All you need to know about the new BAPE store in KLCC

The Japanese premium streetwear brand A Bathing Ape® debuts its first store in Malaysia.

To all the Malaysian BAPE fans, there is no longer a need to travel to Japan or scour online for the latest collection of the superior streetwear brand as BAPE Store® has opened its first Malaysian outlet in **Suria KLCC**.

And here is a quick informative tour to bring you inside the space to see what's on offer!

The 5,245 square feet BAPE Store® Malaysia gives you a whole new shopping experience with a comfortable and polished interior.

Featuring sleek furnishing with touches of metallic furnishing, all meshed together with signature BAPE camo prints.

From the renowned **BAPE CAMO** and the iconic APE Head printed classics to all the seasonal clothing offerings as well as accessories, the store offers the full range of ready-to-wear apparel for men, women, and kids, including **BAPE**, **BAPE LADY**, **BAPY**, **BAPE BLACK**, and **BABY MILO**.

BUTIK DAN RESTORAN

BAPE CAFE!?

The outlet is also accompanied by its own world-first restaurant, named **BAPE Cafe**, which is located alongside the boutique itself.

You can spend your after-shopping hours by grabbing yourself a coffee, snack, brunch or even dinner.
