Omega reveals new concept boutique in KLCC

Swiss luxury watchmaker OMEGA, today revealed its new concept boutique at Malaysia's premier shopping destination in Suria KLCC.

Featuring contemporary yet sophisticated visuals in gold-framed surroundings, the new OMEGA KLCC boutique is characterised by a refined design, with an exquisite use of materials such as leather and wood, as well as many golden details. Throughout the store, exclusive lighting creates a cosy atmosphere, while also highlighting the exquisite collection of OMEGA watches.

Spanning over 861 square feet, visitors to the new KLCC boutique have plenty of room to move around. The new boutique features all of OMEGA's current watches, fine jewellery and accessories which are on display – including the latest Constellation Gents' 41mm model. With an extensive selection of product choices, a team of specially trained sales associates will also offer an efficient on-hand expertise and comfortable shopping experience for watch aficionados.

Within the intimate and luxurious atmosphere, the new OMEGA KLCC boutique also offers an on-site watch technician who can provide efficient servicing for customers. Adding on, there is an enclosed area where VIP guests can view the products undisturbed and at an unhurried pace.

The new OMEGA KLCC boutique is located at Lot 106, First Floor. There will be some reduced opening hours and protective measures in place, giving shoppers a secure space to shop in confidence.

For the very best experience, customers are encouraged to call ahead and book an appointment before visiting at +603-2181 8723 or email at Omega.KLCC@swatchgroup.com.my.
