETRONAS Group"), including the Company, maintained a Directors' and Officers' Liability Insurance in accordance with Section 289 of the Companies Act, 2016. The total insured limit for the Directors and Officers Liability Insurance effected for the Directors and Officers of PETRONAS Group was RM1,290 million per occurrence and in the aggregate. The insurance premium for the Company is RM1,000.

OTHER STATUTORY INFORMATION

Before the financial statements of the Group and of the Company were made out, the Directors took reasonable steps to ascertain:

- (i) that necessary actions had been taken in relation to the writing off of bad debts and the provisioning of doubtful debts and satisfied themselves that all known bad debts have been written off and adequate provision made for doubtful debts; and
- (ii) that any current assets which were unlikely to be realised in the ordinary course of business, their values as shown in the accounting records of the Group and of the Company, had been written down to an amount which they might be expected so to realise.

At the date of this report, the Directors are not aware of any circumstances:

- (i) that would render the amount written off for bad debts, or the amount of the provision for doubtful debts, in the Group and in the Company inadequate to any substantial extent;
- (ii) that would render the value attributed to the current assets in the financial statements of the Group and of the Company misleading;
- (iii) which have arisen which render adherence to the existing method of valuation of assets or liabilities of the Group and of the Company misleading or inappropriate; and
- (iv) not otherwise dealt with in this report or the financial statements, that would render any amount stated in the financial statements of the Group and of the Company misleading.

At the date of this report, there does not exist:

- (i) any charge on the assets of the Group or of the Company that has arisen since the end of the financial year and which secures the liabilities of any other person; or
- (ii) any material contingent liability in respect of the Group or of the Company that has arisen since the end of the financial year.

No material contingent liability or other liability of any company in the Group has become enforceable, or is likely to become enforceable within the period of twelve months after the end of the financial year which, in the opinion of the Directors, will or may substantially affect the ability of the Group and of the Company to meet their obligations as and when they fall due.

In the opinion of the Directors, the financial performance of the Group and of the Company for the financial year ended 31 December 2023 have not been substantially affected by any item, transaction or event of a material and unusual nature nor has any such item, transaction or event occurred in the interval between the end of that financial year and the date of this report.

Notes to the Financial Statements

Q

31 December 2023

1. BASIS OF PREPARATION

1.1 Statement of compliance

The financial statements of the Group and of the Company have been prepared in accordance with Malaysian Financial Reporting Standards ("MFRS"), International Financial Reporting Standards ("IFRS") and the requirements of the Companies Act, 2016 in Malaysia.

As of 1 January 2023, the Group and the Company had adopted amendments to MFRS ("pronouncements") that have been issued by the Malaysian Accounting Standards Board ("MASB") as described fully in Note 30.

MASB has also issued new and revised pronouncements which are not yet effective for the Group and the Company and therefore, have not been adopted in these financial statements. These pronouncements including their impact on the financial statements in the period of initial application are set out in Note 31. New and revised pronouncements that are not relevant to the operations of the Group and of the Company are set out in Note 32.

These financial statements were approved and authorised for issue by the Board of Directors in accordance with a resolution of the Directors on 7 February 2024.

1.2 Basis of measurement

The financial statements of the Group and of the Company have been prepared on historical cost basis except for certain items which are measured at fair value, as disclosed in the accounting policies below.

As at 31 December 2023, the current liabilities of the Group exceeded the current assets by RM67,184,000. The net current liabilities position is due to the maturity of its RM455,000,000 and RM600,000,000 Sukuk Murabahah on 25 April 2024 and 31 December 2024 respectively. The Group has plans in place for the repayment of the Sukuk upon their maturities as disclosed in Note 27(c). Hence, the Directors have continued to prepare the financial statements on a going concern basis.

1.3 Functional and presentation currency

The financial statements of the Company is prepared using the currency of the primary economic environment in which the entity operates (the "functional currency"). The functional currency of the Company has been determined as Ringgit Malaysia ("RM"). The Group's and the Company's financial statements are presented in RM, which is the Company's reporting currency.

All financial information is presented in RM and has been rounded to the nearest thousands, unless otherwise stated.

1.4 Use of estimates and judgments

The preparation of financial statements in conformity with MFRS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

(i) Critical judgement made in applying accounting policies

There are no critical judgements made by management in the process of applying the Group's and the Company's accounting policies that have a significant effect on the amounts recognised in the financial statements.

31 December 2023

1. BASIS OF PREPARATION (continued)

1.4 Use of estimates and judgments (continued)

(ii) Key sources of estimation uncertainty

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year is discussed below:

Fair value of investment properties

The Group carries its investment properties at fair value, with changes in fair values being recognised in profit or loss. The Group had engaged independent professional valuers to determine the fair values and there are no material events that affect the valuation between the valuation date and financial year end.

The fair values of the investment properties derived by the independent professional valuers is most sensitive to the estimated reversion and term yield rate and discount rate. The range of the reversion and term yield rate and the discount rate used in the valuation is described in Note 4.

The following table demonstrates the sensitivity of the fair value measurement to changes in estimated reversion and term yield rate and discount rate:

		Fair value Increase/(decrease)	
	2023 RM'000	2022 RM'000	
Reversion and term yield rate			
+ 0.25%	(368,044)	(343,404)	
- 0.25%	381,202	365,542	
Discount rate			
+ 0.25%	(223,705)	(225,839)	
- 0.25%	223,409	235,751	

The other key assumptions used to determine the fair value of the investment properties are further explained in Note 4.

2. MATERIAL ACCOUNTING POLICIES

The accounting policies set out below have been applied consistently to all periods presented in these financial statements and have been applied consistently by the Group and the Company, unless otherwise stated.

2.1 Basis of Consolidation

Subsidiaries

Subsidiaries are entities, including structured entities, controlled by the Company. The Group controls an entity when it is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power over the entity. Potential voting rights are considered when assessing control only when such rights are substantive. The Group considers it has de facto power over an investee when, despite not having the majority of voting rights, it has the current ability to direct the activities of the investee that significantly affect the investee's return.

239

2. MATERIAL ACCOUNTING POLICIES (continued)

2.1 Basis of Consolidation (continued)

Subsidiaries (continued)

Investments in subsidiaries are measured in the Company's statement of financial position at cost less any impairment losses, unless the investment is classified as held for sale or distribution. The cost of investment includes transaction costs.

The financial statements of subsidiaries are included in the consolidated financial statements of the Group from the date that control commences until the date that control ceases.

All inter-company transactions are eliminated on consolidation and revenue and profits relate to external transactions only. Unrealised losses resulting from inter- company transactions are also eliminated unless cost cannot be recovered.

Business combination

A business combination is a transaction or other event in which an acquirer obtains control of one or more businesses. Business combinations are accounted for using the acquisition method from the acquisition date, which is the date on which control is transferred to the Group. The identifiable assets acquired and liabilities assumed are measured at their fair values at the acquisition date. The cost of an acquisition is measured as the aggregate of the fair value of the consideration transferred and the amount of any non-controlling interests in the acquiree. Non-controlling interests are stated either at fair value or at the proportionate share of the acquiree's identifiable net assets at the acquisition date.

When a business combination is achieved in stages, the Group remeasures its previously held non-controlling equity interest in the acquiree at fair value at the acquisition date, with any resulting gain or loss recognised in the profit or loss. Increase in the Group's ownership interest in an existing subsidiary is accounted for as equity transactions with differences between the fair value of consideration paid and the Group's proportionate share of net assets acquired, recognised directly in equity.

The Group measures goodwill as the excess of the cost of an acquisition and the fair values of any previously held interest in the acquiree over the fair value of the identifiable assets acquired and liabilities assumed at the acquisition date. When the excess is negative, a bargain purchase gain is recognised immediately in profit or loss.

Transaction costs, other than those associated with the issuance of debt or equity securities, that the Group incurs in connection with a business combination are expensed as incurred.

Non-controlling interests

Non-controlling interests at the end of the reporting period, being the portion of the net assets of subsidiaries attributable to equity interests that are not owned by the Company, whether directly or indirectly through subsidiaries, are presented in the consolidated statement of financial position and statement of changes in equity within equity, separately from equity attributable to the shareholders of the Company.

Non-controlling interests in the results of the Group are presented in the consolidated statement of profit or loss and other consolidated statement of comprehensive income as an allocation of the profit or loss and total comprehensive income for the year between the non-controlling interests and shareholders of the Company.

Losses applicable to the non-controlling interests in a subsidiary are allocated to the non-controlling interests even if doing so causes the non-controlling interests to have a deficit balance.

The Group treats all changes in its ownership interest in a subsidiary that do not result in a loss of control as equity transactions between the Group and its non-controlling interest holders. Any difference between the Group's share of net assets before and after the change, and any consideration received or paid, is adjusted to or against Group reserves.

31 December 2023

2. MATERIAL ACCOUNTING POLICIES (continued)

2.1 Basis of Consolidation (continued)

Loss of control

Upon the loss of control of a subsidiary, the Group derecognises the assets and liabilities of the former subsidiary, any non-controlling interests and the other components of equity related to the former subsidiary from the consolidated statement of financial position. Any surplus or deficit arising on the loss of control is recognised in profit or loss. If the Group retains any interest in the previous subsidiary, then such interest is measured at fair value at the date that control is lost. Subsequently, it is accounted for as an equity-accounted investee or as a fair value through other comprehensive income financial asset depending on the level of influence retained.

2.2 Associates

Associates are entities in which the Group has significant influence including representation on the Board of Directors, but not control or joint control, over the financial and operating policies of the investee company.

Associates are accounted for in the consolidated financial statements using the equity method less any impairment losses, unless it is classified as held for sale or distribution. The consolidated financial statements include the Group's share of post-acquisition profits or losses and other comprehensive income of the equity-accounted associates, after adjustments to align the accounting policies with those of the Group, from the date that significant influence commences until the date that significant influence ceases.

The Group's share of post-acquisition reserves and retained profits less losses is added to the carrying value of the investment in the consolidated statement of financial position. These amounts are taken from the latest audited financial statements or management financial statements of the associates.

When the Group's share of post-acquisition losses exceeds its interest in an equity accounted associate, the carrying amount of that interest (including any long-term investments such as loans and advances) is reduced to nil and the recognition of further losses is discontinued except to the extent that the Group has an obligation or has made payments on behalf of the associate.

When the Group ceases to have significant influence over an associate, it is accounted for as a disposal of the entire interest in that associate, with the resulting gain or loss being recognised in the profit or loss. Any retained interest in the former associate at the date when significant influence is lost is measured at fair value and this amount is regarded as the initial carrying amount of a financial asset.

When the Group's interest in an associate decreases but does not result in loss of significant influence, any retained interest is not re-measured. Any gain or loss arising from the decrease in interest is recognised in profit or loss. Any gains or losses previously recognised in other comprehensive income are also reclassified proportionately to the profit or loss if that gain or loss would be required to be reclassified to profit or loss on the disposal of the related assets and liabilities.

Unrealised profits arising from transactions between the Group and its associates are eliminated to the extent of the Group's interests in the associates. Unrealised losses on such transactions are also eliminated partially, unless cost cannot be recovered.

2. MATERIAL ACCOUNTING POLICIES (continued)

2.3 Property, plant and equipment and depreciation

Recognition and measurement

Freehold land and projects-in-progress are stated at cost less accumulated impairment losses and are not depreciated. Other property, plant and equipment are stated at cost less accumulated depreciation and any accumulated impairment losses.

Cost includes expenditures that are directly attributable to the acquisition of the assets and any other costs directly attributable to bringing the assets to working condition for their intended use, and the costs of dismantling and removing the items and restoring the site on which they are located. The cost of self-constructed assets also includes the cost of material and direct labour. For qualifying assets, financing costs are capitalised in accordance with the accounting policy on financing costs. Purchased software that is integral to the functionality of the related equipment is capitalised as part of that equipment.

When significant components of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment.

Subsequent costs

The cost of replacing a component of an item of property, plant and equipment is recognised in the carrying amount of the item if it is probable that the future economic benefits embodied within the component will flow to the Group or the Company and its cost can be measured reliably. The carrying amount of the replaced item of property, plant and equipment is derecognised with any corresponding gain or loss recognised in the profit or loss accordingly. The costs of the day-to-day servicing of property, plant and equipment are recognised in the profit or loss as incurred.

Depreciation

Depreciation for property, plant and equipment other than freehold land, and projects-in-progress, is recognised in the profit or loss on a straight-line basis over the estimated useful lives of each component of an item of property, plant and equipment. Property, plant and equipment are not depreciated until the assets are ready for their intended use.

The annual rates of depreciation of the other property, plant and equipment are as follows:

Hotel building	80 years
Building improvements	5 – 6 years
Furniture and fittings	5 – 10 years
Plant and equipment	4 - 10 years
Office equipment	5 years
Renovation	5 years
Motor vehicles	4 – 5 years
Crockery, linen and utensils	3 years

The depreciable amount is determined after deducting residual value. The residual value, useful life and depreciation method are reviewed at each financial year end to ensure that the amount, period and method of depreciation are consistent with previous estimates and the expected pattern of consumption of the future economic benefits embodied in the items of property, plant and equipment.

31 December 2023

2. MATERIAL ACCOUNTING POLICIES (continued)

2.3 Property, plant and equipment and depreciation (continued)

Derecognition

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. The difference between the net disposal proceeds, if any, and the net carrying amount is recognised in the profit or loss.

2.4 Investment properties

Investment properties are properties which are owned to earn rental income or for capital appreciation or for both, but not for sale in the ordinary course of business, use in the production or supply of goods or services or for administrative purpose. Subsequent to initial recognition, investment properties are stated at fair value. Fair value is arrived at by reference to market evidence of transaction prices for similar properties and is performed by registered independent valuers having an appropriate recognised professional qualification and recent experience in the location and category of the properties being valued.

Gains or losses arising from changes in the fair value of investment properties are recognised in the profit or loss in the year in which they arise.

Investment properties are derecognised when either they have been disposed off or when the investment property is permanently withdrawn from use and no future economic benefit is expected from its disposal. Any gains or losses on the retirement or disposal of an investment property are recognised in the profit or loss in the year in which they arise.

Where the fair value of the Investment Property Under Construction ("IPUC") is not reliably determinable, the IPUC is measured at cost until either its fair value has been reliably determinable or construction is complete, whichever is earlier.

2.5 Leases

(i) Definition of a lease

A contract is, or contains, a lease if the contract conveys a right to control the use of an identified asset for a period of time in exchange for a consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Group and the Company assess whether:

- the contract involves the use of an identified asset this may be specified explicitly or implicitly and should be physically distinct or represent substantially all of the capacity of a physically distinct asset. If the supplier has a substantive substitution right, then the asset is not identified;
- the customer has the right to obtain substantially all of the economic benefits from use of the asset throughout the period of use; and
- the customer has the right to direct the use of the asset when it has the decision-making rights that are most relevant to changing how and for what purpose the asset is used. The customer has the right to direct the use of the asset if either the customer has the right to operate the asset; or the customer designed the asset in a way that predetermines how and for what purpose it will be used throughout the period of use.

At inception or on reassessment of a contract that contains a lease component, the Group and the Company allocate the consideration in the contract to each lease and non-lease component on the basis of their relative stand-alone prices.

243

2. MATERIAL ACCOUNTING POLICIES (continued)

2.5 Leases (continued)

(ii) Recognition and initial measurement

(a) As a lessee

The Group and the Company recognise a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the profit rate implicit in the lease or, if that rate cannot be readily determined, the respective Group entities' incremental financing rate is used. Generally, the Group entities use their incremental financing rate as the discount rate.

Lease payments included in the measurement of the lease liability comprise the following:

- · fixed payments, including in-substance fixed payments;
- variable lease payments that depend on an index or a rate, initially measured using the index or rate as at the commencement date;
- amounts expected to be payable under a residual value guarantee;
- the exercise price under a purchase option that Group and the Company are reasonably certain to exercise; and
- penalties for early termination of a lease unless the Group and the Company are reasonably certain not to early terminate the contract.

The Group and the Company exclude variable lease payments that linked to future performance or usage of the underlying asset from the lease liability. Instead, these payments are recognised in profit or loss in the period in which the performance or use occurs.

The Group and the Company assess at lease commencement whether it is reasonably certain to exercise the extension options in determining the lease term.

The Group and the Company have elected not to recognise right-of-use assets and lease liabilities for short-term leases that have a lease term of 12 months or less and leases of low-value assets. The Group and the Company recognise the lease payments associated with these leases as an expense on a straight-line basis over the lease term.

The Group and the Company present right-of-use assets that do not meet the definition of investment property in 'property, plant and equipment' and lease liabilities in 'financings' in the statement of financial position.

(b) As a lessor

When the Group and the Company act as a lessor, it determines at lease inception whether each lease is a finance lease or an operating lease.

To classify each lease, the Group and the Company make an overall assessment of whether the lease transfers substantially all of the risks and rewards incidental to ownership of the underlying asset. If this is the case, then the lease is a finance lease; if not, then it is an operating lease.

31 December 2023

2. MATERIAL ACCOUNTING POLICIES (continued)

2.5 Leases (continued)

(iii) Subsequent measurement

(a) As a lessee

The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. The estimated useful lives of right-of-use assets are determined on the same basis as those of property, plant and equipment. Depreciation of certain right-of-use assets are subsequently capitalised into carrying amount of other assets whenever they meet the criteria for capitalisation. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain remeasurements of the lease liability.

The lease liability is measured at amortised cost using the effective interest/profit rate method. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a revision of in-substance fixed lease payments, or if there is a change in the Group's estimate of the amount expected to be payable under a residual value guarantee, or if the Group changes its assessment of whether it will exercise a purchase, extension or termination option. The Group will reassess whether it is reasonably certain to exercise the extension option if there is a significant change in circumstances within its control.

When the lease liability is remeasured as described in the above paragraph, a corresponding adjustment is made to the carrying amount of the right-of-use asset or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

When there is lease modification due to increase in the scope of lease by adding the right-to-use one or more underlying assets, the Group and the Company assess whether the lease modification shall be accounted for as a separate lease or similar to reassessment of lease liability. The Group and the Company account for lease modification as a separate lease when the consideration for the lease increases by an amount commensurate with the stand-alone price for the increase in scope and any appropriate adjustments.

When there is lease modification due to decrease in scope, the Group and the Company decrease the carrying amount of the right-of-use asset and remeasure the lease liability to reflect the partial or full termination of the lease. The corresponding gain or loss shall be recognised in profit or loss. Lease liabilities are remeasured for all other lease modifications with corresponding adjustments to the right-of-use asset.

(b) As a lessor

The Group and the Company recognise lease payments received under operating leases as income on a straight-line basis over the lease term as part of "revenue".

Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income. Contingent rents are recognised as revenue in the period in which they are earned.

2. MATERIAL ACCOUNTING POLICIES (continued)

2.6 Investments

Long-term investments in subsidiaries and associates are stated at cost less impairment loss, if any, in the Company's financial statements unless the investment is classified as held for sale or distribution. The cost of investments includes transaction costs

The carrying amount of these investments includes fair value adjustments on shareholders loans and advances, if any.

On disposal of such investments, the difference between net disposal proceeds and their carrying amounts is included in profit or loss.

2.7 Intangible assets

Goodwill

Goodwill arising from business combinations is initially measured at cost as described in Note 2.1. Following the initial recognition, goodwill is measured at cost less any accumulated impairment losses. Goodwill is not amortised but instead, it is reviewed for impairment, annually or more frequently if events or changes in circumstances indicate that the carrying value may be impaired.

In respect of equity-accounted investees, the carrying amount of goodwill is included in the carrying amount of the investment. The entire carrying amount of the investment is reviewed for impairment when there is objective evidence of impairment.

Other intangible assets

Intangible assets other than goodwill are measured on initial recognition at cost. The costs of intangible assets acquired in a business combination are their fair values as at the date of acquisition.

Following initial recognition, intangible assets with finite useful lives are carried at cost less accumulated amortisation and any accumulated impairment losses.

Amortisation for intangible assets with finite useful lives is recognised in the profit or loss on a straight-line basis over the estimated economic useful lives, other than certain recoverable expenditure incurred under a service contract which is amortised based on unit of production method, which is calculated based on entitlement of production for the period, and estimated entitlement for the remaining life of the asset.

Intangible assets are assessed for impairment whenever there is indication that the intangible assets may be impaired. Impairment assessment on intangible assets with indefinite useful lives is performed annually.

The amortisation method and the useful life for intangible assets are reviewed at least at each reporting date. Intangible assets are assessed for impairment whenever there is indication that the intangible assets may be impaired.

2.8 Financial instruments

A financial instrument is recognised in the statement of financial position when, and only when, the Group or the Company becomes a party to the contractual provisions of the instrument.

Recognition and initial measurement

A financial asset (unless it is a receivable without a significant financing component) and a financial liability is measured at fair value plus or minus, in the case of a financial instrument not at fair value through profit or loss, any directly attributable transaction cost incurred at the acquisition or issuance of the financial instrument.

31 December 2023

2. MATERIAL ACCOUNTING POLICIES (continued)

2.8 Financial instruments (continued)

Classification and subsequent measurement

(i) Financial assets

Financial assets are classified as measured at amortised cost, fair value through other comprehensive income ("FVOCI") or fair value through profit or loss ("FVTPL"), as appropriate.

The classification of financial assets at initial recognition depends on the financial asset's contractual cash flow characteristics and the Group's and the Company's business model for managing them.

With the exception of trade receivables that do not contain a significant financing component or for which the Group and the Company have applied the practical expedient, the Group and the Company initially measure a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs.

Trade receivables that do not contain a significant financing component or if the period between performance and payment is 1 year or less under practical expedient of MFRS 15, are measured at the transaction price determined under MFRS 15.

In order for a financial asset to be classified and measured at amortised cost or FVOCI, it needs to give rise to cash flows that are solely payments of principal and interest ("SPPI") on the principal amount outstanding. This assessment is referred to as the SPPI test and is performed at an instrument level.

The Group's and the Company's business model for managing financial assets refers to how it manages its financial assets in order to generate cash flows. The business model determines whether cash flows will result from collecting contractual cash flows, selling the financial assets, or both.

Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place ("regular way trades") are recognised on the trade date, that is the date that the Company commits to purchase or sell the asset.

Amortised cost

This category is the most relevant to the Group and the Company. The Group and the Company measure financial assets at amortised cost if both of the following conditions are met:

- The financial asset is held within a business model with the objective to hold financial assets in order to collect contractual cash flows; and
- The contractual terms of the financial asset give rise on specified dates to cash flows that are SPPI on the principal amount outstanding.

Subsequent measurement

Financial assets at amortised cost are subsequently measured using the effective interest/profit rate ("EIR") method and are subject to impairment. Gains and losses are recognised in profit or loss when the asset is derecognised, modified or impaired.

247

2. MATERIAL ACCOUNTING POLICIES (continued)

2.8 Financial instruments (continued)

Classification and subsequent measurement (continued)

(ii) Financial liabilities

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and financings and payables.

All financial liabilities are recognised initially at fair value and, in the case of loans and financings and payables, net of directly attributable transaction costs.

The Group's and the Company's financial liabilities include trade and other payables and loans and financings.

Fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss.

Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Group and the Company that are not designated as hedging instruments in hedge relationships as defined by MFRS 9. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

Gain or losses on liabilities held for trading are recognised in the statement of profit or loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated at the initial date of recognition, and only if the criteria in MFRS 9 are satisfied. The Group and the Company have not designated any financial liability as at fair value through profit or loss.

Amortised cost (financings)

This is the category most relevant to the Group and the Company. After initial recognition, interest/profit bearing financings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in the profit or loss when the liabilities are derecognised as well as through the amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit or loss.

This category generally applies to interest/profit rate financings.

(iii) Effective interest/profit rate method

Amortised cost was computed using the effective interest/profit rate method. This method used effective interest/profit rate that exactly discounts estimated future cash receipts or payments through the expected life of the financial instrument to the net carrying amount of the financial instrument. Amortised cost takes into account any transaction costs and any discount or premium on settlement.

31 December 2023

2. MATERIAL ACCOUNTING POLICIES (continued)

2.8 Financial instruments (continued)

Classification and subsequent measurement (continued)

(iv) Derecognition of financial instruments

Financial asset

A financial asset is derecognised when the rights to receive cash flows from the asset have expired or, the Group and the Company have transferred their rights to receive cash flows from the asset or have assumed an obligation to pay the received cash flows in full without material delay to a third party under a "pass-through" arrangement without retaining control of the asset or substantially all the risks and rewards of the asset.

Financial liability

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expired. On derecognition of a financial liability, the difference between the carrying amount of the financial liabilities extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in the profit or loss. In the case of waiver of debt from owners, the gain is recognised in equity as capital reserve.

(v) Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the statement of financial position if, and only if, there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis or to realise the assets and settle the liabilities simultaneously.

2.9 Impairment

(i) Financial assets

The Group and the Company recognise loss allowances for expected credit losses ("ECL") on financial assets measured at amortised cost and debt investments measured at fair value through other comprehensive income.

ECLs are based on the difference between the contractual cash flows due in accordance with the contract and all the cash flows that the Group and the Company expect to receive, discounted at an approximation of the original Effective Profit Rate. The expected cash flows will include cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

ECLs are recognised in two stages. For credit exposures for which there has not been a significant increase in credit risk since initial recognition, ECLs are provided for credit losses that result from default events that are possible within the next 12-months (a 12-month ECL). For those credit exposures for which there has been a significant increase in credit risk since initial recognition, a loss allowance is required for credit losses expected over the remaining life of the exposure, irrespective of the timing of the default (a lifetime ECL).

For trade receivables, the Group and the Company apply a simplified approach in calculating ECLs. Therefore, the Group and the Company do not track changes in credit risk, but instead recognise a loss allowance based on lifetime ECLs at each reporting date. The Group and the Company have established a provision matrix that is based on its historical credit loss experience, adjusted for forward-looking factors specific to the debtors and the economic environment.

The Group and the Company consider a financial asset in default when contractual payments are 30 days past due. However, in certain cases, the Group and the Company may also consider a financial asset to be in default when internal or external information indicates that the Group and the Company are unlikely to receive the outstanding contractual amounts in full before taking into account any credit enhancements held by the Group and the Company. A financial asset is written off when there is no reasonable expectation of recovering the contractual cash flows

2. MATERIAL ACCOUNTING POLICIES (continued)

2.9 Impairment (continued)

(i) Financial assets (continued)

When determining whether the credit risk of a financial asset has increased significantly since initial recognition and when estimating expected credit loss, the Group and the Company consider reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis, based on the Group's historical experience and informed credit assessment and including forward-looking information, where available.

The Group and the Company assume that the credit risk on a financial asset has increased significantly if it is past due.

The Group and the Company consider a financial asset to be in default when the borrower is unlikely to pay its credit obligations to the Group and the Company in full, without recourse by the Group and the Company to actions such as realising security.

(ii) Other assets

The carrying amounts of other assets, other than inventories, deferred tax assets and non-current assets or disposal groups classifies as held for sale, are reviewed at each reporting date to determine whether there is any indication of impairment.

If any such indication exists, the asset's recoverable amount is estimated. An impairment loss is recognised if the carrying amount of an asset or the cash-generating unit to which it belongs exceeds its recoverable amount. Impairment losses are recognised in the profit or loss.

A cash-generating unit is the smallest identifiable asset group that generates cash flows from continuing use that are largely independent from other assets and groups. An impairment loss recognised in respect of a cash-generating unit is allocated first to reduce the carrying amount of any goodwill allocated to the unit and then to reduce the carrying amount of the other assets in the unit on a pro-rata basis.

The recoverable amount is the greater of the asset's fair value less cost to sell and its value-in-use. In assessing value-in-use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset.

An impairment loss in respect of goodwill is not reversed in the subsequent period. In respect of other assets, impairment losses are reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised.

Reversals of impairment losses are credited to the profit or loss in the year in which the reversals are recognised.

31 December 2023

2. MATERIAL ACCOUNTING POLICIES (continued)

2.10 Cash and cash equivalents

Cash and cash equivalents consist of cash on hand and bank balances, deposits with licensed financial institutions and highly liquid investments which have an insignificant risk of changes in fair value and are used by the Group and the Company in the management of their short-term commitments. For the purpose of the statements of cash flows, cash and cash equivalents are presented net of bank overdrafts and deposits restricted, if any.

2.11 Inventories

Inventories are stated at the lower of cost and net realisable value. Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and selling expenses.

Cost of developed properties held for sale and properties under development consists of costs associated with the acquisition of land, all costs that are directly attributable to development activities, appropriate proportions of common costs attributable to developing the properties, and interest/profit expenses incurred during the period of active development.

Cost of material stores and spares consists of the invoiced value from suppliers and import duty charges and is determined on a weighted average basis.

2.12 Provisions

A provision is recognised if, as a result of a past event, the Group and the Company have a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation.

The amount recognised as a provision is the best estimate of the expenditure required to settle the present obligation at the reporting date. Provisions are reviewed at each reporting date and adjusted to reflect the current best estimate.

2.13 Employee benefits

(i) Short term benefits

Wages and salaries, bonuses and social security contributions are recognised as an expense in the year in which the associated services are rendered by employees of the Group and the Company.

(ii) Defined contribution plans

As required by law, companies in Malaysia make contributions to the state pension scheme, the Employees Provident Fund ("EPF").

Such contributions are recognised as an expense in the profit or loss as incurred.

2.14 Taxation

Tax on the profit or loss for the year comprises current and deferred tax. Income tax is recognised in the profit or loss except to the extent it relates to a business combination or items recognised directly in equity, in which case it is recognised in equity or other comprehensive income.

(i) Current tax

Current tax expense is the expected tax payable on the taxable income for the year, using the statutory tax rates at the reporting date, and any adjustment to tax payable in respect of previous years.

2. MATERIAL ACCOUNTING POLICIES (continued)

2.14 Taxation (continued)

(ii) Deferred tax

Deferred tax is provided for, using the liability method, on temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts in the financial statements. In principle, deferred tax liabilities are recognised for all taxable temporary differences and deferred tax assets are recognised for all deductible temporary differences, unabsorbed capital allowances, unused reinvestment allowances, unused investment tax allowances, unused tax losses and other unused tax credits to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences, unabsorbed capital allowances, unused reinvestment allowances, unused investment tax allowances, unused tax losses and other unused tax credits can be utilised.

Deferred tax is not recognised for the following temporary differences: the initial recognition of goodwill or negative goodwill or from the initial recognition of an asset or liability in a transaction which is not a business combination and that affects neither accounting nor taxable profit or loss.

Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority on the same taxable entity, or on different tax entities where they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realised simultaneously.

Deferred tax asset is reviewed at each reporting date and is reduced to the extent that it is no longer probable that the future taxable profit will be available against which the related tax benefit can be realised.

Deferred tax provided for the investment properties is at 10% which reflects the expected manner of recovery of the investment properties through sale.

The expected manner of recovery of the Group's other investment properties that are not within KLCC REIT is through sale to a real estate investment trust ("REIT"). No deferred tax is recognised on the fair valuation of these properties as chargeable gains accruing on the disposal of any chargeable assets to a REIT is tax exempted.

2.15 Foreign currency transactions

In preparing the financial statements of individual entities in the Group, transactions in currencies other than the entity's functional currency ("foreign currencies") are translated to the functional currencies at rates of exchange ruling on the transaction dates.

Monetary assets and liabilities denominated in foreign currencies at the reporting date have been retranslated to the functional currency at rates ruling on the reporting date.

31 December 2023

2. MATERIAL ACCOUNTING POLICIES (continued)

2.15 Foreign currency transactions (continued)

Non-monetary assets and liabilities denominated in foreign currencies, which are measured at fair value, are retranslated to the functional currency at the foreign exchange rates ruling at the date when the fair value was determined. Non-monetary items that are measured in terms of historical cost in foreign currency are not retranslated.

The principal exchange rates used for each respective unit of foreign currency ruling at the reporting date are as follows:

	2023 RM	2022 RM
United States Dollar	4.60	4.41

2.16 Revenue

(i) Rental income

Rental income is recognised based on the accrual basis unless collection is in doubt, in which case it is recognised on the receipt basis.

Rental income from fixed and minimum guaranteed rent reviews is recognised on a straight line basis over the shorter of the entire lease term or the period to the first break option. Where such rental income is recognised ahead of the related cash flow, an adjustment is made to ensure the carrying value of the related property including the accrued rent does not exceed the external valuation.

Contingent rent such as turnover rent is recognised as income in the profit or loss on an accrual basis.

(ii) Others

Revenue from contracts with customers is measured based on the consideration specified in a contract with a customer and exclude amounts collected on behalf of third parties. The Group or the Company recognises revenue when or as it transfers control over a product or service to customer. An asset is transferred when (or as) the customer obtains control of the asset.

An entity transfers control of a good or service over time and, therefore, satisfies a performance obligation and recognises revenue over time, if one of the following criteria is met:

- i. the customer simultaneously receives and consumes the benefits provided by the entity's performance as the entity performs;
- ii. the entity's performance creates or enhances an asset (for example, work-in-progress) that the customer controls as the asset is created or enhanced; or
- iii. the entity's performance does not create an asset with an alternative use to the entity and the entity has an enforceable right to payment for performance completed to date.

If a performance obligation is not satisfied over time in accordance with the above criteria, an entity satisfies the performance obligation and recognises revenue at a point in time.

2. MATERIAL ACCOUNTING POLICIES (continued)

2.16 Revenue (continued)

(ii) Others (continued)

Performance obligation by categories are as follows:

(a) Dividend income

Dividend income is recognised when the shareholders' right to receive payment is established.

(b) Hotel operations

Revenue from rental of spaces of events, hotel rooms, sale of food and beverage and other related income are recognised upon provision of the services.

Q

(c) Revenue from management fees

Revenue from management fees is recognised when the services are performed. The revenue comprises of:

(i) Building and facilities management services

Revenue from buildings and facilities management services is recognised when the services are performed.

(ii) Car park operations

Revenue from car park operations is recognised on the accrual basis.

(d) Interest/profit income

Interest/profit income is recognised on an accrual basis using the effective interest/profit rate method.

2.17 Financing Costs

Financing costs directly attributable to the acquisition and construction of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are capitalised as part of cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

All interest and other costs incurred in connection with financings are expensed as incurred, other than that capitalised in accordance with the accounting policies stated in Notes 2.3 and 2.4.

All other financing costs are charged to the profit or loss as an expense in the year in which they are incurred.

2.18 Operating segments

An operating segment is a component of the Group and of the Company that engages in business activities from which it may earn revenues and incur expenses, including revenues and expenses that relate to transactions with any of the Group's and the Company's other components, and for which discrete financial information is available.

An operating segment's operating results are reviewed regularly by the chief operating decision maker, which in this case is the Board of Directors, to make decisions about resources to be allocated to the segment and to assess its performance.

31 December 2023

2. MATERIAL ACCOUNTING POLICIES (continued)

2.19 Fair value measurement

Fair value of an asset or a liability, except for lease transactions, is determined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The measurement assumes that the transaction to sell the asset or transfer the liability takes place either in the principal market or in the absence of a principal market, in the most advantageous market.

(i) Financial instruments

The fair value of financial instruments that are actively traded in organised financial markets are determined by reference to quoted market bid prices at the close of business at the end of reporting date. For financial instruments where there is no active market, fair value is determined using valuation techniques. Such techniques may include using recent arm's length market transactions; reference to the current fair value of another instrument that is substantially the same; discounted cash flow analysis or other valuation models. Where fair value cannot be reliably estimated, assets are carried at cost less impairment losses, if any.

(ii) Non-financial assets

For non-financial assets, the fair value measurement takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

When measuring the fair value of an asset or a liability, the Group and the Company use observable market data as far as possible. Fair value are categorised into different levels in a fair value hierarchy based on the input used in the valuation technique as follows:

- Level 1 Quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2 Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3 Inputs for the asset or liability that are not based on observable market data (unobservable input).

The fair value of an asset to be transferred between levels is determined as of the date of the event or change in circumstances that caused the transfer.

The Group and the Company recognise transfers between levels of the fair value hierarchy as of the date of the event or change in circumstances that caused the transfers.

2.20 Equity instruments

Instruments classified as equity are measured at cost on initial recognition and are not remeasured subsequently.

Ordinary shares

Ordinary shares are classified as equity. Dividends on ordinary shares are recognised in equity in the period in which they are declared.

Transaction costs

The transaction costs of an equity transaction are accounted for as a deduction from equity, net of tax. Equity transaction costs comprise only those incremental external costs directly attributable to the equity transaction which would otherwise have been avoided.

255

2. MATERIAL ACCOUNTING POLICIES (continued)

2.21 Current versus non-current classification

The Group and the Company present assets and liabilities in the statement of financial position based on current/non-current classification.

An asset is current when it is:

- (i) expected to be realised or intended to be sold or consumed in normal operating cycle;
- (ii) held primarily for the purpose of trading;
- (iii) expected to be realised within twelve months after the reporting period; or
- (iv) cash or cash equivalents unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- (i) it is expected to be settled in normal operating cycle;
- (ii) it is held primarily for the purpose of trading;
- (iii) it is due to be settled within twelve months after the reporting period; or
- (iv) there is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

2.22 Climate related matters

The Group considers climate-related matters in estimates and assumptions, where appropriate. This assessment includes a wide range of possible impacts on the group due to both physical and transition risks. Even though the Group believes its business model and products will still be viable after the transition to a low-carbon economy, climate-related matters increase the uncertainty in estimates and assumptions underpinning several items in the financial statements. Even though climate-related risks might not currently have a significant impact on measurement, the Group is closely monitoring relevant changes and developments, such as new climate-related legislation. The items and considerations that are most directly impacted by climate-related matters are:

- (i) Useful life of property, plant and equipment. When reviewing the residual values and expected useful lives of assets, the Group considers climate-related matters, such as climate-related legislation and regulations that may restrict the use of assets or require significant capital expenditures.
- (ii) Impairment of non-financial assets. The value-in-use may be impacted in several different ways by transition risk in particular, such as climate-related legislation and regulations and changes in demand for the Group's products.
- (iii) Fair value measurement. For investment properties and revalued office properties, the Group considers the effect of physical and transition risks and whether investors would consider those risks in their valuation. The Group believes it is not currently exposed to severe physical risks, but believes that investors, to some extent, would consider impacts of transition risks in their valuation, such as increasing requirements for energy efficiency of buildings due to climate related legislation and regulations as tenants' increasing demands for low-emission buildings.

4. INVESTMENT PROPERTIES (continued)

The following investment properties are held under lease terms:

	Gre	oup
	2023 RM'000	2022 RM'000
Completed investment property	451,000	377,000
IPUC land at fair value	187,300	186,000
IPUC at cost	115,000	115,000
	753,300	678,000

The investment properties are stated at fair value, which have been determined based on valuations performed by independent professional valuers. There are no material events that affect the valuation between the valuation date and financial year end. The valuation methods used in determining the valuations are the investment method, residual method and comparison method. During the financial year, Group has recognised a total fair value gain of RM221,914,000 (2022: RM128,676,000).

IPUC is measured at cost until the earlier of the date of construction is completed or the date at which the fair value becomes reliably determinable.

Consequently, there was no impairment loss recognised on the IPUC (2022: RM114,906) during the financial year.

The following are recognised in profit or loss in respect of investment properties:

	Gro	oup
	2023 RM'000	2022 RM'000
Rental income Direct operating expenses of income generating investment properties	1,098,625 (104,683)	1,064,918 (93,427)
	993,942	971,491

Fair value information

Fair value of investment properties are categorised as follows:

	Level 1 RM'000	Level 2 RM'000	Level 3 RM'000	Total RM'000
2023

	_	_	15,585,012	15,585,012

31 December 2023

4. INVESTMENT PROPERTIES (continued)

Policy on transfer between levels

The fair value of an asset to be transferred between levels is determined as of the date of the event or change in circumstances that caused the transfer.

Level 1 fair value

Level 1 fair value is derived from quoted price (unadjusted) in active markets for identical investment properties that the entity can assess at the measurement date.

Level 2 fair value

Level 2 fair value is estimated using inputs other than quoted prices included within Level 1 that are observable for the investment properties, either directly or indirectly.

Level 3 fair value

Level 3 fair value is estimated using unobservable inputs for the investment properties.

Transfer between Level 1, 2 and 3 fair values

There is no transfer between Level 1, 2 and 3 fair values during the financial year.

The following table shows a reconciliation of Level 3 fair values:

	2023 RM'000	2022 RM'000
Valuation per valuers' report Less: Accrued rental income	16,086,300 (270,954)	15,914,000 (328,988)
	15,815,346	15,585,012
Adjusted valuation on 1 January Additions Write off Gain on fair value adjustments of investment properties	15,585,012 8,420 – 221,914	15,448,803 7,546 (13) 128,676

4. INVESTMENT PROPERTIES (continued)

- (a) Investment method entails the capitalisation of the net rent from a property. Net rent is the residue of gross annual rent less annual expenses (outgoings) required to sustain the rent with allowance for void and management fees.
- (b) Residual method is used to value a property that has development potential. The value of the property will be the residual of the potential value less the construction costs and the required profit from the project.
- (c) Under the comparison method, a property's fair value is estimated based on the comparable transactions.

Valuation processes applied by the Group for Level 3 fair value

The fair value of investment properties is determined by independent professional valuers, having appropriate recognised professional qualifications and recent experience in the location and category of property being valued. The independent professional valuers provide the fair value of the Group's investment properties portfolio annually. Changes in Level 3 fair values are analysed by the management annually after obtaining the valuation report from the independent professional valuers.

5. INVESTMENT IN SUBSIDIARIES

		Com	pany
	Note	2023 RM'000	2022 RM'000

Less: Impairment loss	(iii)	(990)	(990)
		1,371,796	1,371,793

(i) Effects of conversion of amount due from subsidiaries to investment

During the year, a subsidiary, Arena Johan Sdn Bhd has issued ordinary shares to the Company to settle its amount due to the Company.

(ii) Write-down in value

The investments in certain subsidiaries have been adjusted to their recoverable amount subsequent to the disposal of their assets and liabilities to KLCC REIT.

(iii) Impairment review of cost of investment in subsidiaries

An impairment review of the carrying amount of investment in subsidiaries at the reporting date was undertaken by comparing it to respective recoverable amount. No additional impairment was recognised during the current and previous financial year.

- * Whilst the Group has no ownership interests in KLCC REIT, the Directors have deemed it to be a subsidiary as:
 - (i) the Group exercises power over KLCC REIT by virtue of its control over KLCC REIT Management, the manager of KLCC REIT; and
 - (ii) KLCC REIT units are stapled to the ordinary shares of the Company such that the shareholders of the Company are exposed to variable returns from its involvement with KLCC REIT and the Group has the ability to affect those returns through its power over KLCC REIT.

Cash and cash equivalents	1,189,670	1,102,810	684,703	647,539

The Group's and the Company's cash and bank balances are held in the In-House Account ("IHA") managed by PETRONAS Integrated Financial Shared Service Centre ("IFSSC") to enable more efficient cash management for the Group and the Company.

Included in cash with IFSSC and cash and bank balances of the Group and of the Company are interest/profit bearing balances amounting to RM839,111,000 (2022: RM793,623,000) and RM684,698,000 (2022: RM647,534,000) respectively.

Included in deposits restricted are monies held on behalf of clients held in designated accounts, which represent cash calls less payments in the course of rendering building and facilities management services on behalf of clients.

The weighted average effective profit rates applicable to the deposits with licensed banks of the Group is 3.99% per annum (2022: 3.94% per annum).

Deposits with licensed banks of the Group have an average maturity of 73 days (2022: 68 days).

11. SHARE CAPITAL

At the beginning/end of the year	1,805,333	1,805,333	1,823,386	1,823,386		

Stapled security:

Stapled security means one ordinary share in the Company stapled to one unit in KLCC REIT ("Unit"). Holders of KLCCP Stapled Group securities are entitled to receive distributions and dividends declared from time to time and are entitled to one vote per stapled security at Shareholders' and Unitholders' meetings.

Notes to the Financial Statements

31 December 2023

12. RESERVES

Retained profits

As at 31 December 2023, the Company may distribute the entire balance of the retained profits under the single-tier system.

Capital reserve

Fair value adjustments on investment properties are transferred from retained profits to capital reserve and such surplus will be considered distributable upon the sale of investment properties.

13. FINANCINGS (continued)

(a) Sukuk Murabahah

Sukuk Murabahah consists of Islamic Commercial Programme ("ICP") of up to RM500 million and Islamic medium term notes ("IMTN") of up to RM3 billion subject to a combined limit of RM3 billion. It is primarily secured against assignment and charge over the Finance Service Account and Revenue Account maintained by the REIT Trustee.

Details of the drawdown that are outstanding as at year end are as follows:

Tenure	Value (RM)	Profit rate	Maturity
10 years	455,000,000	4.80%	25 April 2024
7 years	500,000,000	4.20%	25 April 2026
10 years	400,000,000	4.00%	23 April 2031

The profit rate is payable semi-annually.

Another subsidiary of the Group also issued Sukuk Murabahah of up to RM600 million on 31 December 2014. The Sukuk Murabahah consists of ICP of up to RM300 million and IMTN of up to RM600 million subject to a combined limit of RM600 million. It is secured against assignment and charge over the Finance Service Account of the subsidiary. RM600 million has been drawndown at the profit rate of 4.73% per annum and maturing on 31 December 2024.

The RM455,000,000 and RM600,000,000 Sukuk Murabahah will mature on 25 April 2024 and 31 December 2024 respectively and the Group has plans in place for the repayment of the Sukuk Murabahah on the respective maturity dates. As such, the RM455,000,000 and RM600,000,000 Sukuk Murabahah are presented as current liabilities as at 31 December 2023. The Group's repayment plans are discussed in Note 27(c).

(b) Term loans

On 27 May 2015, a subsidiary of the Group entered into a Supplemental Agreement with Public Bank Berhad to restructure the term loan with an aggregate sum of RM378 million, comprising the following:

Type of Facilities	Revised Principal Limit (RM'000)
Term Loan Facility 1	239,540
Term Loan Facility 2	138,460

The term loans are repayable at RM7.5 million per annum for 7 years commencing on the 3rd year with the final bullet payment of the remainder in the final year.

Type of Facilities	Revised Principal Limit (RM'000)
Term Loan Facility 3	102.000

Term loan facility 3 was approved on 25 May 2016. The subsidiary has utilised RM78 million from the total facility of RM102 million.

The term loan facility 3 is repayable by way of 6 annual principal repayments of RM2.5 million each and one final principal payment of the remainder sum.

The term loan is secured by way of a fixed charge over the hotel property as well as debenture covering all fixed and floating assets of the hotel property as disclosed in Note 3.

The loan bears an profit rate of 4.98% per annum (2022: 5.13% per annum).

Other information on financial risks of financings are disclosed in Note 27.

Taxation at Malaysian statutory tax rate of 24% (2022: 24%)	66,523	64,322
Expenses not deductible for tax purposes	4,698	3,485
Income not subject to tax	(65,986)	(68,593)
Under provision of deferred tax in prior year	544	_
Under/(over) provision of taxation in prior year	282	(2)
Tax expense/(benefit)	6,061	(788)

In the previous financial year, the deferred tax assets and tax liabilities in respect of temporary differences that were realised in 2023 were originated at blended rates. The blended rates were measured at 24% on the first RM100 million of estimated chargeable income and one-off 33% on the remaining estimated chargeable income for the year of assessment 2023 in accordance with the provision of Malaysian Finance Act 2021.

The Company's current tax and deferred tax position is derived based on current tax legislation and best available information at the reporting date.

31 December 2023

22. LEASE

The Group and the Company have lease contracts for office space with contract terms of 2 to 3 years and the lease contracts do not contain variable lease payments.

The Group and the Company also have certain leases of office equipments with lease terms of 12 months or less and leases of office equipment with low value. The Group and the Company apply the 'short-term lease' and 'lease of low-value assets' recognition exemptions for these leases.

Set out below are the carrying amounts of right-of-use assets recognised and the movements during the year:

		Gro	oup	Com	pany
	Note	2023 RM'000	2022 RM'000	2023 RM'000	2022 RM'000
As at 1 January		3,913	5,623	388	3,548
Additions		_	98	_	_
Depreciation	17	(1,418)	(4,490)	(388)	(3,160)
Derecognition		_	(341)	_	_
Remeasurement		-	3,023	-	_
As at 31 December		2,495	3,913	_	388

Set out below are the carrying amounts of lease liabilities (included under interest/profit-bearing financings) and the movements during the year:

	Group		Company	
	2023 RM'000	2022 RM'000	2023 RM'000	2022 RM'000
As at 1 January	3,909	5,852	405	3,699
Additions	_	98	_	_
Accretion of interest/profit	172	210	5	98
Payments	(1,380)	(4,880)	(410)	(3,392)
Derecognition	_	(350)	_	_
Remeasurement	-	2,979	_	_
As at 31 December	2,701	3,909	-	405
Current	1,311	1,204	_	405
Non-current	1,390	2,705	_	403

The maturity analysis of lease liabilities are disclosed in Note 27.

22. LEASE (continued)

The following are the amounts recognised in profit or loss:

	Group		Company	
	2023	2022	2023	2022
	RM'000	RM'000	RM'000	RM'000
Depreciation expense of right-of-use	1,418	4,490	388 5	3,160
Interest/profit expense on lease liabilities	172	210		98
Total amount recognised in profit or loss	1,590	4,700	393	3,258

The Group and the Company have several lease contracts that include extension options. These options are negotiated by management to provide flexibility in managing the leased-asset portfolio and align with the Group's and the Company's business needs. Management exercises judgement in determining whether these extension options are reasonably certain to be exercised (Note 2.5 (ii)).

Operating lease commitments

The Group has entered into non-cancellable commercial property leases on its investment properties. The future minimum rental receivable under these operating leases at the reporting date is as follows:

	Group	
	2023 RM'000	2022 RM'000
Less than one year One to five years More than five years	1,050,257 2,918,050 6,986,158	972,249 2,858,507 7,316,505
As at 31 December	10,954,465	11,147,261

23. EARNINGS PER SHARE/STAPLED SECURITY - BASIC AND DILUTED

Basic/diluted earnings per share amounts are calculated by dividing profit for the year attributable to ordinary equity holders of the Company by the weighted average number of ordinary shares in issue during the financial year.

Basic/diluted earnings per stapled security amounts are calculated by dividing profit for the year attributable to ordinary equity holders of the Company and unitholders of the KLCC REIT by the weighted average number of stapled securities in issue during the financial year.

	2023	2022
Profit attributable to equity holders of the Company (RM'000) Profit attributable to NCI relating to KLCC REIT (RM'000)	396,662 534,632	279,365 503,298
Profit attributable to stapled securities holders (RM'000)	931,294	782,663
Weighted average number of stapled securities/shares in issue (Unit'000)	1,805,333	1,805,333
Basic/diluted earnings per share (sen)	21.97	15.47
Basic/diluted earnings per stapled security (sen)	51.59	43.35

Basic earnings per share/stapled security equals to diluted earnings per share/stapled security as there are no potential dilutive units in issue.

31 December 2023

24. DIVIDENDS

	Dividends Recognised in Year		Net Dividends per Ordinary Share	
	2023 RM'000	2022 RM'000	2023 sen	2022 sen
Recognised during the year:				
A fourth interim dividend of 7.69% (2021: 5.77%) on 1,805,333,083 ordinary shares for financial year ended 31 December 2022/2021	138,830	104,168	7.69	5.77
A first interim dividend of 1.41% (2022: 0.99%) on 1,805,333,083 ordinary shares for financial year ended 31 December 2023/2022	25,455	17,873	1.41	0.99
A second interim dividend of 1.80% (2022: 0.99%) on 1,805,333,083 ordinary shares for financial year ended 31 December 2023/2022	32,496	17,873	1.80	0.99
A third interim dividend of 2.50% (2022: 1.04%) on 1,805,333,083 ordinary shares for financial year ended 31 December 2023/2022	45,134	18,775	2.50	1.04
	241,915	158,689	13.40	8.79

A fourth interim dividend in respect of the financial year ended 31 December 2023, of 8.00%, tax exempt under the single tier system on 1,805,333,083 ordinary shares, declared on 7 February 2024, amounting to a dividend payable of RM144,426,647 will be paid on 29 February 2024.

The financial statements for the current year do not reflect this fourth interim dividend. Such dividend will be accounted for in equity as an appropriation of profits in the financial year ending 31 December 2024.

25. COMMITMENTS

	Gro	oup
	2023 RM'000	2022 RM'000
Investment properties		
Approved and contracted for	6,070	5,830

26. RELATED PARTY DISCLOSURES

For the purposes of these financial statements, parties are considered to be related to the Group or the Company if the Group or the Company has the ability, directly or indirectly, to control or jointly control the party or exercise significant influence over the party in making financial and operating decisions, or vice versa, or where the Group or the Company and the party are subject to common control. Related parties may be individuals or other entities.

Related parties also include key management personnel defined as those persons having authority and responsibility for planning, directing and controlling the activities of the Group either directly or indirectly and an entity that provides key management personnel services to the Group. The key management personnel include all the Directors of the Company, and certain members of senior management of the Group.

The Group's and the Company's related parties include subsidiaries and associates as well as the Government of Malaysia and its related entities as the ultimate holding company is wholly-owned by the Government of Malaysia.

Information regarding outstanding balances arising from related party transactions as at 31 December 2023 are disclosed in Notes 7 and 14.

KLCCP STAPLED GROUP Notes to the Financial Statements

31 December 2023

27. FINANCIAL INSTRUMENTS

Financial risk management objectives and policies

As the Group and the Company owns a diverse property portfolio, the Group and the Company are exposed to various risks that are particular to its various businesses. These risks arise in the normal course of the Group's and the Company's business

The Group has a Risk Management Framework and Guidelines that set the foundation for the establishment of effective risk management across the Group.

Risk taking activities are undertaken within acceptable level of risk or risk appetite, whereby the risk appetite level reflects business considerations and capacity to assume such risks. The risk appetite is established at Board level, where relevant, based on defined methodology and translated into operational thresholds.

The Group's and the Company's goal in risk management are to ensure that the management understands, measures, monitors and reports the financial risks that arise in connection with their operations. The policies, standards and guidelines have been developed to identify, analyse, appraise, monitor and report the dynamic risks facing the Group and the Company. Based on this assessment, each business unit adopts appropriate measures to mitigate these risks in accordance with the business unit's view of the balance between risk and reward.

(a) Market risk

Market risk is the risk or uncertainty arising from change in market prices and their impact on the performance of the business. The market price changes that the Group and the Company are exposed to include interest/profit rates, foreign currency exchange rates, commodity prices, equity prices and other indices that could affect the value of the Group's and the Company's financial assets, liabilities or expected future cash flows.

Financial instruments affected by market risk include financings and deposits.

(b) Interest/profit rate risk

Interest/profit rate risk is the risk that the future cash flows of a financial instrument will fluctuate because of changes in market profit rates. Fair value interest/profit rate risk is the risk that the value of a financial instrument will fluctuate due to changes in market interest/profit rates. As the Group has no significant interest/profit-bearing financial assets, the Group's income and operating cash flows are substantially independent of changes in market interest/profit rates. The Group's interest/profit-bearing financial assets are mainly short term in nature and have been mostly placed in fixed deposits.

The Group's interest/profit rate risk arises primarily from interest/profit-bearing financings. Financings at floating rates expose the Group to cash flow interest/profit rate risk. Financings obtained at fixed rates expose the Group to fair value interest/profit rate risk. The Group manages its interest/profit rate exposure by maintaining a mix of fixed and floating rate financings.

The interest/profit rate profile of the Group's and the Company's interest/profit-bearing financial instruments based on carrying amount as at reporting date is as follows:

	Gro	Group		Company	
	2023 RM'000	2022 RM'000	2023 RM'000	2022 RM′000	
Fixed rate instruments					
Financial assets	348,436	308,186	_	_	
Financial liabilities	(1,961,422)	(1,963,874)	_	_	
Floating rate instruments					
Financial assets	839,111	793,623	684,698	647,534	
Financial liabilities	(400,049)	(410,690)	-	_	

289

27. FINANCIAL INSTRUMENTS (continued)

Cash flow sensitivity analysis for floating rate instruments

The following table demonstrates the indicative pre-tax effects on the profit or loss of applying reasonably foreseeable market movements in the profit rates of floating rate instruments:

	Increase/ (decrease) in profit rate b.p.s	Group Profit or loss RM'000	Company Profit or loss RM'000
2023			
KLIBOR	-50	(2,195)	(3,423)
KLIBOR	+50	2,195	3,423
2022			
KLIBOR	-50	(1,915)	(3,238)
KLIBOR	+50	1,915	3,238
KLIDOK	130	1,515	3,230

A decrease/increase in interest/profit rate above would have had equal but opposite effect, on the basis that all other variables remain constant.

(c) Liquidity Risk

Liquidity risk is the risk that the Group and the Company will have insufficient funds to meet financial commitments in a timely manner. The Group's and the Company's exposure to liquidity risk arises principally from its trade and other payables, and financings. In managing its liquidity risk, the Group and the Company maintains sufficient cash and liquid marketable assets. The Company's current credit rating enables it to access banking facilities in excess of current and immediate future requirements of the Group and the Company.

The Group are in net current liabilities position of RM67,184,000 as at 31 December 2023. This is due to the reclassification of its RM455,000,000 and RM600,000,000 Sukuk Murabahah to current liabilities as the maturity dates are on 25 April 2024 and 31 December 2024 respectively. The Group has plans in place for the repayment of the Sukuk Murabahah on the respective maturity dates.

The Directors do not expect repayment risk and is currently exploring various refinancing options and source to redeem the Sukuk Murabahah. Based on the reaffirmed AAA ratings from RAM Ratings on 2 June 2023 and 4 December 2023 for the RM455,000,000 and RM600,000,000 Sukuk Murabahah respectively, the Directors are confident that the Group will be able to refinance the Sukuk Murabahah upon maturity.

KLCCP STAPLED GROUP

^{*} The contractual cash flow is inclusive of the principal and interest/profit but excluding interest/profit accretion due to MFRS 9 measurement.

27. FINANCIAL INSTRUMENTS (continued)

(d) Credit risk

Credit risk is the risk of potential exposure of the Group and of the Company to losses in the event of non-performance by counterparties. The Group and the Company's exposures to credit risk arise principally from customers and placement in financial institutions. Credit risks are controlled by individual subsidiaries in line with Group's Risk Management Framework and Guideline.

Receivables

Risk management objectives, policies and processes for managing the risk

The Group and the Company minimise credit risk by entering into contracts with highly credit rated counterparty and through credit approval, financial limits and monitoring procedures. Counterparty credit evaluations are done systematically using quantitative and qualitative criteria on credit risks as specified by individual operating units.

Management has taken reasonable steps to ensure that receivables that are neither past due nor impaired are stated at their realisable values. A significant portion of these receivables are regular customers that have been transacting with the Group and the Company.

At each reporting date, the Group and the Company assess whether any of the trade receivables and contract assets are credit impaired.

The gross carrying amounts of credit impaired trade receivables and contract assets are written off (either partially or full) when there is no realistic prospect of recovery. This is generally the case when the Group or the Company determines that the debtor does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write-off. Nevertheless, trade receivables and contract assets that are written off could still be subject to enforcement activities.

Concentration of credit risk

Exposure to losses increases with concentrations of credit risk which may exist when a number of counterparties are involved in similar activities or operate in the same industry sector or geographical area, which may result in their ability to meet contractual obligations being impacted by changes in economic, political or other conditions. The Group's principal customers with which it conducts business are located globally and there is no significant concentration of credit risk at reporting date.

Recognition and measurement of impairment loss

As at the end of the reporting period, the maximum exposure to credit risk arising from trade receivables and contract assets are represented by the carrying amounts in the statement of financial position.

In managing credit risk of trade receivables and contract assets, the Group manages its debtors and takes appropriate actions (including but not limited to legal actions) to recover long overdue balances.

The Group and the Company perform credit rating assessment of all its counterparties in order to measure ECL of trade receivables for all segments using the PETRONAS Credit Risk Rating system. This credit rating assessment considers quantitative assessment using the counterparties' financial statements or a qualitative assessment of the counterparties which includes but is not limited to their reputation, competitive position, industry and geopolitical outlook.

In determining the ECL, the probability of default assigned to each counterparty is based on their individual credit rating. This probability of default is derived by benchmarking against available third party and market information, which also incorporates forward looking information.

Loss given default is the assumption of the proportion of financial asset that cannot be recovered by conversion of collateral to cash or by legal process, and is assessed based on the Group's and the Company's historical experience.

The Group and the Company have not recognised any loss allowance for trade receivables that are secured by collateral and/or other credit enhancements such as cash deposits, letter of credit and bank guarantees.

KLCCP STAPLED GROUP

Notes to the Financial Statements

31 December 2023

27. FINANCIAL INSTRUMENTS (continued)

(d) Credit risk (continued)

Receivables (continued)

Recognition and measurement of impairment loss (continued)

The ageing of trade receivables as at the reporting date was:

	Group	
	2023 RM'000	2022 RM'000
At net:		
Not past due	5,769	3,316
Past due 1 to 30 days	2,367	2,155
Past due 31 to 60 days	604	887
Past due 61 to 90 days	104	1,041
Past due more than 90 days	6,452	8,925
	15,296	16,324
Less: Allowance for impairment losses	(6,197)	(7,574)
	9,099	8,750

The movement in the allowance account is as follows:

	Gr	oup
	2023 RM'000	2022 RM'000
: 1 January eversal for impairment	7,574 (1,377)	9,076 (1,502)
. December	6,197	7,574

The Group does not typically renegotiate the terms of trade receivables. There were no renegotiated balances outstanding as at 31 December 2023.

27. FINANCIAL INSTRUMENTS (continued)

(e) Fair Values

Recognised financial instruments

The Group's and the Company's financial instruments consist of cash and bank balances, trade and other receivables, financings, and trade and other payables.

The carrying amounts of cash and bank balances, trade and other receivables, trade and other payables and short term financings approximate their fair values due to the relatively short term nature of these financial instruments.

The carrying amounts of other long term liabilities approximate its fair value amount.

This analysis assumes that all other variables remain constant.

The following table analyses financial instruments not carried at fair value for which fair value is disclosed, together with their fair values and carrying amounts shown in the statement of financial position. The different levels have been defined as follows:

		Group Fair value of financial instruments not carried at fair value

2022 Financial liabilities							
Sukuk Murabahah	_	1,910,468	_	1,910,468	1,963,874		

For the financial instruments listed above, fair values have been determined by discounting expected future cash flows at market incremental lending rate for similar types of financings at the reporting date. There were no transfers between Level 1, 2 and 3 fair values during the financial year (2022: no transfer between Level 1, 2 and 3 fair values).

(f) Foreign Currency Risk

Foreign currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates.

The Group operates predominantly in Malaysia and transacts mainly in Malaysian Ringgit. As such, it is not exposed to any significant foreign currency risk.

KLCCP STAPLED GROUP Notes to the Financial Statements

31 December 2023

28. CAPITAL MANAGEMENT

The Group and the Company define capital as the total equity and debts of the Company. The objective of the Group's and the Company's capital management is to maintain an optimal capital structure and ensuring availability of funds in order to support its business and maximise shareholder value. As a subsidiary of PETRONAS, the Group's and the Company's approach in managing capital is set out in the KLCC Group Corporate Financial Policies.

The Group and the Company monitor and maintain a prudent level of total debts to total equity ratio to optimise shareholder value and to ensure compliance with covenants under debt and shareholders' agreements.

The debt to equity ratio as at 31 December 2023 and 31 December 2022 is as follows:

	Gro	oup
	2023 RM'000	2022 RM'000
Total debt	2,364,172	2,378,473
Total equity (excluding Other NCI) Debt equity ratio	13,339,104 18:82	13,131,749 18:82

29. SEGMENTAL INFORMATION

(a) Reporting Format

Segment information is presented in respect of the Group's business segments.

Inter-segment transactions have been entered into in the normal course of business and have been established on commercial basis.

Segment results, assets and liabilities include items directly attributable to a segment as well as those that can be allocated on a reasonable basis. Unallocated items mainly comprise interest/profit-earning assets and revenue, interest/profit-bearing financings and expenses, and corporate assets and expenses.

The Group comprises the following main business segments:

Property investment - Office	Rental of office spaces and other related activities.
Property investment – Retail	Rental of retail spaces and other related activities.
Hotel operations	Rental of hotel rooms, the sale of food and beverages and other related activities.
Management services	Facilities management, car park operations, management of a real estate investment trust and general management services.

Details on geographical segments are not applicable as the Group operates predominantly in Malaysia.

(b) Allocation Basis and Transfer Pricing

29. SEGMENTAL INFORMATION (continued)

Segment results, assets and liabilities include items directly attributable to a segment as well as those that can be allocated on a reasonable basis. Unallocated items mainly comprise interest/profit-earning assets and revenue, interest/ profit-bearing financings and expenses, and corporate assets and expenses.

Transfer prices between business segments are set on an arm's length basis in a manner similar to transactions with third parties. Segment revenue, expenses and results include transfers between business segments. Inter-segment transactions have been entered into in the normal course of business and have been established on commercial basis. These transfers are eliminated on consolidation.

Amendments to MFRS 10 Consolidated Financial Statements:

Sale or Contribution of Assets between an Investor and its Associate or Joint Venture

Amendments to MFRS 128 Investments in Associates and Joint Ventures:

Sale or Contribution of Assets between an Investor and its Associate or Joint Venture

The Group and the Company are expected to apply the above-mentioned pronouncements beginning from the respective dates the pronouncements become effective. The initial application of the above-mentioned pronouncements are not expected to have any material impacts to the financial statements of the Group and the Company.

KLCCP STAPLED GROUP Notes to the Financial Statements

31 December 2023

32. NEW PRONOUNCEMENTS NOT APPLICABLE TO THE GROUP AND THE COMPANY

During the financial year, the MASB has issued pronouncements which are not relevant to the Company as listed below:

Effective for annual periods beginning on or after 1 January 2023

MFRS 17 Insurance Contracts

Amendment to MFRS 17 Insurance Contracts

(Initial Application of MFRS 17 and MFRS 9 - Comparative Information)

33. SUBSEQUENT EVENT

On 26 January 2024, the Company entered into a share purchase agreement to acquire the remaining 136,666,668 ordinary shares representing 40% of the issued share capital of SKSB from Ocmador (Malaysia) City Retail Centre Sdn. Bhd., Port Moresby Investments Limited and Bold Peak Sdn. Bhd., for a cash consideration of RM1,950,000,000.

The aforesaid acquisition will be funded by external financings and SKSB will become a wholly owned subsidiary of the Company upon completion.

Independent Auditors' Report

To The Members of KLCC Property Holdings Berhad (Incorporated in Malaysia)

Report on the audit of the financial statements

Opinion

We have audited the financial statements of KLCC Property Holdings Berhad, which comprise the statements of financial position as at 31 December 2023 of the Group and of the Company, and the statements of comprehensive income, statements of changes in equity and statements of cash flows of the Group and of the Company for the year then ended, and notes to the financial statements, including a summary of material accounting policies and other explanatory information, as set out on pages 226 to 298.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Group and of the Company as at 31 December 2023, and of their financial performance and cash flows for the year then ended in accordance with Malaysian Financial Reporting Standards, International Financial Reporting Standards and the requirements of the Companies Act 2016 in Malaysia.

Basis for opinion

We conducted our audit in accordance with approved standards on auditing in Malaysia and International Standards on Auditing. Our responsibilities under those standards are further described in the *Auditors' responsibilities for the audit of the financial statements* section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence and other ethical responsibilities

We are independent of the Group and of the Company in accordance with the By-Laws (on Professional Ethics, Conduct and Practice) of the Malaysian Institute of Accountants ("By-Laws") and the International Code of Ethics for Professional Accountants (including International Independence Standards) ("IESBA Code"), and we have fulfilled our other ethical responsibilities in accordance with the By-Laws and the IESBA Code.

Key audit matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the Group and of the Company for the current year. We have determined that there are no key audit matters to communicate in our report on the financial statements of the Company. The key audit matters for the audit of the financial statements of the Group are described below. These matters were addressed in the context of our audit of the financial statements of the Group as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have fulfilled the responsibilities described in the *Auditors' responsibilities for the audit of the financial statements* section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis of our audit opinion on the accompanying financial statements.

Valuation of investment properties

As at 31 December 2023, the carrying value of the Group's investment properties carried at fair value amounted to RM15,815,346,000 which represents 86% of the Group's total assets. The Group adopts the fair value model for its investment properties. The valuation of investment properties carried at fair value is significant to our audit due to their magnitude, complex valuation method and high dependency on a range of estimates (amongst others, rental income data, yield rate and discount rate) which are based on current and future market or economic conditions. The Group has engaged external valuers to determine the fair value of the investment properties carried at fair value at the reporting date and a fair value gain of RM221,914,000 has been recognised during the year.

KLCCP STAPLED GROUP Independent Auditors' Report

To The Members of KLCC Property Holdings Berhad (Incorporated in Malaysia)

Valuation of investment properties (continued)

Our audit procedures focused on the valuations performed by firms of independent valuers, which included, amongst others, the following procedures:

- We considered the objectivity, independence and expertise of the firms of independent valuers;
- We obtained an understanding of the methodology adopted by the independent valuers in estimating the fair value of the investment properties and assessed whether such methodology is consistent with those used in the industry;
- We had discussions with the independent valuers to obtain an understanding of the property related data used as input to the valuation models which included, amongst others, rental income data and yield rate;
- We assessed the reasonableness of the property related data by corroborating those data used in the valuation to available market data;
- We tested the accuracy of rental income data applied in the valuation by comparing them with lease agreements and challenged the yield rate by comparing them with available industry data, taking into consideration comparability and market factors. Where the rates were outside the expected range, we undertook further procedures to understand the effect of additional factors and held further discussions with the valuers;
- We assessed whether the discount rate used to determine the present value of the cash flows reflects the estimated market rate of return for comparable assets with similar profile: and
- We also evaluated the Group's disclosures on those assumptions to which the outcome of the valuation is most sensitive. The Group's disclosures on the valuation sensitivity and significant assumptions used, including relationships between key unobservable inputs and fair values, are included in Notes 1.4 and 4 to the financial statements respectively.

Information other than the financial statements and auditors' report thereon

The directors of the Company are responsible for the other information. The other information comprises the information included in the annual report, but does not include the financial statements of the Group and of the Company and our auditors' report thereon.

Our opinion on the financial statements of the Group and of the Company does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements of the Group and of the Company, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements of the Group and of the Company or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the directors for the financial statements

The directors of the Company are responsible for the preparation of financial statements of the Group and of the Company that give a true and fair view in accordance with Malaysian Financial Reporting Standards, International Financial Reporting Standards and the requirements of the Companies Act 2016 in Malaysia. The directors are also responsible for such internal control as the directors determine is necessary to enable the preparation of financial statements of the Group and of the Company that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements of the Group and of the Company, the directors are responsible for assessing the Group's and the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Group or the Company or to cease operations, or have no realistic alternative to do so.

Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements of the Group and of the Company, as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with approved standards on auditing in Malaysia and International Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Auditors' responsibilities for the audit of the financial statements (continued)

As part of an audit in accordance with approved standards on auditing in Malaysia and International Standards on Auditing, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements of the Group and of the Company, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's and the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's or the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements of the Group and of the Company or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group or the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements of the Group and of the Company, including the disclosures, and whether the financial statements of the Group and of the Company represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities and business activities within the Group to express an opinion on the financial statements of the Group. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, actions taken to eliminate threats or safeguards applied.

From the matters communicated with the directors, we determine those matters that were of most significance in the audit of the financial statements of the Group and of the Company for the current year and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

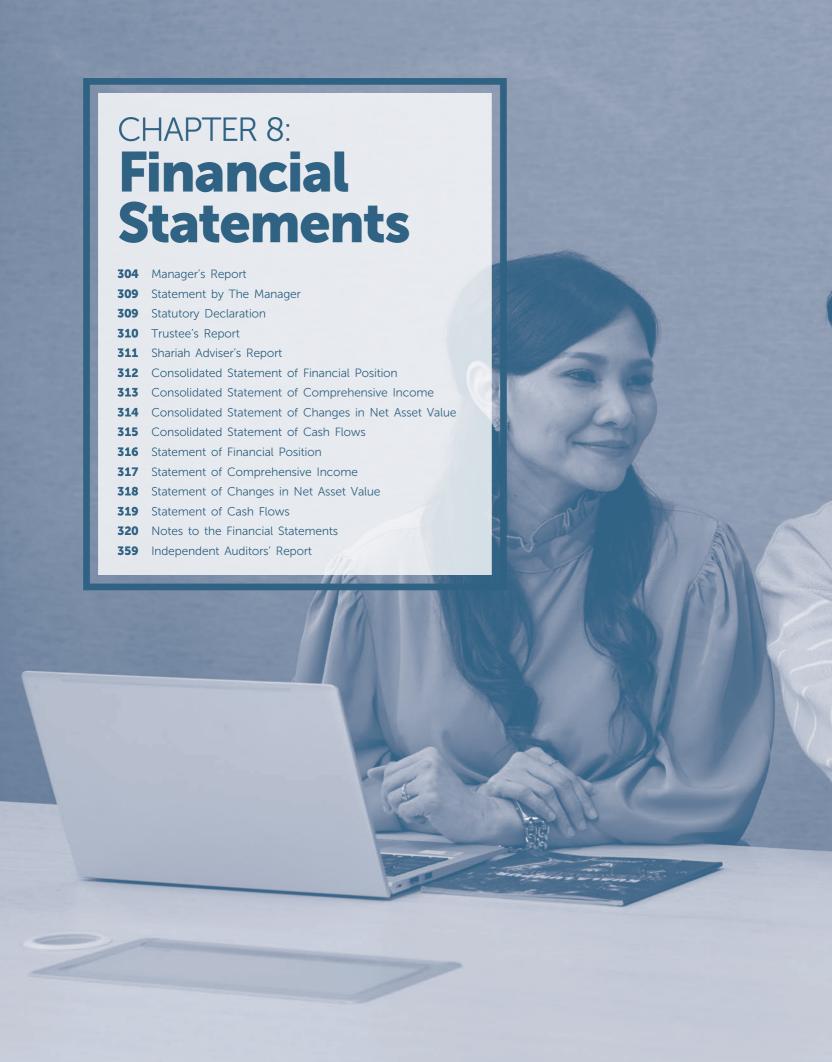

Other matters

This report is made solely to the members of the Company, as a body, in accordance with Section 266 of the Companies Act 2016 and for no other purpose. We do not assume responsibility to any other person for the content of this report.

Ernst & Young PLT 202006000003 (LLP0022760-LCA) & AF 0039 Chartered Accountants

Muhammad Syarizal Bin Abdul Rahim No. 03157/01/2025 J Chartered Accountant

Kuala Lumpur, Malaysia 7 February 2024

Manager's Report

For The Year Ended 31 December 2023

The Manager of KLCC Real Estate Investment Trust ("KLCC REIT" or "the Fund"), KLCC REIT Management Sdn. Bhd. ("the Manager"), has pleasure in submitting their report and the audited financial statements of the Group and of the Fund for the financial year ended 31 December 2023.

PRINCIPAL ACTIVITIES

The principal activities of the Fund during the financial year are investing directly and indirectly, in a Shariah-compliant portfolio of income producing real estate used primarily for office and retail purposes as well as real estate related assets.

The principal activity of its subsidiary is stated in Note 5 to the financial statements.

CORPORATE INFORMATION

The Fund is a Malaysia-domiciled real estate investment trust constituted pursuant to the Trust Deed dated 2 April 2013 (as amended and restated by the Amended and Restated Trust Deed dated 3 September 2019) (the "Amended and Restated Trust Deed") entered into between the Manager and Maybank Trustees Berhad (the "Trustee"). The Amended and Restated Trust Deed was registered with the Securities Commission Malaysia on 16 October 2019. The Fund was listed on the Main Market of Bursa Malaysia Securities Berhad on 9 May 2013. The registered office of the Manager is located at Level 54, Tower 2, PETRONAS Twin Towers, Kuala Lumpur City Centre, 50088 Kuala Lumpur.

ULTIMATE HOLDING COMPANY

The Directors of the Manager regard Petroliam Nasional Berhad ("PETRONAS"), a company incorporated in Malaysia, as the ultimate holding company.

SUBSIDIARY

The details of the Fund's subsidiary are disclosed in Note 5 to the financial statements.

RESULTS

	Group RM'000	Fund RM'000
Profit for the year	534,632	534,638

DISTRIBUTION OF INCOME

The amount of income distributions paid by the Fund were as follows:

	RM′000
In respect of the financial year ended 31 December 2022:	
Fourth interim income distribution of 6.31% on 1,805,333,083 units, declared on 31 January 2023 and paid on 28 February 2023	113,917
In respect of the financial year ended 31 December 2023:	
First interim income distribution of 7.09% on 1,805,333,083 units, declared on 29 May 2023 and paid on 28 June 2023	127,998
Second interim income distribution of 7.00% on 1,805,333,083 units, declared on 14 August 2023 and paid on 27 September 2023	126,373
Third interim income distribution of 6.30% on 1,805,333,083 units, declared on 28 November 2023 and paid on 29 December 2023	113,736
	482,024

A fourth interim income distribution in respect of the financial year ended 31 December 2023 of 6.40% on 1,805,333,083 units, declared on 7 February 2023, amounting to an income distribution payable of RM115,541,317 will be payable on 29 February 2024.

The financial statements for the current year do not reflect this fourth interim income distribution. Such income distribution will be accounted for in equity as an appropriation of profits in the financial year ending 31 December 2024.

RESERVES AND PROVISIONS

There were no material movements to or from reserves and provisions during the year other than as disclosed in the financial statements.

DIRECTORS

Directors who served on the Board of the Manager during the financial year until the date of this report are:

Tan Sri Ahmad Nizam Bin Salleh Farina Binti Farikhullah Khan Dato' Jamaludin Bin Osman Liza Binti Mustapha Datuk Md. Shah Bin Mahmood Chong Chye Neo Dato' Sr. Mazuki Bin A. Aziz Datin Noor Lily Zuriati Binti Abdullah

KLCC REIT Manager's Report

For The Year Ended 31 December 2023

DIRECTORS OF MANAGER'S INTERESTS

The Directors in office at the end of the year who have interests in the units of the Fund and its related corporations as recorded in the Register of Directors' Shareholdings are as follows:

	Number of Sh	Number of Shares in Petronas Chemicals Group Berhad				
	Balance as at Number of Shares		Balance as at Number of Shares	Balance as at	Shares	Balance as at
	1.1.2023	Bought	Sold	31.12.2023

Tan Sri Ahmad Nizam Bin Salleh	2,000	_	_	2,000

None of the other Directors holding office at 31 December 2023 had any interest in the ordinary shares of the Fund and of its related corporations during the financial year.

DIRECTORS OF MANAGER'S BENEFITS

Since the end of the previous financial year, no Director of the Manager has received nor become entitled to receive any benefit (other than the benefit included in the aggregate amount of emoluments received or due and receivable by the Directors from certain related corporations) by reason of a contract made by the Fund or a related corporation with the Director or with a firm of which the Director is a member, or with a company in which the Director has a substantial financial interest.

There were no arrangements during and at the end of the financial year which had the object of enabling Directors of the Manager to acquire benefits by means of the acquisition of units in or debentures of the Fund or any other body corporate.

ISSUE OF UNITS

There were no changes in the issued and paid up units of the Fund during the financial year.

OPTIONS GRANTED OVER UNISSUED UNITS

No options were granted to any person to take up unissued units of the Fund during the financial year.

SOFT COMMISSION

There was no soft commission received by the Manager during the financial year from broker or dealer by virtue of transactions conducted for the Fund.

307

OTHER STATUTORY INFORMATION

Before the financial statements of the Group and of the Fund were made out, the Manager took reasonable steps to ascertain:

- (i) that necessary actions had been taken in relation to the writing off of bad debts and the provisioning of doubtful debts and satisfied themselves that no known bad debts have been written off and no provision made for doubtful debts; and
- (ii) that any current assets which were unlikely to be realised in the ordinary course of business, their values as shown in the accounting records of the Group and of the Fund, had been written down to an amount which they might be expected so to realise.

At the date of this report, the Manager is not aware of any circumstances:

- (i) that would render it necessary to write off any bad debts, or to make any the provision for doubtful debts in respect of the financial statements of the Group and of the Fund;
- (ii) that would render the value attributed to the current assets in the financial statements of the Group and of the Fund misleading;
- (iii) which have arisen which render adherence to the existing method of valuation of assets or liabilities of the Group and of the Fund misleading or inappropriate; or
- (iv) not otherwise dealt with in this report or the financial statements, that would render any amount stated in the financial statements of the Group and of the Fund misleading.

At the date of this report, there does not exist:

- (i) any charge on the assets of the Group or of the Fund that has arisen since the end of the financial year and which secures the liabilities of any other person; or
- (ii) any material contingent liability in respect of the Group or of the Fund that has arisen since the end of the financial year.

No material contingent liability or other liability of the Group has become enforceable, or is likely to become enforceable within the period of twelve months after the end of the financial year which, in the opinion of the Manager, will or may substantially affect the ability of the Group and of the Fund to meet their obligations as and when they fall due.

In the opinion of the Manager, the financial performance of the Group and of the Fund for the financial year ended 31 December 2023 have not been substantially affected by any item, transaction or event of a material and unusual nature nor has any such item, transaction or event occurred in the interval between the end of that financial year and the date of this report.

Statement by The Manager

In the opinion of the Directors of the Manager, the financial statements set out on pages 312 to 358 are drawn up in accordance with the provision of the Trust Deed dated 2 April 2013 and an Amended and Restated Trust Deed dated 3 September 2019 (collectively referred to as the "Deed"), the Securities Commission's Guidelines on Listed Real Estate Investment Trusts in Malaysia, Malaysian Financial Reporting Standards and International Financial Reporting Standards so as to give a true and fair view of the financial position of the Group and of the Fund as at 31 December 2023 and of the results of their financial performance and cash flows for the year ended 31 December 2023.

For and on behalf of the Manager,

KLCC REIT MANAGEMENT SDN. BHD.

Signed on behalf of the Board of the Manager in accordance with a resolution of the Directors of the Manager.

Tan Sri Ahmad Nizam Bin Salleh

Trustee's Report

To the unitholders of KLCC REIT

We have acted as Trustee of KLCC Real Estate Investment Trust ("KLCC REIT") for the financial year ended 31 December 2023. To the best of our knowledge, KLCC REIT Management Sdn. Bhd. ("the Manager") has managed KLCC REIT in the financial year under review in accordance to the following:

- (a) the limitation imposed on the investment powers of the Manager and the Trustee under the Deed, other applicable provisions of the Deed, the Securities Commission's Guidelines on Listed Real Estate Investment Trusts, the Capital Markets & Services Act 2007 and other applicable laws; and
- (b) the valuation of KLCC REIT is carried out in accordance with the Deed and other regulatory requirements.

There are four (4) income distributions to the unitholders of KLCC REIT in the financial year under review, details of which are stated below:

- (i) First interim income distribution of 7.09 sen per unit distributed on 28 June 2023;
- (ii) Second interim income distribution of 7.00 sen per unit distributed on 27 September 2023;
- (iii) Third interim income distribution of 6.30 sen per unit distributed on 29 December 2023;
- (iv) Fourth interim income distribution of 6.40 sen per unit for year ended 31 December 2023 declared and will be payable on 29 February 2024.

We are of the view that the distributions are consistent with the objectives of KLCC REIT.

For and on behalf of the Trustee.

Shariah Adviser's Report

Q

To the unitholders of KLCC REIT

We have acted as the Shariah Adviser of KLCC REIT. Our responsibility is to ensure that the procedures and processes employed by KLCC REIT Management Sdn Bhd and that the provisions of the Trust Deed are in accordance with the relevant Shariah principles.

In our opinion, KLCC REIT Management Sdn Bhd has managed and administered KLCC REIT in accordance with the Shariah principles and complied with the applicable guidelines, rulings and decisions issued by the Securities Commission Malaysia pertaining to Shariah matters for the financial year ended 31 December 2023.

In addition, we also confirm that the investment portfolio of KLCC REIT:

- (a) Comprises investment properties and rental income which complied with the Securities Commission's Guidelines on Islamic Capital Market Products and Services and Guidelines on Listed Real Estate Investment Trusts. The percentage ratio of Shariah Non-Compliant Rental for the financial year ended 31 December 2023 is 1.19%;
- (b) KLCCP Stapled Securities is listed on Bursa Malaysia Securities Berhad which have been classified as Shariah-compliant by Shariah Advisory Council of the Securities Commission;
- (c) Cash placement and liquid assets, which are placed in Shariah-compliant investments and/or instruments;
- (d) There is no acquisition of real estate during the financial year; and
- (e) The percentage of Shariah Non-Compliant Rental by the end of 10th financial year post listing or establishment has been complied with.

For and on behalf of Shariah Adviser

CIMB Islamic Bank Berhad

Ahmad Suhaimi Yahya

Regional Head, Shariah Advisory & Governance, Group Islamic Banking Designated Person Responsible for Shariah Advisory

Notes to the Financial Statements

31 December 2023

1. BASIS OF PREPARATION

1.1 Statement of compliance

The financial statements of the Group and of the Fund have been prepared in accordance with Malaysian Financial Reporting Standards ("MFRS"), International Financial Reporting Standards ("IFRS"), applicable provisions of the Deed and the Securities Commission's Guidelines on Listed Real Estate Investment Trusts in Malaysia. These financial statements also comply with the applicable disclosure provisions of the Listing Requirements of Bursa Malaysia Securities Berhad.

As of 1 January 2023, the Group and the Fund had adopted amendments to MFRS ("pronouncements") that have been issued by the Malaysian Accounting Standards Board ("MASB") as described fully in Note 31.

MASB has also issued new and revised pronouncements which are not yet effective for the Group and the Fund and therefore, have not been adopted in these financial statements. These pronouncements including their impact on the financial statements in the period of initial application are set out in Note 32. New and revised pronouncements that are not relevant to the operations of the Group and of the Fund are set out in Note 33.

These financial statements were approved and authorised for issue by the Board of Directors of the Manager in accordance with a resolution of the Directors of the Manager on 7 February 2024.

1.2 Basis of measurement

The financial statements of the Group and of the Fund have been prepared on historical cost basis except for certain items which are measured at fair value, as disclosed in the accounting policies below.

As at 31 December 2023, the current liabilities of the Group and the Fund exceeded the current assets by RM360,313,000 and RM360,245,000 respectively. The net current liabilities positions are due to the maturity of their RM455,000,000 Sukuk Murabahah on 25 April 2024. The Manager has plans in place for the repayment of the Sukuk Murabahah upon its maturity as disclosed in Note 28. Hence, the Manager continues to prepare the financial statements of the Group and the Fund on a going concern basis.

1.3 Functional and presentation currency

The individual financial statements of each entity in the Group are prepared using the currency of the primary economic environment in which the entity operates (the "functional currency"). The Group's and the Fund's financial statements are presented in RM, which is the Fund's reporting currency.

All financial information is presented in RM and has been rounded to the nearest thousands, unless otherwise stated.

1.4 Use of estimates and judgments

The preparation of financial statements in conformity with MFRS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

(i) Critical judgement made in applying accounting policies

There are no critical judgements made by management in the process of applying the Group's and the Fund's accounting policies that have a significant effect on the amounts recognised in the financial statements.

1. BASIS OF PREPARATION (continued)

1.4 Use of estimates and judgments (continued)

(ii) Key sources of estimation uncertainty

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year is discussed below:

Fair value of investment properties

The Group and the Fund carry their investment properties at fair value, with changes in fair values being recognised in profit or loss. The Group and the Fund had engaged an independent professional valuer to determine the fair values and there are no material events that affect the valuation between the valuation date and financial year end.

The determined fair values of the investment properties by the independent professional valuer is most sensitive to the estimated reversion and term yield rate and discount rate. The range of the yield rate and the discount rate used in the valuation is described in Note 4.

The following table demonstrates the sensitivity of the fair value measurement to changes in estimated reversion and term yield rate, discount rate and its corresponding sensitivity result in a higher or lower fair value measurement:

		Fair value Increase/(decrease)	
	2023 RM'000	2022 RM'000	
Reversion and term yield rate			
- 0.25%	182,000	175,000	
+ 0.25%	(169,000)	(153,000)	
Discount rate			
- 0.25%	209,000	214,000	
+ 0.25%	(199,000)	(195,000)	

The other key assumptions used to determine the fair value of the investment properties, are further explained in Note 4.

2. MATERIAL ACCOUNTING POLICIES

The accounting policies set out below have been applied consistently to all periods presented in these financial statements and have been applied consistently by the Group and the Fund, unless otherwise stated.

2.1 Basis of Consolidation

Subsidiaries

Subsidiaries are entities, including structured entities, controlled by the Fund. The Group controls an entity when it is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power over the entity. Potential voting rights are considered when assessing control only when such rights are substantive. The Group considers it has de facto power over an investee when, despite not having the majority of voting rights, it has the current ability to direct the activities of the investee that significantly affect the investee's return.

Notes to the Financial Statements

31 December 2023

2. MATERIAL ACCOUNTING POLICIES (continued)

2.1 Basis of Consolidation (continued)

Subsidiaries (continued)

Investments in subsidiaries are measured in the Fund's statement of financial position at cost less any impairment losses, unless the investment is classified as held for sale or distribution. The cost of investment includes transaction costs.

The financial statements of subsidiaries are included in the consolidated financial statements of the Group from the date that control commences until the date that control ceases.

All inter-company transactions are eliminated on consolidation and revenue and profits relate to external transactions only. Unrealised losses resulting from inter-company transactions are also eliminated unless cost cannot be recovered.

Business Combination

A business combination is a transaction or other event in which an acquirer obtains control of one or more businesses. Business combinations are accounted for using the acquisition method from the acquisition date, which is the date on which control is transferred to the Group. The identifiable assets acquired and liabilities assumed are measured at their fair values at the acquisition date. The cost of an acquisition is measured as the aggregate of the fair value of the consideration transferred and the amount of any non-controlling interests in the acquiree. Non-controlling interests are stated either at fair value or at the proportionate share of the acquiree's identifiable net assets at the acquisition date.

When a business combination is achieved in stages, the Group remeasures its previously held non-controlling equity interest in the acquiree at fair value at the acquisition date, with any resulting gain or loss recognised in the profit or loss. Increase in the Group's ownership interest in an existing subsidiary is accounted for as equity transactions with differences between the fair value of consideration paid and the Group's proportionate share of net assets acquired, recognised directly in equity.

The Group measures goodwill as the excess of the cost of an acquisition and the fair values of any previously held interest in the acquiree over the fair value of the identifiable assets acquired and liabilities assumed at the acquisition date. When the excess is negative, a bargain purchase gain is recognised immediately in profit or loss.

Transaction costs, other than those associated with the issuance of debt or equity securities, that the Group incurs in connection with a business combination are expensed as incurred.

Business combination under common control

KLCC REIT applies merger accounting to account for business combinations under common control. Under the merger accounting, assets and liabilities acquired are not restated to their respective fair values but at their carrying amounts in the consolidated financial statements of the holding company. The difference between any consideration given and the aggregate carrying amounts of the assets and liabilities (at the date of the transaction) of the acquired business is recorded as merger reserve. No additional goodwill is recognised. The acquired business' results and the related assets and liabilities are recognised prospectively from the date on which the business combination between entities under common control occurred.

2. MATERIAL ACCOUNTING POLICIES (continued)

2.2 Property, Plant and Equipment and Depreciation

Property, plant and equipment are stated at cost less accumulated depreciation and any accumulated impairment losses.

Cost includes expenditures that are directly attributable to the acquisition of the assets and any other costs directly attributable to bringing the assets to working condition for their intended use, and the costs of dismantling and removing the items and restoring the site on which they are located. The cost of self-constructed assets also includes the cost of material and direct labour. For qualifying assets, financing costs are capitalised in accordance with the accounting policy on financing costs. Purchased software that is integral to the functionality of the related equipment is capitalised as part of that equipment.

When significant components of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment.

Subsequent costs

The cost of replacing a component of an item of property, plant and equipment is recognised in the carrying amount of the item if it is probable that the future economic benefits embodied within the component will flow to the Group or the Fund and its cost can be measured reliably. The carrying amount of the replaced item of property, plant and equipment is derecognised with any corresponding gain or loss recognised in the profit or loss accordingly. The costs of the day-to-day servicing of property, plant and equipment are recognised in the profit or loss as incurred.

Depreciation

Depreciation for property, plant and equipment other than freehold land, oil and gas properties and projects-inprogress, is recognised in the profit or loss on a straight-line basis over the estimated useful lives of each component of an item of property, plant and equipment. Property, plant and equipment are not depreciated until the assets are ready for their intended use.

The annual rates of depreciation of the other property, plant and equipment are as follows:

Building improvements 5 to 6 years Office equipment 5 years

The depreciable amount is determined after deducting residual value. The residual value, useful life and depreciation method are reviewed at each financial year end to ensure that the amount, period and method of depreciation are consistent with previous estimates and the expected pattern of consumption of the future economic benefits embodied in the items of property, plant and equipment.

Derecognition

An item of the property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. The difference between the net disposal proceeds, if any, and the net carrying amount is recognised in profit or loss.

Notes to the Financial Statements

31 December 2023

2. MATERIAL ACCOUNTING POLICIES (continued)

2.3 Investment properties

Investment properties are properties which are owned to earn rental income or for capital appreciation or for both.

Investment properties are measured initially at cost and subsequently at fair value with any changes therein recognised in profit or loss for the period in which they arise. Fair value is arrived at by reference to market evidence of transaction prices for similar properties and is performed by registered independent valuers having an appropriate recognised professional qualification and recent experience in the location and category of the properties being valued.

Gains or losses arising from changes in the fair value of investment properties are recognised in the profit or loss in the year in which they arise.

A property interest under an operating lease is classified and accounted for as an investment property on a property-by-property basis when the Group holds it to earn rentals or for capital appreciation or both. Any such property interest under an operating lease classified as an investment property is carried at fair value.

An investment property is derecognised on its disposal, or when it is permanently withdrawn from use and no future economic benefits are expected from its disposal. The difference between net disposal proceeds and the carrying amount is recognised in the profit or loss in the period in which the item is derecognised.

2.4 Leases

(i) Definition of a lease

A contract is, or contains, a lease if the contract conveys a right to control the use of an identified asset for a period of time in exchange for a consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Group and the Fund assess whether:

- (a) the contract involves the use of an identified asset this may be specified explicitly or implicitly and should be physically distinct or represent substantially all of the capacity of a physically distinct asset. If the supplier has a substantive substitution right, then the asset is not identified;
- (b) the customer has the right to obtain substantially all of the economic benefits from use of the asset throughout the period of use; and
- (c) the customer has the right to direct the use of the asset when it has the decision-making rights that are most relevant to changing how and for what purpose the asset is used. The customer has the right to direct the use of the asset if either the customer has the right to operate the asset; or the customer designed the asset in a way that predetermines how and for what purpose it will be used throughout the period of use.

At inception or on reassessment of a contract that contains a lease component, the Group and the Fund allocate the consideration in the contract to each lease and non-lease component on the basis of their relative stand-alone prices.

(ii) Recognition and initial measurement

As a lessor

When the Group and the Fund act as a lessor, it determines at lease inception whether each lease is a finance lease or an operating lease.

To classify each lease, the Group and the Fund make an overall assessment of whether the lease transfers substantially all of the risks and rewards incidental to ownership of the underlying asset. If this is the case, then the lease is a finance lease; if not, then it is an operating lease.

2. MATERIAL ACCOUNTING POLICIES (continued)

2.4 Leases (continued)

(ii) Recognition and initial measurement (continued)

Operating Leases - the Fund as lessor

Leases in which the Group and the Fund do not transfer substantially all the risks and rewards incidental to ownership of an asset are classified as operating leases. Rental income arising is accounted for on a straight-line basis over the lease term and is included in revenue in the statement of profit or loss due to its operating nature. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income. Contingent rents are recognised as revenue in the period in which they are earned.

(iii) Subsequent measurement

As a lessor

The Group and the Fund recognise lease payments received under operating leases as income on a straight-line basis over the lease term as part of "Revenue".

The Group and the Fund recognise finance income over the lease term, based on a pattern reflecting a constant periodic rate of return on the Group's and the Fund's net investment in the lease. The Group and the Fund aim to allocate finance income over the lease term on a systematic and rational basis. The Group and the Fund apply the lease payments relating to the period against the gross investment in the lease to reduce both the principal and the unearned finance income. The net investment in the lease is subject to impairment requirements in MFRS 9 Financial Instruments as stated in Note 2.7.

2.5 Investment in Subsidiary

Investment in subsidiary is stated at cost less impairment loss, if any, in the Fund's financial statements. The cost of investment includes transaction cost.

On disposal of such investment, the difference between net disposal proceeds and their carrying amounts is included in profit or loss.

2.6 Financial instruments

Recognition and initial measurement

Financial assets are recognised in the statements of financial position when, and only when, the Group and the Fund become a party to the contractual provisions of the instrument.

A financial asset (unless it is a receivable without a significant financing component) and a financial liability is measured at fair value plus or minus, in the case of a financial instrument not at fair value through profit or loss, any directly attributable transaction cost incurred at the acquisition or issuance of the financial instrument.

Notes to the Financial Statements

31 December 2023

2. MATERIAL ACCOUNTING POLICIES (continued)

2.6 Financial instruments (continued)

Classification and subsequent measurement

(i) Financial assets

Financial assets are classified as measured at amortised cost, fair value through other comprehensive income ("FVOCI") or fair value through profit or loss ("FVTPL"), as appropriate.

The classification of financial assets at initial recognition depends on the financial asset's contractual cash flow characteristics and the Group's and the Fund's business model for managing them.

With the exception of trade receivables that do not contain a significant financing component or for which the Group and the Fund have applied the practical expedient, the Group and the Fund initially measure a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs.

Trade receivables that do not contain a significant financing component or if the period between performance and payment is 1 year or less under practical expedient of MFRS 15, are measured at the transaction price determined under MFRS 15.

In order for a financial asset to be classified and measured at amortised cost or fair value through OCI, it needs to give rise to cash flows that are solely payments of principal and interest (or profit in the context of Islamic financial assets) ("SPPI") on the principal amount outstanding. This assessment is referred to as the SPPI test and is performed at an instrument level.

The Group's and the Fund's business model for managing financial assets refers to how it manages its financial assets in order to generate cash flows. The business model determines whether cash flows will result from collecting contractual cash flows, selling the financial assets, or both.

Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place ("regular way trades") are recognised on the trade date, that is the date that the Group or the Fund commits to purchase or sell the asset.

Amortised cost

This category is the most relevant to the Group and the Fund. The Group and the Fund measure financial assets at amortised cost if both of the following conditions are met:

- i. The financial asset is held within a business model with the objective to hold financial assets in order to collect contractual cash flows; and
- ii. The contractual terms of the financial asset give rise on specified dates to cash flows that are SPPI on the principal amount outstanding.

Subsequent measurement

Financial assets at amortised cost are subsequently measured using the effective interest method and are subject to impairment. Gains and losses are recognised in profit or loss when the asset is derecognised, modified or impaired.

2. MATERIAL ACCOUNTING POLICIES (continued)

2.6 Financial instruments (continued)

Classification and subsequent measurement (continued)

(ii) Financial liabilities

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, financings and payables.

All financial liabilities are recognised initially at fair value and, in the case of financings and payables, net of directly attributable transaction costs.

The Group's and the Fund's financial liabilities include other payables and financings.

Fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss.

Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Group and the Fund that are not designated as hedging instruments in hedge relationships as defined by MFRS 9. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

Gain or losses on liabilities held for trading are recognised in the statement of profit or loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated at the initial date of recognition, and only if the criteria in MFRS 9 are satisfied. The Group and the Fund have not designated any financial liability as at fair value through profit or loss.

Amortised cost (financing)

This is the category most relevant to the Group and the Fund. After initial recognition, financings are subsequently measured at amortised cost using the effective profit rate method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the effective profit rate amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the effective profit rate. The effective profit rate amortisation is included as finance costs in the statement of profit or loss.

This category generally applies to financing costs and financing

(iii) Effective profit rate method

Amortised cost was computed using the effective profit rate method. This method used effective profit rate that exactly discounts estimated future cash receipts or payments through the expected life of the financial instrument to the net carrying amount of the financial instrument. Amortised cost takes into account any transaction costs and any discount or premium on settlement.

Notes to the Financial Statements

31 December 2023

2. MATERIAL ACCOUNTING POLICIES (continued)

2.6 Financial instruments (continued)

(iv) Derecognition

Financial asset

A financial asset is derecognised when the rights to receive cash flows from the asset have expired or, the Group and the Fund have transferred their rights to receive cash flows from the asset or have assumed an obligation to pay the received cash flows in full without material delay to a third party under a "pass-through" arrangement without retaining control of the asset or substantially all the risks and rewards of the asset.

On derecognition of a financial asset, the difference between the carrying amount and the sum of the consideration received (including any new asset obtained less any new liability assumed) and any cumulative gain or loss that had been recognised in equity is recognised in the profit or loss, except for equity investments at fair value through other comprehensive income where the gain or loss are recognised in other comprehensive income.

Financial liability

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expired. On derecognition of a financial liability, the difference between the carrying amount of the financial liabilities extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in the profit or loss. In the case of waiver of debt from owners, the gain is recognised in equity as capital reserve.

(v) Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the statement of financial position if, and only if, there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis or to realise the assets and settle the liabilities simultaneously.

2.7 Impairment

(i) Financial assets

The Group and the Fund recognise loss allowances for expected credit losses ("ECL") on financial assets measured at amortised cost and debt investments measured at fair value through other comprehensive income.

ECLs are based on the difference between the contractual cash flows due in accordance with the contract and all the cash flows that the Group and the Fund expect to receive, discounted at an approximation of the original Effective Profit Rate. The expected cash flows will include cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

ECLs are recognised in two stages. For credit exposures for which there has not been a significant increase in credit risk since initial recognition, ECLs are provided for credit losses that result from default events that are possible within the next 12-months (a 12-month ECL). For those credit exposures for which there has been a significant increase in credit risk since initial recognition, a loss allowance is required for credit losses expected over the remaining life of the exposure, irrespective of the timing of the default (a lifetime ECL).

For trade receivables, the Group and the Fund apply a simplified approach in calculating ECLs. Therefore, the Group and the Fund do not track changes in credit risk, but instead recognise a loss allowance based on lifetime ECLs at each reporting date. The Group and the Fund have established a provision matrix that is based on its historical credit loss experience, adjusted for forward-looking factors specific to the debtors and the economic environment.

The Group and the Fund consider a financial asset in default when contractual payments are 30 days past due. However, in certain cases, the Group and the Fund may also consider a financial asset to be in default when internal or external information indicates that the Group and the Fund are unlikely to receive the outstanding contractual amounts in full before taking into account any credit enhancements held by the Group and the Fund. A financial asset is written off when there is no reasonable expectation of recovering the contractual cash flows.

329

2. MATERIAL ACCOUNTING POLICIES (continued)

2.7 Impairment (continued)

Financial assets (continued)

When determining whether the credit risk of a financial asset has increased significantly since initial recognition and when estimating expected credit loss, the Group and the Fund consider reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis, based on the Group's historical experience and informed credit assessment and including forward-looking information, where available. The Group and the Fund assume that the credit risk on a financial asset has increased significantly if it is past due.

Q

The Group and the Fund consider a financial asset to be in default when the borrower is unlikely to pay its credit obligations to the Group and the Fund in full, without recourse by the Group and the Fund to actions such as realising security.

(ii) Other assets

The carrying amounts of other assets, other than inventories, deferred tax assets and non-current assets or disposal groups classifies as held for sale, are reviewed at each reporting date to determine whether there is any indication of impairment.

If any such indication exists, the asset's recoverable amount is estimated. An impairment loss is recognised if the carrying amount of an asset or the cash-generating unit to which it belongs exceeds its recoverable amount. Impairment losses are recognised in the profit or loss.

A cash-generating unit is the smallest identifiable asset group that generates cash flows from continuing use that are largely independent from other assets and groups. An impairment loss recognised in respect of a cashgenerating unit is allocated first to reduce the carrying amount of any goodwill allocated to the unit and then to reduce the carrying amount of the other assets in the unit on a pro-rata basis.

The recoverable amount is the greater of the asset's fair value less cost to sell and its value-in-use. In assessing value-in-use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset.

An impairment loss in respect of goodwill is not reversed in the subsequent period. In respect of other assets, impairment losses are reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised.

Reversals of impairment losses are credited to the profit or loss in the year in which the reversals are recognised.

Notes to the Financial Statements

31 December 2023

2. MATERIAL ACCOUNTING POLICIES (continued)

2.8 Cash and cash equivalents

Cash and cash equivalents consist of cash on hand and bank balances, deposits with licensed financial institutions and highly liquid investments which have an insignificant risk of changes in fair value and are used by the Group and the Fund in the management of their short-term commitments. For the purpose of the statements of cash flows, cash and cash equivalents are presented net of bank overdrafts and deposits restricted, if any.

2.9 Provisions

A provision is recognised when the Group and the Fund have a present obligation as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, and a reliable estimate of the amount can be made. Provisions are reviewed at each reporting date and adjusted to reflect the current best estimate.

2.10 Taxation

Tax on the profit or loss for the year comprises current and deferred tax. Income tax is recognised in the profit or loss except to the extent it relates to a business combination or items recognised directly in equity, in which case it is recognised in equity or other comprehensive income.

(i) Current tax

Current tax expense is the expected tax payable on the taxable income for the period, using the statutory tax rate at the reporting date, and any adjustment to tax payable in respect of previous years.

(ii) Deferred tax

Deferred tax is provided for, using the liability method, on temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts in the financial statements. In principle, deferred tax liabilities are recognised for all taxable temporary differences and deferred tax assets are recognised for all deductible temporary differences, unabsorbed capital allowances, unused reinvestment allowances, unused investment tax allowances, unused tax losses and other unused tax credits to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences, unabsorbed capital allowances, unused reinvestment allowances, unused investment tax allowances, unused tax losses and other unused tax credits can be utilised.

Where investment properties are carried at their fair value in accordance with the accounting policy set out in Note 2.3, the amount of deferred tax recognised is measured using the tax rates that would apply on sale of those assets at their carrying value at the reporting date unless the property is depreciable and is held with the objective to consume substantially all of the economic benefits embodied in the property over time, rather than through sale. In all other cases, the amount of deferred tax recognised is measured based on the expected manner of realisation or settlement of the carrying amount of the assets and liabilities, using tax rates enacted or substantively enacted at the reporting date. Deferred tax assets and liabilities are not discounted.

Deferred tax is not recognised for the following temporary differences: the initial recognition of goodwill or negative goodwill or from the initial recognition of an asset or liability in a transaction which is not a business combination and that affects neither accounting nor taxable profit or loss.

Deferred tax is measured at the tax rates that are expected to apply in the period when the asset is realised or the liability is expected to be settled, based on the laws that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax provided for the investment properties is at 10% which reflects the expected manner of recovery of the investment properties through sale.

2. MATERIAL ACCOUNTING POLICIES (continued)

2.11 Revenue

(i) Rental income

Rental income is recognised based on the accrual basis unless collection is in doubt, in which case it is recognised on the receipt basis.

Rental income from fixed and minimum guaranteed rent reviews is recognised on a straight line basis over the shorter of the entire lease term or the period to the first break option. Where such rental income is recognised ahead of the related cash flow, an adjustment is made to ensure the carrying value of the related property including the accrued rent does not exceed the external valuation.

(ii) Others

Revenue from contracts with customers is measured based on the consideration specified in a contract with a customer and exclude amounts collected on behalf of third parties. The Group or the Fund recognises revenue when or as it transfers control over a product or service to customer. An asset is transferred when (or as) the customer obtains control of the asset.

An entity transfers control of a good or service over time and, therefore, satisfies a performance obligation and recognises revenue over time, if one of the following criteria is met:

- (a) the customer simultaneously receives and consumes the benefits provided by the entity's performance as the entity performs;
- (b) the entity's performance creates or enhances an asset (for example, work in progress) that the customer controls as the asset is created or enhanced; or
- (c) the entity's performance does not create an asset with an alternative use to the entity and the entity has an enforceable right to payment for performance completed to date.

If a performance obligation is not satisfied over time, an entity satisfies the performance obligation at a point in time.

Profit income

Profit income is recognised on an accrual basis using the effective profit rate method.

2.12 Financing Costs

Financing costs directly attributable to the acquisition and construction of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are capitalised as part of cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

All other financing costs are charged to the profit or loss as an expense in the year in which they are incurred.

2.13 Operating segments

An operating segment is a component of the Group and of the Fund that engages in business activities from which it may earn revenues and incur expenses, including revenues and expenses that relate to transactions with any of the Group's and the Fund's other components, and for which discrete financial information is available.

An operating segment's operating results are reviewed regularly by the chief operating decision maker, which in this case is the Board of Directors, to make decisions about resources to be allocated to the segment and to assess its performance.

Notes to the Financial Statements

31 December 2023

2. MATERIAL ACCOUNTING POLICIES (continued)

2.14 Fair value measurement

The fair value of an asset or a liability, except for lease transactions, is determined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The measurement assumes that the transaction to sell the asset or transfer the liability takes place either in the principal market or in the absence of a principal market, in the most advantageous market.

(i) Financial instruments

The fair value of financial instruments that are actively traded in organised financial markets is determined by reference to quoted market prices within the bid-ask spread at the close of business at the end of reporting date. For financial instruments where there is no active market, fair value is determined using valuation techniques. Such techniques may include using recent arm's length market transactions; reference to the current fair value of another instrument that is substantially the same; discounted cash flow analysis or other valuation models. Where fair value cannot be reliably estimated, assets are carried at cost less impairment losses, if any.

(ii) Non-financial assets

For non-financial assets, the fair value measurement takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

When measuring the fair value of an asset or a liability, the Group and the Fund use observable market data as far as possible. Fair values are categorised into different levels in a fair value hierarchy based on the input used in the valuation technique as follows:

- Level 1 Quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2 Inputs other than quoted prices included within Level 1 that are observable for the asset or liability.
- Level 3 Inputs for the asset or liability that are not based on observable market data (unobservable input).

The fair value of an asset to be transferred between levels is determined as of the date of the event or change in circumstances that caused the transfer.

2.15 Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of the Group and the Fund after deducting all of its liabilities. Units are classified as equity. Dividends on units are recognised in equity in the period in which they are declared.

The transaction costs of an equity transaction are accounted for as a deduction from equity, net of tax. Equity transaction costs comprise only those incremental external costs directly attributable to the equity transaction which would otherwise have been avoided.

2.16 Earnings per share

The Group presents basic earnings per share ("EPS") data for its ordinary shares.

Basic EPS is calculated by dividing the profit and loss attributable to ordinary shareholders of the Fund by the weighted average number of ordinary shares outstanding during the period.

2. MATERIAL ACCOUNTING POLICIES (continued)

2.17 Current versus non-current classification

The Group and the Fund present assets and liabilities in the statements of financial position based on current/non-current classification.

An asset is current when it is:

- (i) expected to be realised or intended to be sold or consumed in normal operating cycle;
- (ii) held primarily for the purpose of trading;
- (iii) expected to be realised within twelve months after the reporting period; or
- (iv) cash or cash equivalents unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- (i) it is expected to be settled in normal operating cycle;
- (ii) it is held primarily for the purpose of trading;
- (iii) it is due to be settled within twelve months after the reporting period; or
- (iv) there is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

2.18 Climate-related matters

The Group considers climate-related matters in estimates and assumptions, where appropriate. This assessment includes a wide range of possible impacts on the group due to both physical and transition risks. Even though the Group believes its business model and products will still be viable after the transition to a low-carbon economy, climate-related matters increase the uncertainty in estimates and assumptions underpinning several items in the financial statements. Even though climate-related risks might not currently have a significant impact on measurement, the Group is closely monitoring relevant changes and developments, such as new climate-related legislation. The items and considerations that are most directly impacted by climate-related matters are:

- (i) Useful life of property, plant and equipment. When reviewing the residual values and expected useful lives of assets, the Group considers climate-related matters, such as climate-related legislation and regulations that may restrict the use of assets or require significant capital expenditures.
- (ii) Impairment of non-financial assets. The value-in-use may be impacted in several different ways by transition risk in particular, such as climate-related legislation and regulations and changes in demand for the Group's products.
- (iii) Fair value measurement. For investment properties and revalued office properties, the Group considers the effect of physical and transition risks and whether investors would consider those risks in their valuation. The Group believes it is not currently exposed to severe physical risks, but believes that investors, to some extent, would consider impacts of transition risks in their valuation, such as increasing requirements for energy efficiency of buildings due to climate related legislation and regulations as tenants' increasing demands for low-emission buildings.

	Group	/Fund
	2023 RM'000	2022 RM'000
At 1 January Fair value adjustments Additions during the year	9,175,267 93,200 3,385	9,113,553 61,635 79
At 31 December	9,271,852	9,175,267

The Group and the Fund incurred costs on investment properties during the year by way of:

	Group	o/Fund
	2023 RM'000	2022 RM'000
ash	401	79
ayables	2,984	_
	3,385	79

The investment properties are stated at fair value, which have been determined based on valuations performed by an independent professional valuer. There are no material events that affect the valuation between the valuation date and financial year end. The valuation method used in determining the valuations is the investment method.

The following are recognised in profit or loss in respect of the investment properties:

	Group	/Fund
	2023 RM'000	2022 RM'000
ental income virect operating expenses	582,169 (30,229)	578,843 (28,046)
	551,940	550,797

Fair value information

Fair value of investment properties are categorised as follows:

	Level 1 RM'000	Level 2 RM'000	Level 3 RM'000	Total RM'000
2023				
- Office properties	_	_	8,764,638	8,764,638
- Retail properties	_	-	507,214	507,214
	-	-	9,271,852	9,271,852
2022				
- Office properties	_	_	8,675,305	8,675,305
– Retail properties	_	_	499,962	499,962
	-	_	9,175,267	9,175,267

Notes to the Financial Statements

4. INVESTMENT PROPERTIES (continued)

Policy on transfer between levels

The fair value of an asset to be transferred between levels is determined as of the date of the event or change in circumstances that caused the transfer.

Level 1 fair value

Level 1 fair value is derived from quoted price (unadjusted) in active markets for identical investment properties that the entity can assess at the measurement date.

Level 2 fair value

Level 2 fair values of land and buildings have been generally derived using the sales comparison approach. Sales price of comparable properties in close proximity are adjusted for differences in key attributes such as property size. The most significant input into this valuation approach is price per square foot of comparable properties.

Level 3 fair value

For Level 3 fair value, the Group/Fund uses various valuation techniques in determining the fair value of its investment properties. Such techniques include discounted cash flow method, investment method and market comparable method.

Transfer between Level 1, 2 and 3 fair values

There is no transfer between level 1, 2 and 3 fair values during the financial year.

The following table shows a reconciliation of Level 3 fair values:

	Group	Group/Fund		
	2023 RM'000	2022 RM'000		
Valuation per valuer's reports Less: Accrued rental income	9,528,000 (256,148)	9,493,000 (317,733)		
	9,271,852	9,175,267		

4. INVESTMENT PROPERTIES (continued)

The following table shows the valuation techniques used in the determination of fair values within Level 3, as well as the significant unobservable inputs used in the valuation models.

Valuation	Significant	Raı	nge	Inter-relationship between significant
technique	unobservable inputs	2023	2022	unobservable inputs and fair value measurement
	'

	- Discount rate (%)	6.25 - 6.50	6.25 - 6.50	discount rate was lower/(higher)

Investment method entails the capitalisation of the net rent from a property. Net rent is the residue of gross annual rent less annual expenses (outgoings) required to sustain the rent with allowance for void and management fees.

Valuation processes applied by the Group and the Fund for Level 3 fair value

The fair value of investment properties is determined by an external, independent property valuer, having appropriate recognised professional qualifications and recent experience in the location and category of property being valued. The independent professional valuer provides the fair value of the Group's and of the Fund's investment properties portfolio annually. Changes in Level 3 fair values are analysed by the Management annually based on the valuation reports from the independent professional valuer.

8. UNITHOLDERS' CAPITAL

	Fund				
	Number of Units		Amount		
	2023 ′000	2022 '000	2023 RM'000	2022 RM'000	
Issued and fully paid: At 1 January/31 December	1,805,333	1,805,333	7,212,684	7,212,684	

Stapled Security:

Stapled security means one unit in KLCC REIT is stapled to one ordinary share in KLCCP. Holders of KLCCP Group Stapled Securities are entitled to receive distributions and dividends as declared from time to time and are entitled to one vote per stapled security at Unitholders' and Shareholders' meetings.

Accordingly, the Fund does not have authorised unitholders' capital, or par value in respect of its issued units.

As at 31 December 2023, the Manager did not hold any units in the Fund. However, parties related to the Manager held units in the Fund as follows:

	Group/Fund				
	Number	of Units	Marke	Market value	
	2023 ′000	2022 ′000	2023 RM'000	2022 RM'000	
Direct unitholdings of parties related to the Manager					
KLCCH	1,167,639	1,167,639	8,278,561	7,834,858	
PETRONAS	40,817	40,817	289,393	273,882	
	1,208,456	1,208,456	8,567,954	8,108,740	
Indirect unitholdings of parties related to the Manager					
PETRONAS	1,167,639	1,167,639	8,278,561	7,834,858	

The market value of the units held by the parties related to the Manager is determined by using the closing market value of the Fund as at 31 December 2023 of RM7.09 per unit (2022: RM6.71 per unit).

9. MERGER RESERVE

KLCC REIT adopts merger accounting as its accounting policy to account for business combination under common control. In accordance with its policy, the difference between the fair value of the units issued as consideration and the aggregate carrying amount of assets and liabilities acquired as of the date of business combination is included in equity as merger reserve.

10. CAPITAL RESERVE

Fair value adjustments on investment property are transferred from retained profits to capital reserve and such surplus will be considered distributable upon the sale of investment property.

11. OTHER LONG TERM LIABILITIES

	Group	/Fund
	2023 RM'000	2022 RM'000
Security deposits payable	71,899	69,474

Security deposits payable are interest-free, unsecured and refundable upon expiry of the respective lease agreements. The fair values at initial recognition were determined based on effective profit rates at 4.34% (2022: 4.33%) per annum.

12. AMOUNT DUE TO A SUBSIDIARY

The amount due to a subsidiary relates to Sukuk undertaken by the subsidiary but utilised by the Fund. The profit expenses incurred on the financing is charged to the Fund. The short term amount due is unsecured and is repayable on demand. The long term amount due is unsecured and is not repayable within the next 12 months.

13. FINANCING (continued)

(a) Sukuk Murabahah

Sukuk Murabahah consists of Islamic Commercial Programme ("ICP") of up to RM500 million and Islamic medium term notes ("IMTN") of up to RM3 billion subject to a combined limit of RM3 billion. It is primarily secured against assignment and charge over the Finance Service Account and Revenue Account maintained by the REIT Trustee.

Details of the drawdown that are outstanding as at year end are as follows:

Tenure	Value (RM)	Profit rate	Maturity
10 years	455,000,000	4.80%	25 April 2024
7 years	500,000,000	4.20%	25 April 2026
10 years	400,000,000	4.00%	23 April 2031

The profit rate is payable semi-annually and disclosed as short term financing.

The RM455,000,000 Sukuk Murabahah will mature on 25 April 2024. As such, the RM455,000,000 Sukuk Murabahah is presented as current liabilities as at 31 December 2023. The Manager's repayment plans are discussed in Note 28.

Property manager fee		95	95	95	95		
Depreciation	3	350	515	350	515		

22. TAX EXPENSE

Pursuant to Section 61A of the Malaysian Income Tax Act, 1967 ("Act"), income of KLCC REIT will be exempted from tax provided that at least 90% of its total taxable income (as defined in the Act) is distributed to the unitholders' in the basis period of KLCC REIT for that year of assessment within two months after the close of the financial year. If the 90% distribution condition is not complied with or the 90% distribution is not made within two months after the close of KLCC REIT financial year which forms the basis period for a year of assessment, KLCC REIT will be subject to income tax at the prevailing statutory rate on its total taxable income. Income which has been taxed at the KLCC REIT level will have tax credits attached when subsequently distributed to unitholders.

As at the date of this financial statements, KLCC REIT has declared more than 90% of its distributable income to unitholders for the financial year ended 31 December 2023 accordingly. No provision for income tax expense has been made for the year.

Deferred tax liability has been provided for the investment properties held by KLCC REIT at 10% (2022: 10%) which reflects the expected manner of recovery of the investment properties, i.e. recovered through sale.

Notes to the Financial Statements

31 December 2023

22. TAX EXPENSE (continued)

Reconciliation of the tax expense is as follows:

	Gro	oup
	2023 RM'000	2022 RM'000
Profit before tax	543,952	509,462
Taxation at Malaysian statutory tax rate of 24% (2022: 24%)	130,548	122,271
Expenses not deductible for tax purposes	15,935	15,632
Income not subject to tax	(146,483)	(137,903)
Deferred tax recognised at different tax rate	9,320	6,164
Tax expense	9,320	6,164

Recognised during the year:				
A fourth interim income distribution of 6.31% (2021: 6.83%) on 1,805,333,083 ordinary shares for financial year ended 31 December 2022/2021	113,917	123,304	6.31	6.83
A first interim income distribution of 7.09% (2022: 7.01%) on 1,805,333,083 ordinary shares for financial year ended 31 December 2023/2022	127,998	126,554	7.09	7.01
A second interim income distribution of 7.00% (2022: 7.01%) on 1,805,333,083 ordinary shares for financial year ended 31 December 2023/2022	126,373	126,554	7.00	7.01
A third interim income distribution of 6.30% (2022: 6.96%) on 1,805,333,083 ordinary shares for financial year ended 31 December 2023/2022	113,736	125,651	6.30	6.96
	482,024	502,063	26.70	27.81

A fourth interim income distribution in respect of the financial year ended 31 December 2023 of 6.40% on 1,805,333,083 units, declared on 7 February 2024 amounting to an income distribution payable of RM115,541,317 will be payable on 29 February 2024.

The financial statements for the current year do not reflect this fourth interim income distribution. Such income distribution will be accounted for in equity as an appropriation of profits in the financial year ending 31 December 2024.

Distribution to unitholders is from the following sources:

	Group	
	2023 RM'000	2022 RM'000
Net property income Profit income	549,547 6,138	548,460 4,032
Fair value adjustments of investment properties Less: Expenses Tay expenses	93,200 648,885 (104,933) (9,320)	61,635 614,127 (104,665) (6,164)
Tax expense Profit for the year (Less)/add: Non-cash items Add: Brought forward undistributed income available for distribution	534,632 (25,707) 93,317	503,298 1,967 80,728
Total available for income distribution Less: Income distributed Less: Income to be distributed on 29 February 2024 (2022: 28 February 2023)	602,242 (368,107) (115,541)	585,993 (378,759) (113,917)
Balance undistributed income available for distribution	118,594	93,317
Distribution per unit (sen)	26.79	27.29

Notes to the Financial Statements

31 December 2023

25. MANAGEMENT EXPENSE RATIO

	Group		Fund	
	2023 RM'000	2022 RM'000	2023 RM'000	2022 RM'000
Total Trust expenses	46,956	46,568	46,951	46,563
Net asset value at the end of the financial year Less: Fourth interim income distribution	8,070,969 (115,541)	8,018,361 (113,917)	8,071,037 (115,541)	8,018,423 (113,917)
Net asset value at the end of the financial year, after interim income distribution	7,955,428	7,904,444	7,955,496	7,904,506
Management Expense Ratio ("MER")	0.59	0.59	0.59	0.59

The calculation of MER is based on the total fees and expenses incurred by the Group and the Fund in the financial year, including Manager's fee and Trustee's fee, auditors' remuneration, tax agent's fee, valuation fees and other Trust expenses to the net asset value (after the fourth interim income distribution) at the end of the respective financial year.

26. COMMITMENTS

(a) Capital commitments

	Group/Fund	
	2023 RM'000	2022 RM'000
Approved but not contracted for		
Investment properties	7,050	6,663

(b) Operating lease commitments - as lessor

The Group has entered into non-cancellable commercial property lease on its investment properties. The future minimum rental receivable under this non-cancellable operating lease at the reporting date is as follows:

	Group	o/Fund
	2023 RM'000	2022 RM'000
Not later than 1 year	616,355	584,736
Later than 1 year but not later than 5 years More than 5 years	2,370,196 6,722,989	2,363,722 7,035,696
	9,709,540	9,984,154

The Directors of the Manager are of the opinion that the above transactions and transactions detailed elsewhere were undertaken at mutually agreed terms between the parties in the normal course of business and the terms and conditions are established under negotiated terms.

Information regarding outstanding balances arising from related party transactions as at 31 December 2023 are disclosed in Notes 6, 12 and 15.

Notes to the Financial Statements

31 December 2023

28. FINANCIAL INSTRUMENTS

Financial risk management objectives and policies

The Group has a Risk Management Framework and Guidelines that set the foundation for the establishment of effective risk management across the Group.

Risk taking activities are undertaken within acceptable level of risk or risk appetite, whereby the risk appetite level reflects business considerations and capacity to assume such risks. The risk appetite is established at Board level, where relevant, based on defined methodology and translated into operational thresholds.

The Group's and the Fund's goal in risk management are to ensure that the management understands, measures, monitors and reports the financial risks that arise in connection with their operations. The policies, standards and guidelines have been developed to identify, analyse, appraise, monitor and report the dynamic risks facing the Group and the Fund. Based on this assessment, each business unit adopts appropriate measures to mitigate these risks in accordance with the business unit's view of the balance between risk and reward.

The Group and the Fund have exposure to market risk, profit rate risk, liquidity risk and credit risk arising from its use of financial instruments in the normal course of the Group's and the Fund's business.

Market Risk

Market risk is the risk or uncertainty arising from change in market prices and their impact on the performance of the business. The market price changes that the Group and the Fund are exposed to include profit rates, foreign currency exchange rates, commodity prices, equity prices and other indices that could affect the value of the Group's and the Fund's financial assets, liabilities or expected future cash flows.

Financial instruments affected by market risk include financings and deposits.

Profit Rate Risk

Profit rate risk is the risk that the future cash flows of a financial instrument will fluctuate because of changes in market profit rates. Fair value profit rate risk is the risk that the value of a financial instrument will fluctuate due to changes in market profit rates. As the Group has no significant profit-bearing financial assets, the Group's income and operating cash flows are substantially independent of changes in market profit rates. The Group's and the Fund's profit-bearing financial assets are mainly short term in nature and have been mostly placed in fixed deposits.

The Group's and the Fund's profit rate risk arises primarily from profit-bearing financing. Financing at variable rates expose the Group to cash flow profit rate risk. Financing obtained at fixed rates expose the Group and the Fund to fair value profit rate risk. The Group and the Fund manage their profit expense rate exposure through a balanced portfolio of fixed and variable rate financing.

The profit rate profile of the Group's and the Fund's profit-bearing financial instruments based on carrying amount as at reporting date was:

	Group		Fund	
	2023	2022	2023	2022
	RM'000	RM'000	RM'000	RM'000
Fixed rate instruments				
Financial assets Financial liabilities	141,601	110,879	141,562	110,841
	(1,361,423)	(1,363,874)	(1,361,191)	(1,363,789)

28. FINANCIAL INSTRUMENTS (continued)

Liquidity Risk

Liquidity risk is the risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities. Liquidity risk arises from the requirement to raise funds for the Group's and the Fund's businesses on an ongoing basis as a result of the existing and future commitments which are not funded from internal resources. As part of its overall liquidity management, the Group and the Fund maintain sufficient levels of cash or cash convertible investments to meet their working capital requirements. As far as possible, the Group and the Fund raises committed funding from financial institutions and balances its portfolio with some short term funding so as to achieve overall cost effectiveness.

The Group and the Fund are in net current liabilities position of RM360,313,000 and RM360,245,000 respectively as at 31 December 2023. This is due to the reclassification of their RM455,000,000 Sukuk Murabahah to current liabilities as maturity date is on 25 April 2024 and the Manager has plans in place for the repayment of the Sukuk Murabahah upon its maturity.

The Manager does not expect repayment risk and is currently exploring various refinancing options and source to redeem the Sukuk Murabahah. Based on the reaffirmed AAA ratings from RAM Ratings on 2 June 2023, the Manager is confident that the Group and the Fund will be able to refinance the Sukuk Murabahah upon maturity.

Maturity analysis

The table below summarises the maturity profile of the Group's and the Fund's financial liabilities as at the reporting date based on undiscounted contractual payments:

		Group					
	Carrying amount RM'000	Effective profit rate	Contractual cash flow RM'000	Within 1 year RM'000	1-2 years RM'000	2-5 years RM'000	More than 5 years RM'000

Other long term							
liabilities	69,474	4.33%	150,639	_	3,751	3,853	143,035

Credit risk

Credit risk is the risk of potential exposure of the Group and of the Fund to losses in the event of non-performance by counterparties. The Group and the Fund's exposures to credit risk arise principally from customers and placement in financial institutions. Credit risks are controlled by individual subsidiaries in line with Group's Risk Management Framework and Guideline.

Receivables

Risk management objectives, policies and processes for managing the risk

The Group and the Fund minimise credit risk by entering into contracts with highly credit rated counterparties and through credit approval, financial limits and on-going monitoring procedures. Counterparties credit evaluation is done systematically using quantitative and qualitative criteria on credit risks specified by individual operating units. Depending on the creditworthiness of the counterparty, the Group and the Fund may require collateral or other credit enhancements.

Management has taken reasonable steps to ensure that receivables that are neither past due nor impaired are stated at their realisable values. A significant portion of these receivables are regular customers that have been transacting with the Group and the Fund.

The Group and the Fund use ageing analysis and credit limit review to monitor the credit quality of the receivables. The Fund monitors the results of its subsidiary regularly. Any customers exceeding their credit limit are monitored closely. With respect to the trade and other receivables that are neither impaired nor past due, there are no indications as of the reporting date that the debtors will not meet their payment obligations.

With respect to the trade and other receivables which have no realistic prospect of recovery, the gross carrying amounts of the credit impaired receivables will be written off (either in partial or in full).

28. FINANCIAL INSTRUMENTS (continued)

Credit risk (continued)

Receivables (continued)

Recognition and measurement of impairment loss

As at the end of the reporting period, the maximum exposure to credit risk arising from trade receivables is represented by the carrying amounts in the statement of financial position.

In managing credit risk of trade receivables and contract assets, the Group manages its debtors and takes appropriate actions (including but not limited to legal actions) to recover long overdue balances.

The Group and the Fund perform credit rating assessment of all its counterparties in order to measure Expected Credit Loss ("ECL") of trade receivables for all segments using the PETRONAS Credit Risk Rating system. This credit rating assessment considers quantitative assessment using the counterparties' financial statements or a qualitative assessment of the counterparties which includes but is not limited to their reputation, competitive position, industry and geopolitical outlook.

In determining the ECL, the probability of default assigned to each customer is based on their individual credit rating. This probability of default is derived by benchmarking against available third party and market information, which also incorporates forward looking information.

Loss given default is the assumption of the proportion of financial asset that cannot be recovered by conversion of collateral to cash or by legal process, and is assessed based on the Group's and the Fund's historical experience.

The Group and the Fund have not recognised any loss allowance for trade receivables that are secured by collateral and/or other credit enhancements such as cash deposits, letter of credit and bank guarantees.

The ageing of trade receivables as at the reporting date was:

	Group/Fund	
	2023 RM'000	2022 RM'000
At net:		
Not past due:	143	113
Past due 1 to 30 days	1	_
Past due 31 to 60 days	_	107
Past due 61 to 90 days	_	_
Past due more than 90 days	-	2
	144	222
Trade receivables	144	222
Less: Impairment losses	_	_
Net trade receivable	144	222

The Group does not typically negotiate the terms of trade receivables. There were no renegotiated balances outstanding as at 31 December 2023 and 31 December 2022.

Notes to the Financial Statements

31 December 2023

28. FINANCIAL INSTRUMENTS (continued)

Fair Value Information

Recognised financial instruments

The Group's and the Fund's financial instruments consist of cash and cash equivalents, investments and financing, trade and other receivables, financing, other payables and various debt.

The carrying amounts of cash and cash equivalents, trade and other receivables, other payables and short term financing approximate their fair values due to the relatively short term nature of these financial instruments.

The carrying amount of other long term liabilities approximate its fair value amount.

The following table analyses financial instruments not carried at fair value for which fair value is disclosed, together with their fair values and carrying amounts shown in the statement of financial position.

	Fair va	Fair value of financial instruments not carried at fair value				
	Level 1 RM'000	Level 2 RM'000	Level 3 RM'000	Total RM'000	Carrying amount RM'000	
2023 Financial liabilities						
rinanciat dabitities						
Sukuk Murabahah	_	1,329,409	-	1,329,409	1,361,423	
2022						
Financial liabilities						
Sukuk Murabahah	_	1,308,646	_	1,308,646	1,363,874	

For the financial instruments listed above, fair values have been determined by discounting expected future cash flows at market incremental financing rate for similar types of financing at the reporting date. There were no transfers between Level 1, 2 and 3 fair values during the financial year (2022: no transfer between Level 1, 2 and 3 fair values).

29. CAPITAL MANAGEMENT

The Group and the Fund define capital as the total equity and debts of the Fund. The objective of the Group's and the Fund's capital management is to maintain an optimal capital structure and ensuring availability of funds in order to support its business and maximise shareholder value. As a subsidiary of Petroliam Nasional Berhad ("PETRONAS"), the Group's and the Fund's approach in managing capital is set out in the KLCC Group Corporate Financial Policies.

The Group and the Fund monitor and maintain a prudent level of total debts to total equity ratio to optimise shareholder value and to ensure compliance with covenants under debt and shareholders' agreements.

The Group's capital is represented by its unitholders' fund in the statement of financial position. The capital requirements imposed on the Group is to ensure it maintains a healthy gearing ratio of maximum 50% of the total asset value at the time the financing is incurred, in addition to complying with the financial covenants prescribed by financial institutions as stated in the Facility Agreements. The Directors of the Manager will monitor and are determined to maintain an optimal gearing ratio that will provide an ideal financing to total assets ratio that also complies with regulatory requirements.

29. CAPITAL MANAGEMENT (continued)

The financing to total assets ratio as at 31 December 2023 is as follows:

	Gre	oup
	2023 RM'000	2022 RM'000
Total financing	1,361,423	1,363,874
Total assets	9,674,577	9,608,338
Financing to total assets ratio	14.1%	14.2%

The Deed provides that the Manager shall, with the approval of the Trustee, for each distribution year, distribute all (or such other percentage as determined by the Manager at its absolute discretion) of the Group's distributable income. It is the intention of the Manager to distribute at least 90% of the Group's distributable income on a quarterly basis or such other intervals as the Manager may determine at its absolute discretion.

30. SEGMENT INFORMATION

(a) Reporting format

Segment information is presented in respect of the Group's and the Fund's business segments.

Inter-segment transactions have been entered into in the normal course of business and have been established on commercial basis.

Segment results, assets and liabilities include items directly attributable to a segment as well as those that can be allocated on a reasonable basis. Unallocated items mainly comprise profit-earning assets and revenue, profit-bearing financing, financing and expenses, and corporate assets and expenses.

The Group and the Fund comprises the following main business segments:

Property investment – Office Rental of office spaces and other related activities.

Property investment – Retail Rental of retail spaces and other related activities.

Details on geographical segments are not applicable as the Group operates predominantly in Malaysia.

Notes to the Financial Statements

31 December 2023

30. SEGMENT INFORMATION (continued)

(b) Allocation basis and transfer pricing

Segment results, assets and liabilities include items directly attributable to a segment as well as those that can be allocated on a reasonable basis. Unallocated items mainly comprise profit-earning assets and revenue, profit-bearing financing and corporate assets and expenses.

Transfer prices between business segments are set on an arm's length basis in a manner similar to transactions with third parties. Segment revenue, expenses and results include transfers between business segments. Inter-segment transactions have been entered into in the normal course of business and have been established on commercial basis. These transfers are eliminated on consolidation.

31. ADOPTION OF NEW AND REVISED PRONOUNCEMENTS

During the financial year, the Group and the Fund adopted the following pronouncements that have been issued by the MASB and are applicable as listed below:

Effective for annual periods beginning on or after 1 January 2023

Amendments to MFRS 101	Presentation of Financial Statements and MFRS Practice – Statement 2 (Disclosure of Accounting Policies)
Amendments to MFRS 108	Accounting Policies, Changes in Accounting Estimates and Errors (Definition of Accounting Estimates)
Amendments to MFRS 112	Income Taxes (Deferred Tax related to Assets and Liabilities arising from a Single Transaction)
Amendments to MFRS 112	Income Taxes (International Tax Reform — Pillar Two Model Rules)

The initial application of the above-mentioned pronouncements did not have any material impact to the financial statements of the Group and the Fund.

Notes to the Financial Statements

31 December 2023

32. PRONOUNCEMENTS YET IN EFFECT

The following pronouncements that have been issued by the MASB will become effective in future financial reporting periods and have not been adopted by the Group and the Fund in these financial statements:

Effective for annual periods beginning on or after 1 January 2024

Amendments to MFRS 16 Leases

(Lease Liability in a Sale and Leaseback)

Amendments to MFRS 101 Presentation of Financial Statements

(Classification of Liabilities as Current or Non-current)

Amendments to MFRS 101 Presentation of Financial Statements

(Non-current Liabilities with Covenants)

Amendments to MFRS 107 Statement of Cash Flows and MFRS 7 Financial Instruments:

Disclosures (Supplier Finance Arrangements)

Effective for annual periods beginning on or after 1 January 2025

Amendments to MFRS 121 The Effects of Changes in Foreign Exchange Rates – Lack of Exchangeability

Effective for a date yet to be confirmed

Amendments to MFRS 10 Consolidated Financial Statements:

Sale or Contribution of Assets between an Investor and its Associate or Joint venture

Amendments to MFRS 128 Investments in Associates and Joint Ventures:

Sale or Contribution of Assets between an Investor and its Associate or Joint Venture

The Group and the Fund are expected to apply the above-mentioned pronouncements beginning from the respective dates the pronouncements become effective. The initial application of the above-mentioned pronouncements are not expected to have any material impacts on the financial statements of the Group and the Fund.

33. NEW PRONOUNCEMENTS NOT APPLICABLE TO THE GROUP AND THE FUND

During the financial year, the MASB has issued pronouncements which are not relevant to the Group and of the Fund as listed below:

Effective for annual periods beginning on or after 1 January 2023

MFRS 17 Insurance Contracts

Amendment to MFRS 17 Insurance Contracts

(Initial Application of MFRS 17 and MFRS 9 - Comparative Information)

Independent Auditors' Report

To the unitholders of KLCC Real Estate Investment Trust

Report on the audit of the financial statements

Opinion

We have audited the financial statements of KLCC Real Estate Investment Trust ("KLCC REIT" or the "Fund"), which comprise the statements of financial position as at 31 December 2023 of the Group and of the Fund, and the statements of comprehensive income, statements of changes in net asset value and statements of cash flows of the Group and of the Fund for the year then ended, and notes to the financial statements, including a summary of material accounting policies and other explanatory information, as set out on pages 312 to 358.

▶ Financial

Statements

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Group and of the Fund as at 31 December 2023, and of their financial performance and cash flows for the year then ended in accordance with Malaysian Financial Reporting Standards, International Financial Reporting Standards and the requirements of the Securities Commission's Guidelines on Real Estate Investment Trusts in Malaysia.

Basis for opinion

We conducted our audit in accordance with approved standards on auditing in Malaysia and International Standards on Auditing. Our responsibilities under those standards are further described in the *Auditors' responsibilities for the audit of the financial statements* section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence and other ethical responsibilities

We are independent of the Group and of the Fund in accordance with the By-Laws (on Professional Ethics, Conduct and Practice) of the Malaysian Institute of Accountants ("By-Laws") and the International Code of Ethics for Professional Accountants (including International Independence Standards) ("IESBA Code"), and we have fulfilled our other ethical responsibilities in accordance with the By-Laws and the IESBA Code.

Key audit matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the Group and of the Fund for the current year. These matters were addressed in the context of our audit of the financial statements of the Group and of the Fund as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have fulfilled the responsibilities described in the *Auditors' responsibilities for the audit of the financial statements* section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis of our audit opinion on the accompanying financial statements.

Valuation of investment properties

As at 31 December 2023, the carrying value of the Group and of the Fund's investment properties carried at fair value amounted to RM9,271,852,000 which represents 96% of the Group and of the Fund's total assets. The Group and the Fund adopt the fair value model for its investment properties. The valuation of investment properties carried at fair value is significant to our audit due to their magnitude, complex valuation method and high dependency on a range of estimates (amongst others, rental income data, yield rate and discount rate) which are based on current and future market or economic conditions. The Group and the Fund has engaged an external valuer to determine the fair value of the investment properties at the reporting date and a fair value gain of RM93,200,000 has been recognised during the year.

KLCC REIT

Independent Auditors' Report

To the unitholders of KLCC Real Estate Investment Trust

Valuation of investment properties (continued)

Our audit procedures focused on the valuations performed by the independent valuer, which included, amongst others, the following procedures:

- · We considered the objectivity, independence and expertise of independent valuer;
- We obtained an understanding of the methodology adopted by the independent valuer in estimating the fair value of the investment properties and assessed whether such methodology is consistent with those used in the industry;
- We had discussions with the independent valuer to obtain an understanding of the property related data used as input to the valuation models which included, amongst others, rental income data and yield rate;
- We assessed the reasonableness of the property related data by corroborating those data used in the valuation to available market data:
- We tested the accuracy of rental income data applied in the valuation by comparing them with lease agreements and challenged the yield rate by comparing them with available industry data, taking into consideration comparability and market factors. Where the rates were outside the expected range, we undertook further procedures to understand the effect of additional factors and held further discussions with the valuer;
- We assessed whether the discount rate used to determine the present value of the cash flows reflects the estimated market rate of return for comparable assets with similar profile; and
- We also evaluated the Group's disclosures on those assumptions to which the outcome of the valuation is most sensitive. The Group's disclosures on the valuation sensitivity and significant assumptions used, including relationships between key unobservable inputs and fair values, are included in Notes 1.4 and 4 to the financial statements respectively.

Information other than the financial statements and auditors' report thereon

The Manager of the Fund is responsible for the other information. The other information comprises the information included in the annual report, but does not include the financial statements of the Group and of the Fund and our auditors' report thereon.

Our opinion on the financial statements of the Group and of the Fund does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements of the Group and of the Fund, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements of the Group and of the Fund or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Manager for the financial statements

The Manager of the Fund is responsible for the preparation of financial statements of the Group and of the Fund that give a true and fair view in accordance with Malaysian Financial Reporting Standards, International Financial Reporting Standards and the requirements of the Securities Commission's Guidelines on Real Estate Investment Trusts in Malaysia. The Manager is also responsible for such internal control as the Manager determines is necessary to enable the preparation of financial statements of the Group and of the Fund that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements of the Group and of the Fund, the Manager is responsible for assessing the Group's and the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Manager either intends to liquidate the Group or the Fund or to cease operations, or has no realistic alternative to do so.

The Trustee is responsible for overseeing the Fund's financial reporting process.

Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements of the Group and of the Fund as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with approved standards on auditing in Malaysia and International Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Auditors' responsibilities for the audit of the financial statements (continued)

As part of an audit in accordance with approved standards on auditing in Malaysia and International Standards on Auditing, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements of the Group and of the Fund, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's and the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Manager.
- Conclude on the appropriateness of the Manager's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's or the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements of the Group and of the Fund or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group or the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements of the Group and of the Fund, including the disclosures, and whether the financial statements of the Group and of the Fund represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities and business activities within the Group to express an opinion on the financial statements of the Group. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with the Manager regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the Manager with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, actions taken to eliminate threats or safeguards applied.

From the matters communicated with the Manager, we determine those matters that were of most significance in the audit of the financial statements of the Group and of the Fund for the current year and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other matters

This report is made solely to the unitholders of the Fund, as a body, and for no other purpose. We do not assume responsibility to any other person for the content of this report.

Notice of Annual General Meeting

KLCC PROPERTY HOLDINGS BERHAD 200401003073 (641576-U) (Incorporated in Malaysia) KLCC REAL ESTATE INVESTMENT TRUST
(A real estate investment trust constituted under the laws of Malaysia)

NOTICE IS HEREBY GIVEN THAT the Eleventh Annual General Meeting ("11th AGM") of KLCC Real Estate Investment Trust ("KLCC REIT") and the Twenty-First Annual General Meeting ("21st AGM") of KLCC Property Holdings Berhad (the "Company" or "KLCCP") will be conducted concurrently and entirely through live streaming from the broadcast venue at the Crystal Room, Level 2, Mandarin Oriental Kuala Lumpur, Kuala Lumpur City Centre, 50088 Kuala Lumpur, Malaysia ("Broadcast Venue") on Wednesday, 24 April 2024 at 10.30 a.m. for the following purposes:

A. KLCC REIT

AS ORDINARY BUSINESS:

1. To receive the Audited Financial Statements for the financial year ended 31 December 2023 of KLCC REIT together with the Reports attached thereon.

(Please refer to Note 12)

AS SPECIAL BUSINESS:

To consider and if thought fit, to pass, with or without modifications, the following resolution:

2. Proposed Unitholders' Mandate to Issue New Units pursuant to Paragraph 6.59 of the Main Market Listing Requirements of Bursa Malaysia Securities Berhad

"THAT pursuant to the Main Market Listing Requirements of Bursa Malaysia Securities Berhad ("Bursa Securities") and the approval of the relevant regulatory authorities, where such approval is required and subject to passing of Resolution VI of KLCCP, approval be and is hereby given to the Directors of KLCC REIT Management Sdn Bhd, the manager for KLCC REIT (the "Manager"), to issue new units in KLCC REIT ("New Units") from time to time to such persons and for such purposes and upon such terms and conditions as the Directors of the Manager may in their absolute discretion deem fit, provided that the number of New Units to be issued, when aggregated with the number of units in KLCC REIT issued during the preceding 12 months, must not exceed 10% of the total number of units issued of KLCC REIT for the time being and provided further that such corresponding number of new ordinary shares in KLCCP equal to the number of New Units shall be issued and every one New Unit shall be stapled to one new ordinary share upon issuance to such persons ("Proposed KLCC REIT Mandate") and the Directors of the Manager be and are hereby also empowered to obtain the approval for the listing of and quotation for such new stapled securities comprising ordinary shares in KLCCP stapled together with the units in KLCC REIT ("Stapled Securities") on the Main Market of Bursa Securities.

THAT such approval shall continue to be in force until:

- (i) the conclusion of the next Annual General Meeting of the unitholders held after the approval was given;
- (ii) the expiration of the period within which the next Annual General Meeting of the unitholders is required to be held after the approval was given; or
- (iii revoked or varied by resolution passed by the unitholders in a unitholders' meeting,

whichever is the earlier

THAT the New Units to be issued pursuant to the Proposed KLCC REIT Mandate shall, upon issue and allotment, rank *pari passu* in all respects with the existing units of KLCC REIT, except that the New Units will not be entitled to any income distribution, right, benefit, entitlement and/or any other distributions, in respect of which the entitlement date is prior to the date of allotment of

THAT authority be and is hereby given to the Directors of the Manager and Maybank Trustees Berhad (the "**Trustee**"), acting for and on behalf of KLCC REIT, to give effect to the Proposed KLCC REIT Mandate with full powers to assent to any conditions, modifications, variations and/or amendments as they may deem fit in the best interest of KLCC REIT and/or as may be imposed by the relevant authorities.

AND FURTHER THAT the Directors of the Manager and the Trustee, acting for and on behalf of KLCC REIT, be and are hereby authorised to implement, finalise, complete and take all necessary steps and to do all acts (including execute such documents as may be required), deeds and things in relation to the Proposed KLCC REIT Mandate."

Resolution 1

B. KLCCP

AS ORDINARY BUSINESS:

such New Units.

3. To receive the Audited Financial Statements for the financial year ended 31 December 2023 of the Company and the Reports of the Directors and Auditors thereon.

(Please refer to Note 14)

- 4. To re-elect the following Directors who retire pursuant to the Constitution of the Company:
 - (i) Tan Sri Ahmad Nizam bin Salleh
 - (ii) Datuk Md. Shah bin Mahmood
 - (iii) Puan Chong Chye Neo

- Resolution I
- Resolution II
- Resolution III

5. To approve the payment of the following Directors' fees and benefits payable to Non-Executive Directors for the period commencing on the date immediately after the date of the 21st AGM up to the date of the next Annual General Meeting to be held in 2025 of the Company:

Category	Non-Executive Chairman	Non-Executive Directors
The Company	(RM per annum)	(RM per annum)
Directors' Retainer Fees Petrol Allowance	240,000 6,000	120,000 6,000
	(RM per attendance)	(RM per attendance)
Attendance fee/Tele-Conferencing fee	3,500	3,500
The Manager	(RM per attendance)	(RM per attendance)
Attendance fee/Tele-Conferencing fee	3,500	3,500

Resolution IV

6. To re-appoint Ernst & Young PLT as Auditors of the Company and to authorise the Directors to fix the Auditors' remuneration.

Resolution V

Notice of Annual General Meeting

AS SPECIAL BUSINESS:

To consider and if thought fit, to pass the following resolution:

7. Authority to Issue Shares of the Company pursuant to Sections 75 and 76 of the Companies Act. 2016

"THAT pursuant to Sections 75 and 76 of the Companies Act, 2016, Main Market Listing Requirements of Bursa Malaysia Securities Berhad ("Bursa Securities") and the approval of the relevant regulatory authorities, where such approval is required and subject to passing of Resolution 1 of KLCC REIT, the Directors of the Company be and are hereby authorised to issue ordinary shares in the capital of the Company ("New Ordinary Shares") from time to time to such persons and for such purposes and upon such terms and conditions as the Directors may in their absolute discretion deem fit, provided that the total number of such New Ordinary Shares to be issued, pursuant to this resolution, when aggregated with the total number of any such ordinary shares issued during the preceding 12 months does not exceed 10% of the total number of issued shares of the Company for the time being (excluding any treasury shares) and provided further that such corresponding number of New Units in KLCC REIT equal to the number of New Ordinary Shares shall be issued and every one New Ordinary Share shall be stapled to one New Unit upon issuance to such persons ("Proposed KLCCP Mandate") and that the Directors be and are hereby also empowered to obtain the approval from Bursa Securities for the listing of and quotation for such new Stapled Securities on the Main Market of Bursa Securities.

THAT such approval shall continue to be in force until:

- (i) the conclusion of the next Annual General Meeting of the Company held after the approval was given;
- (ii) the expiration of the period within which the next Annual General Meeting of the Company is required to be held after the approval was given; or
- (iii) revoked or varied by resolution passed by the shareholders of the Company in a general meeting,

whichever is the earlier.

THAT the New Ordinary Shares to be issued pursuant to the Proposed KLCCP Mandate shall, upon issue and allotment, rank *pari passu* in all respects with the existing ordinary shares of the Company, except that the New Ordinary Shares will not be entitled to any dividend, right, benefit, entitlement and/or any other distributions, in respect of which the entitlement date is prior to the date of allotment of such New Ordinary Shares.

THAT authority be and is hereby given to the Directors of the Company, to give effect to the Proposed KLCCP Mandate with full powers to assent to any conditions, modifications, variations and/or amendments as they may deem fit in the best interest of the Company and/or as may be imposed by the relevant authorities.

AND FURTHER THAT the Directors of the Company, be and are hereby authorised to implement, finalise, complete and take all necessary steps and to do all acts (including execute such documents as may be required), deeds and things in relation to the Proposed KLCCP Mandate."

8. To transact any other business for which due notice has been given.

Resolution VI

FURTHER NOTICE IS HEREBY GIVEN THAT for the purpose of determining a holder of the Stapled Securities who shall be entitled to attend the 11th AGM of KLCC REIT and the 21st AGM of KLCCP ("AGMs") via Remote Participation and Voting facilities ("RPV"), the Manager and/or the Trustee and KLCCP shall be requesting Bursa Malaysia Depository Sdn Bhd, in accordance with Paragraph 17 of Schedule 1 of the Amended and Restated Trust Deed dated 3 September 2019 entered into between the Manager and the Trustee, Articles 76(1) and 76(2) of KLCCP's Constitution and Section 34(1) of the Securities Industry (Central Depositories) Act, 1991, to issue a General Meeting Record of Depositors as at 16 April 2024 and only a Depositor whose name appears on such Record of Depositors shall be entitled to attend, speak and vote at the said meetings via RPV.

BY ORDER OF THE BOARD

Lim Siew Mei (SSM PC No. 201908001632) (MAICSA 7020355) **Hanida Hanum Jamon** (SSM PC No. 201908001412) (LS 0007099) Company Secretaries

Kuala Lumpur 29 February 2024

Notes:

1. IMPORTANT NOTICE

The 11th AGM of KLCC REIT and 21st AGM of KLCCP will be conducted concurrently and entirely through live streaming from the Broadcast Venue. The Broadcast Venue is strictly for the purpose of complying with Section 327(2) of the Companies Act 2016 which requires the Chairperson of the meeting to be present at the main venue of the meeting.

Holders of the Stapled Securities, proxy(ies) and corporate representatives **WILL NOT BE ALLOWED** to be physically present at the Broadcast Venue on the day of the meetings.

Holders of the Stapled Securities are to attend, speak (including posing questions to the Board of Directors via real time submission of typed texts) and vote (collectively, "participate") remotely at the 11th AGM of KLCC REIT and 21st AGM of KLCCP via the RPV provided by Tricor Investor & Issuing House Services Sdn. Bhd. through its TIIH Online website at https://tiih.online. Please follow the Procedures for RPV provided in the Administrative Details for the 11th AGM of KLCC REIT and 21st AGM of KLCCP and read Notes (2) to (11) below in order to participate remotely via RPV.

2. A holder of the Stapled Securities who is entitled to attend and vote at the meetings via RPV is entitled to appoint not more than 2 proxies to attend and, to vote in his/her stead. A proxy may but need not be a holder of the Stapled Securities. There shall be no restriction as to the qualification of the proxy. The holders may submit questions to the Board of Directors at https://tiih.online to the AGMs or to use the query box to transmit questions to Board of Directors via RPV during live streaming.

- Where a holder of the Stapled Securities is an authorised nominee, it
 may appoint at least one proxy but not more than 2 proxies in respect
 of each securities account it holds with ordinary shares of the
 Company and units of KLCC REIT standing to the credit of the said
 securities account.
- 4. Where a holder of the Stapled Securities is an exempt authorised nominee who holds Stapled Securities for multiple beneficial owners in one securities account ("omnibus account"), there is no limit to the number of proxies which the exempt authorised nominee may appoint in respect of each omnibus account it holds. An exempt authorised nominee refers to an authorised nominee defined under the Securities Industry (Central Depositories) Act 1991 ("SICDA") which is exempted from compliance with the provisions of subsection 25A(1) of SICDA.
- 5. Where a holder of the Stapled Securities or the authorised nominee appoints 2 proxies, or where an exempt authorised nominee appoints 2 or more proxies, the appointment shall be invalid unless he specifies the proportions of his/her holdings to be represented by each proxy.
- 6. A holder of the Stapled Securities who has appointed a proxy or attorney or authorised representative to attend, participate, speak and vote at these AGMs via RPV must request his/her proxy to register himself/herself for RPV at TIIH Online website at https://tiih.online Please follow the Procedures for RPV in the Administrative Details for the 11th AGM of KLCC REIT and 21st AGM of KLCCP.

Notice of Annual General Meeting

7. The appointment of a proxy may be made in a hard copy form or by electronic means in the following manner and must be received by the Company and KLCC REIT not less than forty-eight (48) hours before the time appointed for holding the AGMs or adjourned general meetings at which the person named in the appointment proposes to vote:

(i) In hard copy form

In the case of an appointment made in hard copy form, the proxy form must be deposited with the Share Registrar of the Company and KLCC REIT at Tricor Investor & Issuing House Services Sdn Bhd, Unit 32-01, Level 32, Tower A, Vertical Business Suite, Avenue 3, Bangsar South, No. 8, Jalan Kerinchi, 59200 Kuala Lumpur, Malaysia or alternatively, the Customer Services Centre at Unit G-3, Ground Floor, Vertical Podium, Avenue 3, Bangsar South, No. 8, Jalan Kerinchi, 59200 Kuala Lumpur, Malaysia.

(ii) By electronic form

The proxy form can be electronically lodged with the Share Registrar of the Company and KLCC REIT via **TIIH Online** website at https://tiih.online. Kindly refer to Administrative Details on the procedures for electronic lodgement of proxy form via TIIH Online.

- 8. Please ensure ALL the particulars as required in the proxy form are completed, signed and dated accordingly.
- Last date and time for lodging the proxy form is Monday, 22 April 2024 at 10.30 a.m.
- 10. Any authority pursuant to which such an appointment is made by a power of attorney must be deposited with the Share Registrar of the Company and KLCC REIT at Tricor Investor & Issuing House Services Sdn. Bhd., Unit 32-01, Level 32, Tower A, Vertical Business Suite, Avenue 3, Bangsar South, No. 8, Jalan Kerinchi, 59200 Kuala Lumpur, Malaysia or alternatively, the Customer Service Centre at Unit G-3, Ground Floor, Vertical Podium, Avenue 3, Bangsar South, No. 8, Jalan Kerinchi, 59200 Kuala Lumpur, Malaysia not less than forty-eight (48) hours before the time appointed for holding the AGMs or adjourned general meeting at which the person named in the appointment proposes to vote. A copy of the power of attorney may be accepted provided that it is certified notarially and/or in accordance with the applicable legal requirements in the relevant jurisdiction in which it is executed.
- 11. A corporate which is a holder of the Stapled Securities who has appointed a representative, please deposit the ORIGINAL certificate of appointment with the Share Registrar of the Company and KLCC REIT at Tricor Investor & Issuing House Services Sdn. Bhd., Unit 32-01, Level 32, Tower A, Vertical Business Suite, Avenue 3, Bangsar South, No. 8, Jalan Kerinchi, 59200 Kuala Lumpur, Malaysia or alternatively, the Customer Service Centre at Unit G-3, Ground Floor, Vertical Podium, Avenue 3, Bangsar South, No. 8, Jalan Kerinchi, 59200 Kuala Lumpur, Malaysia. The certificate of appointment should be executed in the following manner:
 - (i) If the corporate holder of the Stapled Securities has a common seal, the certificate of appointment should be executed under seal in accordance with the constitution of the corporate holder of the Stapled Securities.
 - (ii) If the corporate holder of the Stapled Securities does not have a common seal, the certificate of appointment should be affixed with the rubber stamp of the corporate holder (if any) and executed by:
 - (a) at least two (2) authorised officers, of whom one shall be a director; or
 - (b) any director and/or authorised officers in accordance with the laws of the country under which the corporate holder is incorporated.

Explanatory Notes for Items on the Agenda

12. Explanatory Note for Item 1

This agenda item is meant for discussion only as in accordance with the provision of Paragraph 13.18(b) of the Guidelines on Listed Real Estate Investment Trusts, a formal approval on the Audited Financial Statements of KLCC REIT from the holders of Stapled Securities is not required. Hence, this item is not put forward to the holders of Stapled Securities for voting.

13. Explanatory Note for Item 2

Subject to passing of Resolution VI of the Company, the proposed Resolution 1, if passed, will grant a renewed mandate to the Manager of KLCC REIT to issue New Units from time to time provided that the number of the New Units to be issued, when aggregated with the number of units issued during the preceding 12 months, must not exceed 10% of the total number of units issued of KLCC REIT for the time being and provided further that such corresponding number of New Ordinary Shares in the Company equal to the number of New Units shall be issued and every one New Unit shall be stapled to one New Ordinary Share upon issuance. The Proposed KLCC REIT Mandate, unless revoked or varied at a unitholders' meeting, will expire at the conclusion of the next AGM of unitholders of KLCC REIT.

The Proposed KLCC REIT Mandate will allow the Manager the flexibility to issue New Units to raise funds to finance future investments, acquisitions and capital expenditure to enhance the value of KLCC REIT and/or to refinance existing debt as well as for working capital purposes, subject to the relevant laws and regulations. With the Proposed KLCC REIT Mandate, delays and further costs involved in convening separate general meetings to approve such issue of units to raise funds can be avoided.

As at the date of this Notice, no New Units have been issued pursuant to the mandate granted to the Directors of the Manager at the $10^{\rm th}$ AGM of KLCC REIT.

14. Explanatory Note for Item 3

This agenda item is meant for discussion only as the provisions of Sections 248(2) and 340(1) of the Companies Act, 2016 do not require a formal approval of the holders of Stapled Securities for the Audited Financial Statements of the Company. Hence, this item is not put forward to the holders of Stapled Securities for voting.

15. Explanatory Note for Item 4

Article 106 of the Company's Constitution provides that one-third of the Directors of the Company for the time being shall retire by rotation at an AGM of the Company provided always that all Directors, shall retire from office once at least in each three years but shall be eligible for re-election at the AGM. A Director retiring at a meeting shall retain office until the conclusion of the meeting.

The Board recognises bona fides recommendation for shareholders' approval of the directors' re-election must be substantiated with the individual director performance and contribution. The results of the Board, Board Committees and Directors' Effectiveness Evaluation ("BEE") 2023 upon approval by the Board therefore form the basis thereof.

The Directors subject to retirement by rotation and eligible for re-election pursuant to the Constitution of the Company are Tan Sri Ahmad Nizam bin Salleh, Datuk Md. Shah bin Mahmood and Puan Chong Chye Neo. The Directors have offered themselves for re-election at the 21st AGM. Pursuant to the annual Fit and Proper ("FAP") assessment, the retiring Directors have met the fit and proper criteria prescribed in the FAP Policy. The Board has approved the recommendation of the Nomination and Remuneration Committee ("NRC") that the retiring Directors are eligible to stand for re-election based on the following:

- (a) Tan Sri Ahmad Nizam bin Salleh's chairmanship and leadership have cultivated a high-performance Board. Tan Sri Ahmad Nizam challenged status quo and fostered an open environment by actively listening to fellow Directors, valuing their input and encouraging their active participation in discussions. With diverse perspectives, he ensured the Board's decisions are equitable and aligned with the Company's best interests.
- (b) Datuk Md. Shah bin Mahmood has a wide range of skills and knowledge which enabled him to demonstrate excellent leadership by guiding strategic management initiatives and problem-solving to enhance KLCCP Stapled Group's values. Datuk Md. Shah ensured effective implementation of board decisions and maintained open communication with the Board. With extensive and broad knowledge of the Group's operations, Datuk Md. Shah consistently keeps the Board informed about crucial aspects of the Company's operations, ensuring timely and complete information sharing with the Board.
- (c) Puan Chong Chye Neo, the NRC Chairperson and a member of the Board Audit Committee, provided independent judgement and demonstrated fair and objective views in Board and Board Committees' meetings. With her information technology and digital literacy and both local and international experience, she constantly provides relevant input particularly on the Group's technological opportunities and risks.

The retiring Directors' profiles are set out in the Profiles of the Board of Directors of the Integrated Annual Report 2023 of KLCCP Stapled Group.

16. Explanatory Note for Item 5

The holders of Stapled Securities at the last AGM held on 6 April 2023 approved the Non-Executive Directors' ("NEDs") fees and benefits as per the table disclosed in Item 5 above effective 7 April 2023 until the AGM of the Company to be held in 2024 i.e. 21st AGM ("Directors Remuneration 2023/2024").

A total of RM1,216,500.00 of Non-Executive Directors' fees and benefits were incurred for the Company for the financial year ended 31 December 2023 and the details of payment are stated in the NRC Report of the KLCCP Stapled Group Integrated Annual Report 2023 and Corporate Governance Report.

NRCs of the Company and the Manager (a wholly-owned subsidiary of the Company) had reviewed the Directors' Remuneration for the NEDs for the period commencing on the date immediately after the date of the 21st AGM up to the date of the next AGM to be held in 2025 and recommended that the said Directors' Remuneration shall remain unchanged as per Directors' Remuneration 2023/2024. The respective Boards of Directors of the Company and the Manager endorsed the respective NRCs' recommendations.

Resolution IV on the proposed Directors' fees and benefits to be approved by the holders of Stapled Securities is pursuant to Section 230(1)(b) of the Companies Act, 2016.

The members of the Board and Board Committees of the Manager are only remunerated for Attendance/Tele-Conferencing when the meetings of the Manager are held on a different date than the meetings of the Board and Board Committees of the Company.

17. Explanatory Note for Item 6

Q

The Board of Directors of the Company at its meeting held on 7 February 2024 endorsed for the re-appointment of Ernst & Young PLT as External Auditors of the Company for the financial year ending 31 December 2024 be presented to the holders of Stapled Securities for approval. Based on the annual assessment conducted by Board Audit Committee of the Company on suitability, independence, objectivity and performance of external auditors, Ernst & Young PLT has met the criteria prescribed by Paragraph 15.21 of the Main Market Listing Requirements of Bursa Securities.

18. Explanatory Note for Item 7

Subject to passing of Resolution 1 of KLCC REIT, the proposed Resolution VI, if passed, will grant a renewed mandate and provide flexibility for the Company to empower the Directors to issue New Ordinary Shares from time to time, provided that the total number of such New Ordinary Shares to be issued, when aggregated with the total number of any such ordinary shares issued during the preceding 12 months does not exceed 10% of the total number of issued shares of the Company for the time being (excluding any treasury shares) should the need arise and provided further that such corresponding number of New Units equal to the number of New Ordinary Shares shall be issued and every one New Ordinary Share shall be stapled to one New Unit upon issuance.

In order to avoid any delay and costs involved in convening a general meeting to approve such issuance of ordinary shares, the approval is a renewed mandate given to the Directors as the Board is always looking into prospective areas and seeking opportunities to broaden the operating base, increase earnings potential of the Company, raise funds to finance future investments, acquisitions and capital expenditure to enhance the value of the Company and/or to refinance existing debt as well as for working capital purposes which may involve the issue of new ordinary shares. This authority, unless revoked or varied at a general meeting, will expire at the conclusion of the next AGM of the Company.

As at the date of this Notice, the Company did not issue any New Ordinary Shares pursuant to the mandate granted to the Directors at its $20^{\rm th}$ AGM.

Administrative Details

11TH ANNUAL GENERAL MEETING OF KLCC REAL ESTATE INVESTMENT TRUST AND 21ST ANNUAL GENERAL MEETING OF KLCC PROPERTY HOLDINGS BERHAD

Date	Wednesday, 24 April 2024
Time	10.30 a.m.
Broadcast Venue	Crystal Room, Level 2, Mandarin Oriental Kuala Lumpur, Kuala Lumpur City Centre,
	50088 Kuala Lumpur, Malaysia.
Meeting Platform	TIIH Online website at https://tiih.online

MODE OF MEETING

The Eleventh Annual General Meeting ("11th AGM") of KLCC Real Estate Investment Trust ("KLCC REIT") and the Twenty-First Annual General Meeting ("21st AGM") of KLCC Property Holdings Berhad (the "Company" or "KLCCP") ("AGMs") will be conducted entirely through live streaming from the Broadcast Venue.

The Broadcast Venue is strictly for the purpose of complying with Section 327(2) of the Companies Act, 2016 which requires the Chairperson of the meeting to be present at the main venue of the AGMs. The holders of Stapled Securities **WILL NOT BE ALLOWED** to be physically present at the Broadcast Venue on the day of the AGMs.

REMOTE PARTICIPATION AND VOTING FACILITIES ("RPV")

The holders of Stapled Securities are to attend, speak (including posing questions to the Board of Directors via real time submission of typed texts) and vote (collectively, "participate") remotely at the AGMs using Remote Participation and Voting facilities ("RPV") provided by Tricor Investor & Issuing House Services Sdn. Bhd. ("Tricor") via its **TIIH Online** website at https://tiih.online.

The holders of Stapled Securities who appoint proxies to participate via RPV in the AGMs must ensure that the duly executed proxy forms are deposited in a hard copy form or by electronic means to Tricor no later than **Monday, 22 April 2024 at 10.30 a.m.**

Corporate representatives of corporate members must deposit their original certificate of appointment of corporate representative to Tricor not later than **Monday, 22 April 2024 at 10.30 a.m.** to participate via RPV in the AGMs.

Attorneys appointed by power of attorney are to deposit their power of attorney with Tricor not later than **Monday, 22 April 2024 at 10.30 a.m.** to participate via RPV in the AGMs.

A holder of Stapled Securities who has appointed a proxy or attorney or authorised representative to participate at these AGMs via RPV must request his/her proxy to register himself/herself for RPV at TIIH Online website at https://tiih.online.

As the 11th AGM of KLCC REIT and 21st AGM of KLCCP are virtual AGMs, the holders of Stapled Securities who are unable to participate in these AGMs may appoint the Chairman of the meetings as his/her proxy and indicate the voting instructions in the proxy form.

The holders of Stapled Securities/proxies/corporate representatives/attorneys who wish to participate the AGMs remotely using the RPV are to follow the requirements and procedures as summarised below:

Procedure	Action
BEFORE THE DAY OF AGMS	
(a) Register as a user with TIIH Online	 Using your computer, access the website at https://tiih.online. Register as a user under the "e-Services" select "Create Account by Individual Holder". Refer to the tutorial guide posted on the homepage for assistance. Registration as a user will be approved within one (1) working day and you will be notified via e-mail. If you are already a user with TIIH Online, you are not required to register again. You will receive an e-mail to notify you that the remote participation is available for registration at TIIH Online.
(b) Submit your request	 Registration is open from 29 February 2024 until the day of AGMs, Wednesday, 24 April 2024. Member(s) or proxy(ies) or corporate representative(s) or attorney(s) are required to pre-register their attendance for the AGMs to ascertain their eligibility to participate in the AGMs using the RPV. Proceed to upload the duly completed proxy appointment file. Select "Submit" to complete your submission. Print the confirmation report of your submission for your record.

Administrative Details

Any authority pursuant to which such an appointment is made by a power of attorney must be deposited with the Share Registrar of the Company and KLCC REIT at Tricor Investor & Issuing House Services Sdn. Bhd., Unit 32-01, Level 32, Tower A, Vertical Business Suite, Avenue 3, Bangsar South, No. 8, Jalan Kerinchi, 59200 Kuala Lumpur, Malaysia or alternatively, the Customer Service Centre at Unit G-3, Ground Floor, Vertical Podium, Avenue 3, Bangsar South, No. 8, Jalan Kerinchi, 59200 Kuala Lumpur, Malaysia not less than forty-eight (48) hours before the time appointed for holding the AGMs or adjourned general meeting at which the person named in the appointment proposes to vote. A copy of the power of attorney may be accepted provided that it is certified notarially and/or in accordance with the applicable legal requirements in the relevant jurisdiction in which it is executed.

A corporate which is a holder of the Stapled Securities who has appointed a representative, please deposit the **ORIGINAL** certificate of appointment with the Share Registrar of the Company and KLCC REIT at Tricor Investor & Issuing House Services Sdn. Bhd., Unit 32-01, Level 32, Tower A, Vertical Business Suite, Avenue 3, Bangsar South, No. 8, Jalan Kerinchi, 59200 Kuala Lumpur, Malaysia or alternatively, the Customer Service Centre at Unit G-3, Ground Floor, Vertical Podium, Avenue 3, Bangsar South, No. 8, Jalan Kerinchi, 59200 Kuala Lumpur, Malaysia. The certificate of appointment should be executed in the following manner:

- (i) If the corporate holder of the Stapled Securities has a common seal, the certificate of appointment should be executed under seal in accordance with the constitution of the corporate holder of the Stapled Securities.
- (ii) If the corporate holder of the Stapled Securities does not have a common seal, the certificate of appointment should be affixed with the rubber stamp of the corporate holder (if any) and executed by:
 - (a) at least two (2) authorised officers, of whom one shall be a director; or
 - (b) any director and/or authorised officers in accordance with the laws of the country under which the corporate holder is incorporated.

Poll Voting

- The Voting at the AGMs will be conducted by poll in accordance with Paragraph 8.29A of Bursa Malaysia Securities Berhad Main Market Listing Requirements.
- Shareholders can proceed to vote on the resolutions at any time from the commencement of the AGMs at 10.30 a.m but before the end of the voting session which will be announced by the Chairman of the Meeting. Kindly refer to item (e) of the above Procedures for RPV for guidance on how to vote remotely from **TIIH Online** website at https://tiih.online.

 Upon completion of the voting session for the AGMs, the Scrutineers will verify and announce the poll results followed by the Chairman's declaration whether the resolutions are duly passed.

PRE-MEETING SUBMISSION OF QUESTIONS TO THE BOARD OF DIRECTORS

The holders of Stapled Securities may submit questions for the Boards in advance of the AGMs via Tricor's TIIH Online website at https://tiih.online by selecting "e-Services" to login, pose questions and submit electronically no later than **Monday, 22 April 2024 at 10.30 a.m.**. The Boards will endeavour to answer the questions received at the AGMs.

RECORDING OR PHOTOGRAPHY

By participating at the AGMs, you agree that no part of the AGMs proceedings may be recorded, photographed, stored in any retrieval systems, reproduced, transmitted or uploaded in any form, platform or social media or by any means whether it is mechanical, electronical, photocopying, recording or otherwise without the prior written consent of the Company. The Company reserves the rights to take appropriate legal actions against anyone who violates this rule.

ANNUAL REPORT 2023

- The Integrated Annual Report 2023 is available at the Company's website at https://www.klcc.com.my/investor-relations/annual_report.html.
- You may request for a printed copy of the Integrated Annual Report 2023 at https://tiih.online by selecting "Request for Annual Report/Circular" under the "Investor Services". Nevertheless, we hope you would consider the environment before you decide to request for the printed copy.

NOTES:

1. IMPORTANT NOTICE

The Broadcast Venue is strictly for the purpose of complying with Section 327(2) of the Companies Act 2016 which require the Chairperson of the meeting to be present at the main venue of the meeting.

Holders of the Stapled Securities, proxy(ies) and corporate representatives **WILL NOT BE ALLOWED** to be physically present at the Broadcast Venue on the day of the meetings.

Holders of the Stapled Securities are to attend, speak (including posing questions to the Board of Directors via real time submission of typed texts) and vote (collectively, "participate") remotely at the 11th AGM of KLCC REIT and 21st AGM of KLCCP via the RPV provided by Tricor Investor & Issuing House Services Sdn. Bhd. through its **TIIH Online** website at https://tiih.online. **Please follow the Procedures for RPV provided in the Administrative Details for the 11th AGM of KLCC REIT and 21st AGM of KLCCP and read Notes (2) to (11) below in order to participate remotely via RPV.**

- 2. A holder of the Stapled Securities who is entitled to attend and vote at the meetings via RPV is entitled to appoint not more than 2 proxies to attend and, to vote in his stead. A proxy may but need not be a holder of the Stapled Securities. There shall be no restriction as to the qualification of the proxy. The holders may submit questions to the Board of Directors at https://tiih.online to the AGMs or to use the query box to transmit questions to Board of Directors via RPV during live streaming.
- 3. Where a holder of the Stapled Securities is an authorised nominee, it may appoint at least one proxy but not more than 2 proxies in respect of each securities account it holds with ordinary shares of the Company and units of KLCC REIT standing to the credit of the said securities account.
- 4. Where a holder of the Stapled Securities is an exempt authorised nominee which holds Stapled Securities for multiple beneficial owners in one securities account ("omnibus account"), there is no limit to the number of proxies which the exempt authorised nominee may appoint in respect of each omnibus account it holds. An exempt authorised nominee refers to an authorised nominee defined under the Securities Industry (Central Depositories) Act 1991 ("SICDA") which is exempted from compliance with the provisions of subsection 25A(1) of SICDA.
- 5. Where a holder of the Stapled Securities or the authorised nominee appoints 2 proxies, or where an exempt authorised nominee appoints 2 or more proxies, the appointment shall be invalid unless he specifies the proportions of his/her holdings to be represented by each proxy.
- 6. A holder of the Stapled Securities who has appointed a proxy or attorney or authorised representative to attend, participate, speak and vote at these AGMs via RPV must request his/her proxy to register himself/herself for RPV at TIIH Online website at https://tiih.online. Please follow the Procedures for RPV in the Administrative Details for the 11th AGM of KLCC REIT and 21st AGM of KLCCP.
- 7. The appointment of a proxy may be made in a hard copy form or by electronic means in the following manner and must be received by the Company and KLCC REIT not less than forty-eight (48) hours before the time appointed for holding the AGMs or adjourned general meeting at which the person named in the appointment proposes to vote:

(i) In hard copy form

In the case of an appointment made in hard copy form, the proxy form must be deposited with the Share Registrar of the Company and KLCC REIT at Tricor Investor & Issuing House Services Sdn Bhd, Unit 32-01, Level 32, Tower A, Vertical Business Suite, Avenue 3, Bangsar South, No. 8, Jalan Kerinchi, 59200 Kuala Lumpur, Malaysia or alternatively, the Customer Services Centre at Unit G-3, Ground Floor, Vertical Podium, Avenue 3, Bangsar South, No. 8, Jalan Kerinchi, 59200 Kuala Lumpur, Malaysia.

(ii) By electronic form

The proxy form can be electronically lodged with the Share Registrar of the Company and KLCC REIT via **TIIH Online** website at https://tiih.online. Kindly refer to the Administrative Details on the procedures for electronic lodgement of proxy form via **TIIH Online**.

- 8. Please ensure ALL the particulars as required in the proxy form are completed, signed and dated accordingly.
- 9. Last date and time for lodging the proxy form is **Monday, 22 April 2024 at 10.30 a.m.**.
- 10. Any authority pursuant to which such an appointment is made by a power of attorney must be deposited with the Share Registrar of the Company and KLCC REIT at Tricor Investor & Issuing House Services Sdn. Bhd., Unit 32-01, Level 32, Tower A, Vertical Business Suite, Avenue 3, Bangsar South, No. 8, Jalan Kerinchi, 59200 Kuala Lumpur, Malaysia or alternatively, the Customer Service Centre at Unit G-3, Ground Floor, Vertical Podium, Avenue 3, Bangsar South, No. 8, Jalan Kerinchi, 59200 Kuala Lumpur, Malaysia not less than forty-eight (48) hours before the time appointed for holding the AGMs or adjourned general meeting at which the person named in the appointment proposes to vote. A copy of the power of attorney may be accepted provided that it is certified notarially and/or in accordance with the applicable legal requirements in the relevant jurisdiction in which it is executed.
- 11. A corporate which is a holder of the Stapled Securities who has appointed a representative, please deposit the **ORIGINAL** certificate of appointment with the Share Registrar of the Company and KLCC REIT at Tricor Investor & Issuing House Services Sdn. Bhd., Unit 32-01, Level 32, Tower A, Vertical Business Suite, Avenue 3, Bangsar South, No. 8, Jalan Kerinchi, 59200 Kuala Lumpur, Malaysia, or alternatively, its Customer Service Centre at Unit G-3, Ground Floor, Vertical Podium, Avenue 3, Bangsar South, No. 8, Jalan Kerinchi, 59200 Kuala Lumpur, Malaysia. The certificate of appointment should be executed in the following manner:
 - (i) If the corporate holder of the Stapled Securities has a common seal, the certificate of appointment should be executed under seal in accordance with the constitution of the corporate holder of the Stapled Securities.
 - (ii) If the corporate holder of the Stapled Securities does not have a common seal, the certificate of appointment should be affixed with the rubber stamp of the corporate holder (if any) and executed by:
 - (a) at least two (2) authorised officers, of whom one shall be a director; or
 - (b) any director and/or authorised officers in accordance with the laws of the country under which the corporate holder is incorporated.
- 12. For the purpose of determining a holder of the Stapled Securities who shall be entitled to attend the 11th AGM of KLCC REIT and the 21st AGM of the Company via RPV, KLCC REIT Management Sdn Bhd ("Manager") and/or Maybank Trustees Berhad ("Trustee") and the Company shall be requesting Bursa Malaysia Depository Sdn Bhd, in accordance with Paragraph 17 of Schedule 1 of the Amended and Restated Trust Deed dated 3 September 2019 entered into between the Manager and the Trustee, Articles 76(1) and 76(2) of the Company's Constitution and Section 34(1) of the Securities Industry (Central Depositories) Act, 1991, to issue a General Meeting Record of Depositors as at **16 April 2024** and only a Depositor whose name appears on such Record of Depositors shall be entitled to attend, speak and vote at the said meetings via RPV.
