Berluti opens at Suria KLCC

An icon of Venezia leather shoes with worn-looking aesthetic, luxury French fashion label **Berluti** opens its first-ever store in Suria KLCC, in partnership with Indonesian leading retail company Time International.

Taking over the 105-square-metre space at **Level 1**, the new boutique showcases a perfect mix of modernity and classiness. Playing with varying shades of beige and brown, the store is bedecked with elements of wood, marble and leather meanwhile the 'full grain' club ambience complements the speakeasy reference of the Patina Wall, a genuine ode to Berluti's savoir-faire.

The splendid store houses **complete range of men's fashion** that displays the house's exceptional craftsmanship and creativity of creative director Kris Van Assche. It includes ready-to-wear, footwear and accessories, as well as the label's iconic leather goods. Apart from the Fall/Winter 2020 collection, the brand new boutique also carries the new Signature Canvas collection.
