Going Back To The Heart Of Aidilfitri With Suria KLCC, Alamanda And Mesra Mall

The Suria KLCC Group is welcoming the community back and kick-starting the Hari Raya Aidilfitri (Raya) festivities in the spirit of gratefulness with decorations set up in all the malls to evoke the spirit of Raya.

In light of this pandemic, the Group has taken preventive measures to protect shoppers and employees such as hand sanitisers placed at strategic and convenient locations, daily body temperature screening on all shoppers and employees in various locations in the malls, increased frequency of cleaning at high contact surface points in the malls and two-metre social distancing, in an effort to ensure a secure and clean environment.

Suria KLCC Sdn Bhd's CEO, Andrew Brien commented, "As we pick ourselves back up and return to the "new norm", the Group is delighted to welcome everyone back. We are adhering to the stringent Ministry of Health's guidelines to ensure all our malls are clean and safe for shoppers and staff. We are constantly cleaning the areas and equipment that have direct contact with visitors especially escalators, elevators and other common areas as the safety and health of our visitors are paramount."

He added, "These are indeed challenging times for us, and I want to thank the community for their continued support. We will continue to be vigilant implementing measures to ensure our business operations continue uninterrupted while safeguarding the wellbeing of our shoppers and staff."

The Group is more than ready to welcome all visitors and shoppers back on its premises, providing access to shopping and dining. Together, we will embrace a brand-new lifestyle routine – one that demands for a safer and healthy environment.

To make this Raya shopping more rewarding, Suria KLCC shoppers will receive an exclusive L'Occitane gift set when they shop at any of the specialty stores from 15 to 25 May 2020.
