There is also a Fierce Sale taking place where customers will get to purchase NYX Cosmetics products for up to 80% off at IOI City Mall Putrajaya, Sunway Pyramid, Mid Valley Megamall and Suria KLCC.

However, if you can't visit any of the aforementioned stores due to time constrain, you can still shop at their online e-commerce shops including Lazada, Hermo and Shopee. This is your last chance to buy your favourite makeup items. After September, shoppers will have to place order via international shipment.

The image shows a social media post from NYX Professional Makeup. The main graphic features a pink lipstick tube with a pink cap, set against a circular logo that says "PROUD ARTIST" at the top and "WITH LOVE FROM LA" at the bottom. The background of the graphic is a hazy, pinkish-red scene with palm trees. Below the lipstick, the text reads "DEAR OUR FIERCE COMMUNITY WE HAVE AN IMPORTANT ANNOUNCEMENT" in a bold, black, sans-serif font, with a small pink heart icon to the right of the word "ANNOUNCEMENT". At the bottom of the graphic is the NYX Professional Makeup logo.
