Brand celebrates 60th year at KL mall

AS THE festive and holiday season draws to an end, Habib plans to continue the festivities by having its final 60th anniversary road tour celebration with exclusive and must-have offers only happening at Suria KLCC.

The best treat at the tour will be the display of Habib's heritage jewellery pieces.

Over 500 pieces will be on display for shoppers to catch a glimpse of the exquisite pieces created by Habib through the years. The Heritage Journey – which is on until March 3 at Centre Court, Suria KLCC – showcases Malaysia’s largest antique jewellery collection, not only to commemorate the jeweller’s diamond anniversary, but also to take visitors on a heritage journey that traces Habib’s humble beginnings.

Whether you are looking to treat yourself or to know more about the heritage jewellery, head to Habib’s final 60th heritage tour to enjoy specially curated promotions and take a closer look at the exquisite pieces.

There will be discounts of up to 70% off. For details, visit Habib’s Facebook page or Instagram.
