## BAPE Makes Its Debut In Malaysia

The Japanese premium streetwear brand, **A Bathing Ape** or better known as **BAPE** is expanding its footprints on the local fashion scene with the official debut of its first BAPE Store Malaysia in Suria KLCC in end of September.

Since the brand's establishment in 1993, BAPE has remained a symbol of street fashion for more than 25 years. Thus far, it has produced iconic design items, original patterns and characters such as "APE HEAD", "BAPECAMO", "BAPE STA", "SHARK HOODIE" AND "BABY MILO" etc. It has also created successful collaborations with established international brands and reputable artists.

Spanning an area of 5,245 square feet, **BAPE Store Malaysia** houses a full range of ready-to-wear apparel and accessories for men, women, and kids, featuring brands including BAPE, BAPE LADY, BAPY, BAPE BLACK, and BABY MILO in the different sections under one roof. The infectious BAPE CAMO and the iconic APE Head motif that have dominated most major cities around the world since its inception in Harajuku, Japan in 1993, is finally made available for the Malaysian BAPE fans too. BAPE fans can go and check out its latest 2020 Autumn/Winter Collections in the store now!

What's more, you can sip on a cup of coffee or even enjoy a light refreshment after your shopping spree in BAPE cafe which is housed in a cozy space with a cool and stylish set-up.

The BAPE Store Malaysia is located at Lot G12, Suria KLCC, Kuala Lumpur, Malaysia.
