To drum up excitement for its 2019 releases, Tissot put together an exhibition in Suria KLCC that also showcased its Swiss watchmaking savoir-faire. Held from 5 – 11 March, 2019, the new watches on display included the upgraded T-Touch Expert Solar II Swiss Edition and the new Savonnette Mechanical pocket watch.

Tissot hosted an opening celebration where the brand also took the opportunity to introduce actress and TV personality Amelia Henderson as its first Friend of the Brand in Malaysia. She later joined Kim Lim, vice president of Tissot Malaysia, Tipanat Lenbury, country manager of the Swatch Group Malaysia, and Michael Winzap, ambassador of Switzerland to Malaysia, for the ribbon-cutting ceremony.
